

# Evidence of Coverage

Your Medicare Health Benefits and Services and Prescription Drug Coverage as a Member of:

- **Tufts Medicare Preferred HMO GIC Employer Group (HMO)**

This booklet gives you the details about your Medicare health care and prescription drug coverage from January 1 – December 31, 2016. It explains how to get coverage for the health care services and prescription drugs you need. **This is an important legal document. Please keep it in a safe place.**

This plan, Tufts Medicare Preferred HMO GIC, is offered by Tufts Health Plan Medicare Preferred. (When this Evidence of Coverage says “we,” “us,” or “our,” it means Tufts Health Plan Medicare Preferred. When it says “plan” or “our plan,” it means Tufts Medicare Preferred HMO GIC.)

Tufts Health Plan is an HMO plan with a Medicare contract. Enrollment in Tufts Health Plan depends on contract renewal.

This information is available for free in other languages. Please contact our Customer Relations number at 1-800-701-9000 for additional information. (TTY users should call 1-800-208-9562). Hours are Monday – Friday, 8:00 a.m. – 8:00 p.m. (From Oct. 1 – Feb. 14, representatives are available 7 days a week, 8:00 a.m. – 8:00 p.m.) After hours and on holidays, please leave a message and a representative will return your call on the next business day. Customer Relations also has free language interpreter services available for non-English speakers.

Esta información está disponible de forma gratuita en otros idiomas. Comuníquese con nuestro departamento de atención al cliente al número 1-800-701-9000 para obtener información adicional. (Los usuarios de TTY deben llamar al 1-800-208-9562). El horario es de lunes a viernes, de 8:00 am a 8:00 pm (del 1 de octubre al 14 de febrero, los representantes están disponibles los 7 días a la semana, de 8:00 am a 8:00 pm). Fuera de estos horarios y en días festivos, deje un mensaje y un representante le devolverá la llamada el día hábil siguiente. Atención al cliente también ofrece servicios gratuitos de interpretación disponibles para las personas que no hablan inglés.

This information is available in a different format, including large print.

Benefits, formulary, pharmacy network, premium, and/or copayments/coinsurance may change on January 1, 2017.

## **2016 Evidence of Coverage**

### **Table of Contents**

This list of chapters and page numbers is your starting point. For more help in finding information you need, go to the first page of a chapter. **You will find a detailed list of topics at the beginning of each chapter.**

<b>Chapter 1. Getting started as a member .....</b>	<b>5</b>
Explains what it means to be in a Medicare health plan and how to use this booklet. Tells about materials we will send you, your plan premium, your plan membership card, and keeping your membership record up to date.	
<b>Chapter 2. Important phone numbers and resources .....</b>	<b>17</b>
Tells you how to get in touch with our plan ( <i>Tufts Medicare Preferred HMO GIC</i> ) and with other organizations including Medicare, the State Health Insurance Assistance Program (SHIP), the Quality Improvement Organization, Social Security, Medicaid (the state health insurance program for people with low incomes), programs that help people pay for their prescription drugs, and the Railroad Retirement Board.	
<b>Chapter 3. Using the plan's coverage for your medical services .....</b>	<b>37</b>
Explains important things you need to know about getting your medical care as a member of our plan. Topics include using the providers in the plan's network and how to get care when you have an emergency.	
<b>Chapter 4. Medical Benefits Chart (what is covered and what you pay) .....</b>	<b>54</b>
Gives the details about which types of medical care are covered and <i>not</i> covered for you as a member of our plan. Explains how much you will pay as your share of the cost for your covered medical care.	
<b>Chapter 5. Using the plan's coverage for your Part D prescription drugs .....</b>	<b>96</b>
Explains rules you need to follow when you get your Part D drugs. Tells how to use the plan's <i>List of Covered Drugs (Formulary)</i> to find out which drugs are covered. Tells which kinds of drugs are <i>not</i> covered. Explains several kinds of restrictions that apply to coverage for certain drugs. Explains where to get your prescriptions filled. Tells about the plan's programs for drug safety and managing medications.	

<b>Chapter 6. What you pay for your Part D prescription drugs .....</b>	<b>119</b>
Tells about the 4 stages of drug coverage (Deductible Stage, Initial Coverage Stage, Coverage Gap Stage, Catastrophic Coverage Stage) and how these stages affect what you pay for your drugs. Explains the 3 cost-sharing tiers for your Part D drugs and tells what you must pay for a drug in each cost-sharing tier. Tells about the late enrollment penalty.	
<b>Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs .....</b>	<b>142</b>
Explains when and how to send a bill to us when you want to ask us to pay you back for our share of the cost for your covered services or drugs.	
<b>Chapter 8. Your rights and responsibilities .....</b>	<b>149</b>
Explains the rights and responsibilities you have as a member of our plan. Tells what you can do if you think your rights are not being respected.	
<b>Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints) .....</b>	<b>161</b>
Tells you step-by-step what to do if you are having problems or concerns as a member of our plan.	
<ul style="list-style-type: none"><li>• Explains how to ask for coverage decisions and make appeals if you are having trouble getting the medical care or prescription drugs you think are covered by our plan. This includes asking us to make exceptions to the rules or extra restrictions on your coverage for prescription drugs, and asking us to keep covering hospital care and certain types of medical services if you think your coverage is ending too soon.</li><li>• Explains how to make complaints about quality of care, waiting times, customer service, and other concerns.</li></ul>	
<b>Chapter 10. Ending your membership in the plan .....</b>	<b>218</b>
Explains when and how you can end your membership in the plan. Explains situations in which our plan is required to end your membership.	
<b>Chapter 11. Legal notices .....</b>	<b>225</b>
Includes notices about governing law and about non-discrimination.	
<b>Chapter 12. Definitions of important words .....</b>	<b>228</b>
Explains key terms used in this booklet	
<b>Appendix 1. Multi Language Interpreter Services .....</b>	<b>240</b>

**Chapter 1. Getting started as a member**

---

---

**SECTION 1 Introduction**

---

<b>Section 1.1</b>	<b>You are enrolled in <i>Tufts Medicare Preferred HMO GIC</i>, which is a Medicare HMO</b>
--------------------	---

You are covered by Medicare, and you have chosen to get your Medicare health care and your prescription drug coverage through our plan, *Tufts Medicare Preferred HMO GIC*.

There are different types of Medicare health plans. *Tufts Medicare Preferred HMO GIC* is a Medicare Advantage HMO Plan (HMO stands for Health Maintenance Organization) approved by Medicare and run by a private company.

<b>Section 1.2</b>	<b>What is the <i>Evidence of Coverage</i> booklet about?</b>
--------------------	---

This *Evidence of Coverage* booklet tells you how to get your Medicare medical care and prescription drugs covered through our plan. This booklet explains your rights and responsibilities, what is covered, and what you pay as a member of the plan.

The word “coverage” and “covered services” refers to the medical care and services and the prescription drugs available to you as a member of *Tufts Medicare Preferred HMO GIC*.

It’s important for you to learn what the plan’s rules are and what services are available to you. We encourage you to set aside some time to look through this *Evidence of Coverage* booklet.

If you are confused or concerned or just have a question, please contact our plan’s Customer Relations (phone numbers are printed on the back cover of this booklet).

<b>Section 1.3</b>	<b>Legal information about the <i>Evidence of Coverage</i></b>
--------------------	--

**It’s part of our contract with you**

This *Evidence of Coverage* is part of our contract with you about how *Tufts Medicare Preferred HMO GIC* covers your care. Other parts of this contract include your enrollment form, the *List of Covered Drugs (Formulary)*, and any notices you receive from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called “riders” or “amendments.”

The contract is in effect for months in which you are enrolled in *Tufts Medicare Preferred HMO GIC* between January 1, 2016 and December 31, 2016.

Each calendar year, Medicare allows us to make changes to the plans that we offer. This means we can change the costs and benefits of *Tufts Medicare Preferred HMO GIC* after December 31,

**Chapter 1. Getting started as a member**

---

2016. We can also choose to stop offering the plan, or to offer it in a different service area, after December 31, 2016.

**Medicare must approve our plan each year**

Medicare (the Centers for Medicare & Medicaid Services) must approve *Tufts Medicare Preferred HMO GIC* each year. You can continue to get Medicare coverage as a member of our plan as long as we choose to continue to offer the plan and Medicare renews its approval of the plan.

---

**SECTION 2 What makes you eligible to be a plan member?**

---

<b>Section 2.1</b>	<b>Your eligibility requirements</b>
--------------------	--------------------------------------

*You are eligible for membership in our plan as long as:*

- You have both Medicare Part A and Medicare Part B (section 2.2 tells you about Medicare Part A and Medicare Part B)
- -- *and* -- you live in our geographic service area (section 2.3 below describes our service area)
- -- *and* -- you do not have End-Stage Renal Disease (ESRD), with limited exceptions, such as if you develop ESRD when you are already a member of a plan that we offer, or you were a member of a different plan that was terminated.

Please contact the Group Insurance Commission for any additional requirements your current or former employer may have.

<b>Section 2.2</b>	<b>What are Medicare Part A and Medicare Part B?</b>
--------------------	--

When you first signed up for Medicare, you received information about what services are covered under Medicare Part A and Medicare Part B. Remember:

- Medicare Part A generally helps cover services provided by hospitals (for inpatient services, skilled nursing facilities, or home health agencies).
- Medicare Part B is for most other medical services (such as physician's services and other outpatient services) and certain items (such as durable medical equipment and supplies).

**Chapter 1. Getting started as a member**

---

<b>Section 2.3</b>	<b>Here is the plan service area for Tufts Medicare Preferred HMO GIC</b>
--------------------	---

Although Medicare is a Federal program, *Tufts Medicare Preferred HMO GIC* is available only to individuals who live in our plan service area. To remain a member of our plan, you must continue to reside in the plan service area. The service area is described below.

Our service area includes these counties in *Massachusetts*:

- Barnstable County
- Bristol County
- Essex County
- Hampden County
- Hampshire County
- Middlesex County
- Norfolk County
- Plymouth County
- Suffolk County
- Worcester County

If you plan to move out of the service area, please contact the Group Insurance Commission for plan options.

It is also important that you call Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

---

<b>SECTION 3</b>	<b>What other materials will you get from us?</b>
------------------	---

---

<b>Section 3.1</b>	<b>Your plan membership card – Use it to get all covered care and prescription drugs</b>
--------------------	--

While you are a member of our plan, you must use your membership card for our plan whenever you get any services covered by this plan and for prescription drugs you get at network pharmacies. Here's a sample membership card to show you what yours will look like:

**Chapter 1. Getting started as a member**

 <b>TUFTS</b> Health Plan		<i>Tufts Medicare Preferred HMO Plan</i>	
<b>PCP</b> FIRSTNAME LASTNAME, MD		<b>Copays</b> \$XX PCP OV \$XX Spec OV \$XX ER	
<b>RxBIN</b> 004336 <b>RxPCN</b> MEDDADV <b>RxGRP</b> RX8657 <b>Plan</b> (80840)	 Prescription Drug Coverage		
<b>ID</b> <b>S12345678</b> <b>Name</b> FIRSTNAME M. LASTNAME	<b>Issued:</b> MM/DD/YYYY CMS - H2256 - XXX		

**IN AN EMERGENCY:** If your life is in danger, call 911 or go to the nearest emergency room. Call your PCP as soon as possible.

**Customer Relations:** 1-800-701-9000 (TTY: 1-800-208-9562)

**Provider Relations:** 1-800-279-9022

**Mental Health:** 1-800-208-9565 (TTY: 1-866-244-4740)

**Send Medical Claims to:** Tufts Health Plan, P.O. Box 9183, Watertown, MA 02471-9183

**Send Pharmacy Claims to:** CVS/Caremark, Medicare Part D Paper Claims, P.O. Box 52092, Phoenix, AZ 85072-2092

**Website:** [www.thmp.org](http://www.thmp.org)

As long as you are a member of our plan **you must not use your red, white, and blue Medicare card** to get covered medical services (with the exception of routine clinical research studies and hospice services). Keep your red, white, and blue Medicare card in a safe place in case you need it later.

**Here's why this is so important:** If you get covered services using your red, white, and blue Medicare card instead of using your *Tufts Medicare Preferred HMO GIC* membership card while you are a plan member, you may have to pay the full cost yourself.

If your plan membership card is damaged, lost, or stolen, call Customer Relations right away and we will send you a new card. (Phone numbers for Customer Relations are printed on the back cover of this booklet.)

**Section 3.2      The *Provider Directory*: Your guide to all providers and pharmacies in the plan's network**

The *Provider Directory* lists our network providers and pharmacies.

**What are “network providers”?**

**Network providers** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost-sharing as payment in full. We have arranged for these providers to deliver covered services to members in our plan.

**Why do you need to know which providers are part of our network?**

It is important to know which providers are part of our network because, with limited exceptions, while you are a member of our plan you must use network providers to get your medical care and services. The only exceptions are emergencies, urgently needed services when the network is not available (generally, when you are out of the area), out-of-area dialysis services, and cases in

which *Tufts Medicare Preferred HMO GIC* authorizes use of out-of-network providers. See Chapter 3 (*Using the plan's coverage for your medical services*) for more specific information about emergency, out-of-network, and out-of-area coverage.

If you don't have your copy of the *Provider Directory*, you can request a copy from Customer Relations (phone numbers are printed on the back cover of this booklet). You may ask Customer Relations for more information about our network providers, including their qualifications. You can also see the *Provider Directory* at [tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org).

### **What are “network pharmacies”?**

Network pharmacies are all of the pharmacies that have agreed to fill covered prescriptions for our plan members.

### **Why do you need to know about network pharmacies?**

You can use the *Provider Directory* to find the network pharmacy you want to use. There are changes to our network of pharmacies for next year. An updated *Provider Directory* is located on our website at [tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org). You may also call Customer Relations for updated provider information or to ask us to mail you a *Provider Directory*. **Please review the 2016 *Provider Directory* to see which pharmacies are in our network.**

If you don't have the *Provider Directory*, you can get a copy from Customer Relations (phone numbers are printed on the back cover of this booklet). At any time, you can call Customer Relations to get up-to-date information about changes in the pharmacy network. You can also find this information on our website at [tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org).

<b>Section 3.3</b>	<b>The plan's List of Covered Drugs (<i>Formulary</i>)</b>
--------------------	--

The plan has a *List of Covered Drugs (Formulary)*. We call it the “Drug List” for short. It tells which Part D prescription drugs are covered under the Part D benefit included in *Tufts Medicare Preferred HMO GIC*. The drugs on this list are selected by the plan with the help of a team of doctors and pharmacists. The list must meet requirements set by Medicare. Medicare has approved the *Tufts Medicare Preferred HMO GIC* Drug List.

The Drug List also tells you if there are any rules that restrict coverage for your drugs.

We will send you a copy of the Drug List. To get the most complete and current information about which drugs are covered, you can visit the plan's website ([tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org)) or call Customer Relations (phone numbers are printed on the back cover of this booklet).

<b>Section 3.4</b>	<b>The <i>Part D Explanation of Benefits</i> (the “Part D EOB”): Reports with a summary of payments made for your Part D prescription drugs</b>
--------------------	---

When you use your Part D prescription drug benefits, we will send you a summary report to help you understand and keep track of payments for your Part D prescription drugs. This summary report is called the *Part D Explanation of Benefits* (or the “Part D EOB”).

The *Part D Explanation of Benefits* tells you the total amount you, or others on your behalf, have spent on your Part D prescription drugs and the total amount we have paid for each of your Part D prescription drugs during the month. Chapter 6 (*What you pay for your Part D prescription drugs*) gives more information about the *Part D Explanation of Benefits* and how it can help you keep track of your drug coverage.

A *Part D Explanation of Benefits* summary is also available upon request. To get a copy, please contact Customer Relations (phone numbers are printed on the back cover of this booklet).

---

<b>SECTION 4</b>	<b>Your monthly premium for Tufts Medicare Preferred HMO GIC</b>
------------------	--

---

<b>Section 4.1</b>	<b>How much is your plan premium?</b>
--------------------	---------------------------------------

Your coverage is provided through a contract with your current employer, former employer, or union. Please contact the Group Insurance Commission for information about your plan premium.

In addition, you must continue to pay your Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

**In some situations, your plan premium could be less**

There are programs to help people with limited resources pay for their drugs. These include “Extra Help” and State Pharmaceutical Assistance Programs. Chapter 2, Section 7 tells more about these programs. If you qualify, enrolling in the program might lower your monthly plan premium.

If you are *already enrolled* and getting help from one of these programs, **the information about premiums in this *Evidence of Coverage* may not apply to you.** We send you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Customer Relations and ask for the “LIS Rider.” (Phone numbers for Customer Relations are printed on the back cover of this booklet.)

### **In some situations, your plan premium could be more**

In some situations, your plan premium could be more than the amount listed above in Section 4.1. This situation is described below.

- Some members are required to pay a **late enrollment penalty** because they did not join a Medicare drug plan when they first became eligible or because they had a continuous period of 63 days or more when they didn't have "creditable" prescription drug coverage. ("Creditable" means the drug coverage is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage.) For these members, the late enrollment penalty is added to the plan's monthly premium. Their premium amount will be the monthly plan premium plus the amount of their late enrollment penalty.
  - If you are required to pay the late enrollment penalty, the amount of your penalty depends on how long you waited before you enrolled in drug coverage or how many months you were without drug coverage after you became eligible. Chapter 6, Section 9 explains the late enrollment penalty.
  - If you have a late enrollment penalty and do not pay it, you could be disenrolled from the plan.

### **Many members are required to pay other Medicare premiums**

In addition to paying the monthly plan premium, many members are required to pay other Medicare premiums. As explained in Section 2 above, in order to be eligible for our plan, you must be entitled to Medicare Part A and enrolled in Medicare Part B. For that reason, some plan members (those who aren't eligible for premium-free Part A) pay a premium for Medicare Part A. And most plan members pay a premium for Medicare Part B. **You must continue paying your Medicare premiums to remain a member of the plan.**

Some people pay an extra amount for Part D because of their yearly income. This is known as Income Related Monthly Adjustment Amounts, also known as IRMAA. If your income is greater than \$85,000 for an individual (or married individuals filing separately) or greater than \$170,000 for married couples, **you must pay an extra amount directly to the government (not the Medicare plan)** for your Medicare Part D coverage.

- **If you are required to pay the extra amount and you do not pay it, you will be disenrolled from the plan and lose prescription drug coverage.**
- If you have to pay an extra amount, Social Security, **not your Medicare plan**, will send you a letter telling you what that extra amount will be.
- For more information about Part D premiums based on income, go to Chapter 6, Section 10 of this booklet. You can also visit <http://www.medicare.gov> on the Web or call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or you may call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778.

**Chapter 1. Getting started as a member**

---

Your copy of *Medicare & You 2016* gives information about the Medicare premiums in the section called “2016 Medicare Costs.” This explains how the Medicare Part B and Part D premiums differ for people with different incomes. Everyone with Medicare receives a copy of *Medicare & You* each year in the fall. Those new to Medicare receive it within a month after first signing up. You can also download a copy of *Medicare & You 2016* from the Medicare website (<http://www.medicare.gov>). Or, you can order a printed copy by phone at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.

**Section 4.2      Paying your plan premium**

The Group Insurance Commission has a contract with Tufts Health Plan Medicare Preferred that sets the amount of your plan premium and when and how it must be paid. Check with the Group Insurance Commission if you have questions regarding how your monthly plan premium is paid.

**Section 4.3      Can we change your monthly plan premium during the year?**

**No.** We are not allowed to change the amount we charge for the plan’s monthly plan premium during the year.

---

**SECTION 5      Please keep your plan membership record up to date**

---

**Section 5.1      How to help make sure that we have accurate information about you**

Your membership record has information from your enrollment form, including your address and telephone number. It shows your specific plan coverage including your Primary Care Physician.

The doctors, hospitals, pharmacists, and other providers in the plan’s network need to have correct information about you. **These network providers use your membership record to know what services and drugs are covered and the cost-sharing amounts for you.** Because of this, it is very important that you help us keep your information up to date.

**Let us know about these changes:**

- Changes to your name, your address, or your phone number
- Changes in any other health insurance coverage you have (such as from your employer, your spouse’s employer, workers’ compensation, or Medicaid)
- If you have any liability claims, such as claims from an automobile accident
- If you have been admitted to a nursing home
- If you receive care in an out-of-area or out-of-network hospital or emergency room
- If your designated responsible party (such as a caregiver) changes

**Chapter 1. Getting started as a member**

---

- If you are participating in a clinical research study

If any of this information changes, please let us know by calling Customer Relations (phone numbers are printed on the back cover of this booklet). Members with a personal online account are able to update certain information on our website. For details on how to sign up for a secure personal account call Customer Relations or go to [thpmp.org/registration](http://thpmp.org/registration).

It is also important to contact Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

**Read over the information we send you about any other insurance coverage you have**

Medicare requires that we collect information from you about any other medical or drug insurance coverage that you have. That's because we must coordinate any other coverage you have with your benefits under our plan. (For more information about how our coverage works when you have other insurance, see Section 7 in this chapter.)

Once each year, we will send you a letter that lists any other medical or drug insurance coverage that we know about. Please read over this information carefully. If it is correct, you don't need to do anything. If the information is incorrect, or if you have other coverage that is not listed, please call Customer Relations (phone numbers are printed on the back cover of this booklet).

---

**SECTION 6      We protect the privacy of your personal health information**

---

<b>Section 6.1      We make sure that your health information is protected</b>
--

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

For more information about how we protect your personal health information, please go to Chapter 8, Section 1.4 of this booklet.

---

**SECTION 7      How other insurance works with our plan**

---

<b>Section 7.1      Which plan pays first when you have other insurance?</b>
--

When you have other insurance (like employer group health coverage), there are rules set by Medicare that decide whether our plan or your other insurance pays first. The insurance that pays first is called the "primary payer" and pays up to the limits of its coverage. The one that pays second, called the "secondary payer," only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all of the uncovered costs.

**Chapter 1. Getting started as a member**

---

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
- Workers' compensation

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare, employer group health plans, and/or Medigap have paid.

If you have other insurance, tell your doctor, hospital, and pharmacy. If you have questions about who pays first, or you need to update your other insurance information, call Customer Relations (phone numbers are printed on the back cover of this booklet). You may need to give your plan member ID number to your other insurers (once you have confirmed their identity) so your bills are paid correctly and on time.

## **How to contact us when you are asking for a coverage decision about your medical care**

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your medical services. For more information on asking for coverage decisions about your medical care, see Chapter 9 (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*).

You may call us if you have questions about our coverage decision process.

<b>Method</b>	<b>Coverage Decisions For Medical Care – Contact Information</b>
<b>CALL</b>	<p>1-800-701-9000</p> <p>Calls to this number are free. Representatives are available Monday – Friday, 8:00 a.m. – 8:00 p.m. (From October 1 – February 14, representatives are available 7 days a week, 8:00 a.m. – 8:00 p.m.) After hours and on holidays, please leave a message and a representative will return your call on the next business day.</p>

## **SECTION 2      Medicare** (how to get help and information directly from the Federal Medicare program)

---

Medicare is the Federal health insurance program for people 65 years of age or older, some people under age 65 with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a kidney transplant).

The Federal agency in charge of Medicare is the Centers for Medicare & Medicaid Services (sometimes called “CMS”). This agency contracts with Medicare Advantage organizations including us.

<b>Method</b>	<b>Medicare – Contact Information</b>
<b>CALL</b>	1-800-MEDICARE, or 1-800-633-4227 Calls to this number are free. 24 hours a day, 7 days a week.
<b>TTY</b>	1-877-486-2048 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are free.
<b>WEBSITE</b>	<u><a href="http://www.medicare.gov">http://www.medicare.gov</a></u> This is the official government website for Medicare. It gives you up-to-date information about Medicare and current Medicare issues. It also has information about hospitals, nursing homes, physicians, home health agencies, and dialysis facilities. It includes booklets you can print directly from your computer. You can also find Medicare contacts in your state. The Medicare website also has detailed information about your Medicare eligibility and enrollment options with the following tools: <ul style="list-style-type: none"><li>• <b>Medicare Eligibility Tool:</b> Provides Medicare eligibility status information.</li><li>• <b>Medicare Plan Finder:</b> Provides personalized information about available Medicare prescription drug plans, Medicare health plans, and Medigap (Medicare Supplement Insurance) policies in your area. These tools provide an <i>estimate</i> of what your out-of-pocket costs might be in different Medicare plans.</li></ul> You can also use the website to tell Medicare about any complaints you have about Tufts Medicare Preferred HMO GIC: <ul style="list-style-type: none"><li>• <b>Tell Medicare about your complaint:</b> You can submit a complaint about Tufts Medicare Preferred HMO GIC directly to Medicare. To submit a complaint to Medicare, go to <a href="http://www.medicare.gov/MedicareComplaintForm/home.aspx">www.medicare.gov/MedicareComplaintForm/home.aspx</a>.</li></ul>

**Chapter 2. Important phone numbers and resources**

Method	Medicare – Contact Information
	<p>Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.</p> <p>If you don't have a computer, your local library or senior center may be able to help you visit this website using its computer. Or, you can call Medicare and tell them what information you are looking for. They will find the information on the website, print it out, and send it to you. (You can call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)</p> <ul style="list-style-type: none"> <li>• <b>Minimum essential coverage (MEC):</b> Coverage under this Plan qualifies as minimum essential coverage (MEC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at <a href="http://www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision">http://www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision</a> for more information on the individual requirement for MEC.</li> </ul>

---

## **SECTION 3      State Health Insurance Assistance Program** (free help, information, and answers to your questions about Medicare)

---

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Massachusetts, the SHIP is called SHINE (Serving Health Information Needs of Elders).

SHINE is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare.

SHINE counselors can help you with your Medicare questions or problems. They can help you understand your Medicare rights, help you make complaints about your medical care or treatment, and help you straighten out problems with your Medicare bills. SHINE counselors can also help you understand your Medicare plan choices and answer questions about switching plans.

Method	SHINE ( <u>S</u> erving <u>H</u> ealth <u>I</u> nformation <u>N</u> eeds of <u>E</u> lders). (Massachusetts SHIP)
CALL	1-800-243-4636 (1-800-AGE-INFO)
TTY	1-800-872-0166  This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
WRITE	Call the number above for the address of the SHINE program in your area.

---

## **SECTION 4      Quality Improvement Organization** (paid by Medicare to check on the quality of care for people with Medicare)

---

There is a designated Quality Improvement Organization for serving Medicare beneficiaries in each state. For Massachusetts, the Quality Improvement Organization is called *Livanta*.

*Livanta* has a group of doctors and other health care professionals who are paid by the Federal government. This organization is paid by Medicare to check on and help improve the quality of care for people with Medicare. *Livanta* is an independent organization. It is not connected with our plan.

You should contact *Livanta* in any of these situations:

- You have a complaint about the quality of care you have received.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.

Method	<i>Livanta</i> (Massachusetts Quality Improvement Organization)
CALL	866-815-5440
TTY	1-866-868-2289  This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.

Method	<i>Livanta (Massachusetts Quality Improvement Organization)</i>

## **SECTION 5      Social Security**

---

Social Security is responsible for determining eligibility and handling enrollment for Medicare. U.S. citizens who are 65 or older, or who have a disability or End-Stage Renal Disease and meet certain conditions, are eligible for Medicare. If you are already getting Social Security checks, enrollment into Medicare is automatic. If you are not getting Social Security checks, you have to enroll in Medicare. Social Security handles the enrollment process for Medicare. To apply for Medicare, you can call Social Security or visit your local Social Security office.

Social Security is also responsible for determining who has to pay an extra amount for their Part D drug coverage because they have a higher income. If you got a letter from Social Security telling you that you have to pay the extra amount and have questions about the amount or if your income went down because of a life-changing event, you can call Social Security to ask for a reconsideration.

If you move or change your mailing address, it is important that you contact Social Security to let them know.

Method	<b>Social Security– Contact Information</b>
<b>CALL</b>	1-800-772-1213 Calls to this number are free. Available 7:00 am to 7:00 pm, Monday through Friday. You can use Social Security’s automated telephone services to get recorded information and conduct some business 24 hours a day.
<b>TTY</b>	1-800-325-0778 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are free. Available 7:00 am to 7:00 pm, Monday through Friday.
<b>WEBSITE</b>	<a href="http://www.ssa.gov">http://www.ssa.gov</a>

## **SECTION 6      Medicaid** (a joint Federal and state program that helps with medical costs for some people with limited income and resources)

---

Medicaid is a joint Federal and state government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid.

In addition, there are programs offered through Medicaid that help people with Medicare pay their Medicare costs, such as their Medicare premiums. These “Medicare Savings Programs” help people with limited income and resources save money each year:

- **Qualified Medicare Beneficiary (QMB):** Helps pay Medicare Part A and Part B premiums, and other cost-sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)
- **Specified Low-Income Medicare Beneficiary (SLMB):** Helps pay Part B premiums. (Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).)
- **Qualified Individual (QI):** Helps pay Part B premiums.
- **Qualified Disabled & Working Individuals (QDWI):** Helps pay Part A premiums.

To find out more about Medicaid and its programs, contact MassHealth.

<b>Method</b>	<b>MassHealth (Massachusetts Medicaid program) – Contact Information</b>
<b>CALL</b>	1-800-841-2900
<b>TTY</b>	1-800-497-4648  This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
<b>WRITE</b>	MassHealth Enrollment Center, P.O. Box 290794, Charlestown, MA 02129-0214
<b>WEBSITE</b>	<a href="http://www.mass.gov">www.mass.gov</a>

---

## **SECTION 7      Information about programs to help people pay for their prescription drugs**

---

### **Medicare's "Extra Help" Program**

Medicare provides "Extra Help" to pay prescription drug costs for people who have limited income and resources. Resources include your savings and stocks, but not your home or car. If you qualify, you get help paying for any Medicare drug plan's monthly premium, yearly deductible, and prescription copayments. This "Extra Help" also counts toward your out-of-pocket costs.

People with limited income and resources may qualify for "Extra Help." Some people automatically qualify for "Extra Help" and don't need to apply. Medicare mails a letter to people who automatically qualify for "Extra Help."

You may be able to get "Extra Help" to pay for your prescription drug premiums and costs. To see if you qualify for getting "Extra Help," call:

- 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week.
- The Social Security Office at 1-800-772-1213, between 7 am to 7 pm, Monday through Friday. TTY users should call 1-800-325-0778 (applications); or
- Your State Medicaid Office (applications) (See Section 6 of this chapter for contact information).

If you believe you have qualified for "Extra Help" and you believe that you are paying an incorrect cost-sharing amount when you get your prescription at a pharmacy, our plan has established a process that allows you to either request assistance in obtaining evidence of your proper copayment level, or, if you already have the evidence, to provide this evidence to us.

- Please contact our Customer Relations Department if you need assistance with obtaining or proving Best Available Evidence (BAE). If applicable, please provide documentation as soon as reasonably possible.
- When we receive the evidence showing your copayment level, we will update our system so that you can pay the correct copayment when you get your next prescription at the pharmacy. If you overpay your copayment, we will reimburse you. Either we will forward a check to you in the amount of your overpayment or we will offset future copayments. If the pharmacy hasn't collected a copayment from you and is carrying your copayment as a debt owed by you, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Please contact Customer Relations if you have questions (phone numbers are printed on the back cover of this booklet).

## **Medicare Coverage Gap Discount Program**

The Medicare Coverage Gap Discount Program provides manufacturer discounts on brand name drugs to Part D enrollees who have reached the coverage gap and are not receiving “Extra Help.” A 50% discount on the negotiated price (excluding the dispensing fee) is available for those brand name drugs from manufacturers.

If you reach the coverage gap, we will automatically apply the discount when your pharmacy bills you for your prescription and your Part D Explanation of Benefits (Part D EOB) will show any discount provided. Both the amount you pay and the amount discounted by the manufacturer count toward your out-of-pocket costs as if you had paid them and moves you through the coverage gap.

You also receive some coverage for generic drugs. If you reach the coverage gap, the plan pays 42% of the price for generic drugs and you pay the remaining 58% of the price. For generic drugs, the amount paid by the plan (42%) does not count toward your out-of-pocket costs. Only the amount you pay counts and moves you through the coverage gap. Also, the dispensing fee is included as part of the cost of the drug.

## **Wrap Plan Coverage**

In 2016, Tufts Health Plan Medicare Preferred will include Wrap coverage in conjunction with your Part D drug coverage. Depending on which benefit stage you are in, the Wrap covers a portion of the cost of the drug. **This Wrap is additional coverage to your Tufts Medicare Preferred HMO Plan and is offered through Tufts Insurance Company. Please refer to the Wrap EOC for how the Wrap works in the different stages.**

Your Explanation of Benefits will show any discount provided. The amount discounted by the manufacturer and your co-payment counts toward your out-of-pocket costs.

If you have any questions about the availability of discounts for the drugs you are taking or about the Medicare Coverage Gap Discount Program in general, please contact Customer Relations (phone numbers are printed on the back cover of this booklet).

## **What if you have coverage from a State Pharmaceutical Assistance Program (SPAP)?**

If you are enrolled in a State Pharmaceutical Assistance Program (SPAP), or any other program that provides coverage for Part D drugs (other than “Extra Help”), you still get the 50% discount on covered brand name drugs. Also, the plan pays 5% of the costs of brand drugs in the coverage gap. The 50% discount and the 5% paid by the plan are both applied to the price of the drug before any SPAP or other coverage.

**What if you have coverage from an AIDS Drug Assistance Program (ADAP)?  
What is the AIDS Drug Assistance Program (ADAP)?**

The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance from The Massachusetts HIV Drug Assistance Program (HDAP). Note: To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status.

If you are currently enrolled in an ADAP, it can continue to provide you with Medicare Part D prescription cost-sharing assistance for drugs on the ADAP formulary. In order to be sure you continue receiving this assistance, please notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number. Contact The Massachusetts HIV Drug Assistance Program (HDAP) at 1-800-228-2714.

For information on eligibility criteria, covered drugs, or how to enroll in the program, please call The Massachusetts HIV Drug Assistance Program (HDAP) at 1-800-228-2714.

**What if you get “Extra Help” from Medicare to help pay your prescription drug costs?  
Can you get the discounts?**

No. If you get “Extra Help,” you already get coverage for your prescription drug costs during the coverage gap.

**What if you don’t get a discount, and you think you should have?**

If you think that you have reached the coverage gap and did not get a discount when you paid for your brand name drug, you should review your next *Part D Explanation of Benefits* (Part D EOB) notice. If the discount doesn’t appear on your *Part D Explanation of Benefits*, you should contact us to make sure that your prescription records are correct and up-to-date. If we don’t agree that you are owed a discount, you can appeal. You can get help filing an appeal from your State Health Insurance Assistance Program (SHIP) (telephone numbers are in Section 3 of this Chapter) or by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

**State Pharmaceutical Assistance Programs**

Many states have State Pharmaceutical Assistance Programs that help some people pay for prescription drugs based on financial need, age, medical condition, or disabilities. Each state has different rules to provide drug coverage to its members.

In Massachusetts, the State Pharmaceutical Assistance Program is Prescription Advantage.

## **SECTION 8      How to contact the Railroad Retirement Board**

---

The Railroad Retirement Board is an independent Federal agency that administers comprehensive benefit programs for the nation's railroad workers and their families. If you have questions regarding your benefits from the Railroad Retirement Board, contact the agency.

If you receive your Medicare through the Railroad Retirement Board, it is important that you let them know if you move or change your mailing address

Method	<b>Railroad Retirement Board – Contact Information</b>
<b>CALL</b>	1-877-772-5772 Calls to this number are free. Available 9:00 am to 3:30 pm, Monday through Friday If you have a touch-tone telephone, recorded information and automated services are available 24 hours a day, including weekends and holidays.
<b>TTY</b>	1-312-751-4701 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are <i>not</i> free.
<b>WEBSITE</b>	<a href="http://www.rrb.gov">http://www.rrb.gov</a>

---

## **SECTION 9      You have “group insurance” or other health insurance from an employer**

---

Since you (or your spouse) get benefits from your (or your spouse’s) current or former employer or retiree group as part of this plan, you may call the employer/union benefits administrator or Customer Relations if you have any questions. You can ask about your (or your spouse’s) former employer or retiree health benefits, premiums, or the enrollment period. (Phone numbers for Customer Relations are printed on the back cover of this booklet.) You may also call 1-800-MEDICARE (1-800-633-4227; TTY: 1-877-486-2048) with questions related to your Medicare coverage under this plan.

If you have other prescription drug coverage through your (or your spouse’s) current or former employer or retiree group, please contact **that group’s benefits administrator**. The benefits administrator can help you determine how your current prescription drug coverage will work with our plan.

**Important Note:** You (or your spouse’s) employer/union benefits may change, or you (or your spouse) may lose the benefits, if you enroll in a stand-alone Medicare Prescription Drug Plan. Call your current or former employer/union benefits administrator or Customer Relations to find out whether the benefits will change or be terminated if you or your spouse enrolls in a stand-alone Medicare Prescription Drug Plan Part D.

# CHAPTER 3

*Using the plan's coverage  
for your medical services*

## **Chapter 3. Using the plan's coverage for your medical services**

## **SECTION 1      Things to know about getting your medical care covered as a member of our plan**

---

This chapter explains what you need to know about using the plan to get your medical care covered. It gives definitions of terms and explains the rules you will need to follow to get the medical treatments, services, and other medical care that are covered by the plan.

For the details on what medical care is covered by our plan and how much you pay when you get this care, use the benefits chart in the next chapter, Chapter 4 (*Medical Benefits Chart, what is covered and what you pay*).

<b>Section 1.1      What are “network providers” and “covered services”?</b>
--

Here are some definitions that can help you understand how you get the care and services that are covered for you as a member of our plan:

- **“Providers”** are doctors and other health care professionals licensed by the state to provide medical services and care. The term “providers” also includes hospitals and other health care facilities.
- **“Network providers”** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and your cost-sharing amount as payment in full. We have arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay only your share of the cost for their services.
- **“Covered services”** include all the medical care, health care services, supplies, and equipment that are covered by our plan. Your covered services for medical care are listed in the benefits chart in Chapter 4.

<b>Section 1.2      Basic rules for getting your medical care covered by the plan</b>
---

As a Medicare health plan, *Tufts Medicare Preferred HMO GIC* must cover all services covered by Original Medicare and must follow Original Medicare's coverage rules.

*Tufts Medicare Preferred HMO GIC* will generally cover your medical care as long as:

- **The care you receive is included in the plan's Medical Benefits Chart** (this chart is in Chapter 4 of this booklet).
- **The care you receive is considered medically necessary.** “Medically necessary” means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

- **You have a network Primary Care Physician (a PCP) who is providing and overseeing your care.** As a member of our plan, you must choose a network PCP (for more information about this, see Section 2.1 in this chapter).
  - In most situations, your network PCP must give you approval in advance before you can use other providers in the plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. This is called giving you a "referral." For more information about this, see Section 2.3 of this chapter.
  - Referrals from your PCP are not required for emergency care or urgently needed services. There are also some other kinds of care you can get without having approval in advance from your PCP (for more information about this, see Section 2.2 of this chapter).
- **You must receive your care from a network provider** (for more information about this, see Section 2 in this chapter). In most cases, care you receive from an out-of-network provider (a provider who is not part of our plan's network) will not be covered. *Here are three exceptions:*
  - The plan covers emergency care or urgently needed services that you get from an out-of-network provider. For more information about this, and to see what emergency or urgently needed services means, see Section 3 in this chapter.
  - If you need medical care that Medicare requires our plan to cover and the providers in our network cannot provide this care, you can get this care from an out-of-network provider upon referral from your PCP. In this situation, you will pay the same as you would pay if you got the care from a network provider. For information about getting approval to see an out-of-network doctor, see Section 2.4 in this chapter.
  - The plan covers kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area.

---

## **SECTION 2      Use providers in the plan's network to get your medical care**

---

<b>Section 2.1</b>	<b>You must choose a Primary Care Physician (PCP) to provide and oversee your medical care</b>
--------------------	--

### **What is a "PCP" and what does the PCP do for you?**

When you become a member of our Plan, you must choose a plan provider to be your PCP. Your PCP is a physician, nurse practitioner, or physician's assistant who meets state requirements and is trained to give you general medical care. As we explain below, you will get your routine or general medical care from your PCP. Your PCP will also coordinate referrals to other network providers such as specialists.

### **What types of providers may act as a PCP?**

Generally, Internal Medicine, General Medicine, Geriatrician, or Family Practitioners act as PCPs. A nurse practitioner or physician's assistant may also be a PCP.

### **How do you get care from your PCP?**

You will usually see your PCP first for most of your health care needs. Your PCP will provide most of your care and will help arrange or coordinate the rest of the covered services you get as a plan member. This includes your x-rays, laboratory tests, therapies, care from doctors who are specialists, hospital admissions, and follow-up care.

Sometimes you may need to talk with your PCP or get medical care when your PCP's office is closed. If you have a non-emergency situation and need to talk to your PCP after hours, you can call your PCP's office at any time and there will be a physician on call to help you. Hearing or speech-impaired members with TTY machines can call the Massachusetts Relay Association at TTY 1-800-439-2370 for assistance contacting your PCP after hours (the non-TTY number for the Massachusetts Relay Association is 1-800-439-0183).

### **What is the role of the PCP in coordinating covered services?**

“Coordinating” your services includes checking or consulting with other plan providers about your care. If you need certain types of covered services or supplies, your PCP may refer you to a specialist. **Each plan PCP has certain plan specialists called a “referral circle” that s/he uses for providing medical care to you.** A referral circle is the team of specialists your PCP works with. If your PCP refers you to a specialist s/he will send you to a specialist in his/her referral circle. Not all Tufts Health Plan Medicare Preferred physicians are included in your PCP's referral circle. This means that in most cases, you will not have access to the entire Tufts Health Plan Medicare Preferred network, except in emergency or urgent care situations or for out-of-area renal dialysis or other services. Also, your PCP's referral may be time limited. In some cases, your PCP will need to get prior authorization (prior approval) from us. Since your PCP will provide and coordinate your medical care, you should have all of your past medical records sent to your PCP's office.

### **What is the role of the PCP in making decisions about or obtaining prior authorization?**

Certain drugs, equipment, and supplies require authorization from Tufts Health Plan Medicare Preferred prior to services being rendered. For out-of-network services, your PCP is responsible for obtaining an authorization or providing you with a referral depending on the services being rendered. Your PCP or other contracted provider is responsible for obtaining this authorization. Please be sure to check with your PCP or other contracted provider to be sure this authorization or referral has been provided.

## **How do you choose your PCP?**

When you are deciding on a PCP, you may refer to our Provider Directory. Using the Doctor Search tool on our website provides the most up-to-date information. Once you have made a choice, you should call Customer Relations (see the number on the front of this booklet). A Customer Relations representative will verify that the PCP you have chosen is accepting new patients. If you are to be admitted to a particular hospital, or see a particular plan specialist check the Provider Directory, or speak with a Customer Relations representative to be sure your PCP of choice uses that hospital or makes referrals to that specialist.

Please note: If your current PCP is a Tufts Medicare Preferred HMO contracted provider, you should check to see which hospital s/he uses for Tufts Medicare Preferred HMO members. Although your PCP may have admitting privileges at a number of hospitals, s/he may use one particular hospital for Tufts Medicare Preferred HMO members, and it may be a different hospital from one you have been referred to in the past.

## **Changing your PCP**

You may change your PCP for any reason, at any time. Also, it's possible that your PCP might leave our plan's network of providers and you would have to find a new PCP. If you are making a change, the change will be effective the 1<sup>st</sup> of the following month, and you will automatically receive a new member ID card in the mail reflecting this change.

To change your PCP, call Customer Relations. When you call, be sure to tell Customer Relations if you are seeing specialists or getting other covered services that needed your PCP's approval (such as durable medical equipment). Customer Relations will help make sure that you can continue with the specialty care and other services you have been getting when you change your PCP. They will also check that the PCP you want to switch to is accepting new patients. If the PCP is accepting new patients, you will be able to make an appointment with your new PCP beginning the first of the following month. Customer Relations will change your membership record to show the name of your new PCP, and will send you a new membership card that shows the name of your new PCP. We suggest that you make an appointment with, and arrange for your records to be transferred to your new PCP.

Members with a personal online account are able to change their PCP on our website and select a new PCP within our network. For details on how to sign up for a secure personal online account call Customer Relations or go to [thpmp.org/registration](http://thpmp.org/registration).

<b>Section 2.2</b>	<b>What kinds of medical care can you get without getting approval in advance from your PCP?</b>
--------------------	--

You can get the services listed below without getting approval in advance from your PCP.

- Routine women's health care, which includes breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider.
- Flu shots, Hepatitis B vaccinations, and pneumonia vaccinations as long as you get them from a network provider.
- Emergency services from network providers or from out-of-network providers.
- Urgently needed services from network providers or from out-of-network providers when network providers are temporarily unavailable or inaccessible, e.g., when you are temporarily outside of the plan's service area.
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area. (If possible, please call Customer Relations before you leave the service area so we can help arrange for you to have maintenance dialysis while you are away. Phone numbers for Customer Relations are printed on the back cover of this booklet.)
- Medicare covered preventive services as long as you get them from a network provider.

<b>Section 2.3</b>	<b>How to get care from specialists and other network providers</b>
--------------------	---

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.

**What is the role of the PCP in referring members to specialists and other providers?**

Generally, PCPs provide basic preventive care, and treatment for common illnesses. For services your PCP can't provide, he/she will help arrange or coordinate the rest of the covered services you get as a plan member by referring you to a specialist. Your PCP may require an office visit before issuing a referral to a specialist.

**For what services will the PCP need to get prior authorization from the plan?**

Certain drugs, equipment, and supplies require authorization from Tufts Health Plan Medicare Preferred prior to services being rendered. For out-of-network services, your PCP is responsible for obtaining an authorization or providing you with a referral depending on the services being rendered. Your PCP or other contracted provider is responsible for obtaining this authorization. Please be sure to check with your PCP or other contracted provider to be sure this authorization or referral has been provided.

For information about which services require prior authorization from the plan, see Chapter 4, Section 2.1. You can also call Customer Relations at the number on the back of this booklet for a list of services requiring your PCP or other contracted provider to obtain prior authorizations from the Plan. Please refer to your Tufts Medicare Preferred HMO Formulary for drugs that require prior authorization.

### **What is a “referral circle”?**

**Each plan PCP has certain plan specialists called a “referral circle” that s/he uses for providing medical care to you.**

This means that in most cases, you will not have access to the entire Tufts Health Plan Medicare Preferred network, except in emergency or urgent care situations or for out-of-area renal dialysis or other services.

If you need certain types of covered services or supplies, your PCP must give approval in advance (such as referring you to a specialist). In some cases, your PCP will also need to get prior authorization (prior approval) from the plan. Services that require prior authorization are noted with an asterisk in the Medical Benefits Chart in Chapter 4. Services that require a referral are noted within the Medical Benefits Chart in Chapter 4. Since your PCP will provide and coordinate your medical care, you should have all of your past medical records sent to your PCP's office.

### **What if a specialist or another network provider leaves our plan?**

We may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections that are summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- When possible we will provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan please contact us so we can assist you in finding a new provider and managing your care.

Customer Relations can help with questions or assistance in finding and selecting another provider (Customer Relations phone numbers are printed on the back cover of this booklet).

<b>Section 2.4</b>	<b>How to get care from out-of-network providers</b>
--------------------	--

Seeing an out-of-network provider requires a referral from your PCP or network provider. If you are unable to obtain that referral, you or your authorized representative may also submit a request to Tufts Health Plan Medicare Preferred for an Organizational Determination. Authorization from Tufts Health Plan Medicare Preferred may be required based on the service to be rendered. If you use out-of-network providers without a referral or authorization, payment will not be made by Tufts Health Plan Medicare Preferred. See Chapter 4 for more information.

---

<b>SECTION 3</b>	<b>How to get covered services when you have an emergency or urgent need for care or during a disaster</b>
------------------	--

---

<b>Section 3.1</b>	<b>Getting care if you have a medical emergency</b>
--------------------	---

**What is a “medical emergency” and what should you do if you have one?**

A “**medical emergency**” is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do *not* need to get approval or a referral first from your PCP.
- **As soon as possible, make sure that our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. The phone number to call our Plan is on the back of your membership card.

**What is covered if you have a medical emergency?**

You may get covered emergency medical care whenever you need it, anywhere in the world. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. For more information, see the Medical Benefits Chart in Chapter 4 of this booklet.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

### **What if it wasn't a medical emergency?**

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care – thinking that your health is in serious danger – and the doctor may say that it wasn't a medical emergency after all. If it turns out that it was not an emergency, as long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor has said that it was *not* an emergency, we will cover additional care *only* if you get the additional care in one of these two ways:

- You go to a network provider to get the additional care.
- – *or* – The additional care you get is considered “urgently needed services” and you follow the rules for getting this urgently needed services (for more information about this, see Section 3.2 below).

<b>Section 3.2</b>	<b>Getting care when you have an urgent need for services</b>
--------------------	---

### **What are “urgently needed services”?**

“Urgently needed services” are non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible. The unforeseen condition could, for example, be an unforeseen flare-up of a known condition that you have.

### **What if you are in the plan's service area when you have an urgent need for care?**

You should always try to obtain urgently needed services from network providers. However, if providers are temporarily unavailable or inaccessible and it is not reasonable to wait to obtain care from your network provider when the network becomes available, we will cover urgently needed services that you get from an out-of-network provider.

If you believe you are experiencing an urgent, unforeseen, non-emergency medical situation, please contact your PCP immediately. If you are unable to do so, or if it is impractical for you to receive care with your PCP or a plan provider, you can go to any provider or clinic that provides urgently needed care, or you can dial 911 for immediate help.

**What if you are outside the plan's service area when you have an urgent need for care?**

When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed services that you get from any provider.

Our plan covers urgently needed care worldwide.

<b>Section 3.3</b>	<b>Getting care during a disaster</b>
--------------------	---------------------------------------

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from your plan.

Please visit the following website: [www.medicare.gov/what-medicare-covers/getting-care-and-drugs-in-disasters-or-emergencies.html](http://www.medicare.gov/what-medicare-covers/getting-care-and-drugs-in-disasters-or-emergencies.html) for information on how to obtain needed care during a disaster.

Generally, during a disaster, your plan will allow you to obtain care from out-of-network providers at in-network cost-sharing. If you cannot use a network pharmacy during a disaster, you may be able to fill your prescription drugs at an out-of-network pharmacy. Please see Chapter 5, Section 2.5 for more information.

---

<b>SECTION 4</b>	<b>What if you are billed directly for the full cost of your covered services?</b>
------------------	--

---

<b>Section 4.1</b>	<b>You can ask us to pay our share of the cost of covered services</b>
--------------------	--

If you have paid more than your share for covered services, or if you have received a bill for the full cost of covered medical services, go to Chapter 7 (*Asking us to pay our share of a bill you have received for covered medical services or drugs*) for information about what to do.

<b>Section 4.2</b>	<b>If services are not covered by our plan, you must pay the full cost</b>
--------------------	--

*Tufts Medicare Preferred HMO GIC* covers all medical services that are medically necessary, are listed in the plan's Medical Benefits Chart (this chart is in Chapter 4 of this booklet), and are obtained consistent with plan rules. You are responsible for paying the full cost of services that aren't covered by our plan, either because they are not plan covered services, or they were obtained out-of-network and were not authorized.

If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get it. You also have the right to ask for this in writing. If we say we will not cover your services, you have the right to appeal our decision not to cover your care.

Chapter 9 (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*) has more information about what to do if you want a coverage decision from us or want to appeal a decision we have already made. You may also call Customer Relations to get more information (phone numbers are printed on the back cover of this booklet).

For covered services that have a benefit limitation, you pay the full cost of any services you get after you have used up your benefit for that type of covered service. Paying for costs once a benefit limit has been reached will not apply toward the out-of-pocket maximum. You can call Customer Relations when you want to know how much of your benefit limit you have already used.

---

## **SECTION 5      How are your medical services covered when you are in a “clinical research study”?**

---

<b>Section 5.1      What is a “clinical research study”?</b>
--

A clinical research study (also called a “clinical trial”) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. They test new medical care procedures or drugs by asking for volunteers to help with the study. This kind of study is one of the final stages of a research process that helps doctors and scientists see if a new approach works and if it is safe.

Not all clinical research studies are open to members of our plan. Medicare first needs to approve the research study. If you participate in a study that Medicare has *not* approved, *you will be responsible for paying all costs for your participation in the study.*

Once Medicare approves the study, someone who works on the study will contact you to explain more about the study and see if you meet the requirements set by the scientists who are running the study. You can participate in the study as long as you meet the requirements for the study *and* you have a full understanding and acceptance of what is involved if you participate in the study.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for the covered services you receive as part of the study. When you are in a clinical research study, you may stay enrolled in our plan and continue to get the rest of your care (the care that is not related to the study) through our plan.

If you want to participate in a Medicare-approved clinical research study, you do *not* need to get approval from us or your PCP. The providers that deliver your care as part of the clinical research study do *not* need to be part of our plan's network of providers.

Although you do not need to get our plan's permission to be in a clinical research study, **you do need to tell us before you start participating in a clinical research study.** Here is why you need to tell us:

1. We can let you know whether the clinical research study is Medicare-approved.
2. We can tell you what services you will get from clinical research study providers instead of from our plan.

If you plan on participating in a clinical research study, contact Customer Relations (phone numbers are printed on the back cover of this booklet).

<b>Section 5.2</b>	<b>When you participate in a clinical research study, who pays for what?</b>
--------------------	--

Once you join a Medicare-approved clinical research study, you are covered for routine items and services you receive as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure if it is part of the research study.
- Treatment of side effects and complications of the new care.

Original Medicare pays most of the cost of the covered services you receive as part of the study. After Medicare has paid its share of the cost for these services, our plan will also pay for part of the costs. We will pay the difference between the cost-sharing in Original Medicare and your cost-sharing as a member of our plan. This means you will pay the same amount for the services you receive as part of the study as you would if you received these services from our plan.

*Here's an example of how the cost-sharing works:* Let's say that you have a lab test that costs \$100 as part of the research study. Let's also say that your share of the costs for this test is \$20 under Original Medicare, but the test would be \$10 under our plan's benefits. In this case, Original Medicare would pay \$80 for the test and we would pay another \$10. This means that you would pay \$10, which is the same amount you would pay under our plan's benefits.

In order for us to pay for our share of the costs, you will need to submit a request for payment. With your request, you will need to send us a copy of your Medicare Summary Notices or other documentation that shows what services you received as part of the study and how much you owe. Please see Chapter 7 for more information about submitting requests for payment.

When you are part of a clinical research study, **neither Medicare nor our plan will pay for any of the following:**

- Generally, Medicare will *not* pay for the new item or service that the study is testing unless Medicare would cover the item or service even if you were *not* in a study.
- Items and services the study gives you or any participant for free.
- Items or services provided only to collect data, and not used in your direct health care. For example, Medicare would not pay for monthly CT scans done as part of the study if your medical condition would normally require only one CT scan.

### **Do you want to know more?**

You can get more information about joining a clinical research study by reading the publication “Medicare and Clinical Research Studies” on the Medicare website (<http://www.medicare.gov>). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

---

## **SECTION 6 Rules for getting care covered in a “religious non-medical health care institution”**

---

<b>Section 6.1</b>	<b>What is a religious non-medical health care institution?</b>
--------------------	---

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility care. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we will instead provide coverage for care in a religious non-medical health care institution. You may choose to pursue medical care at any time for any reason. This benefit is provided only for Part A inpatient services (non-medical health care services). Medicare will only pay for non-medical health care services provided by religious non-medical health care institutions.

<b>Section 6.2</b>	<b>What care from a religious non-medical health care institution is covered by our plan?</b>
--------------------	---

To get care from a religious non-medical health care institution, you must sign a legal document that says you are conscientiously opposed to getting medical treatment that is “non-excepted.”

- “Non-excepted” medical care or treatment is any medical care or treatment that is *voluntary* and *not required* by any federal, state, or local law.
- “Excepted” medical treatment is medical care or treatment that you get that is *not* voluntary or *is required* under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services you receive is limited to *non-religious* aspects of care.
- If you get services from this institution that are provided to you in your home, our plan will cover these services only if your condition would ordinarily meet the conditions for coverage of services given by home health agencies that are not religious non-medical health care institutions.
- If you get services from this institution that are provided to you in a facility, the following conditions apply:
  - You must have a medical condition that would allow you to receive covered services for inpatient hospital care or skilled nursing facility care.
  - – *and* – you must get approval in advance from our plan before you are admitted to the facility or your stay will not be covered.

Medicare coverage limits apply as described in Chapter 4 under 'Inpatient Hospital Care'.

---

## **SECTION 7      Rules for ownership of durable medical equipment**

---

<b>Section 7.1</b>	<b>Will you own the durable medical equipment after making a certain number of payments under our plan?</b>
--------------------	---

Durable medical equipment includes items such as oxygen equipment and supplies, wheelchairs, walkers, and hospital beds ordered by a provider for use in the home. Certain items, such as prosthetics, are always owned by the member. In this section, we discuss other types of durable medical equipment that must be rented.

In Original Medicare, people who rent certain types of durable medical equipment own the equipment after paying copayments for the item for 13 months. As a member of *Tufts Medicare Preferred HMO GIC*, however, you usually will not acquire ownership of rented durable medical equipment items no matter how many copayments you make for the item while a member of our plan. Under certain limited circumstances we will transfer ownership of the durable medical equipment item. Call Customer Relations (phone numbers are printed on the back cover of this booklet) to find out about the requirements you must meet and the documentation you need to provide.

### **What happens to payments you have made for durable medical equipment if you switch to Original Medicare?**

If you switch to Original Medicare after being a member of our plan: If you did not acquire ownership of the durable medical equipment item while in our plan, you will have to make 13

**Chapter 3. Using the plan's coverage for your medical services**

---

new consecutive payments for the item while in Original Medicare in order to acquire ownership of the item. Your previous payments while in our plan do not count toward these 13 consecutive payments.

If you made payments for the durable medical equipment item under Original Medicare *before* you joined our plan, these previous Original Medicare payments also do not count toward the 13 consecutive payments. You will have to make 13 consecutive payments for the item under Original Medicare in order to acquire ownership. There are no exceptions to this case when you return to Original Medicare.

# CHAPTER 4

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)**

---

---

**SECTION 1      Understanding your out-of-pocket costs for covered services**

---

This chapter focuses on your covered services and what you pay for your medical benefits. It includes a Medical Benefits Chart that lists your covered services and shows how much you will pay for each covered service as a member of *Tufts Medicare Preferred HMO GIC*. Later in this chapter, you can find information about medical services that are not covered. It also explains limits on certain services.

<b>Section 1.1      Types of out-of-pocket costs you may pay for your covered services</b>
--

To understand the payment information we give you in this chapter, you need to know about the types of out-of-pocket costs you may pay for your covered services.

- The “**deductible**” is the amount you must pay for medical services before our plan begins to pay its share.
- A “**copayment**” is the fixed amount you pay each time you receive certain medical services. You pay a copayment at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your copayments.)
- “**Coinsurance**” is the percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your coinsurance.)

Some people qualify for State Medicaid programs to help them pay their out-of-pocket costs for Medicare. (These “Medicare Savings Programs” include the Qualified Medicare Beneficiary (QMB), Specified Low-Income Medicare Beneficiary (SLMB), Qualifying Individual (QI), and Qualified Disabled & Working Individuals (QDWI) programs.) If you are enrolled in one of these programs, you may still have to pay a copayment for the service, depending on the rules in your state.

<b>Section 1.2      What is the most you will pay for Medicare Part A and Part B covered medical services?</b>
--

Because you are enrolled in a Medicare Advantage Plan, there is a limit to how much you have to pay out-of-pocket each year for in-network medical services that are covered under Medicare Part A and Part B (see the Medical Benefits Chart in Section 2, below). This limit is called the maximum out-of-pocket amount for medical services.

As a member of *Tufts Medicare Preferred HMO GIC*, the most you will have to pay out-of-pocket for in-network covered Part A and Part B services in 2016 is \$3,400. The amounts you pay for copayments, and coinsurance for in-network covered services count toward this maximum out-of-pocket amount. (The amounts you pay for your plan premiums and for your

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)**

---

Part D prescription drugs do not count toward your maximum out-of-pocket amount.) If you reach the maximum out-of-pocket amount of \$3,400, you will not have to pay any out-of-pocket costs for the rest of the year for in-network covered Part A and Part B services. However, you must continue to pay your plan premium and the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

<b>Section 1.3</b>	<b>Our plan does not allow providers to “balance bill” you</b>
--------------------	--

As a member of *Tufts Medicare Preferred HMO GIC*, an important protection for you is that you only have to pay your cost-sharing amount when you get services covered by our plan. We do not allow providers to add additional separate charges, called “balance billing.” This protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don’t pay certain provider charges.

Here is how this protection works.

- If your cost-sharing is a copayment (a set amount of dollars, for example, \$15.00), then you pay only that amount for any covered services from a network provider.
- If your cost-sharing is a coinsurance (a percentage of the total charges), then you never pay more than that percentage. However, your cost depends on which type of provider you see:
  - If you receive the covered services from a network provider, you pay the coinsurance percentage multiplied by the plan’s reimbursement rate (as determined in the contract between the provider and the plan).
  - If you receive the covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers. (Remember, the plan covers services from out-of-network providers only in certain situations, such as when you get a referral.)
  - If you receive the covered services from an out-of-network provider who does not participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers. (Remember, the plan covers services from out-of-network providers only in certain situations, such as when you get a referral.)
- If you believe a provider has “balance billed” you, call Customer Relations (phone numbers are printed on the back cover of this booklet).

---

**SECTION 2      Use the *Medical Benefits Chart* to find out what is covered for you and how much you will pay**

---

<b>Section 2.1      Your medical benefits and costs as a member of the plan</b>
---

The Medical Benefits Chart on the following pages lists the services *Tufts Medicare Preferred HMO GIC* covers and what you pay out-of-pocket for each service. The services listed in the Medical Benefits Chart are covered only when the following coverage requirements are met:

- Your Medicare covered services must be provided according to the coverage guidelines established by Medicare.
- Your services (including medical care, services, supplies, and equipment) *must* be medically necessary. “Medically necessary” means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- You receive your care from a network provider. In most cases, care you receive from an out-of-network provider will not be covered. Chapter 3 provides more information about requirements for using network providers and the situations when we will cover services from an out-of-network provider.
- You have a Primary Care Physician (a PCP) who is providing and overseeing your care. In most situations, your PCP must give you approval in advance before you can see other providers in the plan’s network. This is called giving you a “referral.” Chapter 3 provides more information about getting a referral and the situations when you do not need a referral.
- Some of the services listed in the Medical Benefits Chart are covered *only* if your doctor or other network provider gets approval in advance (sometimes called “prior authorization”) from us. Covered services that need approval in advance are marked in the Medical Benefits Chart asterisk.

Other important things to know about our coverage:

- Like all Medicare health plans, we cover everything that Original Medicare covers. For some of these benefits, you pay *more* in our plan than you would in Original Medicare. For others, you pay *less*. (If you want to know more about the coverage and costs of Original Medicare, look in your *Medicare & You 2016* Handbook. View it online at <http://www.medicare.gov> or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)
- For all preventive services that are covered at no cost under Original Medicare, we also cover the service at no cost to you. However, if you also are treated or monitored for an existing medical condition during the visit when you receive the preventive service, a copayment will apply for the care received for the existing medical condition.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)**

- Sometimes, Medicare adds coverage under Original Medicare for new services during the year. If Medicare adds coverage for any services during 2016, either Medicare or our plan will cover those services.

You will see this apple next to the preventive services in the benefits chart.

**Medical Benefits Chart**

Services that are covered for you	What you must pay when you get these services
 <b>Abdominal aortic aneurysm screening</b> A one-time screening ultrasound for people at risk. The plan only covers this screening if you have certain risk factors and if you get a referral for it from your physician, physician assistant, nurse practitioner, or clinical nurse specialist.	There is no coinsurance, copayment, or deductible for beneficiaries eligible for this preventive screening.
<b>Ambulance services</b> <ul style="list-style-type: none"> <li>• Covered ambulance services include fixed wing, rotary wing, and ground ambulance services, to the nearest appropriate facility that can provide care if they are furnished to a member whose medical condition is such that other means of transportation could endanger the person's health or if authorized by the plan.</li> <li>• Non-emergency transportation by ambulance is appropriate if it is documented that the member's condition is such that other means of transportation could endanger the person's health and that transportation by ambulance is medically required.</li> </ul>	<p>You pay \$0 for Medicare-covered ambulance services per day.</p> <p>Emergency and non-emergency ambulance services are covered according to Medicare guidelines based on medical necessity. If your situation qualifies for coverage, you will pay the copayment listed above.</p> <p>Your condition must require both the ambulance transportation itself and the level of service provided in order for the billed service to be considered medically necessary.</p>

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)**

Services that are covered for you	What you must pay when you get these services
<p><b>Ambulance services (continued)</b></p>	<p>If your situation does not meet Medicare criteria and you choose to use an ambulance anyway, you will be responsible for the entire cost.</p> <p>Wheelchair van (chair car) transportation is not covered even if provided by an ambulance company.</p> <p>Ambulance transportation to a physician's office is not covered unless it is provided during an approved inpatient stay and the transportation meets Medicare criteria.</p>
<p><b>Annual physical exam</b></p> <p>Annual Physical Exam (a more comprehensive examination than an annual wellness visit. Services will include the following: bodily systems examinations, such as heart, lung, head and neck, and neurological system; measurement and recording of vital signs such as blood pressure, heart rate, and respiratory rate; a complete prescription medication review; and a review of any recent hospitalizations), once every 12 months.</p>	<p>You pay \$0 for an annual physical. If you receive services that address a medical condition during the same office visit, you pay a \$10 PCP office visit copayment.</p>
<p> <b>Annual wellness visit</b></p> <p>If you've had Part B for longer than 12 months, you can get an annual wellness visit to develop or update a personalized prevention plan based on your current health and risk factors. This is covered once every 12 months.</p> <p><b>Note:</b> Your first annual wellness visit can't take place within 12 months of your "Welcome to Medicare" preventive visit. However, you don't need to have had a "Welcome to Medicare" visit to be covered for annual wellness visits after you've had Part B for 12 months.</p>	<p>There is no coinsurance, copayment, or deductible for the annual wellness visit. However, if you also are treated or monitored for an existing medical condition during the visit when you receive the preventive service, a copayment will apply for the care received for the existing medical condition.</p>

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)**

Services that are covered for you	What you must pay when you get these services
<p><b>Autism Spectrum Disorders – Diagnosis and Treatment</b></p> <p>Coverage is provided, in accordance with Massachusetts law, for the diagnosis and treatment of autism spectrum disorders. Autism spectrum disorders include and of the pervasive developmental disorders, as defined in the Diagnostic and Statistical Manual of Mental Disorders, and include:</p> <ul style="list-style-type: none"> <li>• autistic disorder;</li> <li>• Asperger’s disorder; and</li> <li>• Pervasive developmental disorders not otherwise specified.</li> </ul> <p>Coverage is also provided for:</p> <ul style="list-style-type: none"> <li>• Psychiatric and psychological care, covered under your “Outpatient mental health care” benefit; and</li> <li>• Therapeutic care (including services provided by licensed or certified speech therapists, occupational therapists, physical therapists, or social workers), covered under your “Outpatient rehabilitation services” benefit</li> </ul> <p>**For the purposes of this benefit, ABA includes the design, implementation, and evaluation of environmental modifications, using behavioral stimuli and consequences, to produce socially significant improvement in human behavior, including the use of direct observation, measurement, and functional analysis of the relationship between environment and behavior.</p>	<p>Coverage is provided for the following Covered Services:</p> <ul style="list-style-type: none"> <li>• Habilitative or rehabilitative care, which are professional, counseling and guidance services and treatment programs that are necessary to develop, maintain, and restore the functioning of the individual. These programs may include, but are not limited to, applied behavioral analysis (ABA) ** supervised by a Board-Certified Behavior Analyst.</li> </ul> <p>\$10 for each office visit when authorized by your PCP.</p>
<p> <b>Bone mass measurement</b></p> <p>For qualified individuals (generally, this means people at risk of losing bone mass or at risk of osteoporosis), the following services are covered every 24 months or more frequently if medically necessary: procedures to identify bone mass, detect bone loss, or determine bone quality, including a physician’s interpretation of the results.</p>	<p>There is no coinsurance, copayment, or deductible for Medicare-covered bone mass measurement</p>

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Breast cancer screening (mammograms)**

Covered services include:

- One baseline mammogram between the ages of 35 and 39
- One screening mammogram every 12 months for women age 40 and older
- Clinical breast exams once every 24 months

There is no coinsurance, copayment, or deductible for covered screening mammograms.

**Cardiac rehabilitation services**

Comprehensive programs of cardiac rehabilitation (outpatient) services that include exercise, education, and counseling are covered for members who meet certain conditions with a doctor's order. The plan also covers intensive cardiac rehabilitation programs (inpatient) that are typically more rigorous or more intense than cardiac rehabilitation programs.

You pay \$0 for Medicare-covered services.

**Cardiovascular disease risk reduction visit (therapy for cardiovascular disease)**

We cover one visit per year with your primary care doctor to help lower your risk for cardiovascular disease. During this visit, your doctor may discuss aspirin use (if appropriate), check your blood pressure, and give you tips to make sure you're eating well.

There is no coinsurance, copayment, or deductible for the intensive behavioral therapy cardiovascular disease preventive benefit.

**Cardiovascular disease testing**

Blood tests for the detection of cardiovascular disease (or abnormalities associated with an elevated risk of cardiovascular disease) once every 5 years (60 months).

There is no coinsurance, copayment, or deductible for cardiovascular disease testing that is covered once every 5 years.

**Cervical and vaginal cancer screening**

Covered services include:

- For all women: Pap tests and pelvic exams are covered once every 24 months
- If you are at high risk of cervical cancer or have had an abnormal Pap test and are of childbearing age: one Pap test every 12 months

There is no coinsurance, copayment, or deductible for Medicare-covered preventive Pap and pelvic exams.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Chiropractic services**

Covered services include:

- We cover only Manual manipulation of the spine to correct subluxation

You pay \$10 for each Medicare-covered visit

Before you receive services you must first obtain a referral from your PCP.

Chiropractic evaluations, and other forms of chiropractic care are not covered benefits. See Chapter 4, Section 3.1 for services excluded from coverage.

**Cleft Lip and Cleft Palate in children under the age of 18**

In accordance with Massachusetts law, the following services are covered for Children under the age of 18:

- Medical and facial surgery: This includes surgical management and follow-up care by plastic surgeons;
- Oral surgery: This includes surgical management and follow-up care by oral surgeons;
- Dental surgery or orthodontic treatment and management
- Preventive and restorative dentistry to ensure good health and adequate dental structures for orthodontic treatment or prosthetic management therapy;
- Speech therapy and audiology services; Nutrition services.

You pay \$0 for Cleft lip or cleft palate treatment and services for Children.

Services must be prescribed by the treating physician or surgeon, and that *Provider* must certify that the services are *Medically Necessary* and required because of the cleft lip or cleft palate.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Colorectal cancer screening**

For people 50 and older, the following are covered:

- Flexible sigmoidoscopy (or screening barium enema as an alternative) every 48 months
- Fecal occult blood test, every 12 months

For people at high risk of colorectal cancer, we cover:

- Screening colonoscopy (or screening barium enema as an alternative) every 24 months

For people not at high risk of colorectal cancer, we cover:

- Screening colonoscopy every 10 years (120 months), but not within 48 months of a screening sigmoidoscopy

There is no coinsurance, copayment, or deductible for a Medicare-covered colorectal cancer screening exam.

**Dental services**

In general, preventive dental services (such as cleaning, routine dental exams, and dental x-rays) are not covered by Original Medicare. We cover: Medicare Covered services by a dentist or oral surgeon that are limited to surgery of the jaw or related structures, setting fractures of the jaw or facial bones, extraction of teeth to prepare the jaw for radiation treatments of neoplastic disease, or services that would be covered when provided by a doctor.

You pay \$10 for each Medicare-covered office visit.

See “Inpatient Hospital Care” and “Outpatient Services/Surgery” in this chart for cost sharing you pay when services are received in a hospital or ambulatory surgical facility.

**Depression screening**

We cover one screening for depression per year. The screening must be done in a primary care setting that can provide follow-up treatment and referrals.

There is no coinsurance, copayment, or deductible for an annual depression screening visit.

**Diabetes screening**

We cover this screening (includes fasting glucose tests) if you have any of the following risk factors: high blood pressure (hypertension), history of abnormal cholesterol and triglyceride levels (dyslipidemia), obesity, or a history of high blood sugar (glucose). Tests may also be covered if you meet other requirements, like being overweight and having a family history of diabetes.

Based on the results of these tests, you may be eligible for up to two diabetes screenings every 12 months.

There is no coinsurance, copayment, or deductible for the Medicare covered diabetes screening tests.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Diabetes self-management training, diabetic services and supplies**

For all people who have diabetes (insulin and non-insulin users).

Covered services include:

- Supplies to monitor your blood glucose: Blood glucose monitor, blood glucose test strips, lancet devices and lancets, and glucose-control solutions for checking the accuracy of test strips and monitors.
- For people with diabetes who have severe diabetic foot disease: One pair per calendar year of therapeutic custom-molded shoes (including inserts provided with such shoes) and two additional pairs of inserts, or one pair of depth shoes and three pairs of inserts (not including the non-customized removable inserts provided with such shoes). Coverage includes fitting.
- Diabetes self-management training is covered under certain conditions.
- For persons at risk of diabetes: Fasting plasma glucose tests as medically necessary.
- For foot care services related to diabetes, see podiatry services in this benefit chart.

You pay \$0 for Medicare-covered services.

However, if you also are treated or monitored for an existing medical condition during the visit when you receive this service, a copayment will apply for the care received for the existing medical condition.

You must first obtain a prescription from your PCP or physician treating your diabetes for covered diabetic supplies (including therapeutic custom molded shoes).

Before you receive diabetes self-management training services you must first obtain a referral from your PCP.

**Durable medical equipment and related supplies\*** (For a definition of “durable medical equipment,” see Chapter 12 of this booklet.)

Covered items include, but are not limited to: wheelchairs, crutches, hospital bed, IV infusion pump, oxygen equipment, nebulizer, and walker.

We cover all medically necessary durable medical equipment covered by Original Medicare. If our supplier in your area does not carry a particular brand or manufacturer, you may ask them if they can special order it for you.

You pay \$0 for Medicare-covered items and related supplies.

Qualification for each item is dependent on the listed criteria.

\* Except in an emergency, prior authorization from Tufts Health Plan Medicare Preferred may be required before you obtain certain durable medical equipment and supplies.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Durable medical equipment and related supplies (continued)****Additional items covered by Tufts Health Plan Medicare Preferred: Bathroom Safety Equipment**

The following Bathroom Safety Equipment is covered for members who have a functional impairment when having the item will improve safety (installation not covered):

- Standard Raised Toilet Seat: 1 per member per lifetime
- Standard Bathroom Grab Bars: Up to 2 per member per lifetime
- Standard Tub Seat: 1 per member per lifetime

You pay \$0 for bathroom safety equipment upon written prescription from a network physician to a network DME or Orthotics and Prosthetics (O&P) supplier in your PCP's referral circle.

Qualification for each item is dependent on the listed criteria.

**Emergency care**

Emergency care refers to services that are:

- Furnished by a provider qualified to furnish emergency services, and
- Needed to evaluate or stabilize an emergency medical condition.

A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Your plan includes worldwide coverage for emergency care.

You pay \$50 for each Medicare-covered emergency room visit.

You do not pay this amount if you are admitted as an inpatient to the hospital within 24 hours for the same condition (refer to Inpatient Hospital Care in this section for the hospital cost share that applies instead.) If you are held for observation, the \$50 copayment still applies

In some cases, you may have to pay an additional co-payment for the services provided by certain providers in the emergency room.

If you receive emergency care at an out-of-network hospital and need inpatient

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Emergency care (continued)**

care after your emergency condition is stabilized, you must have your inpatient care at the out-of-network hospital authorized by the plan and your cost is the cost-sharing you would pay at a network hospital.

**Health and wellness education programs**

Programs focused on clinical health conditions.

**Diabetes Programs**

- Annual educational mailing

You pay \$0 for this program

**Adult Immunization Programs**

- Annual educational brochure to members on the importance of flu vaccine, pneumonia vaccine, and tetanus vaccine
- Annual flu vaccine reminder call

You pay \$0 for this program

**Wellness Allowance**

- Participation in instructional fitness classes such as yoga, Pilates, Tai Chi and aerobics.
- Membership in a qualified health club or fitness facility. A qualified health club or fitness facility provides cardiovascular and strength training exercise equipment on site and will include an orientation to the facility and the equipment for each member. This benefit does not cover membership fees you pay to non-qualified health clubs or fitness facilities, including but not limited to, martial arts centers; gymnastics facilities; country clubs, sports clubs and social clubs; and for sports activities such as golf and tennis.
- Visits to a licensed acupuncturist.
- Participation in an instructor led “Matter of Balance” program
- Participation in a Chronic Disease Self-Management Program
- Visits to a licensed nutritional counselor or registered dietician for nutritional counseling services
- Participation in the Diabetes workshop program
- Participation in the Healthy eating for successful living program
- Participation in the Healthy IDEAS program

Plan reimburses you up to \$150 each calendar year towards your cost for membership in a qualified health club or fitness facility, covered instructional fitness classes, participation in wellness programs such as Matter of Balance, Chronic Disease self-management, diabetes workshop, Healthy Eating for Successful Living, Healthy IDEAs, Powerful Tools for Caregivers, Arthritis Foundation Exercise, Enhance Wellness, Fit For Your Life, AAA Senior Driving, memory fitness activities, acupuncture, and/or covered nutritional counseling sessions with a licensed nutritional

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Wellness Allowance (continued)**

- Participation in Powerful tools for Caregivers
- Participation in the Arthritis Foundation Exercise program
- Participation in the Enhance Wellness program including memory fitness activities
- Participation in the Fit for Your Life program
- Participation in the AAA Senior Driving program

To obtain up to the \$150 Wellness Allowance reimbursement please submit a Wellness Allowance reimbursement form along with an itemized bill from the qualified facility, licensed acupuncturist, wellness program, licensed nutritional counselor or registered dietician and paid receipts. Call Customer Relations to request a reimbursement form or go to our website [tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org). Send the completed form, along with the paid receipts, to Customer Relations at the address shown on the form.

counselor or registered dietician. You pay all charges over \$150 per calendar year.

Reimbursement requests must be received by Tufts Health Plan Medicare Preferred by no later than March 31<sup>st</sup> of the following year.

**Weight Management Programs**

The Plan will cover program fees for weight loss programs such as WeightWatchers, Jenny Craig, iDiet, or a hospital-based weight loss program. This benefit does not cover costs for pre-packaged meals/foods, books, videos, scales, or other items or supplies.

To obtain up to the \$150 Weight Management Programs reimbursement, please submit a Weight Management reimbursement form along with an itemized bill from the qualified weight management program and paid receipts. Call Customer Relations to request a reimbursement form or go to our website [tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org). Send the completed form, along with the paid receipts, to Customer Relations at the address shown on the form.

The Plan will reimburse members up to an annual maximum of \$150 towards program fees for weight loss programs.

Reimbursement requests must be received by Tufts Health Plan Medicare Preferred by no later than March 31<sup>st</sup> of the following year.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Hearing services**

Diagnostic hearing and balance evaluations performed by your provider to determine if you need medical treatment are covered as outpatient care when furnished by a physician, audiologist, or other qualified provider.

- Diagnostic hearing exams.
- Routine hearing test every calendar year.
- Hearing Aids
  - Age 22 and over, (first \$500 covered at 100%; 80% coverage for next \$1,500 per person, per 2 year period)

You pay \$10 for a Medicare-covered hearing exam.

Before you receive a diagnostic hearing exam from a specialist you must first obtain a referral from your PCP.

You pay \$10 for an annual routine hearing test. No referral is required for an annual routine hearing test, but you must use a Plan provider. For hearing aid coverage, see column to the left.

**HIV screening**

For people who ask for an HIV screening test or who are at increased risk for HIV infection, we cover:

- One screening exam every 12 months

For women who are pregnant, we cover:

- Up to three screening exams during a pregnancy

There is no coinsurance, copayment, or deductible for beneficiaries eligible for Medicare-covered preventive HIV screening.

**Home health agency care**

Prior to receiving home health services, a doctor must certify that you have a skilled need and order home health services to be provided by a home health agency. You must be homebound, which means leaving home is a major effort.

Covered services include, but are not limited to:

- Part-time or intermittent skilled nursing and home health aide services (To be covered under the home health care benefit, your skilled nursing and home health aide services combined must total fewer than 8 hours per day and fewer than 35 hours per week)
- Physical therapy, occupational therapy, and speech therapy
- Medical and social services
- Medical equipment and supplies

You pay \$0 for Medicare-covered home health care services, including home infusion therapy services.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)**

**Home infusion therapy\*** provided in the home by a home infusion therapy provider when your prescription is written by an authorized prescriber and administered in accordance with Plan guidelines.

Covered services include certain intravenous medications, biologicals, intrathecal and epidural infusions, and total parenteral nutrition formulas, and the necessary supplies, equipment and skilled nursing visits to administer these services.

Tufts Medicare Preferred HMO GIC covers the following Part D home infusion drugs as part of a bundled service under the home infusion benefit: intravenous antibiotics and intravenous immunoglobulins.

You pay \$0 for Medicare-covered home infusion therapy services.

Your Provider Directory lists home infusion providers in our network.

### **Hospice care**

You may receive care from any Medicare-certified hospice program. You are eligible for the hospice benefit when your doctor and the hospice medical director have given you a terminal prognosis certifying that you're terminally ill and have 6 months or less to live if your illness runs its normal course. Your hospice doctor can be a network provider or an out-of-network provider.

Covered services include:

- Drugs for symptom control and pain relief
- Short-term respite care
- Home care

For hospice services and for services that are covered by Medicare Part A or B and are related to your terminal prognosis: Original Medicare (rather than our plan) will pay for your hospice services and any Part A and Part B services related to your terminal prognosis. While you are in the hospice program, your hospice provider will bill Original Medicare for the services that Original Medicare pays for.

When you enroll in a Medicare-certified hospice program, your hospice services and your Part A and Part B services related to your terminal prognosis are paid for by Original Medicare, not *Tufts Medicare Preferred HMO GIC*.

\* Except in an emergency, prior authorization from Tufts Health Plan Medicare Preferred is required before you get this service.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Hospice care (Continued)**

For services that are covered by Medicare Part A or B and are not related to your terminal prognosis: If you need non-emergency, non-urgently needed services that are covered under Medicare Part A or B and that are not related to your terminal prognosis, your cost for these services depends on whether you use a provider in our plan's network:

- If you obtain the covered services from a network provider, you only pay the plan cost-sharing amount for in-network services
- If you obtain the covered services from an out-of-network provider, you pay the cost-sharing under Fee-for-Service Medicare (Original Medicare)

For services that are covered by *Tufts Medicare Preferred HMO GIC* but are not covered by Medicare Part A or B: *Tufts Medicare Preferred HMO GIC* will continue to cover plan-covered services that are not covered under Part A or B whether or not they are related to your terminal prognosis. You pay your plan cost-sharing amount for these services.

For drugs that may be covered by the plan's Part D benefit: Drugs are never covered by both hospice and our plan at the same time. For more information, please see Chapter 5, Section 9.3 (*What if you're in Medicare-certified hospice*).

**Note:** If you need non-hospice care (care that is not related to your terminal prognosis), you should contact us to arrange the services. Getting your non-hospice care through our network providers will lower your share of the costs for the services.

**Immunizations**

Covered Medicare Part B services include:

- Pneumonia vaccine
- Flu shots, once a year in the fall or winter
- Hepatitis B vaccine if you are at high or intermediate risk of getting Hepatitis B
- Other vaccines if you are at risk and they meet Medicare Part B coverage rules

We also cover some vaccines under our Part D prescription drug benefit.

There is no coinsurance, copayment, or deductible for the pneumonia, influenza, and Hepatitis B vaccines.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****In-home Safety Assessment****Additional service covered by Tufts Health Plan Medicare Preferred**

The in-home safety assessment is performed by nurses employed by Lifeplans when recommended by the member's PCP or Case Manager. This assessment is for members who do not qualify for Original Medicare's in-home safety assessment. The In-home safety assessment includes evaluating a member's risk for a fall by evaluating:

1. The Get up and Go test
2. Review of medications
3. A detailed history of falls, balance problems or incontinence
4. An evaluation of whether pain or joint problems may contribute to fall risk
5. A vision screening and hearing screening
6. Assessment of common rooms in the house (living room, kitchen, bedroom and bathroom) for environmental risks (throw rugs, cords, lighting, handrails)

You pay \$0 for an in-home safety assessment.

No referral is required for this service, but you must obtain the in-home safety assessment from a Plan provider.

**Inpatient hospital care**

Includes inpatient acute, inpatient rehabilitation, long-term care hospitals and other types of inpatient hospital services. Inpatient hospital care starts the day you are formally admitted to the hospital with a doctor's order. The day before you are discharged is your last inpatient day.

For care in a general acute care hospital, you are covered for as many days as medically necessary: there is no limit. Medicare benefit periods do not apply to acute hospital stays.

For care in a rehabilitation or long-term acute care hospital you are covered up to 90 days each benefit period. You may use your 60-lifetime reserve days to supplement care in a rehabilitation or long-term hospital. Coverage is limited by prior, partial, or complete use of these days, which may only be used once in a lifetime. Covered services include but are not limited to:

- Semi-private room (or a private room if medically necessary)
- Meals including special diets
- Regular nursing services
- Costs of special care units (such as intensive care or coronary care units)
- Drugs and medications

**Inpatient hospital care**

Each time you are admitted to an acute care hospital, you pay \$0 per day.

**Acute rehabilitation services**

Each time you are admitted to an acute rehabilitation or long-term acute care hospital, you pay \$0 per stay.

If you get authorized inpatient care at an out-of-network hospital after your emergency condition is stabilized, your cost is the cost-sharing you would

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Inpatient Hospital Care (Continued)**

- Lab tests
- X-rays and other radiology services
- Necessary surgical and medical supplies
- Use of appliances, such as wheelchairs
- Operating and recovery room costs
- Physical, occupational, and speech language therapy
- Inpatient substance abuse services
- Under certain conditions, the following types of transplants are covered: corneal, kidney, kidney-pancreatic, heart, liver, lung, heart/lung, bone marrow, stem cell, and intestinal/multivisceral. If you need a transplant, we will arrange to have your case reviewed by a Medicare-approved transplant center that will decide whether you are a candidate for a transplant. Transplant providers may be local or outside of the service area. If our in-network transplant services are at a distant location, you may choose to go locally or distant as long as the local transplant providers are willing to accept the Original Medicare rate. If *Tufts Medicare Preferred HMO GIC* provides transplant services at a distant location (outside of the service area) and you chose to obtain transplants at this distant location, we will arrange or pay for appropriate lodging and transportation costs for you and a companion. Usually transplants are only covered in our service area. In the case, Tufts Medicare Preferred HMO GIC sends you to a distant location for a transplant that cannot be provided locally, we would arrange or pay for appropriate lodging and transportation costs for you and a companion.
- Blood - including storage and administration. Coverage of whole blood and packed red cells begins with the first pint of blood that you need.
- Physician services

pay at a network hospital.

A benefit period begins on the first day you go to a Medicare-covered inpatient hospital or a skilled nursing facility. The benefit period ends when you haven't been an inpatient at any hospital or SNF for 60 days in a row. If you go to the hospital (or SNF) after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods you can have.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Inpatient hospital care (continued)**

**Note:** To be an inpatient, your provider must write an order to admit you formally as an inpatient of the hospital. Even if you stay in the hospital overnight, you might still be considered an “outpatient.” If you are not sure if you are an inpatient or an outpatient, you should ask the hospital staff.

You can also find more information in a Medicare fact sheet called “Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!” This fact sheet is available on the Web at [medicare.gov/Publications/Pubs/pdf/11435.pdf](http://medicare.gov/Publications/Pubs/pdf/11435.pdf) or by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.

**Inpatient mental health care**

Covered services include mental health care services that require a hospital stay.

You pay \$0 for each stay in a psychiatric hospital

For inpatient mental health/substance abuse services, you will be required to use the hospital within your primary care physician’s (PCP’s) referral circle designated for mental health services. This may require a transfer from the hospital your PCP uses for medical and surgical services to the facility designated for mental health services.

You pay \$0 for each mental health and/or substance abuse stay in a general hospital.

**Inpatient services covered during a non-covered inpatient stay**

If you have exhausted your inpatient benefits or if the inpatient stay is not reasonable and necessary, we will not cover your inpatient stay. However, in some cases, we will cover certain services you receive while you are in the hospital or the skilled nursing facility (SNF). Covered services include, but are not limited to:

You pay \$0 for Medicare-covered services provided in the hospital or skilled nursing facility (SNF).

- Physician services
- Diagnostic tests (like lab tests)
- X-ray, radium, and isotope therapy including technician materials and services
- Surgical dressings
- Splints, casts and other devices used to reduce fractures and dislocations

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)**

---

**Inpatient services covered during a non-covered inpatient stay (continued)**

- Prosthetics and orthotics devices (other than dental) that replace all or part of an internal body organ (including contiguous tissue), or all or part of the function of a permanently inoperative or malfunctioning internal body organ, including replacement or repairs of such devices
- Leg, arm, back, and neck braces; trusses, and artificial legs, arms, and eyes including adjustments, repairs, and replacements required because of breakage, wear, loss, or a change in the patient's physical condition
- Physical therapy, speech therapy, and occupational therapy

**Medical nutrition therapy**

This benefit is for people with diabetes, renal (kidney) disease (but not on dialysis), or after a kidney transplant when ordered by your doctor.

We cover 3 hours of one-on-one counseling services during your first year that you receive medical nutrition therapy services under Medicare (this includes our plan, any other Medicare Advantage plan, or Original Medicare), and 2 hours each year after that. If your condition, treatment, or diagnosis changes, you may be able to receive more hours of treatment with a physician's order. A physician must prescribe these services and renew their order yearly if your treatment is needed into the next calendar year.

There is no coinsurance, copayment, or deductible for beneficiaries eligible for Medicare-covered medical nutrition therapy services.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Medicare Part B prescription drugs\***

These drugs are covered under Part B of Original Medicare. Members of our plan receive coverage for these drugs through our plan. Covered drugs include:

- Drugs that usually aren't self-administered by the patient and are injected or infused while you are getting physician, hospital outpatient, or ambulatory surgical center services
- Drugs you take using durable medical equipment (such as nebulizers) that were authorized by the plan
- Clotting factors you give yourself by injection if you have hemophilia
- Immunosuppressive Drugs, if you were enrolled in Medicare Part A at the time of the organ transplant
- Injectable osteoporosis drugs, if you are homebound, have a bone fracture that a doctor certifies was related to post-menopausal osteoporosis, and cannot self-administer the drug
- Antigens
- Certain oral anti-cancer drugs and anti-nausea drugs
- Certain drugs for home dialysis, including heparin, the antidote for heparin when medically necessary, topical anesthetics, and erythropoiesis-stimulating agents (such as Epogen®, Procrit®, Epoetin Alfa, Aranesp®, or Darbepoetin Alfa)
- Intravenous Immune Globulin for the home treatment of primary immune deficiency diseases

Chapter 5 explains the Part D prescription drug benefit, including rules you must follow to have prescriptions covered. What you pay for your Part D prescription drugs through our plan is explained in Chapter 6.

You pay \$0 for drugs covered under Original Medicare Part B.

These prescription drugs are covered under Part B and not covered under the Medicare Prescription Drug Program (Part D) and therefore do not apply to your Medicare Part D out of pocket maximum.

---

\* Except in an emergency, prior authorization from Tufts Health Plan Medicare Preferred may be required before you obtain certain Medicare Part B Prescription Drugs.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Obesity screening and therapy to promote sustained weight loss**

If you have a body mass index of 30 or more, we cover intensive counseling to help you lose weight. This counseling is covered if you get it in a primary care setting, where it can be coordinated with your comprehensive prevention plan. Talk to your primary care doctor or practitioner to find out more.

There is no coinsurance, copayment, or deductible for preventive obesity screening and therapy.

**Outpatient diagnostic tests and therapeutic services and supplies**

Covered services include, but are not limited to:

- X-rays
- Radiation (radium and isotope) therapy including technician materials and supplies
- Chemo therapy
- Surgical supplies, such as dressings
- Splints, casts and other devices used to reduce fractures and dislocations
- Laboratory tests
- Blood - including storage and administration. Coverage of whole blood and packed red cells begins with the first pint of blood that you need.
- Diagnostic radiology services, such as ultrasound, nuclear cardiac imaging, PET, MRI, and CT scan
- Other outpatient diagnostic tests Includes but not limited to, sleep studies, EKG, stress tests, vascular studies, and breathing capacity tests.

You pay \$0 for each Medicare-covered service.

Before you receive diagnostic or therapeutic radiology services such as x-rays, ultrasound, PET, MRI, CT scan or radiation therapy services, you must first obtain a written order or prescription from either your PCP, or a specialist you have been referred to by your PCP, as applicable.

**Outpatient hospital services**

We cover medically-necessary services you get in the outpatient department of a hospital for diagnosis or treatment of an illness or injury.

Covered services include, but are not limited to:

- Services in an emergency department or outpatient clinic, such as observation services or outpatient surgery
- Laboratory and diagnostic tests billed by the hospital
- Mental health care, including care in a partial-hospitalization program, if a doctor certifies that inpatient treatment would be required without it
- X-rays and other radiology services billed by the hospital
- Medical supplies such as splints and casts

You pay \$50 for each Medicare-covered emergency room visit.

You pay \$0 per day for outpatient procedures and services, including, but not limited to, outpatient surgery performed in an outpatient hospital or ambulatory surgical center.

You pay \$0 for laboratory

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Outpatient hospital services (continued)**

- Certain screenings and preventive services
- Certain drugs and biologicals that you can't give yourself

**Note:** Unless the provider has written an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an "outpatient." If you are not sure if you are an outpatient, you should ask the hospital staff.

You can also find more information in a Medicare fact sheet called "Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!" This fact sheet is available on the Web at <http://www.medicare.gov/Publications/Pubs/pdf/11435.pdf> or by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.

tests billed by the hospital, X-rays and certain other radiology services billed by the hospital, and medical supplies such as splints and casts.

Before you receive outpatient hospital services, you must first obtain a referral from your PCP.

**Outpatient mental health care**

Covered services include:

- Mental health services provided by a state-licensed psychiatrist or doctor, clinical psychologist, clinical social worker, clinical nurse specialist, nurse practitioner, physician assistant, or other Medicare-qualified mental health care professional as allowed under applicable state laws.
- Methadone administration at participating facilities

You pay \$10 for each individual or group therapy visit for Medicare-covered outpatient mental health services.

You pay \$0 for methadone administration.

You pay \$0 for brief office visits for the sole purpose of monitoring or changing drugs.

Before you receive services from a specialist, you must first obtain a referral from your PCP.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Outpatient rehabilitation services**

Covered services include: physical therapy, occupational therapy, and speech language therapy.

Outpatient rehabilitation services are provided in various outpatient settings, such as hospital outpatient departments, independent therapist offices, and Comprehensive Outpatient Rehabilitation Facilities (CORFs).

You pay \$0 for each Medicare-covered physical therapy visit.

You pay \$0 for each occupational therapy or speech/language therapy visit regardless of the outpatient setting.

Before you receive physical therapy, occupational therapy and / or speech language therapy services, you must first obtain a referral from your PCP.

You pay \$0 for Medicare-covered cardiac and pulmonary rehabilitative therapy visits.

You do not need a referral for cardiac and pulmonary rehabilitative therapy services.

**Outpatient substance abuse services**

Coverage under Medicare Part B is available for treatment services that are provided in the outpatient department of a hospital to patients who, for example, have been discharged from an inpatient stay for the treatment of substance abuse or who require treatment but do not require the availability and intensity of services found only in the inpatient hospital setting.

The coverage available for these services is subject to the same rules generally applicable to the coverage of outpatient hospital services.

You pay \$10 for each individual or group therapy visit for Medicare-covered outpatient substance abuse services.

You pay \$0 for partial hospitalization services if a network physician certifies that inpatient treatment would be necessary without it.

Before you receive services from a specialist, you must first obtain a referral from your PCP.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Outpatient surgery, including services provided at hospital outpatient facilities and ambulatory surgical centers**

**Note:** If you are having surgery in a hospital facility, you should check with your provider about whether you will be an inpatient or outpatient. Unless the provider writes an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient surgery. Even if you stay in the hospital overnight, you might still be considered an “outpatient.”

You pay \$0 per day for outpatient procedures and services, including but not limited to diagnostic and therapeutic endoscopy, and outpatient surgery performed in an outpatient hospital or ambulatory surgical center.

Refer to “Colorectal Screening” in this chart for cost sharing you pay for colorectal screening procedures.

You pay no outpatient surgery copayment if you are admitted as an inpatient to the hospital for the same condition within 24 hours after an outpatient procedure or surgery (refer to “Inpatient Hospital Care” in this chart for the hospital cost share that applies instead). If you are held for observation, the copayment still applies.

Before you receive services from a specialist you must first obtain a referral from your PCP.

**Partial hospitalization services**

“Partial hospitalization” is a structured program of active psychiatric treatment provided in a hospital outpatient setting or by a community mental health center, that is more intense than the care received in your doctor’s or therapist’s office and is an alternative to inpatient hospitalization.

You pay \$0 for partial hospitalization services if a network physician certifies that inpatient treatment would be necessary without it.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Physician/Practitioner services, including doctor's office visits**

Covered services include:

- Medically-necessary medical care or surgery services furnished in a physician's office, hospital outpatient department, or any other location
- Consultation, diagnosis, and treatment by a specialist
- Basic hearing and balance exams performed by your PCP or specialist, if your doctor orders it to see if you need medical treatment
- Second opinion by another network provider prior to surgery
- Non-routine dental care (covered services are limited to surgery of the jaw or related structures, setting fractures of the jaw or facial bones, extraction of teeth to prepare the jaw for radiation treatments of neoplastic cancer disease, or services that would be covered when provided by a physician)
- Annual Physical Exam (a more comprehensive examination than an annual wellness visit. Services will include the following: bodily systems examinations, such as heart, lung, head and neck, and neurological system; measurement and recording of vital signs such as blood pressure, heart rate, and respiratory rate; a complete prescription medication review; and a review of any recent hospitalizations), once every 12 months.
- Follow-up office visits following discharge from hospital, SNF, Community Mental Health Centers stay, outpatient observation, or partial hospitalization.

You pay \$10 for each covered visit or consultation in an outpatient location with your PCP or other primary care physician.

You pay \$10 for each covered visit or consultation in an outpatient location with a specialist.

You pay \$0 for visits to your PCP, RN / nurse practitioner, or anti-coagulant clinic when you are only going for INR testing (Anti-coagulant visit).

You pay \$0 for an annual physical. If you receive services that address a medical condition during the same office visit, you pay a \$10 PCP office visit copayment.

You pay \$0 for a follow up visit following a discharge from a hospital, SNF, Community Mental Health Centers stay, outpatient observation, or partial hospitalization, that meet the requirements as defined by Medicare.

Before you receive services from a specialist you must first obtain a referral from your PCP.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Physician/Practitioner services, including doctor's office visits (continued)**

Refer to “Outpatient surgery including services provided at hospital facilities and ambulatory surgical centers,” in this chart for the copayment you pay for outpatient procedures and services including but not limited to diagnostic and therapeutic endoscopy and outpatient surgery in an outpatient hospital or ambulatory surgery facility.

**Podiatry services**

Covered services include:

- Diagnosis and the medical or surgical treatment of injuries and diseases of the feet (such as hammer toe or heel spurs).
- Routine foot care for members with certain medical conditions affecting the lower limbs such as metabolic, (diabetes), neurological or peripheral vascular disease (narrowing or blocking of the arteries carrying blood to the arms and legs).
- For foot care related to Diabetes, please see “Diabetes self-management training, diabetic services and supplies” in this benefits chart.

You pay \$10 for each Medicare-covered visit

Before you receive podiatry services, you must first obtain a referral from your PCP.

**Prostate cancer screening exams**

For men age 50 and older, covered services include the following - once every 12 months:

- Digital rectal exam
- Prostate Specific Antigen (PSA) test

There is no coinsurance, copayment, or deductible for an annual PSA test.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Prosthetic devices and related supplies\***

Devices (other than dental) that replace all or part of a body part or function. These include, but are not limited to: colostomy bags and supplies directly related to colostomy care, pacemakers, braces, prosthetic shoes, artificial limbs, and breast prostheses (including a surgical brassiere after a mastectomy). Includes certain supplies related to prosthetic devices, and repair and/or replacement of prosthetic devices. Also includes some coverage following cataract removal or cataract surgery – see “Vision Care” later in this section for more detail.

You pay \$0 upon written prescription from a network physician to a network DME or Orthotics and Prosthetics (O&P) supplier in your PCP’s referral circle.

Qualification for each item is dependent on the listed criteria.

**Additional items covered by Tufts Medicare Preferred HMO GIC**

Gradient Compression Stockings or Surgical Stockings are covered for members with lower limb peripheral edema, venous insufficiency without stasis ulcers, lymphedema, symptomatic varicosities, post thrombotic -syndrome (post phlebitic syndrome), or postural hypotension; or to prevent the reoccurrence of stasis ulcers that have healed.

- Gradient compression stockings: up to 2 pair every 6 months OR Surgical stockings: up to 2 pair every 6 months.
- Mastectomy sleeves for member with diagnosis of Post-mastectomy lymphedema : up to 2 sleeves every 6 months.

You pay \$0 coinsurance upon written prescription from a network physician to a network DME or Orthotics and Prosthetics (O&P) supplier in your PCP’s referral circle.

Note: Tufts Medicare Preferred HMO GIC will continue to cover gradient compression stockings according to Medicare coverage guidelines for venous insufficiency with stasis ulcers.

**Medical Supplies**

Medically necessary items or other materials that are used once, and thrown away, or somehow used up. Includes but not limited to: catheters, gauze, surgical dressing supplies, bandages, sterile water, and tracheostomy supplies.

You pay \$0 for Medicare-covered medical supplies.

\* Except in an emergency, prior authorization from Tufts Health Plan Medicare Preferred may be required before you obtain certain prosthetic devices and related supplies.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Pulmonary rehabilitation services**

Comprehensive programs of pulmonary rehabilitation are covered for members who have moderate to very severe chronic obstructive pulmonary disease (COPD) and an order for pulmonary rehabilitation from the doctor treating the chronic respiratory disease.

You pay \$0 for Medicare-covered services.

**Screening and counseling to reduce alcohol misuse**

We cover one alcohol misuse screening for adults with Medicare (including pregnant women) who misuse alcohol, but aren't alcohol dependent.

If you screen positive for alcohol misuse, you can get up to 4 brief face-to-face counseling sessions per year (if you're competent and alert during counseling) provided by a qualified primary care doctor or practitioner in a primary care setting.

There is no coinsurance, copayment, or deductible for the Medicare-covered screening and counseling to reduce alcohol misuse preventive benefit.

**Screening for sexually transmitted infections (STIs) and counseling to prevent STIs**

We cover sexually transmitted infection (STI) screenings for chlamydia, gonorrhea, syphilis, and Hepatitis B. These screenings are covered for pregnant women and for certain people who are at increased risk for an STI when the tests are ordered by a Primary Care Physician. We cover these tests once every 12 months or at certain times during pregnancy.

We also cover up to 2 individual 20 to 30 minute, face-to-face high-intensity behavioral counseling sessions each year for sexually active adults at increased risk for STIs. We will only cover these counseling sessions as a preventive service if they are provided by a Primary Care Physician and take place in a primary care setting, such as a doctor's office.

There is no coinsurance, copayment, or deductible for the Medicare-covered screening for STIs and counseling to prevent STIs preventive benefit.

**Services to treat kidney disease and conditions**

Covered services include:

- Kidney disease education services to teach kidney care and help members make informed decisions about their care. For members with stage IV chronic kidney disease when referred by their doctor, we cover up to six sessions of kidney disease education services per lifetime.

You pay \$0 for Medicare-covered dialysis services within the service area when ordered by your PCP.

No referral is required for

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Services to treat kidney disease and conditions (continued)**

- Outpatient dialysis treatments (including dialysis treatments when temporarily out of the service area, as explained in Chapter 3)
- Inpatient dialysis treatments (if you are admitted as an inpatient to a hospital for special care)
- Self-dialysis training (includes training for you and anyone helping you with your home dialysis treatments)
- Home dialysis equipment and supplies
- Certain home support services (such as, when necessary, visits by trained dialysis workers to check on your home dialysis, to help in emergencies, and check your dialysis equipment and water supply)

Certain drugs for dialysis are covered under your Medicare Part B drug benefit. For information about coverage for Part B Drugs, please go to the section, “Medicare Part B prescription drugs.”

dialysis services.

**Skilled nursing facility (SNF) care**

(For a definition of “skilled nursing facility care,” see Chapter 12 of this booklet. Skilled nursing facilities are sometimes called “SNFs.”)

You are covered for up to 100 days each benefit period. No prior hospital stay is required. Covered services include but are not limited to:

- Semiprivate room (or a private room if medically necessary)
- Meals, including special diets
- Skilled nursing services
- Physical therapy, occupational therapy, and speech therapy
- Drugs administered to you as part of your plan of care (This includes substances that are naturally present in the body, such as blood clotting factors.)
- Blood - including storage and administration. Coverage of whole blood and packed red cells begins with the first pint of blood that you need.
- Medical and surgical supplies ordinarily provided by SNFs
- Laboratory tests ordinarily provided by SNFs
- X-rays and other radiology services ordinarily provided by SNFs
- Use of appliances such as wheelchairs ordinarily provided by SNFs

You pay \$0 for services in a skilled nursing facility for up to 100 days each benefit period.

A benefit period begins on the first day you go to a Medicare-covered inpatient hospital or a skilled nursing facility. The benefit period ends when you haven’t been an inpatient at any hospital or SNF for 60 days in a row. If you go to the hospital (or SNF) after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods you can have.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Skilled nursing facility (SNF) care (continued)**

- Physician/Practitioner services

Generally, you will get your SNF care from network facilities. However, under certain conditions listed below, you may be able to pay in-network cost-sharing for a facility that isn't a network provider, if the facility accepts our plan's amounts for payment.

- A nursing home or continuing care retirement community where you were living right before you went to the hospital (as long as it provides skilled nursing facility care).
- A SNF where your spouse is living at the time you leave the hospital.

**Smoking and tobacco use cessation (counseling to stop smoking or tobacco use)**

If you use tobacco, but do not have signs or symptoms of tobacco-related disease: We cover two counseling quit attempts within a 12-month period as a preventive service with no cost to you. Each counseling attempt includes up to four face-to-face visits.

If you use tobacco and have been diagnosed with a tobacco-related disease or are taking medicine that may be affected by tobacco: We cover cessation counseling services. We cover two counseling quit attempts within a 12-month period, however, you will pay the applicable cost-sharing. Each counseling attempt includes up to four face-to-face visits.

- Smoking cessation telephonic counseling is also available through QuitWorks. QuitWorks is a free, evidence-based stop-smoking service developed by the Massachusetts Department of Public Health

If you are ready to quit or are thinking about it, ask your doctor about QuitWorks, or visit [www.makesmokinghistory.org](http://www.makesmokinghistory.org), or call 1-800-QUIT-NOW (1-800-784-8669).

- Check your Tufts Medicare Preferred HMO GIC formulary for covered smoking cessation agents.

There is no coinsurance, copayment, or deductible for the Medicare-covered smoking and tobacco use cessation preventive benefits.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Urgently needed services**

Urgently needed services are provided to treat a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible.

Your plan includes worldwide coverage for urgently needed care.

You pay \$10 for each Medicare-covered office visit with a primary care physician, or urgent care center visit.

You pay \$10 for each Medicare covered office visit with a specialist or urgent care center visit with a provider not affiliated with your primary care physician.

You pay \$50 for each Medicare-covered urgently needed care visit to an emergency room.

**Vision care**

Covered services include:

- Outpatient physician services for the diagnosis and treatment of diseases and injuries of the eye, including treatment for age-related macular degeneration. Original Medicare doesn't cover routine eye exams (eye refractions) for eyeglasses/contacts. but these exams are covered under the routine eye exam benefit below.
- For people who are at high risk of glaucoma, such as people with a family history of glaucoma, people with diabetes, and African-Americans who are age 50 and older: glaucoma screening once per year.

You pay \$10 for each Medicare-covered outpatient visit for services to diagnose and/or treat a disease or condition of the eye.

You pay \$0 for an annual glaucoma screening if you are at high risk.

Before you receive services from an ophthalmologist for diagnosis and/or treatment of a medical condition of the eye, you must first obtain a referral from your PCP. No referral is

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Vision care (continued)**

- One pair of standard therapeutic (prescription) eyeglasses with standard frames or contact lenses after each cataract surgery that includes insertion of an intraocular lens. Corrective lenses/frames (and replacements) needed after a cataract removal without a lens implant (Tints, anti-reflective coating, U-V lenses or oversize lenses are covered only when deemed medically necessary by the treating physician).

required to see an optometrist, but you must use a provider in the EyeMed Vision Care network.

You pay \$0 for one pair of Medicare-covered standard eyeglasses with standard frames or contact lenses after cataract surgery when obtained from a provider in the EyeMed Vision Care network. You will pay any cost over the Medicare allowed charge if you purchase upgraded frames.

No referral is required for this service, but you must obtain covered eyewear from a provider in the EyeMed Vision Care network.

- One pair of standard therapeutic (prescription) eyeglasses every calendar year (includes one pair of standard frames and single vision, bifocal or trifocal lenses) or contact lenses for Keratoconus, Anisometropia, High Myopia, Aphakia, Congenital Aphakia, or Pseudoaphakia.

You pay \$0 for one pair of standard eyeglasses with standard frames or contact lenses for Keratoconus, Anisometropia, High Myopia, Aphakia, Congenital Aphakia, or Pseudoaphakia. You will pay any cost over the allowed charge.

No referral is required for this service, but you must obtain covered eyewear from a provider in the EyeMed Vision Care network.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Vision care (continued)**

- One routine eye exam each calendar year

You pay \$10 for one annual routine eye exam.

No referral is required for an annual routine eye exam, but you must use a provider in the EyeMed Vision Care network.

To access the routine eyewear benefit, you may purchase eyewear from any provider.

- One pair of routine eyeglasses (prescription lenses and frames) or contact lenses every calendar year. This benefit cannot be combined with the standard eyeglasses/contact lenses benefits described in the third and fourth bullet points listed above.

If the glasses or contact lenses are purchased from a provider in the EyeMed Vision Care network, the benefit is limited to \$150 per calendar year. Sale items are excluded, and this benefit cannot be combined with any other store discounts, coupons, or promotional codes.

If the glasses or contacts are purchased from a store that is not in the EyeMed Vision Care network, the benefit is limited to \$90 per calendar year.

In either case, the annual benefit can be applied to eyeglasses OR contact lenses, but not both. For glasses, this benefit is for new frames with new lenses, and cannot be used for new frames alone.

If you choose an EyeMed Vision Care participating provider, you have the benefit of \$150 per calendar year applied at the time of service, and would be responsible to pay for the balance. The EyeMed Vision Care provider will process the claim.

If you use a non-participating provider, you would need to pay out of pocket and submit for reimbursement. You would be reimbursed up to \$90 per calendar year. You must file a claim with EyeMed Vision Care to get reimbursed. Call Customer Relations for the claim form.

The two benefits cannot be combined

If the cost of the glasses or contacts exceeds the benefit limit (\$150 in the

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****Vision care (continued)**

EyeMed Vision Care network, \$90 for a non-participating provider), you are responsible for all additional charges.

The annual benefit can be applied to eyeglasses OR contact lenses, but not both.

The Plan provider for services, glasses or contacts for routine vision care may be different from the Plan provider of services, glasses, or contacts to treat the medical conditions described in the first four bullet points. Call Customer Relations if you have questions about your vision benefits.

**“Welcome to Medicare” Preventive Visit**

The plan covers the one-time “Welcome to Medicare” preventive visit. The visit includes a review of your health, as well as education and counseling about the preventive services you need (including certain screenings and shots), and referrals for other care if needed.

**Important:** We cover the “Welcome to Medicare” preventive visit only within the first 12 months you have Medicare Part B. When you make your appointment, let your doctor’s office know you would like to schedule your “Welcome to Medicare” preventive visit.

There is no coinsurance, copayment, or deductible for the “Welcome to Medicare” preventive visit.

**Wigs**

Wigs are covered for members who experience hair loss due to treatment for cancer.

Plan covers up to \$350 in a calendar year.

To access the wig benefit, you may purchase the wig from any provider.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)**

---

**Wigs (continued)**

If you choose a participating provider, you have the benefit of \$350 per calendar year applied at the time of service, and would be responsible to pay for the balance.

If you use a non-participating provider, you would need to pay out of pocket and submit for reimbursement. You must file a claim with the Plan to get reimbursed. Call Customer Relations for the claim form.

If the cost of the wig exceeds the benefit limit (\$350), you are responsible for all additional charges.

No referral is required for this benefit.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)****SECTION 3 What services are not covered by the plan?****Section 3.1 Services we do *not* cover (exclusions)**

This section tells you what services are “excluded” from Medicare coverage and therefore, are not covered by this plan. If a service is “excluded,” it means that this plan doesn’t cover the service.

The chart below lists services and items that either are not covered under any condition or are covered only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself. We won’t pay for the excluded medical services listed in the chart below except under the specific conditions listed. The only exception: we will pay if a service in the chart below is found upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 9, Section 5.3 in this booklet.)

All exclusions or limitations on services are described in the Benefits Chart or in the chart below.

Even if you receive the excluded services at an emergency facility, the excluded services are still not covered and our plan will not pay for them.

<b>Services not covered by Medicare</b>	<b>Not covered under any condition</b>	<b>Covered only under specific conditions</b>
Services considered not reasonable and necessary, according to the standards of Original Medicare	√	
Experimental medical and surgical procedures, equipment and medications. Experimental procedures and items are those items and procedures determined by our plan and Original Medicare to not be generally accepted by the medical community.		√ May be covered by Original Medicare under a Medicare-approved clinical research study or by our plan.  (See Chapter 3, Section 5 for more information on clinical research studies.)
Surgical treatment for morbid obesity		√ Covered only when medically necessary.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)**

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Private room in a hospital.		√ Covered only when covered by Medicare and considered medically necessary.
Private Duty Nursing	√	
Personal items in your room at a hospital or a skilled nursing facility, such as a telephone or a television.	√	
Full-time nursing care in your home.	√	
*Custodial care is care provided in a nursing home, hospice, or other facility setting when you do not require skilled medical care or skilled nursing care.	√	
Homemaker services include basic household assistance, including light housekeeping or light meal preparation.	√	
Meals delivered to your home	√	
Fees charged for care by your immediate relatives or members of your household.	√	
Elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging and mental performance),		√ Covered only when medically necessary.
Cosmetic surgery or procedures		√ <ul style="list-style-type: none"> <li>• Covered in cases of an accidental injury or for improvement of the functioning of a malformed body member.</li> <li>• Covered for all stages of reconstruction for a breast after a</li> </ul>

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)**

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
		mastectomy, as well as for the unaffected breast to produce a symmetrical appearance.
Routine dental care, such as cleanings, fillings or dentures.	√	
Non-routine dental care.		√ Dental care required to treat illness or injury may be covered as inpatient or outpatient care.
Routine chiropractic care		√ Manual manipulation of the spine to correct a subluxation is covered.
Routine foot care		√ Some limited coverage provided according to Medicare guidelines, e.g., if you have diabetes.
Orthopedic shoes		√ If shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease.
Supportive devices for the feet		√ Orthopedic or therapeutic shoes for people with diabetic foot disease.
Hearing aids, or exams to fit hearing aids.		√ First \$500 covered at 100%, then 80% coverage for next \$1,500 per person, per two year period.
Radial keratotomy, LASIK surgery, vision therapy and other low vision aids.		√ Eye exam and one pair of eyeglasses (or contact lenses) are covered for people after cataract surgery but excludes scratch resistant coatings, mirror coatings, polarized lenses, deluxe lens features and progressive lenses.

**Chapter 4. Medical Benefits Chart (what is covered and what you pay)**

<b>Services not covered by Medicare</b>	<b>Not covered under any condition</b>	<b>Covered only under specific conditions</b>
Reversal of sterilization procedures and or non-prescription contraceptive supplies.	√	
Acupuncture		√ Visits to a licensed acupuncturist covered up to \$150 per calendar year under the Wellness Allowance.
Naturopath services (uses natural or alternative treatments).	√	
Transportation, except by ambulance as described in this chapter, section 2.1. If you choose to use an ambulance when it is not a Medicare-covered service, you will be responsible for the entire cost. Wheelchair van (chair car) transportation is not covered even if provided by an ambulance company.	√	

\*Custodial care is personal care that does not require the continuing attention of trained medical or paramedical personnel, such as care that helps you with activities of daily living, such as bathing or dressing.

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

**Did you know there are programs to help people pay for their drugs?**

There are programs to help people with limited resources pay for their drugs. These include “Extra Help” and State Pharmaceutical Assistance Programs. For more information, see Chapter 2, Section 7.

**Are you currently getting help to pay for your drugs?**

If you are in a program that helps pay for your drugs, **some information in this *Evidence of Coverage* about the costs for Part D prescription drugs may not apply to you.** We send you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Customer Relations and ask for the “LIS Rider.” (Phone numbers for Customer Relations are printed on the back cover of this booklet.)

---

## **SECTION 1 Introduction**

---

<b>Section 1.1</b>	<b>This chapter describes your coverage for Part D drugs</b>
--------------------	--

This chapter **explains rules for using your coverage for Part D drugs**. The next chapter tells what you pay for Part D drugs (Chapter 6, *What you pay for your Part D prescription drugs*).

In addition to your coverage for Part D drugs, *Tufts Medicare Preferred HMO GIC* also covers some drugs under the plan's medical benefits. Through its coverage of Medicare A benefits, our plan generally covers drugs you are given during covered stays in the hospital or in a skilled nursing facility. Through its coverage of Medicare Part B benefits, our plan covers drugs including certain chemotherapy drugs, certain drug injections you are given during an office visit, and drugs you are given at a dialysis facility. Chapter 4 (*Medical Benefits Chart, what is covered and what you pay*) tells about the benefits and costs for drugs during a covered hospital or skilled nursing facility stay, as well as your benefits and costs for Part B drugs.

Your drugs may be covered by Original Medicare if you are in Medicare hospice. Our plan only covers Medicare Parts A, B, and D services and drugs that are unrelated to your terminal prognosis and related conditions and therefore not covered under the Medicare hospice benefit. For more information, please see Section 9.3 (*What if you're in Medicare-certified hospice*). For information on hospice coverage, see the hospice section of Chapter 4 (*Medical Benefits Chart, what is covered and what you pay*).

The following sections discuss coverage of your drugs under the plan's Part D benefit rules. Section 9, *Part D drug coverage in special situations* includes more information on your Part D coverage and Original Medicare.

<b>Section 1.2</b>	<b>Basic rules for the plan's Part D drug coverage</b>
--------------------	--

The plan will generally cover your drugs as long as you follow these basic rules:

- You must have a provider (a doctor, dentist or other prescriber) write your prescription.
- Your prescriber must either accept Medicare or file documentation with CMS showing that he or she is qualified to write prescriptions, or your Part D claim will be denied. You should ask your prescribers the next time you call or visit if they meet this condition. If not, please be aware it takes time for your prescriber to submit the necessary paperwork to be processed.
- You generally must use a network pharmacy to fill your prescription. (See Section 2, *Fill your prescriptions at a network pharmacy or through the plan's mail-order service*.)
- Your drug must be on the plan's *List of Covered Drugs (Formulary)* (we call it the "Drug List" for short). (See Section 3, *Your drugs need to be on the plan's "Drug List."*)

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

- Your drug must be used for a medically accepted indication. A “medically accepted indication” is a use of the drug that is either approved by the Food and Drug Administration or supported by certain reference books. (See Section 3 for more information about a medically accepted indication.)

---

**SECTION 2 Fill your prescription at a network pharmacy or through the plan's mail-order service**

---

**Section 2.1 To have your prescription covered, use a network pharmacy**

In most cases, your prescriptions are covered *only* if they are filled at the plan's network pharmacies. (See Section 2.5 for information about when we would cover prescriptions filled at out-of-network pharmacies.)

A network pharmacy is a pharmacy that has a contract with the plan to provide your covered prescription drugs. The term “covered drugs” means all of the Part D prescription drugs that are covered on the plan's Drug List.

**Section 2.2 Finding network pharmacies****How do you find a network pharmacy in your area?**

To find a network pharmacy, you can look in your *Provider Directory*, visit our website ([tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org)), or call Customer Relations (phone numbers are printed on the back cover of this booklet).

You may go to any of our network pharmacies. If you switch from one network pharmacy to another, and you need a refill of a drug you have been taking, you can ask either to have a new prescription written by a provider or to have your prescription transferred to your new network pharmacy.

**What if the pharmacy you have been using leaves the network?**

If the pharmacy you have been using leaves the plan's network, you will have to find a new pharmacy that is in the network. To find another network pharmacy in your area, you can get help from Customer Relations (phone numbers are printed on the back cover of this booklet) or use the *Provider Directory*.

**What if you need a specialized pharmacy?**

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

- Pharmacies that supply drugs for home infusion therapy. Our plan will cover home infusion therapy if:
  - Your prescription drug is on our Plan's formulary or a formulary exception has been granted for your prescription drug,
  - Your prescription drug is not otherwise covered under our Plan's medical benefit,
  - Our plan has approved your prescription for home infusion therapy, and
  - Your prescription is written by an authorized prescriber.

Your Provider Directory lists home infusion providers in our network. For more information, contact Customer Relations.

- Pharmacies that supply drugs for residents of a long-term care (LTC) facility. Usually, a long-term care facility (such as a nursing home) has its own pharmacy. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies, which is typically the pharmacy that the LTC facility uses. If you have any difficulty accessing your Part D benefits in an LTC facility, please contact Customer Relations.
- Pharmacies that serve the Indian Health Service / Tribal / Urban Indian Health Program (not available in Puerto Rico). Except in emergencies, only Native Americans or Alaska Natives have access to these pharmacies in our network.
- Pharmacies that dispense drugs that are restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.)

To locate a specialized pharmacy, look in your *Provider Directory* or call Customer Relations (phone numbers are printed on the back cover of this booklet).

<b>Section 2.3</b>	<b>Using the plan's mail-order services</b>
--------------------	---

For certain kinds of drugs, you can use the plan's network mail-order services. Generally, the drugs provided through mail order are drugs that you take on a regular basis, for a chronic or long-term medical condition.

To get information about filling your prescriptions by mail call Customer Relations.

Usually a mail-order pharmacy order will get to you in no more than 14 days. However, sometimes your mail-order may be delayed. If your order is delayed, please call Customer Relations during business hours and we will allow you to fill a partial supply of the medication at a network retail pharmacy.

**New prescriptions the pharmacy receives directly from your doctor's office.**

After the pharmacy receives a prescription from a health care provider, it will contact you to see if you want the medication filled immediately or at a later time. This will give you an opportunity to make sure that the pharmacy is delivering the correct drug (including

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

strength, amount, and form) and, if needed, allow you to stop or delay the order before you are billed and it is shipped. It is important that you respond each time you are contacted by the pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping.

**Refills on mail order prescriptions.** For refills, please contact your pharmacy 22 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time

So the pharmacy can reach you to confirm your order before shipping, please make sure to let the pharmacy know the best ways to contact you. Please call CVS Caremark Customer Care toll-free at 1-866-788-5144 (TTY 1-866-236-1069) to provide your preferred phone number. Hours of operation are 7 days a week, 7am to 12am EDT.

<b>Section 2.4</b>	<b>How can you get a long-term supply of drugs?</b>
--------------------	---

When you get a long-term supply of drugs, your cost-sharing may be lower. The plan offers two ways to get a long-term supply (also called an “extended supply”) of “maintenance” drugs on our plan’s Drug List. (Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.)

1. **Some retail pharmacies** in our network allow you to get a long-term supply of maintenance drugs. Your *Provider Directory* tells you which pharmacies in our network can give you a long-term supply of maintenance drugs. You can also call Customer Relations for more information (phone numbers are printed on the back cover of this booklet).
2. For certain kinds of drugs, you can use the plan’s network **mail-order services**. See Section 2.3 for more information about using our mail-order services.

<b>Section 2.5</b>	<b>When can you use a pharmacy that is not in the plan’s network?</b>
--------------------	---

**Your prescription may be covered in certain situations**

Generally, we cover drugs filled at an out-of-network pharmacy *only* when you are not able to use a network pharmacy. To help you, we have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan. If you cannot use a network pharmacy, here are the circumstances when we would cover prescriptions filled at an out-of-network pharmacy:

**Medical Emergencies**

We will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgently needed care. In this situation, you will have

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

to pay the full cost (rather than paying just your copayment) when you fill the prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form.

**When you travel or are away from the plan's service area**

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our network mail order pharmacy service or through a retail network pharmacy.

If you are traveling within the U.S., but outside of the Plan's service area and you become ill or if you lose or run out of your prescription drugs, we will cover prescriptions that are filled at an out-of-network pharmacy if you follow all other coverage rules identified within this document and a network pharmacy is not available. In this situation, you will have to pay the full cost (rather than paying just your copayment) when you fill the prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form.

Prior to filling your prescriptions at an out-of-network pharmacy, call Customer Relations to find out if there is a network pharmacy in the area where you are traveling. Our pharmacy network is nationwide. If there are no network pharmacies in that area, Customer Relations may be able to make arrangements for you to get your prescriptions from an out-of-network pharmacy.

**Other times you can get your prescription covered if you go to an out-of-network pharmacy**

We will cover your prescription at an out-of-network pharmacy if at least one of the following applies:

- If you are unable to get a covered drug in a timely manner within our service area because there are no network pharmacies within a reasonable driving distance that provide 24-hour service.
- If you are trying to fill a covered prescription drug that is not regularly stocked at an eligible network retail or mail order pharmacy (these drugs include orphan drugs or other specialty pharmaceuticals).

Before you fill your prescription in either of these situations, call Customer Relations to see if there is a network pharmacy in your area where you can fill your prescription. If you do go to an out-of-network pharmacy for the reasons listed above, you will have to pay the full cost (rather than just paying your copayment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form.

In these situations, **please check first with Customer Relations** to see if there is a network pharmacy nearby. (Phone numbers for Customer Relations are printed on the back cover of this booklet.) You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost that we would cover at an in-network pharmacy.

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

**How do you ask for reimbursement from the plan?**

If you must use an out-of-network pharmacy, you will generally have to pay the full cost (rather than your normal share of the cost) at the time you fill your prescription. You can ask us to reimburse you for our share of the cost. (Chapter 7, Section 2.1 explains how to ask the plan to pay you back.)

---

**SECTION 3      Your drugs need to be on the plan's "Drug List"**

---

<b>Section 3.1      The "Drug List" tells which Part D drugs are covered</b>
--

The plan has a "*List of Covered Drugs (Formulary)*." In this *Evidence of Coverage*, we call it the "**Drug List**" for short.

The drugs on this list are selected by the plan with the help of a team of doctors and pharmacists. The list must meet requirements set by Medicare. Medicare has approved the plan's Drug List.

The drugs on the Drug List are only those covered under Medicare Part D (earlier in this chapter, Section 1.1 explains about Part D drugs).

Note: Prescribed, orally administered anticancer medications used to kill or slow the growth of cancerous cells are covered in full when filled at a Tufts Health Plan designated pharmacy.

We will generally cover a drug on the plan's Drug List as long as you follow the other coverage rules explained in this chapter and the use of the drug is a medically accepted indication. A "medically accepted indication" is a use of the drug that is *either*:

- approved by the Food and Drug Administration. (That is, the Food and Drug Administration has approved the drug for the diagnosis or condition for which it is being prescribed.)
- -- *or* -- supported by certain reference books. (These reference books are the American Hospital Formulary Service Drug Information; the DRUGDEX Information System; and the USPDI or its successor; and, for cancer, the National Comprehensive Cancer Network and Clinical Pharmacology or their successors.)

**The Drug List includes both brand name and generic drugs**

A generic drug is a prescription drug that has the same active ingredients as the brand name drug. Generally, it works just as well as the brand name drug and usually costs less. There are generic drug substitutes available for many brand name drugs.

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

**What is *not* on the Drug List?**

The plan does not cover all prescription drugs.

- In some cases, the law does not allow any Medicare plan to cover certain types of drugs (for more information about this, see Section 7.1 in this chapter).
- In other cases, we have decided not to include a particular drug on the Drug List.

<b>Section 3.2</b>	<b>There are 3 “cost-sharing tiers” for drugs on the Drug List</b>
--------------------	--

Every drug on the plan's Drug List is in one of 3 cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug:

- Cost Sharing Tier 1 (lowest copayment) Includes most generic drugs.
- Cost Sharing Tier 2 (middle copayment) Includes some generic drugs and brand drugs that are more cost-effective than comparable brand drugs listed in cost sharing tier 3.
- Cost Sharing Tier 3 (highest copayment) Includes brand drugs that offer no significant clinical or cost advantage over drugs in cost sharing tier 2.

To find out which cost-sharing tier your drug is in, look it up in the plan's Drug List.

The amount you pay for drugs in each cost-sharing tier is shown in Chapter 6 (*What you pay for your Part D prescription drugs*).

<b>Section 3.3</b>	<b>How can you find out if a specific drug is on the Drug List?</b>
--------------------	---

You have 3 ways to find out:

1. Check the most recent Drug List we sent you in the mail.
2. Visit the plan's website ([tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org)). The Drug List on the website is always the most current.
3. Call Customer Relations to find out if a particular drug is on the plan's Drug List or to ask for a copy of the list. (Phone numbers for Customer Relations are printed on the back cover of this booklet.)

---

**SECTION 4      There are restrictions on coverage for some drugs**

---

**Section 4.1      Why do some drugs have restrictions?**

For certain prescription drugs, special rules restrict how and when the plan covers them. A team of doctors and pharmacists developed these rules to help our members use drugs in the most effective ways. These special rules also help control overall drug costs, which keeps your drug coverage more affordable.

In general, our rules encourage you to get a drug that works for your medical condition and is safe and effective. Whenever a safe, lower-cost drug will work just as well medically as a higher-cost drug, the plan's rules are designed to encourage you and your provider to use that lower-cost option. We also need to comply with Medicare's rules and regulations for drug coverage and cost-sharing.

**If there is a restriction for your drug, it usually means that you or your provider will have to take extra steps in order for us to cover the drug.** If you want us to waive the restriction for you, you will need to use the coverage decision process and ask us to make an exception. We may or may not agree to waive the restriction for you. (See Chapter 9, Section 6.2 for information about asking for exceptions.)

Please note that sometimes a drug may appear more than once in our drug list. This is because different restrictions or cost-sharing may apply based on factors such as the strength, amount, or form of the drug prescribed by your health care provider (for instance, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid).

**Section 4.2      What kinds of restrictions?**

Our plan uses different types of restrictions to help our members use drugs in the most effective ways. The sections below tell you more about the types of restrictions we use for certain drugs.

**Restricting brand name drugs when a generic version is available**

Generally, a "generic" drug works the same as a brand name drug and usually costs less. **When a generic version of a brand name drug is available, our network pharmacies will provide you the generic version.** We usually will not cover the brand name drug when a generic version is available. However, if your provider has told us the medical reason that the generic drug will not work for you, then we will cover the brand name drug. (Your share of the cost may be greater for the brand name drug than for the generic drug.)

**Getting plan approval in advance**

For certain drugs, you or your provider need to get approval from the plan before we will agree to cover the drug for you. This is called "**prior authorization.**" Sometimes the requirement for

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

getting approval in advance helps guide appropriate use of certain drugs. If you do not get this approval, your drug might not be covered by the plan.

**Trying a different drug first**

This requirement encourages you to try less costly but just as effective drugs before the plan covers another drug. For example, if Drug A and Drug B treat the same medical condition, the plan may require you to try Drug A first. If Drug A does not work for you, the plan will then cover Drug B. This requirement to try a different drug first is called “**step therapy**.”

**Quantity limits**

For certain drugs, we limit the amount of the drug that you can have by limiting how much of a drug you can get each time you fill your prescription. For example, if it is normally considered safe to take only one pill per day for a certain drug, we may limit coverage for your prescription to no more than one pill per day.

<b>Section 4.3</b>	<b>Do any of these restrictions apply to your drugs?</b>
--------------------	--

The plan's Drug List includes information about the restrictions described above. To find out if any of these restrictions apply to a drug you take or want to take, check the Drug List. For the most up-to-date information, call Customer Relations (phone numbers are printed on the back cover of this booklet) or check our website ([tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org)).

**If there is a restriction for your drug, it usually means that you or your provider will have to take extra steps in order for us to cover the drug.** If there is a restriction on the drug you want to take, you should contact Customer Relations to learn what you or your provider would need to do to get coverage for the drug. If you want us to waive the restriction for you, you will need to use the coverage decision process and ask us to make an exception. We may or may not agree to waive the restriction for you. (See Chapter 9, Section 6.2 for information about asking for exceptions.)

---

<b>SECTION 5</b>	<b>What if one of your drugs is not covered in the way you'd like it to be covered?</b>
------------------	---

---

<b>Section 5.1</b>	<b>There are things you can do if your drug is not covered in the way you'd like it to be covered</b>
--------------------	---

We hope that your drug coverage will work well for you. But it's possible that there could be a prescription drug you are currently taking, or one that you and your provider think you should be taking that is not on our formulary or is on our formulary with restrictions. For example:

- The drug might not be covered at all. Or maybe a generic version of the drug is covered but the brand name version you want to take is not covered.

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

- The drug is covered, but there are extra rules or restrictions on coverage for that drug. As explained in Section 4, some of the drugs covered by the plan have extra rules to restrict their use. For example, you might be required to try a different drug first, to see if it will work, before the drug you want to take will be covered for you. Or there might be limits on what amount of the drug (number of pills, etc.) is covered during a particular time period. In some cases, you may want us to waive the restriction for you.
- The drug is covered, but it is in a cost-sharing tier that makes your cost-sharing more expensive than you think it should be. The plan puts each covered drug into one of 3 different cost-sharing tiers. How much you pay for your prescription depends in part on which cost-sharing tier your drug is in.

There are things you can do if your drug is not covered in the way that you'd like it to be covered. Your options depend on what type of problem you have:

- If your drug is not on the Drug List or if your drug is restricted, go to Section 5.2 to learn what you can do.
- If your drug is in a cost-sharing tier that makes your cost more expensive than you think it should be, go to Section 5.3 to learn what you can do.

<b>Section 5.2</b>	<b>What can you do if your drug is not on the Drug List or if the drug is restricted in some way?</b>
--------------------	---

If your drug is not on the Drug List or is restricted, here are things you can do:

- You may be able to get a temporary supply of the drug (only members in certain situations can get a temporary supply). This will give you and your provider time to change to another drug or to file a request to have the drug covered.
- You can change to another drug.
- You can request an exception and ask the plan to cover the drug or remove restrictions from the drug.

**You may be able to get a temporary supply**

Under certain circumstances, the plan can offer a temporary supply of a drug to you when your drug is not on the Drug List or when it is restricted in some way. Doing this gives you time to talk with your provider about the change in coverage and figure out what to do.

To be eligible for a temporary supply, you must meet the two requirements below:

**1. The change to your drug coverage must be one of the following types of changes:**

- The drug you have been taking is **no longer on the plan's Drug List**.

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

- or -- the drug you have been taking is **now restricted in some way** (Section 4 in this chapter tells about restrictions).

**2. You must be in one of the situations described below:**

- **For those members who are new or who were in the plan last year and aren't in a long-term care (LTC ) facility:**

We will cover a temporary supply of your drug **during the first 90 days of your membership in the plan if you were new and during the first 90 days of the calendar year if you were in the plan last year**. This temporary supply will be for a maximum of *a 30-day supply*. If your prescription is written for fewer days, we will allow multiple fills to provide up to a maximum of *a 30-day supply* of medication. The prescription must be filled at a network pharmacy.

- **For those members who are new or who were in the plan last year and reside in a long-term care (LTC) facility:**

We will cover a temporary supply of your drug **during the first 90 days of your membership in the plan if you are new and during the first 90 days of the calendar year if you were in the plan last year**. The total supply will be for a maximum of *a 91-98 day supply*. If your prescription is written for fewer days, we will allow multiple fills to provide up to a maximum of *a 91-98 day supply* of medication. (Please note that the long-term care pharmacy may provide the drug in smaller amounts at a time to prevent waste.)

- **For those members who have been in the plan for more than 90 days and reside in a long-term care (LTC) facility and need a supply right away:**

We will cover one *31-day* supply of a particular drug, or less if your prescription is written for fewer days. This is in addition to the above long-term care transition supply.

- As a current member, if you are in a long term facility and if you experience an unplanned drug change due to a change in level of care, you can request that we approve a one-time, temporary fill of the non-covered medication to allow you time to discuss a transition plan with your physician. Your physician can also request an exception to coverage for the non-covered drug based on review for medical necessity following the standard exception process outlined previously. The temporary "first fill" will generally be up to a 31-day supply, but may be extended to allow you and your physician time to manage the complexities of multiple medications or when special circumstances warrant. You can request a temporary prescription fill by calling the Tufts Health Plan Medicare Preferred Customer Relations department.

Please note that our transition policy applies only to those drugs that are "Part D drugs" and bought at a network pharmacy. The transition policy can't be used to buy a non-Part D drug or a drug out of network, unless you qualify for out of network access.

To ask for a temporary supply, call Customer Relations (phone numbers are printed on the back cover of this booklet).

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

During the time when you are getting a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug. The sections below tell you more about these options.

**You can change to another drug**

Start by talking with your provider. Perhaps there is a different drug covered by the plan that might work just as well for you. You can call Customer Relations to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you. (Phone numbers for Customer Relations are printed on the back cover of this booklet.)

**You can ask for an exception**

You and your provider can ask the plan to make an exception for you and cover the drug in the way you would like it to be covered. If your provider says that you have medical reasons that justify asking us for an exception, your provider can help you request an exception to the rule. For example, you can ask the plan to cover a drug even though it is not on the plan's Drug List. Or you can ask the plan to make an exception and cover the drug without restrictions.

If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells what to do. It explains the procedures and deadlines that have been set by Medicare to make sure your request is handled promptly and fairly.

**Section 5.3      What can you do if your drug is in a cost-sharing tier you think is too high?**

If your drug is in a cost-sharing tier you think is too high, here are things you can do:

**You can change to another drug**

If your drug is in a cost-sharing tier you think is too high, start by talking with your provider. Perhaps there is a different drug in a lower cost-sharing tier that might work just as well for you. You can call Customer Relations to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you. (Phone numbers for Customer Relations are printed on the back cover of this booklet.)

**You can ask for an exception**

For drugs in Tier 2 and Tier 3, you and your provider can ask the plan to make an exception in the cost-sharing tier for the drug so that you pay less for it. If your provider says that you have medical reasons that justify asking us for an exception, your provider can help you request an exception to the rule.

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells what to do. It explains the procedures and deadlines that have been set by Medicare to make sure your request is handled promptly and fairly.

---

**SECTION 6      What if your coverage changes for one of your drugs?**

---

**Section 6.1      The Drug List can change during the year**

---

Most of the changes in drug coverage happen at the beginning of each year (January 1). However, during the year, the plan might make changes to the Drug List. For example, the plan might:

- **Add or remove drugs from the Drug List.** New drugs become available, including new generic drugs. Perhaps the government has given approval to a new use for an existing drug. Sometimes, a drug gets recalled and we decide not to cover it. Or we might remove a drug from the list because it has been found to be ineffective.
- **Move a drug to a higher or lower cost-sharing tier.**
- **Add or remove a restriction on coverage for a drug** (for more information about restrictions to coverage, see Section 4 in this chapter).
- **Replace a brand name drug with a generic drug.**

In almost all cases, we must get approval from Medicare for changes we make to the plan's Drug List.

---

**Section 6.2      What happens if coverage changes for a drug you are taking?**

---

**How will you find out if your drug's coverage has been changed?**

If there is a change to coverage *for a drug you are taking*, the plan will send you a notice to tell you. Normally, **we will let you know at least 60 days ahead of time.**

Once in a while, a drug is **suddenly recalled** because it's been found to be unsafe or for other reasons. If this happens, the plan will immediately remove the drug from the Drug List. We will let you know of this change right away. Your provider will also know about this change, and can work with you to find another drug for your condition.

**Do changes to your drug coverage affect you right away?**

If any of the following types of changes affect a drug you are taking, the change will not affect you until January 1 of the next year if you stay in the plan:

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

- If we move your drug into a higher cost-sharing tier.
- If we put a new restriction on your use of the drug.
- If we remove your drug from the Drug List, but not because of a sudden recall or because a new generic drug has replaced it.

If any of these changes happens for a drug you are taking, then the change won't affect your use or what you pay as your share of the cost until January 1 of the next year. Until that date, you probably won't see any increase in your payments or any added restriction to your use of the drug. However, on January 1 of the next year, the changes will affect you.

In some cases, you will be affected by the coverage change before January 1:

- If a **brand name drug you are taking is replaced by a new generic drug**, the plan must give you at least 60 days' notice or give you a 60-day refill of your brand name drug at a network pharmacy.
  - During this 60-day period, you should be working with your provider to switch to the generic or to a different drug that we cover.
  - Or you and your provider can ask the plan to make an exception and continue to cover the brand name drug for you. For information on how to ask for an exception, see Chapter 9 (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*).
- Again, if a drug is **suddenly recalled** because it's been found to be unsafe or for other reasons, the plan will immediately remove the drug from the Drug List. We will let you know of this change right away.
  - Your provider will also know about this change, and can work with you to find another drug for your condition.

---

**SECTION 7      What types of drugs are *not* covered by the plan?**

---

<b>Section 7.1      Types of drugs we do not cover</b>
--

This section tells you what kinds of prescription drugs are "excluded." This means Medicare does not pay for these drugs.

Please note that Tufts Health Plan may grant an exception for coverage based on information received from you and your physician. If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells what to do.

If you get drugs that are excluded and you do not have an exception, you must pay for them yourself. We won't pay for the drugs that are listed in this section. The only exception: If the requested drug is found upon appeal to be a drug that is not excluded under Part D and we should

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

have paid for or covered it because of your specific situation. (For information about appealing a decision we have made to not cover a drug, go to Chapter 9, Section 6.5 in this booklet.)

Here are three general rules about drugs that Medicare drug plans will not cover under Part D:

- Our plan's Part D drug coverage cannot cover a drug that would be covered under Medicare Part A or Part B.
- Our plan cannot cover a drug purchased outside the United States and its territories.
- Our plan usually cannot cover off-label use. "Off-label use" is any use of the drug other than those indicated on a drug's label as approved by the Food and Drug Administration.
  - Generally, coverage for "off-label use" is allowed only when the use is supported by certain reference books. These reference books are the American Hospital Formulary Service Drug Information, the DRUGDEX Information System, for cancer, the National Comprehensive Cancer Network and Clinical Pharmacology, or their successors. If the use is not supported by any of these reference books, then our plan cannot cover its "off-label use."

Also, by law, these categories of drugs are not covered by Medicare drug plans. (Our plan covers certain drugs listed below through our enhanced drug coverage, for which you may be charged an additional premium. More information is provided below.):

- Non-prescription drugs (also called over-the-counter drugs)
- Drugs when used to promote fertility
- Drugs when used for the relief of cough or cold symptoms
- Drugs when used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs when used for the treatment of sexual or erectile dysfunction, such as Viagra, Cialis, Levitra, and Caverject
- Drugs when used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs for which the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale

We offer additional coverage of some prescription drugs not normally covered in a Medicare prescription drug plan (enhanced drug coverage). The amount you pay when you fill a prescription for these drugs does not count towards qualifying you for the Catastrophic Coverage Stage. (The Catastrophic Coverage Stage is described in Chapter 6, Section 7 of this booklet.)

In addition, if you are **receiving Extra Help from Medicare** to pay for your prescriptions, the Extra Help program will not pay for the drugs not normally covered. (Please refer to your

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

formulary or call Customer Relations for more information.) However, **if you receive “Extra Help” paying for your drugs**, your state Medicaid program may cover some prescription drugs not normally covered in a Medicare drug plan. Please contact your state Medicaid program to determine what drug coverage may be available to you. (You can find phone numbers and contact information for Medicaid in Chapter 2, Section 6.)

---

**SECTION 8      Show your plan membership card when you fill a prescription**

---

<b>Section 8.1      Show your membership card</b>
---

To fill your prescription, show your plan membership card at the network pharmacy you choose. When you show your plan membership card, the network pharmacy will automatically bill the plan for *our* share of your covered prescription drug cost. You will need to pay the pharmacy *your* share of the cost when you pick up your prescription.

<b>Section 8.2      What if you don't have your membership card with you?</b>
---

If you don't have your plan membership card with you when you fill your prescription, ask the pharmacy to call the plan to get the necessary information.

If the pharmacy is not able to get the necessary information, **you may have to pay the full cost of the prescription when you pick it up.** (You can then **ask us to reimburse you** for our share. See Chapter 7, Section 2.1 for information about how to ask the plan for reimbursement.)

---

**SECTION 9      Part D drug coverage in special situations**

---

<b>Section 9.1      What if you're in a hospital or a skilled nursing facility for a stay that is covered by the plan?</b>
--

If you are admitted to a hospital or to a skilled nursing facility for a stay covered by the plan, we will generally cover the cost of your prescription drugs during your stay. Once you leave the hospital or skilled nursing facility, the plan will cover your drugs as long as the drugs meet all of our rules for coverage. See the previous parts of this section that tell about the rules for getting drug coverage. Chapter 6 (*What you pay for your Part D prescription drugs*) gives more information about drug coverage and what you pay.

**Please Note:** When you enter, live in, or leave a skilled nursing facility, you are entitled to a Special Enrollment Period. During this time period, you can switch plans or change your coverage. (Chapter 10, *Ending your membership in the plan*, tells when you can leave our plan and join a different Medicare plan.)

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

**Section 9.2 What if you're a resident in a long-term care (LTC) facility?**

Usually, a long-term care (LTC) facility (such as a nursing home) has its own pharmacy, or a pharmacy that supplies drugs for all of its residents. If you are a resident of a long-term care facility, you may get your prescription drugs through the facility's pharmacy as long as it is part of our network.

Check your *Provider Directory* to find out if your long-term care facility's pharmacy is part of our network. If it isn't, or if you need more information, please contact Customer Relations (phone numbers are printed on the back cover of this booklet).

**What if you're a resident in a long-term care (LTC) facility and become a new member of the plan?**

If you need a drug that is not on our Drug List or is restricted in some way, the plan will cover a **temporary supply** of your drug during the first *90 days* of your membership. The total supply will be for a maximum of a 91-98 day supply or less if your prescription is written for fewer days. (Please note that the long-term care (LTC) pharmacy may provide the drug in smaller amounts at a time to prevent waste.) If you have been a member of the plan for more than *90 days* and need a drug that is not on our Drug List or if the plan has any restriction on the drug's coverage, we will cover one 31-day supply, or less if your prescription is written for fewer days.

During the time when you are getting a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. Perhaps there is a different drug covered by the plan that might work just as well for you. Or you and your provider can ask the plan to make an exception for you and cover the drug in the way you would like it to be covered. If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells what to do.

**Section 9.3 What if you're in Medicare-certified hospice?**

Drugs are never covered by both hospice and our plan at the same time. If you are enrolled in Medicare hospice and require an anti-nausea, laxative, pain medication or antianxiety drug that is not covered by your hospice because it is unrelated to your terminal illness and related conditions, our plan must receive notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug. To prevent delays in receiving any unrelated drugs that should be covered by our plan, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

In the event you either revoke your hospice election or are discharged from hospice our plan should cover all your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, you should bring documentation to the pharmacy to verify your revocation or discharge. See the previous parts of this section that tell about the rules for getting drug coverage

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

under Part D Chapter 6 (*What you pay for your Part D prescription drugs*) gives more information about drug coverage and what you pay.

---

**SECTION 10 Programs on drug safety and managing medications**

---

<b>Section 10.1</b>	<b>Programs to help members use drugs safely</b>
---------------------	--

We conduct drug use reviews for our members to help make sure that they are getting safe and appropriate care. These reviews are especially important for members who have more than one provider who prescribes their drugs.

We do a review each time you fill a prescription. We also review our records on a regular basis. During these reviews, we look for potential problems such as:

- Possible medication errors
- Drugs that may not be necessary because you are taking another drug to treat the same medical condition
- Drugs that may not be safe or appropriate because of your age or gender
- Certain combinations of drugs that could harm you if taken at the same time
- Prescriptions written for drugs that have ingredients you are allergic to
- Possible errors in the amount (dosage) of a drug you are taking.

If we see a possible problem in your use of medications, we will work with your provider to correct the problem.

<b>Section 10.2</b>	<b>Medication Therapy Management (MTM) program to help members manage their medications</b>
---------------------	---

We have a program that can help our members with complex health needs. For example, some members have several medical conditions, take different drugs at the same time, and have high drug costs.

This program is voluntary and free to members. A team of pharmacists and doctors developed the program for us. This program can help make sure that our members get the most benefit from the drugs they take. Our program is called a Medication Therapy Management (MTM) program. Some members who take medications for different medical conditions may be able to get services through a MTM program. A pharmacist or other health professional will give you a comprehensive review of all your medications. You can talk about how best to take your medications, your costs, and any problems or questions you have about your prescription and over-the-counter medications. You'll get a written summary of this discussion. The summary has a medication action plan that recommends what you can do to make the best use of your

**Chapter 5. Using the plan's coverage for your Part D prescription drugs**

---

medications, with space for you to take notes or write down any follow-up questions. You'll also get a personal medication list that will include all the medications you're taking and why you take them.

It's a good idea to have your medication review before your yearly "Wellness" visit, so you can talk to your doctor about your action plan and medication list. Bring your action plan and medication list with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, keep your medication list with you (for example, with your ID) in case you go to the hospital or emergency room.

If we have a program that fits your needs, we will automatically enroll you in the program and send you information. If you decide not to participate, please notify us and we will withdraw you from the program. If you have any questions about these programs, please contact Customer Relations (phone numbers are printed on the back cover of this booklet).

# CHAPTER 6

*What you pay for your  
Part D prescription drugs*

## **Chapter 6. What you pay for your Part D prescription drugs**

<b>SECTION 1</b>	<b>Introduction .....</b>	<b>121</b>
Section 1.1	Use this chapter together with other materials that explain your drug coverage.....	121
Section 1.2	Types of out-of-pocket costs you may pay for covered drugs .....	122
<b>SECTION 2</b>	<b>What you pay for a drug depends on which “drug payment stage” you are in when you get the drug .....</b>	<b>122</b>
Section 2.1	What are the drug payment stages for <i>Tufts Medicare Preferred HMO GIC</i> members?.....	122
<b>SECTION 3</b>	<b>We send you reports that explain payments for your drugs and which payment stage you are in .....</b>	<b>124</b>
Section 3.1	We send you a monthly report called the “Part D Explanation of Benefits” (the “Part D EOB”) .....	124
Section 3.2	Help us keep our information about your drug payments up to date .....	124
<b>SECTION 4</b>	<b>During the Deductible Stage, Tufts Medicare Preferred HMO GIC members do not pay a deductible .....</b>	<b>125</b>
Section 4.1	You are not subject to a deductible during the Deductible Stage .....	125
<b>SECTION 5</b>	<b>During the Initial Coverage Stage, the plan pays its share of your drug costs and you pay your share .....</b>	<b>126</b>
Section 5.1	What you pay for a drug depends on the drug and where you fill your prescription.....	126

Section 5.3	If your doctor prescribes less than a full month’s supply, you may not have to pay the cost of the entire month’s supply .....	129
Section 5.4	A table that shows your costs for a <i>long-term 90-day</i> supply of a drug.....	129
Section 5.5	You stay in the Initial Coverage Stage until your total drug costs for the year reach \$3,310 .....	130
<b>SECTION 6</b>	<b>During the Coverage Gap Stage, you are covered for enhanced pharmacy coverage by the Wrap plan. ....</b>	<b>131</b>
Section 6.1	You stay in the Coverage Gap Stage until your out-of-pocket costs reach \$4,850 .....	131
Section 6.2	How Medicare calculates your out-of-pocket costs for prescription drugs.	132

<b>SECTION 7</b>	<b>During the Catastrophic Coverage Stage, the plan pays most of the cost for your drugs .....</b>	<b>134</b>
Section 7.1	Once you are in the Catastrophic Coverage Stage, you will stay in this stage for the rest of the year .....	134
<b>SECTION 8</b>	<b>What you pay for vaccinations covered by Part D depends on how and where you get them .....</b>	<b>134</b>
Section 8.1	Our plan may have separate coverage for the Part D vaccine medication itself and for the cost of giving you the vaccine.....	134
Section 8.2	You may want to call us at Customer Relations before you get a vaccination.....	136
<b>SECTION 9</b>	<b>Do you have to pay the Part D “late enrollment penalty”? .....</b>	<b>136</b>
Section 9.1	What is the Part D “late enrollment penalty”? .....	136
Section 9.2	How much is the Part D late enrollment penalty?.....	137
Section 9.3	In some situations, you can enroll late and not have to pay the penalty .....	138
Section 9.4	What can you do if you disagree about your late enrollment penalty? .....	138
<b>SECTION 10</b>	<b>Do you have to pay an extra Part D amount because of your income?.....</b>	<b>139</b>
Section 10.1	Who pays an extra Part D amount because of income? .....	139
Section 10.2	How much is the extra Part D amount?.....	139
Section 10.3	What can you do if you disagree about paying an extra Part D amount? ...	140
Section 10.4	What happens if you do not pay the extra Part D amount?.....	140

## **Did you know there are programs to help people pay for their drugs?**

There are programs to help people with limited resources pay for their drugs. These include “Extra Help” and State Pharmaceutical Assistance Programs. For more information, see Chapter 2, Section 7.

### **Are you currently getting help to pay for your drugs?**

If you are in a program that helps pay for your drugs, **some information in this *Evidence of Coverage* about the costs for Part D prescription drugs may not apply to you.** We send you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Customer Relations and ask for the “LIS Rider.” (Phone numbers for Customer Relations are printed on the back cover of this booklet.)

---

## **SECTION 1 Introduction**

---

<b>Section 1.1</b>	<b>Use this chapter together with other materials that explain your drug coverage</b>
--------------------	---

This chapter focuses on what you pay for your Part D prescription drugs. To keep things simple, we use “drug” in this chapter to mean a Part D prescription drug. As explained in Chapter 5, not all drugs are Part D drugs – some drugs are covered under Medicare Part A or Part B and other drugs are excluded from Medicare coverage by law.

To understand the payment information we give you in this chapter, you need to know the basics of what drugs are covered, where to fill your prescriptions, and what rules to follow when you get your covered drugs. Here are materials that explain these basics:

- **The plan’s *List of Covered Drugs (Formulary)*.** To keep things simple, we call this the “Drug List.”
  - This Drug List tells which drugs are covered for you.
  - It also tells which of the 3 “cost-sharing tiers” the drug is in and whether there are any restrictions on your coverage for the drug.
  - If you need a copy of the Drug List, call Customer Relations (phone numbers are printed on the back cover of this booklet). You can also find the Drug List on our website at [tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org). The Drug List on the website is always the most current.
- **Chapter 5 of this booklet.** Chapter 5 gives the details about your prescription drug coverage, including rules you need to follow when you get your covered drugs. Chapter 5 also tells which types of prescription drugs are not covered by our plan.

- **The plan's *Provider Directory*.** In most situations you must use a network pharmacy to get your covered drugs (see Chapter 5 for the details). The *Provider Directory* has a list of pharmacies in the plan's network. It also tells you which pharmacies in our network can give you a long-term supply of a drug (such as filling a prescription for a three-month's supply).

---

<b>Section 1.2</b>	<b>Types of out-of-pocket costs you may pay for covered drugs</b>
--------------------	---

---

To understand the payment information we give you in this chapter, you need to know about the types of out-of-pocket costs you may pay for your covered services. The amount that you pay for a drug is called “cost-sharing” and there are three ways you may be asked to pay.

- The “**deductible**” is the amount you must pay for drugs before our plan begins to pay its share.
- “**Copayment**” means that you pay a fixed amount each time you fill a prescription.
- “**Coinsurance**” means that you pay a percent of the total cost of the drug each time you fill a prescription.

---

<b>SECTION 2</b>	<b>What you pay for a drug depends on which “drug payment stage” you are in when you get the drug</b>
------------------	---

---

<b>Section 2.1</b>	<b>What are the drug payment stages for <i>Tufts Medicare Preferred HMO GIC</i> members?</b>
--------------------	--

---

As shown in the table below, there are “drug payment stages” for your prescription drug coverage under *Tufts Medicare Preferred HMO GIC*. How much you pay for a drug depends on which of these stages you are in at the time you get a prescription filled or refilled. Keep in mind you (or your current or former employer) are always responsible for the plan's monthly premium regardless of the drug payment stage.

<b>Stage 1</b> <i>Yearly Deductible Stage</i>	<b>Stage 2</b> <i>Initial Coverage Stage</i>	<b>Stage 3</b> <i>Coverage Gap Stage</i>	<b>Stage 4</b> <i>Catastrophic Coverage Stage</i>
<p>You begin in this stage when you fill your first prescription of the year.</p> <p>The Medicare Part D deductible is \$360. You pay the appropriate copayment based on the tier of drug that you obtain. The Wrap will cover up to the Medicare Part D deductible (\$360).</p> <p>You stay in this stage until your year-to-date total drug costs (your payments plus any Wrap payments) total \$360.</p> <p>(Details are in Section 4 of this chapter.)</p>	<p>You pay the appropriate copayment based on the tier of drug that you obtain. Tufts Health Plan Medicare Preferred will pay for 75% of the cost of the drug. The Wrap will pay the balance of the cost after your copayment up to 25% of the cost of the drug.</p> <p>You stay in this stage until your year-to-date <b>“total drug costs”</b> (your payments plus any Part D and Wrap plan’s payments) total \$3,310. (Details are in Section 5 of this chapter.)</p>	<p>For generic drugs, on Tier 1 or Tier 2, you pay the Tier 1 or Tier 2 copayment. The Wrap will pay the balance of the cost of the generic drug until you move into the Catastrophic Stage.</p> <p>For brand name drugs, on Tier 2 or Tier 3, you pay the Tier 2 or Tier 3 co-payments. Until you move into the Catastrophic Stage, the Wrap will pay the balance of the cost of the brand name drug after your co-payment and the 50% manufacturer’s discount.</p> <p>You stay in this stage until your year-to-date <b>“out-of-pocket costs”</b> (your payments) reach a total of \$ 4,850. This amount and rules for counting costs toward this amount have been set by Medicare.</p> <p>(Details are in Section 6 of this chapter.)</p>	<p>You pay \$2.95 per prescription for generic drugs and \$7.40 per prescription for brand name drugs. The Wrap will pay the balance of the cost after your copayment up to 5% of the cost of the drug.</p> <p>(Details are in Section 7 of this chapter.)</p>

As a member of Tufts Medicare Preferred HMO GIC, you are not subject to the Deductible Stage or the Coverage Gap Stage. Instead, you will pay the same copayment during the these stages as you would during the Initial Coverage Stage. The copayment amount is based on the tier and day supply of the drug.

Please refer to the Wrap EOC for how the Wrap works in the different “drug payment stages”.

---

## **SECTION 3      We send you reports that explain payments for your drugs and which payment stage you are in**

---

<b>Section 3.1</b>	<b>We send you a monthly report called the “Part D Explanation of Benefits” (the “Part D EOB”)</b>
--------------------	--

Our plan keeps track of the costs of your prescription drugs and the payments you have made when you get your prescriptions filled or refilled at the pharmacy. This way, we can tell you when you have moved from one drug payment stage to the next. In particular, there are two types of costs we keep track of:

- We keep track of how much you have paid. This is called your **“out-of-pocket”** cost.
- We keep track of your **“total drug costs.”** This is the amount you pay out-of-pocket or others pay on your behalf plus the amount paid by the plan.

Our plan will prepare a written report called the *Part D Explanation of Benefits* (it is sometimes called the “Part D EOB”) when you have had one or more prescriptions filled through the plan during the previous month. It includes:

- **Information for that month.** This report gives the payment details about the prescriptions you have filled during the previous month. It shows the total drug costs, what the plan paid, and what you and others on your behalf paid.
- **Totals for the year since January 1.** This is called “year-to-date” information. It shows you the total drug costs and total payments for your drugs since the year began.

<b>Section 3.2</b>	<b>Help us keep our information about your drug payments up to date</b>
--------------------	---

To keep track of your drug costs and the payments you make for drugs, we use records we get from pharmacies. Here is how you can help us keep your information correct and up to date:

- **Show your membership card when you get a prescription filled.** To make sure we know about the prescriptions you are filling and what you are paying, show your plan membership card every time you get a prescription filled.
- **Make sure we have the information we need.** There are times you may pay for prescription drugs when we will not automatically get the information we need to keep track of your out-of-pocket costs. To help us keep track of your out-of-pocket costs, you may give us copies of receipts for drugs that you have purchased. (If you are billed for a covered drug, you can ask our plan to pay our share of the cost. For instructions on how to do this, go to Chapter 7, Section 2 of this booklet.) Here are some types of situations when you may want to give us copies of your drug receipts to be sure we have a complete record of what you have spent for your drugs:

- When you purchase a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit.
- When you made a copayment for drugs that are provided under a drug manufacturer patient assistance program.
- Any time you have purchased covered drugs at out-of-network pharmacies or other times you have paid the full price for a covered drug under special circumstances.
- **Send us information about the payments others have made for you.** Payments made by certain other individuals and organizations also count toward your out-of-pocket costs and help qualify you for catastrophic coverage. For example, payments made by a State Pharmaceutical Assistance Program, an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs. You should keep a record of these payments and send them to us so we can track your costs.
- **Check the written report we send you.** When you receive an *Part D Explanation of Benefits* (a "Part D EOB") in the mail, please look it over to be sure the information is complete and correct. If you think something is missing from the report, or you have any questions, please call us at Customer Relations (phone numbers are printed on the back cover of this booklet). Be sure to keep these reports. They are an important record of your drug expenses.

---

## **SECTION 4      During the Deductible Stage, Tufts Medicare Preferred HMO GIC members do not pay a deductible**

---

<b>Section 4.1</b>	<p><b>You are not subject to a deductible during the Deductible Stage.</b></p> <p><b>As a member of Tufts Medicare Preferred HMO GIC, you are not subject to the Deductible Stage. Instead, during this stage, you pay the appropriate copayment based on the tier and day supply of the drug that you obtain. These copayments applied during the Deductible Stage are the same as the copayments that you pay during the Initial Coverage Stage. The Wrap will cover up to the Medicare Part D deductible, which is \$360. Please refer to the Wrap EOC for how the Wrap works in the deductible stage.</b></p>
--------------------	---

You begin in this stage when you fill your first prescription of the year.

---

## **SECTION 5      During the Initial Coverage Stage, the plan pays its share of your drug costs and you pay your share**

---

<b>Section 5.1      What you pay for a drug depends on the drug and where you fill your prescription</b>
--

You pay the appropriate copayment based on the tier of drug that you obtain. Tufts Medicare Preferred HMO Plan will pay for 75% of the cost of the drug. The Wrap will pay the balance of the cost after your copayment up to 25% of the cost of the drug. Please refer to the Wrap EOC for how the Wrap works in this coverage stage.

### **The plan has 3 cost-sharing tiers**

Every drug on the plan's Drug List is in one of 3 cost-sharing tiers. In general, the higher the cost-sharing tier number, the higher your cost for the drug:

- Cost Sharing Tier 1 (lowest copayment) includes most generic drugs.
- Cost Sharing Tier 2 (middle copayment) includes some generic drugs and brand drugs that are more cost-effective than comparable brand drugs listed in cost sharing tier 3.
- Cost Sharing Tier 3 (highest copayment) Includes brand drugs that offer no significant clinical or cost advantage over drugs in cost sharing tier 2.

To find out which cost-sharing tier your drug is in, look it up in the plan's Drug List.

### **Your pharmacy choices**

How much you pay for a drug depends on whether you get the drug from:

- A retail pharmacy that is in our plan's network
- A pharmacy that is not in the plan's network
- The plan's mail-order pharmacy

For more information about these pharmacy choices and filling your prescriptions, see Chapter 5 in this booklet and the plan's *Provider Directory*.

<b>Section 5.2</b>	<b>A table that shows your costs for a <i>one-month</i> supply of a drug</b>
--------------------	--

During the Initial Coverage Stage, your share of the cost of a covered drug will be either a copayment or coinsurance.

- **“Copayment”** means that you pay a fixed amount each time you fill a prescription.
- **“Coinsurance”** means that you pay a percent of the total cost of the drug each time you fill a prescription.

As shown in the table below, the amount of the copayment or coinsurance depends on which cost-sharing tier your drug is in. Please note:

- If your covered drug costs less than the copayment amount listed in the chart, you will pay that lower price for the drug. You pay *either* the full price of the drug *or* the copayment amount, *whichever is lower*.
- We cover prescriptions filled at out-of-network pharmacies in only limited situations. Please see Chapter 5, Section 2.5 for information about when we will cover a prescription filled at an out-of-network pharmacy.

**Your share of the cost when you get a *one-month* supply of a covered Part D prescription drug:**

	<b>Standard retail cost-sharing (in-network)</b> (up to a 30-day supply)	<b>Mail-order cost-sharing</b> (up to a 30-day supply)	<b>Long-term care (LTC) cost-sharing</b> (up to a 31-day supply)	<b>Out-of-network pharmacy</b> (Coverage is limited to certain situations; see Chapter 5 for details.) (up to a 30-day supply)
<b>Cost-Sharing Tier 1</b> (includes most generic drugs)	\$10	N/A	\$10	\$10

	<b>Standard retail cost-sharing (in-network)</b> (up to a 30-day supply)	<b>Mail-order cost-sharing</b> (up to a 30-day supply)	<b>Long-term care (LTC) cost-sharing</b> (up to a 31-day supply)	<b>Out-of-network pharmacy</b> (Coverage is limited to certain situations; see Chapter 5 for details.) (up to a 30-day supply)
<b>Cost-Sharing Tier 2</b> (includes some generic drugs and brand drugs that are more cost-effective than comparable brand drugs listed in cost sharing tier 3)	\$30	N/A	\$30	\$30
<b>Cost-Sharing Tier 3</b> (includes brand drugs that offer no significant clinical or cost advantage over drugs in cost-sharing tier 2)	\$65	N/A	\$65	\$65

<b>Section 5.3</b>	<b>If your doctor prescribes less than a full month's supply, you may not have to pay the cost of the entire month's supply</b>
--------------------	---

Typically, the amount you pay for a prescription drug covers a full month's supply of a covered drug. However your doctor can prescribe less than a month's supply of drugs. There may be times when you want to ask your doctor about prescribing less than a month's supply of a drug (for example, when you are trying a medication for the first time that is known to have serious side effects). If your doctor prescribes less than a full month's supply, you will not have to pay for the full month's supply for certain drugs.

- If you are responsible for a copayment for the drug, your copay will be based on the number of days of the drug that you receive. We will calculate the amount you pay per day for your drug (the "daily cost-sharing rate") and multiply it by the number of days of the drug you receive.
  - Here's an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$30. This means that the amount you pay per day for your drug is \$1. If you receive a 7 days' supply of the drug, your payment will be \$1 per day multiplied by 7 days, for a total payment of \$7.

Daily cost-sharing allows you to make sure a drug works for you before you have to pay for an entire month's supply. You can also ask your doctor to prescribe, and your pharmacist to dispense, less than a full month's supply of a drug or drugs, if this will help you better plan refill date for different prescriptions so that you can take fewer trips to the pharmacy. The amount you pay will depend upon the days' supply you receive.

<b>Section 5.4</b>	<b>A table that shows your costs for a <i>long-term 90-day</i> supply of a drug</b>
--------------------	---

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is a 90-day supply. (For details on where and how to get a long-term supply of a drug, see Chapter 5, Section 2.4.)

The table below shows what you pay when you get a long-term 90--day supply of a drug.

- Please note: If your covered drug costs less than the copayment amount listed in the chart, you will pay that lower price for the drug. You pay *either* the full price of the drug *or* the copayment amount, *whichever is lower*.

**Your share of the cost when you get a *long-term* supply of a covered Part D prescription drug:**

	<b>Standard retail cost-sharing (in-network)</b> (90-day supply)	<b>Mail-order cost-sharing</b> (90-day supply)
<b>Cost-Sharing Tier 1</b> (includes most generic drugs)	\$30	\$25
<b>Cost-Sharing Tier 2</b> (includes some generic drugs and brand drugs that are more cost-effective than comparable brand drugs listed in cost sharing tier 3)	\$90	\$75
<b>Cost-Sharing Tier 3</b> (includes brand drugs that offer no significant clinical or cost advantage over drugs in cost-sharing tier 2)	\$195	\$165

<b>Section 5.5</b>	<b>You stay in the Initial Coverage Stage until your total drug costs for the year reach \$3,310</b>
--------------------	--

You stay in the Initial Coverage Stage until the total amount for the prescription drugs you have filled and refilled reaches the **\$3,310 limit for the Initial Coverage Stage**.

Your total drug cost is based on adding together what you have paid and what any Part D plan has paid:

- **What you have paid** for all the covered drugs you have gotten since you started with your first drug purchase of the year. (See Section 6.2 for more information about how Medicare calculates your out-of-pocket costs.) This includes:
  - The total you paid as your share of the costs for your drugs when you were in the Deductible Stage.
  - The total you paid as your share of the cost for your drugs during the Initial Coverage Stage.
- **What the plan and the Wrap has paid** as its share of the cost for your drugs during the Deductible and Initial Coverage Stage. (If you were enrolled in a different Part D plan at any time during 2016, the amount that plan paid during the Initial Coverage Stage also counts toward your total drug costs.)

We offer additional coverage on some prescription drugs that are not normally covered in a Medicare Prescription Drug Plan. Payments made for these drugs will not count towards your initial coverage limit or total out-of-pocket costs. To find out which drugs our plan covers, refer to your formulary.

The *Part D Explanation of Benefits* (Part D EOB) that we send to you will help you keep track of how much you and the plan, as well as any third parties, have spent on your behalf during the year. Many people do not reach the \$3,310 limit in a year.

We will let you know if you reach this \$3,310 amount. If you do reach this amount, you will leave the Initial Coverage Stage and move on to the Coverage Gap Stage.

---

<b>SECTION 6</b>	<b>During the Coverage Gap Stage, you are not subject to Coverage Gap costs since you receive enhanced pharmacy coverage through the Wrap plan</b>
------------------	--

---

<b>Section 6.1</b>	<b>You stay in the Coverage Gap Stage until your out-of-pocket costs reach \$4,850</b>
--------------------	--

As a member of Tufts Medicare Preferred HMO GIC, you are not subject to the Coverage Gap Stage. The copayments you pay during the Coverage Gap Stage are the same as the copayments that you pay during the Initial Coverage Stage. For generic drugs, you pay the cost sharing under your Tufts Medicare Preferred HMO plan Tier 1 or Tier 2 co-payments. The Wrap will pay the balance of the cost of the generic drug until you move into the Catastrophic Stage.

For brand name drugs, you pay the Tier 2 or Tier 3 co-payments. The Wrap will pay the balance of the cost of the brand name drug after your co-payment and the 50% manufacturer's discount until you move into the Catastrophic Stage.

**Please refer to your Wrap EOC for details on how the Wrap works in the Coverage Gap Stage.**

### **Medicare Coverage Gap Discount Program**

The Medicare Coverage Gap Discount Program provides manufacturer discounts on brand name drugs in the Coverage Gap Stage. A 50% discount on the negotiated price (excluding the dispensing fee) will be applied to the cost of the drug for those brand name drugs from manufacturers that have agreed to pay the discount.

<b>Section 6.2</b>	<b>How Medicare calculates your out-of-pocket costs for prescription drugs</b>
--------------------	--

Here are Medicare's rules that we must follow when we keep track of your out-of-pocket costs for your drugs.

---

### **These payments are included in your out-of-pocket costs**

When you add up your out-of-pocket costs, ***you can include*** the payments listed below (as long as they are for Part D covered drugs and you followed the rules for drug coverage that are explained in Chapter 5 of this booklet):

- The copayment amounts you pay for drugs when you are in any of the following drug payment stages:
  - The Deductible Stage.
  - The Initial Coverage Stage.
  - The Coverage Gap Stage.
- Any payments you made during this calendar year as a member of a different Medicare prescription drug plan before you joined our plan.

#### **It matters who pays:**

- If you make these payments **yourself**, they are included in your out-of-pocket costs.
- These payments are *also included* if they are made on your behalf by **certain other individuals or organizations**. This includes payments for your drugs made by a friend or relative, by most charities, by AIDS drug assistance programs, by a State Pharmaceutical Assistance Program that is qualified by Medicare, or by the Indian Health Service. Payments made by Medicare's "Extra Help" Program are also included.

- Some of the payments made by the Medicare Coverage Gap Discount Program are included. The amount the manufacturer pays for your brand name drugs is included. But the amount the plan pays for your generic drugs is not included.

**Moving on to the Catastrophic Coverage Stage:**

When you (or those paying on your behalf) have spent a total of \$4,850 in out-of-pocket costs within the calendar year, you will move from the Coverage Gap Stage to the Catastrophic Coverage Stage.

---

**These payments are not included in your out-of-pocket costs**

When you add up your out-of-pocket costs, you are **not allowed to include** any of these types of payments for prescription drugs:

- The amount you pay for your monthly premium.
- Drugs you buy outside the United States and its territories.
- Drugs that are not covered by our plan.
- Drugs you get at an out-of-network pharmacy that do not meet the plan's requirements for out-of-network coverage.
- Non-Part D drugs, including prescription drugs covered by Part A or Part B and other drugs excluded from coverage by Medicare.
- Payments you make toward prescription drugs not normally covered in a Medicare Prescription Drug Plan.
- Payments made by the plan for your brand or generic drugs while in the Coverage Gap.
- Payments for your drugs that are made by group health plans including employer health plans.
- Payments for your drugs that are made by certain insurance plans and government-funded health programs such as TRICARE and the Veteran's Administration.
- Payments for your drugs made by a third-party with a legal obligation to pay for prescription costs (for example, Worker's Compensation).

*Reminder:* If any other organization such as the ones listed above pays part or all of your out-of-pocket costs for drugs, you are required to tell our plan. Call Customer Relations to let us know (phone numbers are printed on the back cover of this booklet).

---

**How can you keep track of your out-of-pocket total?**

- **We will help you.** The *Part D Explanation of Benefits* (Part D EOB) report we send to you includes the current amount of your out-of-pocket costs (Section 3 in this chapter

tells about this report). When you reach a total of \$4,850 in out-of-pocket costs for the year, this report will tell you that you have left the Coverage Gap Stage and have moved on to the Catastrophic Coverage Stage.

- **Make sure we have the information we need.** Section 3.2 tells what you can do to help make sure that our records of what you have spent are complete and up to date.

---

## **SECTION 7      During the Catastrophic Coverage Stage, the plan pays most of the cost for your drugs**

---

<b>Section 7.1</b>	<b>Once you are in the Catastrophic Coverage Stage, you will stay in this stage for the rest of the year</b>
--------------------	--

You qualify for the Catastrophic Coverage Stage when your out-of-pocket costs have reached the \$4,850 limit for the calendar year. Once you are in the Catastrophic Coverage Stage, you will stay in this payment stage until the end of the calendar year.

You pay \$2.95 per prescription for generic drugs and \$7.40 per prescription for brand name drugs. The Wrap will pay the balance of the cost after your copayment up to 5% of the cost of the drug. Please refer to the Wrap EOC for how the Wrap works in this coverage stage.

---

## **SECTION 8      What you pay for vaccinations covered by Part D depends on how and where you get them**

---

<b>Section 8.1</b>	<b>Our plan may have separate coverage for the Part D vaccine medication itself and for the cost of giving you the vaccine</b>
--------------------	--

Our plan provides coverage of a number of Part D vaccines. We also cover vaccines that are considered medical benefits. You can find out about coverage of these vaccines by going to the Medical Benefits Chart in Chapter 4, Section 2.1.

There are two parts to our coverage of Part D vaccinations:

- The first part of coverage is the cost of **the vaccine medication itself**. The vaccine is a prescription medication.
- The second part of coverage is for the cost of **giving you the vaccine**. (This is sometimes called the “administration” of the vaccine.)

### **What do you pay for a Part D vaccination?**

What you pay for a Part D vaccination depends on three things:

**1. The type of vaccine** (what you are being vaccinated for).

- Some vaccines are considered medical benefits. You can find out about your coverage of these vaccines by going to Chapter 4, *Medical Benefits Chart (what is covered and what you pay)*.
- Other vaccines are considered Part D drugs. You can find these vaccines listed in the plan's *List of Covered Drugs (Formulary)*.

**2. Where you get the vaccine medication.**

**3. Who gives you the vaccine?**

What you pay at the time you get the Part D vaccination can vary depending on the circumstances. For example:

- Sometimes when you get your vaccine, you will have to pay the entire cost for both the vaccine medication and for getting the vaccine. You can ask our plan to pay you back for our share of the cost.
- Other times, when you get the vaccine medication or the vaccine, you will pay only your share of the cost.

To show how this works, here are three common ways you might get a Part D vaccine.

*Situation 1:* You buy the Part D vaccine at the pharmacy and you get your vaccine at the network pharmacy. (Whether you have this choice depends on where you live. Some states do not allow pharmacies to administer a vaccination.)

- You will have to pay the pharmacy the amount of your copayment for the vaccine and the cost of giving you the vaccine.
- Our plan will pay the remainder of the costs.

*Situation 2:* You get the Part D vaccination at your doctor's office.

- When you get the vaccination, you will pay for the entire cost of the vaccine and its administration.
- You can then ask our plan to pay our share of the cost by using the procedures that are described in Chapter 7 of this booklet (*Asking us to pay our share of a bill you have received for covered medical services or drugs*).
- You will be reimbursed the amount you paid less your normal copayment for the vaccine (including administration) less any difference between the amount the doctor charges and what we normally pay. (If you get "Extra Help," we will reimburse you for this difference.)

*Situation 3:* You buy the Part D vaccine at your pharmacy, and then take it to your doctor's office where they give you the vaccine.

- You will have to pay the pharmacy the amount of your copayment for the vaccine itself.
- When your doctor gives you the vaccine, you will pay the entire cost for this service. You can then ask our plan to pay our share of the cost by using the procedures described in Chapter 7 of this booklet.
- You will be reimbursed the amount charged by the doctor for administering the vaccine less any difference between the amount the doctor charges and what we normally pay. (If you get "Extra Help," we will reimburse you for this difference.)

<b>Section 8.2</b>	<b>You may want to call us at Customer Relations before you get a vaccination</b>
--------------------	---

The rules for coverage of vaccinations are complicated. We are here to help. We recommend that you call us first at Customer Relations whenever you are planning to get a vaccination. (Phone numbers for Customer Relations are printed on the back cover of this booklet.)

- We can tell you about how your vaccination is covered by our plan and explain your share of the cost.
- We can tell you how to keep your own cost down by using providers and pharmacies in our network.
- If you are not able to use a network provider and pharmacy, we can tell you what you need to do to get payment from us for our share of the cost.

---

<b>SECTION 9</b>	<b>Do you have to pay the Part D "late enrollment penalty"?</b>
------------------	---

---

<b>Section 9.1</b>	<b>What is the Part D "late enrollment penalty"?</b>
--------------------	--

**Note:** If you receive "Extra Help" from Medicare to pay for your prescription drugs, you will not pay a late enrollment penalty.

The late enrollment penalty is an amount that is added to your Part D premium. You may owe a late enrollment penalty if at any time after your initial enrollment period is over, there is a period of 63 days or more in a row when you did not have Part D or other creditable prescription drug coverage. "Creditable prescription drug coverage" is coverage that meets Medicare's minimum standards since it is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. The amount of the penalty depends on how long you waited to enroll in a creditable prescription drug coverage plan any time after the end of your initial enrollment

period or how many full calendar months you went without creditable prescription drug coverage. You will have to pay this penalty for as long as you have Part D coverage.

The late enrollment penalty is added to your monthly premium. When you first enroll in *Tufts Medicare Preferred HMO GIC*, we let you know the amount of the penalty.

Your late enrollment penalty is considered part of your plan premium. If you or your current or former employer do not pay your late enrollment penalty, you could be disenrolled for failure to pay your plan premium.

<b>Section 9.2</b>	<b>How much is the Part D late enrollment penalty?</b>
--------------------	--

Medicare determines the amount of the penalty. Here is how it works:

- First count the number of full months that you delayed enrolling in a Medicare drug plan, after you were eligible to enroll. Or count the number of full months in which you did not have creditable prescription drug coverage, if the break in coverage was 63 days or more. The penalty is 1% for every month that you didn't have creditable coverage. For example, if you go 14 months without coverage, the penalty will be 14%.
- Then Medicare determines the amount of the average monthly premium for Medicare drug plans in the nation from the previous year. For 2016, this average premium amount is \$34.10.
- To calculate your monthly penalty, you multiply the penalty percentage and the average monthly premium and then round it to the nearest 10 cents. In the example here it would be 14% times \$34.10, which equals \$4.77. This rounds to \$4.80. This amount would be **added to the monthly premium for someone with a late enrollment penalty.**

There are three important things to note about this monthly late enrollment penalty:

- First, **the penalty may change each year**, because the average monthly premium can change each year. If the national average premium (as determined by Medicare) increases, your penalty will increase.
- Second, **you will continue to pay a penalty** every month for as long as you are enrolled in a plan that has Medicare Part D drug benefits.
- Third, if you are under 65 and currently receiving Medicare benefits, the late enrollment penalty will reset when you turn 65. After age 65, your late enrollment penalty will be based only on the months that you don't have coverage after your initial enrollment period for aging into Medicare.

<b>Section 9.3</b>	<b>In some situations, you can enroll late and not have to pay the penalty</b>
--------------------	--

Even if you have delayed enrolling in a plan offering Medicare Part D coverage when you were first eligible, sometimes you do not have to pay the late enrollment penalty.

**You will not have to pay a penalty for late enrollment if you are in any of these situations:**

- If you already have prescription drug coverage that is expected to pay, on average, at least as much as Medicare’s standard prescription drug coverage. Medicare calls this **“creditable drug coverage.”** Please note:
  - Creditable coverage could include drug coverage from a former employer or union, TRICARE, or the Department of Veterans Affairs. Your insurer or your human resources department will tell you each year if your drug coverage is creditable coverage. This information may be sent to you in a letter or included in a newsletter from the plan. Keep this information, because you may need it if you join a Medicare drug plan later.
    - Please note: If you receive a “certificate of creditable coverage” when your health coverage ends, it may not mean your prescription drug coverage was creditable. The notice must state that you had “creditable” prescription drug coverage that expected to pay as much as Medicare’s standard prescription drug plan pays.
  - The following are *not* creditable prescription drug coverage: prescription drug discount cards, free clinics, and drug discount websites.
  - For additional information about creditable coverage, please look in your *Medicare & You 2016 Handbook* or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.
- If you were without creditable coverage, but you were without it for less than 63 days in a row.
- If you are receiving “Extra Help” from Medicare.

<b>Section 9.4</b>	<b>What can you do if you disagree about your late enrollment penalty?</b>
--------------------	--

If you disagree about your late enrollment penalty, you or your representative can ask for a review of the decision about your late enrollment penalty. Generally, you must request this review **within 60 days** from the date on the letter you receive stating you have to pay a late enrollment penalty. Call Customer Relations to find out more about how to do this (phone numbers are printed on the back cover of this booklet).

**Important:** Do not stop paying your late enrollment penalty while you're waiting for a review of the decision about your late enrollment penalty. If you do, you could be disenrolled for failure to pay your plan premiums.

---

## **SECTION 10      Do you have to pay an extra Part D amount because of your income?**

---

<b>Section 10.1      Who pays an extra Part D amount because of income?</b>
---

Most people pay a standard monthly Part D premium. However, some people pay an extra amount because of their yearly income. If your income is \$85,000 or above for an individual (or married individuals filing separately) or \$170,000 or above for married couples, you must pay an extra amount directly to the government for your Medicare Part D coverage.

If you have to pay an extra amount, Social Security, not your Medicare plan, will send you a letter telling you what that extra amount will be and how to pay it. The extra amount will be withheld from your Social Security, Railroad Retirement Board, or Office of Personnel Management benefit check, no matter how you usually pay your plan premium, unless your monthly benefit isn't enough to cover the extra amount owed. If your benefit check isn't enough to cover the extra amount, you will get a bill from Medicare. **You must pay the extra amount to the government. It cannot be paid with your monthly plan premium.**

<b>Section 10.2      How much is the extra Part D amount?</b>
---

If your modified adjusted gross income (MAGI) as reported on your IRS tax return is above a certain amount, you will pay an extra amount in addition to your monthly plan premium.

The chart below shows the extra amount based on your income.

<b>If you filed an individual tax return and your income in 2014 was:</b>	<b>If you were married but filed a separate tax return and your income in 2014 was:</b>	<b>If you filed a joint tax return and your income in 2014 was:</b>	<b>This is the monthly cost of your extra Part D amount (to be paid in addition to your plan premium)</b>
Equal to or less than \$85,000	Equal to or less than \$85,000	Equal to or less than \$170,000	\$0
Greater than \$85,000 and less than or equal to \$107,000		Greater than \$107,000 and less than or equal to \$214,000	\$12.70
Greater than \$107,000 and less than or equal to \$160,000		Greater than \$214,000 and less than or equal to \$320,000	\$32.80
Greater than \$160,000 and less than or equal to \$214,000	Greater than \$85,000 and less than or equal to \$129,000	Greater than \$320,000 and less than or equal to \$428,000	\$52.80
Greater than \$214,000	Greater than \$129,000	Greater than \$428,000	\$72.90

**Section 10.3      What can you do if you disagree about paying an extra Part D amount?**

If you disagree about paying an extra amount because of your income, you can ask Social Security to review the decision. To find out more about how to do this, contact Social Security at 1-800-772-1213 (TTY 1-800-325-0778).

**Section 10.4      What happens if you do not pay the extra Part D amount?**

The extra amount is paid directly to the government (not your Medicare plan) for your Medicare Part D coverage. If you are required to pay the extra amount and you do not pay it, you will be disenrolled from the plan and lose prescription drug coverage.

## CHAPTER 7

*Asking us to pay our share of a bill  
you have received for covered  
medical services or drugs*

**Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs**

---

**Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs**

<b>SECTION 1</b>	<b>Situations in which you should ask us to pay our share of the cost of your covered services or drugs .....</b>	<b>143</b>
Section 1.1	If you pay our plan's share of the cost of your covered services or drugs, or if you receive a bill, you can ask us for payment.....	143
<b>SECTION 2</b>	<b>How to ask us to pay you back or to pay a bill you have received .....</b>	<b>145</b>
Section 2.1	How and where to send us your request for payment .....	145
<b>SECTION 3</b>	<b>We will consider your request for payment and say yes or no .....</b>	<b>146</b>
Section 3.1	We check to see whether we should cover the service or drug and how much we owe .....	146
Section 3.2	If we tell you that we will not pay for all or part of the medical care or drug, you can make an appeal .....	146
<b>SECTION 4</b>	<b>Other situations in which you should save your receipts and send copies to us .....</b>	<b>147</b>
Section 4.1	When you should send copies of your receipts to us to help us track your out-of-pocket drug costs .....	147

**Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs**

---

---

**SECTION 1 Situations in which you should ask us to pay our share of the cost of your covered services or drugs**

---

<b>Section 1.1</b>	<b>If you pay our plan's share of the cost of your covered services or drugs, or if you receive a bill, you can ask us for payment</b>
--------------------	--

Sometimes when you get medical care or a prescription drug, you may need to pay the full cost right away. Other times, you may find that you have paid more than you expected under the coverage rules of the plan. In either case, you can ask our plan to pay you back (paying you back is often called “reimbursing” you). It is your right to be paid back by our plan whenever you’ve paid more than your share of the cost for medical services or drugs that are covered by our plan.

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly.

Here are examples of situations in which you may need to ask our plan to pay you back or to pay a bill you have received:

**1. When you’ve received emergency or urgently needed medical care from a provider who is not in our plan’s network**

You can receive emergency services from any provider, whether or not the provider is a part of our network. When you receive emergency or urgently needed services from a provider who is not part of our network, you are only responsible for paying your share of the cost, not for the entire cost. You should ask the provider to bill the plan for our share of the cost.

- If you pay the entire amount yourself at the time you receive the care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- At times you may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.
  - If the provider is owed anything, we will pay the provider directly.
  - If you have already paid more than your share of the cost of the service, we will determine how much you owed and pay you back for our share of the cost.

**Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs**

---

**2. When a network provider sends you a bill you think you should not pay**

Network providers should always bill the plan directly, and ask you only for your share of the cost. But sometimes they make mistakes, and ask you to pay more than your share.

- You only have to pay your cost-sharing amount when you get services covered by our plan. We do not allow providers to add additional separate charges, called “balance billing.” This protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don’t pay certain provider charges. For more information about “balance billing,” go to Chapter 4, Section 1.3.
- Whenever you get a bill from a network provider that you think is more than you should pay, send us the bill. We will contact the provider directly and resolve the billing problem.
- If you have already paid a bill to a network provider, but you feel that you paid too much, send us the bill along with documentation of any payment you have made and ask us to pay you back the difference between the amount you paid and the amount you owed under the plan.

**3. If you are retroactively enrolled in our plan.**

Sometimes a person’s enrollment in the plan is retroactive. (Retroactive means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out-of-pocket for any of your covered services or drugs after your enrollment date, you can ask us to pay you back for our share of the costs. You will need to submit paperwork for us to handle the reimbursement.

Please call Customer Relations for additional information about how to ask us to pay you back and deadlines for making your request. (Phone numbers for Customer Relations are printed on the back cover of this booklet.)

**4. When you use an out-of-network pharmacy to get a prescription filled**

If you go to an out-of-network pharmacy and try to use your membership card to fill a prescription, the pharmacy may not be able to submit the claim directly to us. When that happens, you will have to pay the full cost of your prescription. (We cover prescriptions filled at out-of-network pharmacies only in a few special situations. Please go to Chapter 5, Section 2.5 to learn more.)

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost.

**Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs**

---

**5. When you pay the full cost for a prescription because you don't have your plan membership card with you**

If you do not have your plan membership card with you, you can ask the pharmacy to call the plan or to look up your plan enrollment information. However, if the pharmacy cannot get the enrollment information they need right away, you may need to pay the full cost of the prescription yourself.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost.

**6. When you pay the full cost for a prescription in other situations**

You may pay the full cost of the prescription because you find that the drug is not covered for some reason.

- For example, the drug may not be on the plan's *List of Covered Drugs (Formulary)*; or it could have a requirement or restriction that you didn't know about or don't think should apply to you. If you decide to get the drug immediately, you may need to pay the full cost for it.
- Save your receipt and send a copy to us when you ask us to pay you back. In some situations, we may need to get more information from your doctor in order to pay you back for our share of the cost.

All of the examples above are types of coverage decisions. This means that if we deny your request for payment, you can appeal our decision. Chapter 9 of this booklet (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*) has information about how to make an appeal.

---

**SECTION 2      How to ask us to pay you back or to pay a bill you have received**

---

<b>Section 2.1      How and where to send us your request for payment</b>
---

Send us your request for payment, along with your bill and documentation of any payment you have made. It's a good idea to make a copy of your bill and receipts for your records.

To make sure you are giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- You don't have to use the form, but it will help us process the information faster.
- Either download a copy of the form from our website ([www.tuftsmedicarepreferred.org/forms-documents](http://www.tuftsmedicarepreferred.org/forms-documents)) or call Customer Relations and ask for the form. (Phone numbers for Customer Relations are printed on the back cover of this booklet.)

**Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs**

---

Mail your request for payment together with any bills or receipts to us at this address:

Part D Prescription Payment Requests:

CVS Caremark, P.O. Box 52066, Phoenix, AZ 85072-2066

All other payment requests:

Tufts Health Plan Medicare Preferred, P.O. Box 9183, Watertown, MA 02471-9183

Contact Customer Relations if you have any questions (phone numbers are printed on the back cover of this booklet). If you don't know what you should have paid, or you receive bills and you don't know what to do about those bills, we can help. You can also call if you want to give us more information about a request for payment you have already sent to us.

---

**SECTION 3 We will consider your request for payment and say yes or no**

---

<b>Section 3.1</b>	<b>We check to see whether we should cover the service or drug and how much we owe</b>
--------------------	--

When we receive your request for payment, we will let you know if we need any additional information from you. Otherwise, we will consider your request and make a coverage decision.

- If we decide that the medical care or drug is covered and you followed all the rules for getting the care or drug, we will pay for our share of the cost. If you have already paid for the service or drug, we will mail your reimbursement of our share of the cost to you. If you have not paid for the service or drug yet, we will mail the payment directly to the provider. (Chapter 3 explains the rules you need to follow for getting your medical services covered. Chapter 5 explains the rules you need to follow for getting your Part D prescription drugs covered.)
- If we decide that the medical care or drug is *not* covered, or you did *not* follow all the rules, we will not pay for our share of the cost. Instead, we will send you a letter that explains the reasons why we are not sending the payment you have requested and your rights to appeal that decision.

<b>Section 3.2</b>	<b>If we tell you that we will not pay for all or part of the medical care or drug, you can make an appeal</b>
--------------------	--

If you think we have made a mistake in turning down your request for payment or you don't agree with the amount we are paying, you can make an appeal. If you make an appeal, it means you are asking us to change the decision we made when we turned down your request for payment.

**Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs**

---

For the details on how to make this appeal, go to Chapter 9 of this booklet (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*). The appeals process is a formal process with detailed procedures and important deadlines. If making an appeal is new to you, you will find it helpful to start by reading Section 4 of Chapter 9. Section 4 is an introductory section that explains the process for coverage decisions and appeals and gives definitions of terms such as “appeal.” Then after you have read Section 4, you can go to the section in Chapter 9 that tells what to do for your situation:

- If you want to make an appeal about getting paid back for a medical service, go to Section 5.3 in Chapter 9.
- If you want to make an appeal about getting paid back for a drug, go to Section 6.5 of Chapter 9.

---

**SECTION 4 Other situations in which you should save your receipts and send copies to us**

---

<b>Section 4.1</b>	<b>When you should send copies of your receipts to us to help us track your out-of-pocket drug costs</b>
--------------------	--

There are some situations when you should let us know about payments you have made for your drugs. In these cases, you are not asking us for payment. Instead, you are telling us about your payments so that we can calculate your out-of-pocket costs correctly. This may help you to qualify for the Catastrophic Coverage Stage more quickly.

Here is a situation when you should send us copies of receipts to let us know about payments you have made for your drugs:

**When you get a drug through a patient assistance program offered by a drug manufacturer**

Some members are enrolled in a patient assistance program offered by a drug manufacturer that is outside the plan benefits. If you get any drugs through a program offered by a drug manufacturer, you may pay a copayment to the patient assistance program.

- Save your receipt and send a copy to us so that we can have your out-of-pocket expenses count toward qualifying you for the Catastrophic Coverage Stage.
- **Please note:** Because you are getting your drug through the patient assistance program and not through the plan’s benefits, we will not pay for any share of these drug costs. But sending a copy of the receipt allows us to calculate your out-of-pocket costs correctly and may help you qualify for the Catastrophic Coverage Stage more quickly.

Since you are not asking for payment in the case described above, this situation is not considered a coverage decision. Therefore, you cannot make an appeal if you disagree with our decision.

# CHAPTER 8

*Your rights and responsibilities*

**Chapter 8. Your rights and responsibilities**

---

**Chapter 8. Your rights and responsibilities**

<b>SECTION 1</b>	<b>Our plan must honor your rights as a member of the plan .....</b>	<b>150</b>
Section 1.1	We must provide information in a way that works for you (in languages other than English) .....	150
Section 1.2	We must treat you with fairness, dignity, and respect at all times .....	151
Section 1.3	We must ensure that you get timely access to your covered services and drugs .....	151
Section 1.4	We must protect the privacy of your personal health information.....	151
Section 1.5	We must give you information about the plan, its network of providers, and your covered services .....	153
Section 1.6	We must support your right to make decisions about your care .....	154
Section 1.7	You have the right to make complaints and to ask us to reconsider decisions we have made .....	156
Section 1.8	What can you do if you believe you are being treated unfairly or your rights are not being respected? .....	156
Section 1.9	How to get more information about your rights.....	157

Section 3.1	Medical Management Program .....	161

---

## **SECTION 1      Our plan must honor your rights as a member of the plan**

---

<b>Section 1.1</b>	<b>We must provide information in a way that works for you (in languages other than English)</b>
--------------------	--

To get information from us in a way that works for you, please call Customer Relations (phone numbers are printed on the back cover of this booklet).

Our plan has people and free language interpreter services available to answer questions from non-English speaking members. We can also provide certain written materials in Spanish and large print if you need it. We can also give you information in Braille, in large print, or other alternate formats if you need it. If you are eligible for Medicare because of a disability, we are required to give you information about the plan's benefits that is accessible and appropriate for you. To get information from us in a way that works for you, please call Customer Relations (phone numbers are printed on the back cover of this booklet).

If you have any trouble getting information from our plan because of problems related to language or a disability, please call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and tell them that you want to file a complaint. TTY users call 1-877-486-2048.

<b>Sección 1.1</b>	<b>Debemos proporcionar información en una manera que sea adecuada para usted (en idiomas distintos al inglés)</b>
--------------------	--

Para obtener información de una manera que sea adecuada para usted, llame a atención al cliente (los números de teléfono están en la contraportada de este folleto).

Nuestro plan tiene personal y servicios gratuitos de interpretación disponibles para responder a las preguntas de los miembros que no hablan inglés. También, si lo necesita, podemos proporcionarle información en idiomas distintos al inglés. Si es elegible para Medicare debido a una discapacidad, estamos obligados a proporcionarle información sobre los beneficios del plan en una forma que sea accesible y apropiada para usted.

Si tiene problemas para obtener información de nuestro plan por problemas relacionados con el idioma o una discapacidad, llame a Medicare al 1-800-MEDICARE (1-800-633-4227), 24 horas al día, 7 días a la semana, y dígales que desea presentar una queja. Los usuarios de TTY deben llamar al 1-877-486-2048.

<b>Section 1.2</b>	<b>We must treat you with fairness dignity, and respect at all times</b>
--------------------	--

Our plan must obey laws that protect you from discrimination or unfair treatment. **We do not discriminate** based on a person's race, ethnicity, national origin, religion, gender, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area.

If you want more information or have concerns about discrimination or unfair treatment, please call the Department of Health and Human Services' **Office for Civil Rights** 1-800-368-1019 (TTY 1-800-537-7697) or your local Office for Civil Rights.

If you have a disability and need help with access to care, please call us at Customer Relations (phone numbers are printed on the back cover of this booklet). If you have a complaint, such as a problem with wheelchair access, Customer Relations can help.

<b>Section 1.3</b>	<b>We must ensure that you get timely access to your covered services and drugs</b>
--------------------	---

As a member of our plan, you have the right to choose a Primary Care Physician (PCP) in the plan's network to provide and arrange for your covered services (Chapter 3 explains more about this). Call Customer Relations to learn which doctors are accepting new patients (phone numbers are printed on the back cover of this booklet). You also have the right to go to a women's health specialist (such as a gynecologist) without a referral.

As a plan member, you have the right to get appointments and covered services from the plan's network of providers *within a reasonable amount of time*. This includes the right to get timely services from specialists when you need that care. You also have the right to get your prescriptions filled or refilled at any of our network pharmacies without long delays.

If you think that you are not getting your medical care or Part D drugs within a reasonable amount of time, Chapter 9, Section 10 of this booklet tells what you can do. (If we have denied coverage for your medical care or drugs and you don't agree with our decision, Chapter 9, Section 4 tells what you can do.)

<b>Section 1.4</b>	<b>We must protect the privacy of your personal health information</b>
--------------------	--

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your "personal health information" includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.

**Chapter 8. Your rights and responsibilities**

---

- The laws that protect your privacy give you rights related to getting information and controlling how your health information is used. We give you a written notice, called a “Notice of Privacy Practice,” that tells about these rights and explains how we protect the privacy of your health information.
- Our Notice of Privacy Practices was updated in August 2013. You can view a copy of the Notice on our website or, if you would like a copy sent to you, call Customer Relations (phone numbers are on the cover of this booklet).

**How do we protect the privacy of your health information?**

- We make sure that unauthorized people don’t see or change your records.
- In most situations, if we give your health information to anyone who isn’t providing your care or paying for your care, *we are required to get written permission from you first*. Written permission can be given by you or by someone you have given legal power to make decisions for you.
- There are certain exceptions that do not require us to get your written permission first. These exceptions are allowed or required by law.
  - For example, we are required to release health information to government agencies that are checking on quality of care.
  - Because you are a member of our plan through Medicare, we are required to give Medicare your health information including information about your Part D prescription drugs. If Medicare releases your information for research or other uses, this will be done according to Federal statutes and regulations.

**You can see the information in your records and know how it has been shared with others**

You have the right to look at your medical records held at the plan, and to get a copy of your records. We are allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we will work with your healthcare provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that are not routine.

If you have questions or concerns about the privacy of your personal health information, please call Customer Relations (phone numbers are printed on the back cover of this booklet).

<b>Section 1.5</b>	<b>We must give you information about the plan, its network of providers, and your covered services</b>
--------------------	---

As a member of *Tufts Medicare Preferred HMO GIC*, you have the right to get several kinds of information from us. (As explained above in Section 1.1, you have the right to get information from us in a way that works for you. This includes getting the information in languages other than English - certain materials are available in Spanish or large print.)

If you want any of the following kinds of information, please call Customer Relations (phone numbers are printed on the back cover of this booklet):

- **Information about our plan.** This includes, for example, information about the plan's financial condition. It also includes information about the number of appeals made by members and the plan's performance ratings, including how it has been rated by plan members and how it compares to other Medicare health plans.
- **Information about our network providers including our network pharmacies.**
  - For example, you have the right to get information from us about the qualifications of the providers and pharmacies in our network and how we pay the providers in our network.
  - For a list of the providers and pharmacies in the plan's network, see the *Provider Directory*.
  - For more detailed information about our providers or pharmacies, you can call Customer Relations (phone numbers are printed on the back cover of this booklet) or visit our website at [tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org).
- **Information about your coverage and the rules you must follow when using your coverage.**
  - In Chapters 3 and 4 of this booklet, we explain what medical services are covered for you, any restrictions to your coverage, and what rules you must follow to get your covered medical services.
  - To get the details on your Part D prescription drug coverage, see Chapters 5 and 6 of this booklet plus the plan's *List of Covered Drugs (Formulary)*. These chapters, together with the *List of Covered Drugs (Formulary)*, tell you what drugs are covered and explain the rules you must follow and the restrictions to your coverage for certain drugs.
  - If you have questions about the rules or restrictions, please call Customer Relations (phone numbers are printed on the back cover of this booklet).
- **Information about why something is not covered and what you can do about it.**
  - If a medical service or Part D drug is not covered for you, or if your coverage is restricted in some way, you can ask us for a written explanation. You have the right to this explanation even if you received the medical service or drug from an out-of-network provider or pharmacy.

- If you are not happy or if you disagree with a decision we make about what medical care or Part D drug is covered for you, you have the right to ask us to change the decision. You can ask us to change the decision by making an appeal. For details on what to do if something is not covered for you in the way you think it should be covered, see Chapter 9 of this booklet. It gives you the details about how to make an appeal if you want us to change our decision. (Chapter 9 also tells about how to make a complaint about quality of care, waiting times, and other concerns.)
- If you want to ask our plan to pay our share of a bill you have received for medical care or a Part D prescription drug, see Chapter 7 of this booklet.

<b>Section 1.6</b>	<b>We must support your right to make decisions about your care</b>
--------------------	---

**You have the right to know your treatment options and participate in decisions about your health care**

You have the right to get full information from your doctors and other health care providers when you go for medical care. Your providers must explain your medical condition and your treatment choices *in a way that you can understand*.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all of your choices.** This means that you have the right to be told about all of the treatment options that are recommended for your condition, no matter what they cost or whether they are covered by our plan. It also includes being told about programs our plan offers to help members manage their medications and use drugs safely.
- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- **The right to say “no.”** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. You also have the right to stop taking your medication. Of course, if you refuse treatment or stop taking medication, you accept full responsibility for what happens to your body as a result.
- **To receive an explanation if you are denied coverage for care.** You have the right to receive an explanation from us if a provider has denied care that you believe you should receive. To receive this explanation, you will need to ask us for a coverage decision. Chapter 9 of this booklet tells how to ask the plan for a coverage decision.

## **You have the right to give instructions about what is to be done if you are not able to make medical decisions for yourself**

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you are in this situation. This means that, *if you want to*, you can:

- Fill out a written form to give **someone the legal authority to make medical decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how you want them to handle your medical care if you become unable to make decisions for yourself.

The legal documents that you can use to give your directions in advance in these situations are called “**advance directives**.” There are different types of advance directives and different names for them. Documents called “**living will**” and “**power of attorney for health care**” are examples of advance directives.

If you want to use an “advance directive” to give your instructions, here is what to do:

- **Get the form.** If you want to have an advance directive, you can get a form from your lawyer, from a social worker, or from some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare.
- **Fill it out and sign it.** Regardless of where you get this form, keep in mind that it is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to appropriate people.** You should give a copy of the form to your doctor and to the person you name on the form as the one to make decisions for you if you can’t. You may want to give copies to close friends or family members as well. Be sure to keep a copy at home.

If you know ahead of time that you are going to be hospitalized, and you have signed an advance directive, **take a copy with you to the hospital.**

- If you are admitted to the hospital, they will ask you whether you have signed an advance directive form and whether you have it with you.
- If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

**Remember, it is your choice whether you want to fill out an advance directive** (including whether you want to sign one if you are in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you have signed an advance directive.

**Chapter 8. Your rights and responsibilities**

---

**What if your instructions are not followed?**

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with The Department of Public Health, Commissioner's Office, 250 Washington Street, Boston, MA 02110, 1-617-753-8000.

<b>Section 1.7</b>	<b>You have the right to make complaints and to ask us to reconsider decisions we have made</b>
--------------------	---

If you have any problems or concerns about your covered services or care, Chapter 9 of this booklet tells what you can do. It gives the details about how to deal with all types of problems and complaints. What you need to do to follow up on a problem or concern depends on the situation. You might need to ask our plan to make a coverage decision for you, make an appeal to us to change a coverage decision, or make a complaint. Whatever you do – ask for a coverage decision, make an appeal, or make a complaint – **we are required to treat you fairly.**

You have the right to get a summary of information about the appeals and complaints that other members have filed against our plan in the past. To get this information, please call Customer Relations (phone numbers are printed on the back cover of this booklet).

<b>Section 1.8</b>	<b>What can you do if you believe you are being treated unfairly or your rights are not being respected?</b>
--------------------	--

**If it is about discrimination, call the Office for Civil Rights**

If you believe you have been treated unfairly or your rights have not been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, or national origin, you should call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 or TTY 1-800-537-7697, or call your local Office for Civil Rights.

**Is it about something else?**

If you believe you have been treated unfairly or your rights have not been respected, *and it's not* about discrimination, you can get help dealing with the problem you are having:

- You can **call Customer Relations** (phone numbers are printed on the back cover of this booklet).
- You can **call the State Health Insurance Assistance Program**. For details about this organization and how to contact it, go to Chapter 2, Section 3.
- Or, **you can call Medicare** at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

<b>Section 1.9</b>	<b>How to get more information about your rights</b>
--------------------	--

There are several places where you can get more information about your rights:

- You can **call Customer Relations** (phone numbers are printed on the back cover of this booklet).
- You can **call the SHIP**. For details about this organization and how to contact it, go to Chapter 2, Section 3.
- You can contact **Medicare**.
  - You can visit the Medicare website to read or download the publication “Your Medicare Rights & Protections.” (The publication is available at: <http://www.medicare.gov/Pubs/pdf/11534.pdf>.)
  - Or, you can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

---

<b>SECTION 2</b>	<b>You have some responsibilities as a member of the plan</b>
------------------	---

---

<b>Section 2.1</b>	<b>What are your responsibilities?</b>
--------------------	--

Things you need to do as a member of the plan are listed below. If you have any questions, please call Customer Relations (phone numbers are printed on the back cover of this booklet). We’re here to help.

- **Get familiar with your covered services and the rules you must follow to get these covered services.** Use this *Evidence of Coverage* booklet to learn what is covered for you and the rules you need to follow to get your covered services.
  - Chapters 3 and 4 give the details about your medical services, including what is covered, what is not covered, rules to follow, and what you pay.
  - Chapters 5 and 6 give the details about your coverage for Part D prescription drugs.
- **If you have any information that Tufts Health Plan Medicare Preferred may need including other health insurance coverage or prescription drug coverage in addition to our plan, you are required to tell us.** Please call Customer Relations to let us know (phone numbers are printed on the back cover of this booklet).
  - We are required to follow rules set by Medicare to make sure that you are using all of your coverage in combination when you get your covered services from our plan. This is called “**coordination of benefits**” because it involves coordinating the health and drug benefits you get from our plan with any other health and

**Chapter 8. Your rights and responsibilities**

---

drug benefits available to you. We'll help you coordinate your benefits. (For more information about coordination of benefits, go to Chapter 1, Section 7.)

- **Tell your doctor and other health care providers that you are enrolled in our plan.** Show your plan membership card whenever you get your medical care or Part D prescription drugs.
- **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
  - To help your doctors and other health providers give you the best care, learn as much as you are able to about your health problems and give them the information they need about you and your health. Follow the treatment plans and instructions that you and your doctors agree upon.
  - Make sure your doctors know all of the drugs you are taking, including over-the-counter drugs, vitamins, and supplements.
  - If you have any questions, be sure to ask. Your doctors and other health care providers are supposed to explain things in a way you can understand. You have a responsibility to understand your health problems and participate in developing mutually agreed-upon treatment goals to the degree possible. If you ask a question and you don't understand the answer you are given, ask again.
- **Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor's office, hospitals, and other offices.
- **Pay what you owe.** As a plan member, you are responsible for these payments:
  - You or your current or former employer must pay your plan premiums to continue being a member of our plan.
  - In order to be eligible for our plan, you must have Medicare Part A and Medicare Part B. For that reason, some plan members must pay a premium for Medicare Part A and most plan members must pay a premium for Medicare Part B to remain a member of the plan.
  - For most of your medical services or drugs covered by the plan, you must pay your share of the cost when you get the service or drug. This will be a copayment (a fixed amount) or coinsurance (a percentage of the total cost). Chapter 4 tells what you must pay for your medical services. Chapter 6 tells what you must pay for your Part D prescription drugs.
  - If you get any medical services or drugs that are not covered by our plan or by other insurance you may have, you must pay the full cost.
    - If you disagree with our decision to deny coverage for a service or drug, you can make an appeal. Please see Chapter 9 of this booklet for information about how to make an appeal.
  - If you are required to pay a late enrollment penalty, you must pay the penalty to keep your prescription drug coverage.

**Chapter 8. Your rights and responsibilities**

---

- If you are required to pay the extra amount for Part D because of your yearly income, you must pay the extra amount directly to the government to remain a member of the plan.
- **Tell us if you move.** If you are going to move, it's important to tell us right away. Call Customer Relations (phone numbers are printed on the back cover of this booklet).
  - **If you move *outside* of our plan service area, you cannot remain a member of our plan.** (Chapter 1 tells about our service area.) We can help you figure out whether you are moving outside our service area. If you are leaving our service area, you will have a Special Enrollment Period when you can join any Medicare plan available in your new area. We can let you know if we have a plan in your new area.
  - **If you move *within* our service area, we still need to know** so we can keep your membership record up to date and know how to contact you.
  - If you move, it is also important to tell Social Security (or the Railroad Retirement Board). You can find phone numbers and contact information for these organizations in Chapter 2.
- **Call Customer Relations for help if you have questions or concerns.** We also welcome any suggestions you may have for improving our plan.
  - Phone numbers and calling hours for Customer Relations are printed on the back cover of this booklet.
  - For more information on how to reach us, including our mailing address, please see Chapter 2.

---

**SECTION 3      How We Help You Receive Quality Care**

---

<b>Section 3.1      Medical Management Program</b>
--

Our Medical Management (MM) Program helps arrange for members to receive quality healthcare in an appropriate treatment setting. MM refers to the process by which Tufts Health Plan Medicare Preferred or a health care provider authorizes coverage for health care procedures or treatments. Coverage decisions are based on medical necessity guidelines utilizing Medicare coverage guidelines and appropriateness of care, service, and setting.

You have the right to a candid discussion of appropriate or medically necessary treatment options, regardless of cost or benefit coverage.

Tufts Health Plan Medicare Preferred's Medical Management Program follows all Medicare Coverage Guidelines.

# CHAPTER 9

*What to do if you have a problem  
or complaint (coverage decisions,  
appeals, complaints)*

## **Chapter 9. What to do if you have a problem or complaint** **(coverage decisions, appeals, complaints)**

**MAKING COMPLAINTS ..... 211**

<b>SECTION 10</b>	<b>How to make a complaint about quality of care, waiting times, customer service, or other concerns ..... 211</b>
Section 10.1	What kinds of problems are handled by the complaint process? ..... 211
Section 10.2	The formal name for “making a complaint” is “filing a grievance” ..... 213
Section 10.3	Step-by-step: Making a complaint ..... 214
Section 10.4	You can also make complaints about quality of care to the Quality Improvement Organization..... 215
Section 10.5	You can also tell Medicare about your complaint..... 215

## BACKGROUND

---

### SECTION 1 Introduction

---

<b>Section 1.1</b>	<b>What to do if you have a problem or concern</b>
--------------------	--

This chapter explains two types of processes for handling problems and concerns:

- For some types of problems, you need to use the **process for coverage decisions and appeals**.
- For other types of problems, you need to use the **process for making complaints**.

Both of these processes have been approved by Medicare. To ensure fairness and prompt handling of your problems, each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

Which one do you use? That depends on the type of problem you are having. The guide in Section 3 will help you identify the right process to use.

<b>Section 1.2</b>	<b>What about the legal terms?</b>
--------------------	------------------------------------

There are technical legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people and can be hard to understand.

To keep things simple, this chapter explains the legal rules and procedures using simpler words in place of certain legal terms. For example, this chapter generally says “making a complaint” rather than “filing a grievance,” “coverage decision” rather than “organization determination,” or “coverage determination,” and “Independent Review Organization” instead of “Independent Review Entity.” It also uses abbreviations as little as possible.

However, it can be helpful – and sometimes quite important – for you to know the correct legal terms for the situation you are in. Knowing which terms to use will help you communicate more clearly and accurately when you are dealing with your problem and get the right help or information for your situation. To help you know which terms to use, we include legal terms when we give the details for handling specific types of situations.

---

## **SECTION 2      You can get help from government organizations that are not connected with us**

---

<b>Section 2.1      Where to get more information and personalized assistance</b>
---

Sometimes it can be confusing to start or follow through the process for dealing with a problem. This can be especially true if you do not feel well or have limited energy. Other times, you may not have the knowledge you need to take the next step.

### **Get help from an independent government organization**

We are always available to help you. But in some situations you may also want help or guidance from someone who is not connected with us. You can always contact your **State Health Insurance Assistance Program (SHIP)**. This government program has trained counselors in every state. The program is not connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you are having. They can also answer your questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. You will find phone numbers in Chapter 2, Section 3 of this booklet.

### **You can also get help and information from Medicare**

For more information and help in handling a problem, you can also contact Medicare. Here are two ways to get information directly from Medicare:

- You can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- You can visit the Medicare website (<http://www.medicare.gov>).

---

## **SECTION 3      To deal with your problem, which process should you use?**

---

<b>Section 3.1      Should you use the process for coverage decisions and appeals? Or should you use the process for making complaints?</b>
---

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The guide that follows will help.

---

To figure out which part of this chapter will help with your specific problem or concern,  
**START HERE**

**Is your problem or concern about your benefits or coverage?**

(This includes problems about whether particular medical care or prescription drugs are covered or not, the way in which they are covered, and problems related to payment for medical care or prescription drugs.)

**Yes.** My problem is about benefits or coverage.

Go on to the next section of this chapter, **Section 4, “A guide to the basics of coverage decisions and appeals.”**

**No.** My problem is not about benefits or coverage.

Skip ahead to **Section 10** at the end of this chapter: **“How to make a complaint about quality of care, waiting times, customer service or other concerns.”**

---

## **COVERAGE DECISIONS AND APPEALS**

---

### **SECTION 4      A guide to the basics of coverage decisions and appeals**

---

<b>Section 4.1</b>	<b>Asking for coverage decisions and making appeals: the big picture</b>
--------------------	--

The process for coverage decisions and appeals deals with problems related to your benefits and coverage for medical services and prescription drugs, including problems related to payment. This is the process you use for issues such as whether something is covered or not and the way in which something is covered.

#### **Asking for coverage decisions**

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your medical services or drugs. For example, your plan network doctor makes a (favorable) coverage decision for you whenever you receive medical care from him or her or if your network doctor refers you to a medical specialist. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we will cover a particular

**Chapter 9. What to do if you have a problem or complaint  
(coverage decisions, appeals, complaints)**

---

medical service or refuses to provide medical care you think that you need. In other words, if you want to know if we will cover a medical service before you receive it, you can ask us to make a coverage decision for you.

We are making a coverage decision for you whenever we decide what is covered for you and how much we pay. In some cases we might decide a service or drug is not covered or is no longer covered by Medicare for you. If you disagree with this coverage decision, you can make an appeal.

**Making an appeal**

If we make a coverage decision and you are not satisfied with this decision, you can “appeal” the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check to see if we were following all of the rules properly. Your appeal is handled by different reviewers than those who made the original unfavorable decision. When we have completed the review we give you our decision. Under certain circumstances, which we discuss later, you can request an expedited or “fast coverage decision” or fast appeal of a coverage decision.

If we say no to all or part of your Level 1 Appeal, you can go on to a Level 2 Appeal. The Level 2 Appeal is conducted by an independent organization that is not connected to us. (In some situations, your case will be automatically sent to the independent organization for a Level 2 Appeal. If this happens, we will let you know. In other situations, you will need to ask for a Level 2 Appeal.) If you are not satisfied with the decision at the Level 2 Appeal, you may be able to continue through additional levels of appeal.

**Section 4.2      How to get help when you are asking for a coverage decision  
or making an appeal**

Would you like some help? Here are resources you may wish to use if you decide to ask for any kind of coverage decision or appeal a decision:

- **You can call us at Customer Relations** (phone numbers are printed on the back cover of this booklet).
- **To get free help from an independent organization** that is not connected with our plan, contact your State Health Insurance Assistance Program (see Section 2 of this chapter).
- **Your doctor can make a request for you.**
  - For medical care, your doctor can request a coverage decision or a Level 1 Appeal on your behalf. If your appeal is denied at Level 1, it will be automatically

forwarded to Level 2. To request any appeal after Level 2, your doctor must be appointed as your representative.

- For Part D prescription drugs, your doctor or other prescriber can request a coverage decision or a Level 1 or Level 2 Appeal on your behalf. To request any appeal after Level 2, your doctor or other prescriber must be appointed as your representative.
- **You can ask someone to act on your behalf.** If you want to, you can name another person to act for you as your “representative” to ask for a coverage decision or make an appeal.
  - There may be someone who is already legally authorized to act as your representative under State law.
  - If you want a friend, relative, your doctor or other provider, or other person to be your representative, call Customer Relations (phone numbers are printed on the back cover of this booklet) and ask for the “Appointment of Representative” form. (The form is also available on Medicare’s website at <http://www.cms.hhs.gov/cmsforms/downloads/cms1696.pdf> or on our website at [tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org).) The form gives that person permission to act on your behalf. It must be signed by you and by the person who you would like to act on your behalf. You must give us a copy of the signed form.
- **You also have the right to hire a lawyer to act for you.** You may contact your own lawyer, or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify. However, **you are not required to hire a lawyer** to ask for any kind of coverage decision or appeal a decision.

<b>Section 4.3</b>	<b>Which section of this chapter gives the details for your situation?</b>
--------------------	--

There are four different types of situations that involve coverage decisions and appeals. Since each situation has different rules and deadlines, we give the details for each one in a separate section:

- **Section 5** of this chapter: “Your medical care: How to ask for a coverage decision or make an appeal”
- **Section 6** of this chapter: “Your Part D prescription drugs: How to ask for a coverage decision or make an appeal”
- **Section 7** of this chapter: “How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon”
- **Section 8** of this chapter: “How to ask us to keep covering certain medical services if you think your coverage is ending too soon” (*Applies to these services only: home*

health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services)

If you're not sure which section you should be using, please call Customer Relations (phone numbers are printed on the back cover of this booklet). You can also get help or information from government organizations such as your SHIP (Chapter 2, Section 3, of this booklet has the phone numbers for this program).

---

## **SECTION 5      Your medical care: How to ask for a coverage decision or make an appeal**

---

Have you read Section 4 of this chapter (*A guide to “the basics” of coverage decisions and appeals*)? If not, you may want to read it before you start this section.

<b>Section 5.1</b>	<b>This section tells what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care</b>
--------------------	--

This section is about your benefits for medical care and services. These benefits are described in Chapter 4 of this booklet: *Medical Benefits Chart (what is covered and what you pay)*. To keep things simple, we generally refer to “medical care coverage” or “medical care” in the rest of this section, instead of repeating “medical care or treatment or services” every time.

This section tells what you can do if you are in any of the five following situations:

1. You are not getting certain medical care you want, and you believe that this care is covered by our plan.
2. Our plan will not approve the medical care your doctor or other medical provider wants to give you, and you believe that this care is covered by the plan.
3. You have received medical care or services that you believe should be covered by the plan, but we have said we will not pay for this care.
4. You have received and paid for medical care or services that you believe should be covered by the plan, and you want to ask our plan to reimburse you for this care.
5. You are being told that coverage for certain medical care you have been getting that we previously approved will be reduced or stopped, and you believe that reducing or stopping this care could harm your health.
  - **NOTE: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services,** you need to read a separate section of this chapter because special rules apply to these types of care. Here's what to read in those situations:

## Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- Chapter 9, Section 7: *How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon.*
- Chapter 9, Section 8: *How to ask us to keep covering certain medical services if you think your coverage is ending too soon.* This section is about three services only: home health care, skilled nursing facility care, and CORF services.
- For *all other* situations that involve being told that medical care you have been getting will be stopped, use this section (Section 5) as your guide for what to do.

### Which of these situations are you in?

If you are in this situation:	This is what you can do:
Do you want to find out whether we will cover the medical care or services you want?	You can ask us to make a coverage decision for you. Go to the next section of this chapter, <b>Section 5.2</b> .
Have we already told you that we will not cover or pay for a medical service in the way that you want it to be covered or paid for?	You can make an <b>appeal</b> . (This means you are asking us to reconsider.) Skip ahead to <b>Section 5.3</b> of this chapter.
Do you want to ask us to pay you back for medical care or services you have already received and paid for?	You can send us the bill. Skip ahead to <b>Section 5.5</b> of this chapter.

<b>Section 5.2</b>	<b>Step-by-step: How to ask for a coverage decision (how to ask our plan to authorize or provide the medical care coverage you want)</b>
--------------------	--

#### Legal Terms

When a coverage decision involves your medical care, it is called an “**organization determination**.”

**Step 1:** You ask our plan to make a coverage decision on the medical care you are requesting. If your health requires a quick response, you should ask us to make a “fast coverage decision.”

Legal Terms
A “fast coverage decision” is called an “expedited determination.”

***How to request coverage for the medical care you want***

- Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this.
- For the details on how to contact us, go to Chapter 2, Section 1 and look for the section called, *How to contact us when you are asking for a coverage decision about your medical care.*

***Generally we use the standard deadlines for giving you our decision***

When we give you our decision, we will use the “standard” deadlines unless we have agreed to use the “fast” deadlines. **A standard coverage decision means we will give you an answer within 14 calendar days** after we receive your request.

- **However, we can take up to 14 more calendar days** if you ask for more time, or if we need information (such as medical records from out-of-network providers) that may benefit you. If we decide to take extra days to make the decision, we will tell you in writing.
- If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (The process for making a complaint is different from the process for coverage decisions and appeals. For more information about the process for making complaints, including fast complaints, see Section 10 of this chapter.)

***If your health requires it, ask us to give you a “fast coverage decision”***

- **A fast coverage decision means we will answer within 72 hours.**
  - **However, we can take up to 14 more calendar days** if we find that some information that may benefit you is missing (such as medical records from out-of-network providers), or if you need time to get information to us for the review. If we decide to take extra days, we will tell you in writing.

**Chapter 9. What to do if you have a problem or complaint  
(coverage decisions, appeals, complaints)**

---

- If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. (For more information about the process for making complaints, including fast complaints, see Section 10 of this chapter.) We will call you as soon as we make the decision.
- **To get a fast coverage decision, you must meet two requirements:**
  - You can get a fast coverage decision *only* if you are asking for coverage for medical care *you have not yet received*. (You cannot get a fast coverage decision if your request is about payment for medical care you have already received.)
  - You can get a fast coverage decision *only* if using the standard deadlines could *cause serious harm to your health or hurt your ability to function*.
- **If your doctor tells us that your health requires a “fast coverage decision,” we will automatically agree to give you a fast coverage decision.**
- If you ask for a fast coverage decision on your own, without your doctor’s support, we will decide whether your health requires that we give you a fast coverage decision.
  - If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will send you a letter that says so (and we will use the standard deadlines instead).
  - This letter will tell you that if your doctor asks for the fast coverage decision, we will automatically give a fast coverage decision.
  - The letter will also tell how you can file a “fast complaint” about our decision to give you a standard coverage decision instead of the fast coverage decision you requested. (For more information about the process for making complaints, including fast complaints, see Section 10 of this chapter.)

**Step 2: We consider your request for medical care coverage and give you our answer.*****Deadlines for a “fast coverage decision”***

- Generally, for a fast coverage decision, we will give you our answer **within 72 hours**.
  - As explained above, we can take up to 14 more calendar days under certain circumstances. If we decide to take extra days to make the coverage decision, we will tell you in writing.
  - If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, see Section 10 of this chapter.)

- If we do not give you our answer within 72 hours (or if there is an extended time period, by the end of that period), you have the right to appeal. Section 5.3 below tells how to make an appeal.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the medical care coverage we have agreed to provide within 72 hours after we received your request. If we extended the time needed to make our coverage decision, we will authorize or provide the coverage by the end of that extended period.
- **If our answer is no to part or all of what you requested**, we will send you a detailed written explanation as to why we said no.

*Deadlines for a “standard coverage decision”*

- Generally, for a standard coverage decision, we will give you our answer **within 14 calendar days of receiving your request**.
  - We can take up to 14 more calendar days (“an extended time period”) under certain circumstances. If we decide to take extra days to make the coverage decision, we will tell you in writing.
  - If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, see Section 10 of this chapter.)
  - If we do not give you our answer within 14 calendar days (or if there is an extended time period, by the end of that period), you have the right to appeal. Section 5.3 below tells how to make an appeal.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide within 14 calendar days after we received your request. If we extended the time needed to make our coverage decision, we will authorize or provide the coverage by the end of that extended period.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no.

**Step 3: If we say no to your request for coverage for medical care, you decide if you want to make an appeal.**

- If we say no, you have the right to ask us to reconsider – and perhaps change – this decision by making an appeal. Making an appeal means making another try to get the medical care coverage you want.
- If you decide to make an appeal, it means you are going on to Level 1 of the appeals process (see Section 5.3 below).

<b>Section 5.3</b>	<b>Step-by-step: How to make a Level 1 Appeal</b> <b>(how to ask for a review of a medical care coverage decision made by our plan)</b>
--------------------	--

<b>Legal Terms</b>
--------------------

An appeal to the plan about a medical care coverage decision is called a plan “reconsideration.”
--

**Step 1: You contact us and make your appeal.** If your health requires a quick response, you must ask for a “fast appeal.”

*What to do*

- **To start an appeal you, your doctor, or your representative, must contact us.** For details on how to reach us for any purpose related to your appeal, go to Chapter 2, Section 1 and look for section called, *How to contact us when you are making an appeal about your medical care.*
- **If you are asking for a standard appeal, make your standard appeal in writing by submitting a request.**
  - If you have someone appealing our decision for you other than your doctor, your appeal must include an Appointment of Representative form authorizing this person to represent you. (To get the form, call Customer Relations (phone numbers are printed on the back cover of this booklet) and ask for the “Appointment of Representative” form. It is also available on Medicare’s website at <http://www.cms.hhs.gov/cmsforms/downloads/cms1696.pdf> or on our website at [tuftsmedicarepreferred.org](http://tuftsmedicarepreferred.org). While we can accept an appeal request without the form, we cannot begin or complete our review until we receive it. If we do not receive the form within 44 calendar days after receiving your appeal request (our deadline for making a decision on your appeal), your appeal request will be dismissed. If this happens, we will send you a written notice explaining your right to ask the Independent Review Organization to review our decision.
- **If you are asking for a fast appeal, make your appeal in writing or call us** at the phone number shown in Chapter 2, Section 1 (*How to contact us when you are making an appeal about your medical care*).
- **You must make your appeal request within 60 calendar days** from the date on the written notice we sent to tell you our answer to your request for a coverage decision. If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good cause for missing the

deadline may include if you had a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.

- **You can ask for a copy of the information regarding your medical decision and add more information to support your appeal.**
  - You have the right to ask us for a copy of the information regarding your appeal.
  - If you wish, you and your doctor may give us additional information to support your appeal.

Legal Terms
A “fast appeal” is also called an “expedited reconsideration.”

*If your health requires it, ask for a “fast appeal” (you can make a request by calling us)*

- If you are appealing a decision we made about coverage for care you have not yet received, you and/or your doctor will need to decide if you need a “fast appeal.”
- The requirements and procedures for getting a “fast appeal” are the same as those for getting a “fast coverage decision.” To ask for a fast appeal, follow the instructions for asking for a fast coverage decision. (These instructions are given earlier in this section.)
- If your doctor tells us that your health requires a “fast appeal,” we will give you a fast appeal.

**Step 2: We consider your appeal and we give you our answer.**

- When our plan is reviewing your appeal, we take another careful look at all of the information about your request for coverage of medical care. We check to see if we were following all the rules when we said no to your request.
- We will gather more information if we need it. We may contact you or your doctor to get more information.

***Deadlines for a “fast appeal”***

- When we are using the fast deadlines, we must give you our answer **within 72 hours after we receive your appeal**. We will give you our answer sooner if your health requires us to do so.
  - However, if you ask for more time, or if we need to gather more information that may benefit you, we **can take up to 14 more calendar days**. If we decide to take extra days to make the decision, we will tell you in writing.

**Chapter 9. What to do if you have a problem or complaint  
(coverage decisions, appeals, complaints)**

---

- If we do not give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we are required to automatically send your request on to Level 2 of the appeals process, where it will be reviewed by an independent organization. Later in this section, we tell you about this organization and explain what happens at Level 2 of the appeals process.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide within 72 hours after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you a written denial notice informing you that we have automatically sent your appeal to the Independent Review Organization for a Level 2 Appeal.

***Deadlines for a “standard appeal”***

- If we are using the standard deadlines, we must give you our answer **within 30 calendar days** after we receive your appeal if your appeal is about coverage for services you have not yet received. We will give you our decision sooner if your health condition requires us to.
  - However, if you ask for more time, or if we need to gather more information that may benefit you, **we can take up to 14 more calendar days**.
  - If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, see Section 10 of this chapter.)
  - If we do not give you an answer by the deadline above (or by the end of the extended time period if we took extra days), we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent outside organization. Later in this section, we talk about this review organization and explain what happens at Level 2 of the appeals process.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide within 30 calendar days after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you a written denial notice informing you that we have automatically sent your appeal to the Independent Review Organization for a Level 2 Appeal.

**Step 3: If our plan says no to part or all of your appeal, your case will *automatically* be sent on to the next level of the appeals process.**

- To make sure we were following all the rules when we said no to your appeal, **we are required to send your appeal to the “Independent Review Organization.”** When

we do this, it means that your appeal is going on to the next level of the appeals process, which is Level 2.

<b>Section 5.4</b>	<b>Step-by-step: How a Level 2 Appeal is done</b>
--------------------	---

If we say no to your Level 1 Appeal, your case will *automatically* be sent on to the next level of the appeals process. During the Level 2 Appeal, the **Independent Review Organization** reviews our decision for your first appeal. This organization decides whether the decision we made should be changed.

Legal Terms
The formal name for the “Independent Review Organization” is the “ <b>Independent Review Entity.</b> ” It is sometimes called the “IRE.”

**Step 1: The Independent Review Organization reviews your appeal.**

- **The Independent Review Organization is an independent organization that is hired by Medicare.** This organization is not connected with us and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the Independent Review Organization. Medicare oversees its work.
- We will send the information about your appeal to this organization. This information is called your “case file.” **You have the right to ask us for a copy of your case file.**
- You have a right to give the Independent Review Organization additional information to support your appeal.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal.

***If you had a “fast appeal” at Level 1, you will also have a “fast appeal” at Level 2***

- If you had a fast appeal to our plan at Level 1, you will automatically receive a fast appeal at Level 2. The review organization must give you an answer to your Level 2 Appeal **within 72 hours** of when it receives your appeal.
- However, if the Independent Review Organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days.**

***If you had a “standard appeal” at Level 1, you will also have a “standard appeal” at Level 2***

- If you had a standard appeal to our plan at Level 1, you will automatically receive a standard appeal at Level 2. The review organization must give you an answer to your Level 2 Appeal **within 30 calendar days** of when it receives your appeal.

- However, if the Independent Review Organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days.**

**Step 2: The Independent Review Organization gives you their answer.**

The Independent Review Organization will tell you its decision in writing and explain the reasons for it.

- **If the review organization says yes to part or all of what you requested,** we must authorize the medical care coverage within 72 hours or provide the service within 14 calendar days after we receive the decision from the review organization.
- **If this organization says no to part or all of your appeal,** it means they agree with us that your request (or part of your request) for coverage for medical care should not be approved. (This is called “upholding the decision.” It is also called “turning down your appeal.”)
  - If the Independent Review Organization “upholds the decision” you have the right to a Level 3 appeal. However, to make another appeal at Level 3, the dollar value of the medical care coverage you are requesting must meet a certain minimum. If the dollar value of the coverage you are requesting is too low, you cannot make another appeal, which means that the decision at Level 2 is final. The written notice you get from the Independent Review Organization will tell you how to find out the dollar amount to continue the appeals process.

**Step 3: If your case meets the requirements, you choose whether you want to take your appeal further.**

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal).
- If your Level 2 Appeal is turned down and you meet the requirements to continue with the appeals process, you must decide whether you want to go on to Level 3 and make a third appeal. The details on how to do this are in the written notice you got after your Level 2 Appeal.
- The Level 3 Appeal is handled by an administrative law judge. Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

<b>Section 5.5</b>	<b>What if you are asking us to pay you for our share of a bill you have received for medical care?</b>
--------------------	---

If you want to ask us for payment for medical care, start by reading Chapter 7 of this booklet: *Asking us to pay our share of a bill you have received for covered medical services or drugs.* Chapter 7 describes the situations in which you may need to ask for reimbursement or to pay a bill you have received from a provider. It also tells how to send us the paperwork that asks us for payment.

## **Asking for reimbursement is asking for a coverage decision from us**

If you send us the paperwork that asks for reimbursement, you are asking us to make a coverage decision (for more information about coverage decisions, see Section 4.1 of this chapter). To make this coverage decision, we will check to see if the medical care you paid for is a covered service (see Chapter 4: *Medical Benefits Chart (what is covered and what you pay)*). We will also check to see if you followed all the rules for using your coverage for medical care (these rules are given in Chapter 3 of this booklet: *Using the plan's coverage for your medical services*).

## **We will say yes or no to your request**

- If the medical care you paid for is covered and you followed all the rules, we will send you the payment for our share of the cost of your medical care within 60 calendar days after we receive your request. Or, if you haven't paid for the services, we will send the payment directly to the provider. When we send the payment, it's the same as saying *yes* to your request for a coverage decision.)
- If the medical care is *not* covered, or you did *not* follow all the rules, we will not send payment. Instead, we will send you a letter that says we will not pay for the services and the reasons why in detail. (When we turn down your request for payment, it's the same as saying *no* to your request for a coverage decision.)

## **What if you ask for payment and we say that we will not pay?**

If you do not agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you are asking us to change the coverage decision we made when we turned down your request for payment.

**To make this appeal, follow the process for appeals that we describe in part 5.3 of this section.** Go to this part for step-by-step instructions. When you are following these instructions, please note:

- If you make an appeal for reimbursement, we must give you our answer within 60 calendar days after we receive your appeal. (If you are asking us to pay you back for medical care you have already received and paid for yourself, you are not allowed to ask for a fast appeal.)
- If the Independent Review Organization reverses our decision to deny payment, we must send the payment you have requested to you or to the provider within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you requested to you or to the provider within 60 calendar days.

---

## **SECTION 6      Your Part D prescription drugs: How to ask for a coverage decision or make an appeal**

---

Have you read Section 4 of this chapter (*A guide to “the basics” of coverage decisions and appeals*)? If not, you may want to read it before you start this section.

<b>Section 6.1</b>	<b>This section tells you what to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug</b>
--------------------	--

Your benefits as a member of our plan include coverage for many prescription drugs. Please refer to our plan’s *List of Covered Drugs (Formulary)*. To be covered, the drug must be used for a medically accepted indication. (A “medically accepted indication” is a use of the drug that is either approved by the Food and Drug Administration or supported by certain reference books. See Chapter 5, Section 3 for more information about a medically accepted indication.)

- **This section is about your Part D drugs only.** To keep things simple, we generally say “drug” in the rest of this section, instead of repeating “covered outpatient prescription drug” or “Part D drug” every time.
- For details about what we mean by Part D drugs, the *List of Covered Drugs (Formulary)*, rules and restrictions on coverage, and cost information, see Chapter 5 (*Using our plan’s coverage for your Part D prescription drugs*) and Chapter 6 (*What you pay for your Part D prescription drugs*).

### **Part D coverage decisions and appeals**

As discussed in Section 4 of this chapter, a coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your drugs.

<b>Legal Terms</b>
An initial coverage decision about your Part D drugs is called a <b>“coverage determination.”</b>

Here are examples of coverage decisions you ask us to make about your Part D drugs:

- You ask us to make an exception, including:
  - Asking us to cover a Part D drug that is not on the plan’s *List of Covered Drugs (Formulary)*
  - Asking us to waive a restriction on the plan’s coverage for a drug (such as limits on the amount of the drug you can get)

## Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- Asking to pay a lower cost-sharing amount for a covered non-preferred drug
- You ask us whether a drug is covered for you and whether you satisfy any applicable coverage rules. (For example, when your drug is on the plan's *List of Covered Drugs (Formulary)* but we require you to get approval from us before we will cover it for you.)
  - *Please note:* If your pharmacy tells you that your prescription cannot be filled as written, you will get a written notice explaining how to contact us to ask for a coverage decision.
- You ask us to pay for a prescription drug you already bought. This is a request for a coverage decision about payment.

If you disagree with a coverage decision we have made, you can appeal our decision.

This section tells you both how to ask for coverage decisions and how to request an appeal. Use the chart below to help you determine which part has information for your situation:

### Which of these situations are you in?

Do you need a drug that isn't on our Drug List or need us to waive a rule or restriction on a drug we cover?	Do you want us to cover a drug on our Drug List and you believe you meet any plan rules or restrictions (such as getting approval in advance) for the drug you need?	Do you want to ask us to pay you back for a drug you have already received and paid for?	Have we already told you that we will not cover or pay for a drug in the way that you want it to be covered or paid for?
You can ask us to make an exception. (This is a type of coverage decision.) Start with <b>Section 6.2</b> of this chapter.	You can ask us for a coverage decision. Skip ahead to <b>Section 6.4</b> of this chapter.	You can ask us to pay you back. (This is a type of coverage decision.) Skip ahead to <b>Section 6.4</b> of this chapter.	You can make an appeal. (This means you are asking us to reconsider.) Skip ahead to <b>Section 6.5</b> of this chapter.

<b>Section 6.2</b>	<b>What is an exception?</b>
--------------------	------------------------------

If a drug is not covered in the way you would like it to be covered, you can ask us to make an “exception.” An exception is a type of coverage decision. Similar to other types of coverage decisions, if we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber will need to explain the medical reasons why you need the exception approved. We will then consider your request. Here are three examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. **Covering a Part D drug for you that is not on our *List of Covered Drugs (Formulary)*.** (We call it the “Drug List” for short.)

<b>Legal Terms</b>
--------------------

Asking for coverage of a drug that is not on the Drug List is sometimes called asking for a <b>“formulary exception.”</b>
---

- If we agree to make an exception and cover a drug that is not on the Drug List, you will need to pay the cost-sharing amount that applies to drugs in Tier 3 for brand name drugs or Tier 2 for generic drugs. You cannot ask for an exception to the copayment or coinsurance amount we require you to pay for the drug.

2. **Removing a restriction on our coverage for a covered drug.** There are extra rules or restrictions that apply to certain drugs on our *List of Covered Drugs (Formulary)* (for more information, go to Chapter 5 and look for Section 4).

<b>Legal Terms</b>
--------------------

Asking for removal of a restriction on coverage for a drug is sometimes called asking for a <b>“formulary exception.”</b>
---

- The extra rules and restrictions on coverage for certain drugs include:
  - *Being required to use the generic version* of a drug instead of the brand name drug.
  - *Getting plan approval in advance* before we will agree to cover the drug for you. (This is sometimes called “prior authorization.”)
  - *Being required to try a different drug first* before we will agree to cover the drug you are asking for. (This is sometimes called “step therapy.”)
  - *Quantity limits.* For some drugs, there are restrictions on the amount of the drug you can have.

- If we agree to make an exception and waive a restriction for you, you can ask for an exception to the copayment or coinsurance amount we require you to pay for the drug.

**3. Changing coverage of a drug to a lower cost-sharing tier.** Every drug on our Drug List is in one of 3 cost-sharing tiers. In general, the lower the cost-sharing tier number, the less you will pay as your share of the cost of the drug.

Legal Terms
Asking to pay a lower price for a covered non-preferred drug is sometimes called asking for a “ <b>tiering exception.</b> ”

- If your drug is in Tier 3 you can ask us to cover it at the cost-sharing amount that applies to drugs in Tier 2. This would lower your share of the cost for the drug.
- If your drug is in Tier 2 you can ask us to cover it at the cost-sharing amount that applies to drugs in Tier 1. This would lower your share of the cost for the drug.

<b>Section 6.3</b>	<b>Important things to know about asking for exceptions</b>
--------------------	---

**Your doctor must tell us the medical reasons**

Your doctor or other prescriber must give us a statement that explains the medical reasons for requesting an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Typically, our Drug List includes more than one drug for treating a particular condition. These different possibilities are called “alternative” drugs. If an alternative drug would be just as effective as the drug you are requesting and would not cause more side effects or other health problems, we will generally *not* approve your request for an exception.

**We can say yes or no to your request**

- If we approve your request for an exception, our approval usually is valid until the end of the plan year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say no to your request for an exception, you can ask for a review of our decision by making an appeal. Section 6.5 tells how to make an appeal if we say no.

The next section tells you how to ask for a coverage decision, including an exception.

<b>Section 6.4</b>	<b>Step-by-step: How to ask for a coverage decision, including an exception</b>
--------------------	---

**Step 1:** You ask us to make a coverage decision about the drug(s) or payment you need. If your health requires a quick response, you must ask us to make a “fast coverage decision.” You cannot ask for a fast coverage decision if you are asking us to pay you back for a drug you already bought.

*What to do*

- **Request the type of coverage decision you want.** Start by calling, writing, or faxing us to make your request. You, your representative, or your doctor (or other prescriber) can do this. You can also access the coverage decision process through our website. For the details, go to Chapter 2, Section 1 and look for the section called, *How to contact us when you are asking for a coverage decision about your Part D prescription drugs*. Or if you are asking us to pay you back for a drug, go to the section called, *Where to send a request that asks us to pay for our share of the cost for medical care or a drug you have received*.
- **You or your doctor or someone else who is acting on your behalf** can ask for a coverage decision. Section 4 of this chapter tells how you can give written permission to someone else to act as your representative. You can also have a lawyer act on your behalf.
- **If you want to ask us to pay you back for a drug**, start by reading Chapter 7 of this booklet: *Asking us to pay our share of a bill you have received for covered medical services or drugs*. Chapter 7 describes the situations in which you may need to ask for reimbursement. It also tells how to send us the paperwork that asks us to pay you back for our share of the cost of a drug you have paid for.
- **If you are requesting an exception, provide the “supporting statement.”** Your doctor or other prescriber must give us the medical reasons for the drug exception you are requesting. (We call this the “supporting statement.”) Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone and follow up by faxing or mailing a written statement if necessary. See Sections 6.2 and 6.3 for more information about exception requests.

- **We must accept any written request**, including a request submitted on the CMS Model Coverage Determination Request Form or on our plan’s form, which is available on our website.

Legal Terms
A “fast coverage decision” is called an “expedited coverage determination.”

***If your health requires it, ask us to give you a “fast coverage decision”***

- When we give you our decision, we will use the “standard” deadlines unless we have agreed to use the “fast” deadlines. A standard coverage decision means we will give you an answer within 72 hours after we receive your doctor’s statement. A fast coverage decision means we will answer within 24 hours after we receive your doctor’s statement.
- **To get a fast coverage decision, you must meet two requirements:**
  - You can get a fast coverage decision *only* if you are asking for a *drug you have not yet received*. (You cannot get a fast coverage decision if you are asking us to pay you back for a drug you have already bought.)
  - You can get a fast coverage decision *only* if using the standard deadlines could *cause serious harm to your health or hurt your ability to function*.
- **If your doctor or other prescriber tells us that your health requires a “fast coverage decision,” we will automatically agree to give you a fast coverage decision.**
- If you ask for a fast coverage decision on your own (without your doctor’s or other prescriber’s support), we will decide whether your health requires that we give you a fast coverage decision.
  - If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will send you a letter that says so (and we will use the standard deadlines instead).
  - This letter will tell you that if your doctor or other prescriber asks for the fast coverage decision, we will automatically give a fast coverage decision.
  - The letter will also tell how you can file a complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you requested. It tells how to file a “fast complaint,” which means you would get our answer to your complaint within 24 hours of receiving the complaint. (The process for making a complaint is different from the process for coverage decisions and appeals. For more information about the process for making complaints, see Section 10 of this chapter.)

**Step 2: We consider your request and we give you our answer.**

***Deadlines for a “fast coverage decision”***

- If we are using the fast deadlines, we must give you our answer **within 24 hours**.
  - Generally, this means within 24 hours after we receive your request. If you are requesting an exception, we will give you our answer within 24 hours after we receive your doctor’s statement supporting your request. We will give you our answer sooner if your health requires us to.
  - If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent outside organization. Later in this section, we talk about this review organization and explain what happens at Appeal Level 2.
- **If our answer is yes to part or all of what you requested**, we must provide the coverage we have agreed to provide within 24 hours after we receive your request or doctor’s statement supporting your request.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how to appeal.

***Deadlines for a “standard coverage decision” about a drug you have not yet received***

- If we are using the standard deadlines, we must give you our answer **within 72 hours**.
  - Generally, this means within 72 hours after we receive your request. If you are requesting an exception, we will give you our answer within 72 hours after we receive your doctor’s statement supporting your request. We will give you our answer sooner if your health requires us to.
  - If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent organization. Later in this section, we talk about this review organization and explain what happens at Appeal Level 2.
- **If our answer is yes to part or all of what you requested –**
  - If we approve your request for coverage, we must **provide the coverage** we have agreed to provide **within 72 hours** after we receive your request or doctor’s statement supporting your request.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how to appeal.

***Deadlines for a “standard coverage decision” about payment for a drug you have already bought***

- We must give you our answer **within 14 calendar days** after we receive your request.

- If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent organization. Later in this section, we talk about this review organization and explain what happens at Appeal Level 2.
- **If our answer is yes to part or all of what you requested,** we are also required to make payment to you within 14 calendar days after we receive your request.
- **If our answer is no to part or all of what you requested,** we will send you a written statement that explains why we said no. We will also tell you how to appeal.

**Step 3: If we say no to your coverage request, you decide if you want to make an appeal.**

- If we say no, you have the right to request an appeal. Requesting an appeal means asking us to reconsider – and possibly change – the decision we made.

<b>Section 6.5</b>	<b>Step-by-step: How to make a Level 1 Appeal</b> <b>(how to ask for a review of a coverage decision made by our plan)</b>
--------------------	---

<b>Legal Terms</b>
An appeal to the plan about a Part D drug coverage decision is called a plan “redetermination.”

**Step 1: You contact us and make your Level 1 Appeal.** If your health requires a quick response, you must ask for a “**fast appeal**.”

***What to do***

- **To start your appeal, you (or your representative or your doctor or other prescriber) must contact us.**
  - For details on how to reach us by phone, fax, or mail, or on our website, for any purpose related to your appeal, go to Chapter 2, Section 1, and look for the section called, *How to contact us when you are making an appeal about your Part D prescription drugs*.
- **If you are asking for a standard appeal, make your appeal by submitting a written request.**
- **If you are asking for a fast appeal, you may make your appeal in writing or you may call us at the phone number shown in Chapter 2, Section 1** (How to contact us when you are making an appeal about your part D prescription drugs).

- **We must accept any written request**, including a request submitted on the CMS Model Coverage Determination Request Form, which is available on our website.
- **You must make your appeal request within 60 calendar days** from the date on the written notice we sent to tell you our answer to your request for a coverage decision. If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good cause for missing the deadline may include if you had a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.
- **You can ask for a copy of the information in your appeal and add more information.**
  - You have the right to ask us for a copy of the information regarding your appeal.
  - If you wish, you and your doctor or other prescriber may give us additional information to support your appeal.

Legal Terms
A “fast appeal” is also called an “expedited redetermination.”

***If your health requires it, ask for a “fast appeal”***

- If you are appealing a decision we made about a drug you have not yet received, you and your doctor or other prescriber will need to decide if you need a “fast appeal.”
- The requirements for getting a “fast appeal” are the same as those for getting a “fast coverage decision” in Section 6.4 of this chapter.

**Step 2: We consider your appeal and we give you our answer.**

- When we are reviewing your appeal, we take another careful look at all of the information about your coverage request. We check to see if we were following all the rules when we said no to your request. We may contact you or your doctor or other prescriber to get more information.

***Deadlines for a “fast appeal”***

- If we are using the fast deadlines, we must give you our answer **within 72 hours after we receive your appeal**. We will give you our answer sooner if your health requires it.
  - If we do not give you an answer within 72 hours, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an Independent Review Organization. Later in this section, we talk about this review organization and explain what happens at Level 2 of the appeals process.

- **If our answer is yes to part or all of what you requested**, we must provide the coverage we have agreed to provide within 72 hours after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no and how to appeal our decision.

*Deadlines for a “standard appeal”*

- If we are using the standard deadlines, we must give you our answer **within 7 calendar days** after we receive your appeal. We will give you our decision sooner if you have not received the drug yet and your health condition requires us to do so. If you believe your health requires it, you should ask for “fast appeal.”
  - If we do not give you a decision within 7 calendar days, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an Independent Review Organization. Later in this section, we tell about this review organization and explain what happens at Level 2 of the appeals process.
- **If our answer is yes to part or all of what you requested –**
  - If we approve a request for coverage, we must **provide the coverage** we have agreed to provide as quickly as your health requires, but **no later than 7 calendar days** after we receive your appeal.
  - If we approve a request to pay you back for a drug you already bought, we are required to **send payment to you within 30 calendar days** after we receive your appeal request.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no and how to appeal our decision.

**Step 3: If we say no to your appeal, you decide if you want to continue with the appeals process and make *another* appeal.**

- If we say no to your appeal, you then choose whether to accept this decision or continue by making another appeal.
- If you decide to make another appeal, it means your appeal is going on to Level 2 of the appeals process (see below).

<b>Section 6.6</b>	<b>Step-by-step: How to make a Level 2 Appeal</b>
--------------------	---

If we say no to your appeal, you then choose whether to accept this decision or continue by making another appeal. If you decide to go on to a Level 2 Appeal, the **Independent Review Organization** reviews the decision we made when we said no to your first appeal. This organization decides whether the decision we made should be changed.

Legal Terms
The formal name for the “Independent Review Organization” is the “ <b>Independent Review Entity</b> .” It is sometimes called the “ <b>IRE</b> .”

**Step 1:** To make a Level 2 Appeal, you (or your representative or your doctor or other prescriber) must contact the Independent Review Organization and ask for a review of your case.

- If we say no to your Level 1 Appeal, the written notice we send you will include **instructions on how to make a Level 2 Appeal** with the Independent Review Organization. These instructions will tell who can make this Level 2 Appeal, what deadlines you must follow, and how to reach the review organization.
- When you make an appeal to the Independent Review Organization, we will send the information we have about your appeal to this organization. This information is called your “case file.” **You have the right to ask us for a copy of your case file.**
- You have a right to give the Independent Review Organization additional information to support your appeal.

**Step 2:** The Independent Review Organization does a review of your appeal and gives you an answer.

- **The Independent Review Organization is an independent organization that is hired by Medicare.** This organization is not connected with us and it is not a government agency. This organization is a company chosen by Medicare to review our decisions about your Part D benefits with us.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal. The organization will tell you its decision in writing and explain the reasons for it.

***Deadlines for “fast appeal” at Level 2***

- If your health requires it, ask the Independent Review Organization for a “fast appeal.”

- If the review organization agrees to give you a “fast appeal,” the review organization must give you an answer to your Level 2 Appeal **within 72 hours** after it receives your appeal request.
- **If the Independent Review Organization says yes to part or all of what you requested**, we must provide the drug coverage that was approved by the review organization **within 24 hours** after we receive the decision from the review organization.

*Deadlines for “standard appeal” at Level 2*

- If you have a standard appeal at Level 2, the review organization must give you an answer to your Level 2 Appeal **within 7 calendar days** after it receives your appeal.
- **If the Independent Review Organization says yes to part or all of what you requested –**
  - If the Independent Review Organization approves a request for coverage, we must **provide the drug coverage** that was approved by the review organization **within 72 hours** after we receive the decision from the review organization.
  - If the Independent Review Organization approves a request to pay you back for a drug you already bought, we are required to **send payment to you within 30 calendar days** after we receive the decision from the review organization.

**What if the review organization says no to your appeal?**

If this organization says no to your appeal, it means the organization agrees with our decision not to approve your request. (This is called “upholding the decision.” It is also called “turning down your appeal.”)

If the Independent Review Organization “upholds the decision” you have the right to a Level 3 appeal. However, to make another appeal at Level 3, the dollar value of the drug coverage you are requesting must meet a minimum amount. If the dollar value of the drug coverage you are requesting is too low, you cannot make another appeal and the decision at Level 2 is final. The notice you get from the Independent Review Organization will tell you the dollar value that must be in dispute to continue with the appeals process.

**Step 3: If the dollar value of the coverage you are requesting meets the requirement, you choose whether you want to take your appeal further.**

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal).
- If your Level 2 Appeal is turned down and you meet the requirements to continue with the appeals process, you must decide whether you want to go on to Level 3 and make a third appeal. If you decide to make a third appeal, the details on how to do this are in the written notice you got after your second appeal.

- The Level 3 Appeal is handled by an administrative law judge. Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

---

## **SECTION 7      How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon**

---

When you are admitted to a hospital, you have the right to get all of your covered hospital services that are necessary to diagnose and treat your illness or injury. For more information about our coverage for your hospital care, including any limitations on this coverage, see Chapter 4 of this booklet: *Medical Benefits Chart (what is covered and what you pay)*.

During your covered hospital stay, your doctor and the hospital staff will be working with you to prepare for the day when you will leave the hospital. They will also help arrange for care you may need after you leave.

- The day you leave the hospital is called your “**discharge date**.”
- When your discharge date has been decided, your doctor or the hospital staff will let you know.
- If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered. This section tells you how to ask.

<b>Section 7.1      During your inpatient hospital stay, you will get a written notice from Medicare that tells about your rights</b>
---

During your covered hospital stay, you will be given a written notice called *An Important Message from Medicare about Your Rights*. Everyone with Medicare gets a copy of this notice whenever they are admitted to a hospital. Someone at the hospital (for example, a caseworker or nurse) must give it to you within two days after you are admitted. If you do not get the notice, ask any hospital employee for it. If you need help, please call Customer Relations (phone numbers are printed on the back cover of this booklet). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

- 1. Read this notice carefully and ask questions if you don’t understand it.** It tells you about your rights as a hospital patient, including:
  - Your right to receive Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
  - Your right to be involved in any decisions about your hospital stay, and know who will pay for it.
  - Where to report any concerns you have about quality of your hospital care.

- Your right to appeal your discharge decision if you think you are being discharged from the hospital too soon.

Legal Terms
The written notice from Medicare tells you how you can “ <b>request an immediate review.</b> ” Requesting an immediate review is a formal, legal way to ask for a delay in your discharge date so that we will cover your hospital care for a longer time. (Section 7.2 below tells you how you can request an immediate review.)

**2. You must sign the written notice to show that you received it and understand your rights.**

- You or someone who is acting on your behalf must sign the notice. (Section 4 of this chapter tells how you can give written permission to someone else to act as your representative.)
- Signing the notice shows *only* that you have received the information about your rights. The notice does not give your discharge date (your doctor or hospital staff will tell you your discharge date). Signing the notice **does not mean** you are agreeing on a discharge date.

**3. Keep your copy** of the signed notice so you will have the information about making an appeal (or reporting a concern about quality of care) handy if you need it.

- If you sign the notice more than two days before the day you leave the hospital, you will get another copy before you are scheduled to be discharged.
- To look at a copy of this notice in advance, you can call Customer Relations (phone numbers are printed on the back cover of this booklet) or 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. You can also see it online at <http://www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html>

<b>Section 7.2</b>	<b>Step-by-step: How to make a Level 1 Appeal to change your hospital discharge date</b>
--------------------	--

If you want to ask for your inpatient hospital services to be covered by us for a longer time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.** Each step in the first two levels of the appeals process is explained below.
- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do.

- **Ask for help if you need it.** If you have questions or need help at any time, please call Customer Relations (phone numbers are printed on the back cover of this booklet). Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance (see Section 2 of this chapter).

**During a Level 1 Appeal, the Quality Improvement Organization reviews your appeal.** It checks to see if your planned discharge date is medically appropriate for you.

**Step 1: Contact the Quality Improvement Organization for your state and ask for a “fast review” of your hospital discharge. You must act quickly.**

***What is the Quality Improvement Organization?***

- This organization is a group of doctors and other health care professionals who are paid by the Federal government. These experts are not part of our plan. This organization is paid by Medicare to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare.

***How can you contact this organization?***

- The written notice you received (*An Important Message from Medicare About Your Rights*) tells you how to reach this organization. (Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2, Section 4, of this booklet.)

***Act quickly:***

- To make your appeal, you must contact the Quality Improvement Organization *before* you leave the hospital and **no later than your planned discharge date**. (Your “planned discharge date” is the date that has been set for you to leave the hospital.)
  - If you meet this deadline, you are allowed to stay in the hospital *after* your discharge date *without paying for it* while you wait to get the decision on your appeal from the Quality Improvement Organization.
  - If you do *not* meet this deadline, and you decide to stay in the hospital after your planned discharge date, *you may have to pay all of the costs* for hospital care you receive after your planned discharge date.
- If you miss the deadline for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to our plan instead. For details about this other way to make your appeal, see Section 7.4.

*Ask for a “fast review”:*

- You must ask the Quality Improvement Organization for a **“fast review”** of your discharge. Asking for a “fast review” means you are asking for the organization to use the “fast” deadlines for an appeal instead of using the standard deadlines.

Legal Terms
A “fast review” is also called an “immediate review” or an “expedited review.”

**Step 2: The Quality Improvement Organization conducts an independent review of your case.**

*What happens during this review?*

- Health professionals at the Quality Improvement Organization (we will call them “the reviewers” for short) will ask you (or your representative) why you believe coverage for the services should continue. You don’t have to prepare anything in writing, but you may do so if you wish.
- The reviewers will also look at your medical information, talk with your doctor, and review information that the hospital and we have given to them.
- By noon of the day after the reviewers informed our plan of your appeal, you will also get a written notice that gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

Legal Terms
This written explanation is called the “ <b>Detailed Notice of Discharge.</b> ” You can get a sample of this notice by calling Customer Relations (phone numbers are printed on the back cover of this booklet) or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY users should call 1-877-486-2048.) Or you can see a sample notice online at <a href="http://www.cms.hhs.gov/BNI/">http://www.cms.hhs.gov/BNI/</a>

**Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.**

*What happens if the answer is yes?*

- If the review organization says *yes* to your appeal, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.**

- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered hospital services. (See Chapter 4 of this booklet).

***What happens if the answer is no?***

- If the review organization says *no* to your appeal, they are saying that your planned discharge date is medically appropriate. If this happens, **our coverage for your inpatient hospital services will end** at noon on the day *after* the Quality Improvement Organization gives you its answer to your appeal.
- If the review organization says *no* to your appeal and you decide to stay in the hospital, then **you may have to pay the full cost** of hospital care you receive after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

**Step 4: If the answer to your Level 1 Appeal is no, you decide if you want to make another appeal.**

- If the Quality Improvement Organization has turned down your appeal, *and* you stay in the hospital after your planned discharge date, then you can make another appeal. Making another appeal means you are going on to “Level 2” of the appeals process.

<b>Section 7.3</b>	<b>Step-by-step: How to make a Level 2 Appeal to change your hospital discharge date</b>
--------------------	--

If the Quality Improvement Organization has turned down your appeal, *and* you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal. During a Level 2 Appeal, you ask the Quality Improvement Organization to take another look at the decision they made on your first appeal. If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your stay after your planned discharge date.

Here are the steps for Level 2 of the appeal process:

**Step 1: You contact the Quality Improvement Organization again and ask for another review.**

- You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said *no* to your Level 1 Appeal. You can ask for this review only if you stayed in the hospital after the date that your coverage for the care ended.

**Step 2: The Quality Improvement Organization does a second review of your situation.**

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

**Step 3: Within 14 calendar days of receipt of your request for a second review, the Quality Improvement Organization reviewers will decide on your appeal and tell you their decision.**

*If the review organization says yes:*

- **We must reimburse you** for our share of the costs of hospital care you have received since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. **We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.**
- You must continue to pay your share of the costs and coverage limitations may apply.

*If the review organization says no:*

- It means they agree with the decision they made on your Level 1 Appeal and will not change it. This is called “upholding the decision.”
- The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by a judge.

**Step 4: If the answer is no, you will need to decide whether you want to take your appeal further by going on to Level 3.**

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If the review organization turns down your Level 2 Appeal, you can choose whether to accept that decision or whether to go on to Level 3 and make another appeal. At Level 3, your appeal is reviewed by a judge.
- Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

<b>Section 7.4</b>	<b>What if you miss the deadline for making your Level 1 Appeal?</b>
--------------------	--

**You can appeal to us instead**

As explained above in Section 7.2, you must act quickly to contact the Quality Improvement Organization to start your first appeal of your hospital discharge. (“Quickly” means before you leave the hospital and no later than your planned discharge date.) If you miss the deadline for contacting this organization, there is another way to make your appeal.

If you use this other way of making your appeal, *the first two levels of appeal are different.*

## **Step-by-Step: How to make a Level 1 *Alternate Appeal***

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

Legal Terms
A “fast review” (or “fast appeal”) is also called an “ <b>expedited appeal</b> .”

### **Step 1: Contact us and ask for a “fast review.”**

- For details on how to contact us, go to Chapter 2, Section 1 and look for the section called, *How to contact us when you are making an appeal about your medical care*.
- **Be sure to ask for a “fast review.”** This means you are asking us to give you an answer using the “fast” deadlines rather than the “standard” deadlines.

### **Step 2: We do a “fast review” of your planned discharge date, checking to see if it was medically appropriate.**

- During this review, we take a look at all of the information about your hospital stay. We check to see if your planned discharge date was medically appropriate. We will check to see if the decision about when you should leave the hospital was fair and followed all the rules.
- In this situation, we will use the “fast” deadlines rather than the standard deadlines for giving you the answer to this review.

### **Step 3: We give you our decision within 72 hours after you ask for a “fast review” (“fast appeal”).**

- **If we say yes to your fast appeal,** it means we have agreed with you that you still need to be in the hospital after the discharge date, and will keep providing your covered inpatient hospital services for as long as it is medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)
- **If we say no to your fast appeal,** we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends as of the day we said coverage would end.
  - If you stayed in the hospital *after* your planned discharge date, then **you may have to pay the full cost** of hospital care you received after the planned discharge date.

**Step 4: If we say *no* to your fast appeal, your case will *automatically* be sent on to the next level of the appeals process.**

- To make sure we were following all the rules when we said no to your fast appeal, **we are required to send your appeal to the “Independent Review Organization.”** When we do this, it means that you are *automatically* going on to Level 2 of the appeals process.

### **Step-by-Step: Level 2 Alternate Appeal Process**

If we say no to your Level 1 Appeal, your case will *automatically* be sent on to the next level of the appeals process. During the Level 2 Appeal, an **Independent Review Organization** reviews the decision we made when we said no to your “fast appeal.” This organization decides whether the decision we made should be changed.

<b>Legal Terms</b>
The formal name for the “Independent Review Organization” is the <b>“Independent Review Entity.”</b> It is sometimes called the <b>“IRE.”</b>

**Step 1: We will automatically forward your case to the Independent Review Organization.**

- We are required to send the information for your Level 2 Appeal to the Independent Review Organization within 24 hours of when we tell you that we are saying no to your first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. The complaint process is different from the appeal process. Section 10 of this chapter tells how to make a complaint.)

**Step 2: The Independent Review Organization does a “fast review” of your appeal. The reviewers give you an answer within 72 hours.**

- **The Independent Review Organization is an independent organization that is hired by Medicare.** This organization is not connected with our plan and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the Independent Review Organization. Medicare oversees its work.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal of your hospital discharge.
- **If this organization says *yes* to your appeal,** then we must reimburse you (pay you back) for our share of the costs of hospital care you have received since the date of your planned discharge. We must also continue the plan’s coverage of your inpatient hospital services for as long as it is medically necessary. You must continue to pay

your share of the costs. If there are coverage limitations, these could limit how much we would reimburse or how long we would continue to cover your services.

- **If this organization says *no* to your appeal**, it means they agree with us that your planned hospital discharge date was medically appropriate.
  - The notice you get from the Independent Review Organization will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal, which is handled by a judge.

**Step 3: If the Independent Review Organization turns down your appeal, you choose whether you want to take your appeal further.**

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If reviewers say no to your Level 2 Appeal, you decide whether to accept their decision or go on to Level 3 and make a third appeal.
- Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

---

## **SECTION 8      How to ask us to keep covering certain medical services if you think your coverage is ending too soon**

---

<b>Section 8.1</b>	<b><i>This section is about three services only:</i> <b>Home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services</b></b>
--------------------	---

This section is about the following types of care *only*:

- **Home health care services** you are getting.
- **Skilled nursing care** you are getting as a patient in a skilled nursing facility. (To learn about requirements for being considered a “skilled nursing facility,” see Chapter 12, *Definitions of important words*.)
- **Rehabilitation care** you are getting as an outpatient at a Medicare-approved Comprehensive Outpatient Rehabilitation Facility (CORF). Usually, this means you are getting treatment for an illness or accident, or you are recovering from a major operation. (For more information about this type of facility, see Chapter 12, *Definitions of important words*.)

When you are getting any of these types of care, you have the right to keep getting your covered services for that type of care for as long as the care is needed to diagnose and treat your illness or injury. For more information on your covered services, including your share of the cost and any

limitations to coverage that may apply, see Chapter 4 of this booklet: *Medical Benefits Chart (what is covered and what you pay)*.

When we decide it is time to stop covering any of the three types of care for you, we are required to tell you in advance. When your coverage for that care ends, *we will stop paying our share of the cost for your care.*

If you think we are ending the coverage of your care too soon, **you can appeal our decision.** This section tells you how to ask for an appeal.

<b>Section 8.2</b>	<b>We will tell you in advance when your coverage will be ending</b>
--------------------	--

1. **You receive a notice in writing.** At least two days before our plan is going to stop covering your care, you will receive a notice.
  - The written notice tells you the date when we will stop covering the care for you.
  - The written notice also tells what you can do if you want to ask our plan to change this decision about when to end your care, and keep covering it for a longer period of time.

<b>Legal Terms</b>
--------------------

In telling you what you can do, the written notice is telling how you can request a **“fast-track appeal.”** Requesting a fast-track appeal is a formal, legal way to request a change to our coverage decision about when to stop your care. (Section 8.3 below tells how you can request a fast-track appeal.)

The written notice is called the **“Notice of Medicare Non-Coverage.”** To get a sample copy, call Customer Relations (phone numbers are printed on the back cover of this booklet) or 1-800-MEDICARE (1-800-633-4227, 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.). Or see a copy online at <http://www.cms.hhs.gov/BNI/>

2. **You must sign the written notice to show that you received it.**
  - You or someone who is acting on your behalf must sign the notice. (Section 4 tells how you can give written permission to someone else to act as your representative.)
  - Signing the notice shows *only* that you have received the information about when your coverage will stop. **Signing it does not mean you agree** with the plan that it’s time to stop getting the care.

<b>Section 8.3</b>	<b>Step-by-step: How to make a Level 1 Appeal to have our plan cover your care for a longer time</b>
--------------------	--

If you want to ask us to cover your care for a longer period of time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.** Each step in the first two levels of the appeals process is explained below.
- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do. There are also deadlines our plan must follow. (If you think we are not meeting our deadlines, you can file a complaint. Section 10 of this chapter tells you how to file a complaint.)
- **Ask for help if you need it.** If you have questions or need help at any time, please call Customer Relations (phone numbers are printed on the back cover of this booklet). Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance (see Section 2 of this chapter).

**If you ask for a Level 1 Appeal on time, the Quality Improvement Organization reviews your appeal and decides whether to change the decision made by our plan.**

**Step 1: Make your Level 1 Appeal: contact the Quality Improvement Organization for your state and ask for a review. You must act quickly.**

***What is the Quality Improvement Organization?***

- This organization is a group of doctors and other health care experts who are paid by the Federal government. These experts are not part of our plan. They check on the quality of care received by people with Medicare and review plan decisions about when it's time to stop covering certain kinds of medical care.

***How can you contact this organization?***

- The written notice you received tells you how to reach this organization. (Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2, Section 4, of this booklet.)

***What should you ask for?***

- Ask this organization for a “fast-track appeal” (to do an independent review) of whether it is medically appropriate for us to end coverage for your medical services.

***Your deadline for contacting this organization.***

- You must contact the Quality Improvement Organization to start your appeal *no later than noon of the day after you receive the written notice telling you when we will stop covering your care.*

- If you miss the deadline for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to us instead. For details about this other way to make your appeal, see Section 8.5.

**Step 2: The Quality Improvement Organization conducts an independent review of your case.**

***What happens during this review?***

- Health professionals at the Quality Improvement Organization (we will call them “the reviewers” for short) will ask you (or your representative) why you believe coverage for the services should continue. You don’t have to prepare anything in writing, but you may do so if you wish.
- The review organization will also look at your medical information, talk with your doctor, and review information that our plan has given to them.
- By the end of the day the reviewers inform us of your appeal, and you will also get a written notice from us that explains in detail our reasons for ending our coverage for your services.

Legal Terms
This notice of explanation is called the “Detailed Explanation of Non-Coverage.”

**Step 3: Within one full day after they have all the information they need, the reviewers will tell you their decision.**

***What happens if the reviewers say yes to your appeal?***

- If the reviewers say *yes* to your appeal, then **we must keep providing your covered services for as long as it is medically necessary.**
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered services (see Chapter 4 of this booklet).

***What happens if the reviewers say no to your appeal?***

- If the reviewers say *no* to your appeal, then **your coverage will end on the date we have told you.** We will stop paying our share of the costs of this care on the date listed on the notice.
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* this date when your coverage ends, then **you will have to pay the full cost** of this care yourself.

**Step 4: If the answer to your Level 1 Appeal is no, you decide if you want to make another appeal.**

- This first appeal you make is “Level 1” of the appeals process. If reviewers say *no* to your Level 1 Appeal – and you choose to continue getting care after your coverage for the care has ended – then you can make another appeal.
- Making another appeal means you are going on to “Level 2” of the appeals process.

<b>Section 8.4</b>	<b>Step-by-step: How to make a Level 2 Appeal to have our plan cover your care for a longer time</b>
--------------------	--

If the Quality Improvement Organization has turned down your appeal and you choose to continue getting care after your coverage for the care has ended, then you can make a Level 2 Appeal. During a Level 2 Appeal, you ask the Quality Improvement Organization to take another look at the decision they made on your first appeal. If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end.

Here are the steps for Level 2 of the appeal process:

**Step 1: You contact the Quality Improvement Organization again and ask for another review.**

- You must ask for this review **within 60 days** after the day when the Quality Improvement Organization said *no* to your Level 1 Appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.

**Step 2: The Quality Improvement Organization does a second review of your situation.**

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

**Step 3: Within 14 days of receipt of your appeal request, reviewers will decide on your appeal and tell you their decision.**

*What happens if the review organization says yes to your appeal?*

- **We must reimburse you** for our share of the costs of care you have received since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it is medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

***What happens if the review organization says no?***

- It means they agree with the decision we made to your Level 1 Appeal and will not change it.
- The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by a judge.

**Step 4: If the answer is no, you will need to decide whether you want to take your appeal further.**

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If reviewers turn down your Level 2 Appeal, you can choose whether to accept that decision or to go on to Level 3 and make another appeal. At Level 3, your appeal is reviewed by a judge.
- Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

<b>Section 8.5</b>	<b>What if you miss the deadline for making your Level 1 Appeal?</b>
--------------------	--

**You can appeal to us instead**

As explained above in Section 8.3, you must act quickly to contact the Quality Improvement Organization to start your first appeal (within a day or two, at the most). If you miss the deadline for contacting this organization, there is another way to make your appeal. If you use this other way of making your appeal, *the first two levels of appeal are different.*

**Step-by-Step: How to make a Level 1 *Alternate* Appeal**

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

Here are the steps for a Level 1 Alternate Appeal:

<b>Legal Terms</b>
--------------------

A “fast review” (or “fast appeal”) is also called an “ <b>expedited appeal</b> .”
---

**Step 1: Contact us and ask for a “fast review.”**

- For details on how to contact us, go to Chapter 2, Section 1 and look for the section called, *How to contact us when you are making an appeal about your medical care.*

- **Be sure to ask for a “fast review.”** This means you are asking us to give you an answer using the “fast” deadlines rather than the “standard” deadlines.

**Step 2: We do a “fast review” of the decision we made about when to end coverage for your services.**

- During this review, we take another look at all of the information about your case. We check to see if we were following all the rules when we set the date for ending the plan’s coverage for services you were receiving.
- We will use the “fast” deadlines rather than the standard deadlines for giving you the answer to this review.

**Step 3: We give you our decision within 72 hours after you ask for a “fast review” (“fast appeal”).**

- **If we say yes to your fast appeal,** it means we have agreed with you that you need services longer, and will keep providing your covered services for as long as it is medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)
- **If we say no to your fast appeal,** then your coverage will end on the date we told you and we will not pay any share of the costs after this date.
- If you continued to get home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end, then **you will have to pay the full cost** of this care yourself.

**Step 4: If we say *no* to your fast appeal, your case will *automatically* go on to the next level of the appeals process.**

- To make sure we were following all the rules when we said no to your fast appeal, **we are required to send your appeal to the “Independent Review Organization.”** When we do this, it means that you are *automatically* going on to Level 2 of the appeals process.

## **Step-by-Step: Level 2 *Alternate* Appeal Process**

If we say no to your Level 1 Appeal, your case will *automatically* be sent on to the next level of the appeals process. During the Level 2 Appeal, the **Independent Review Organization** reviews the decision we made when we said no to your “fast appeal.” This organization decides whether the decision we made should be changed.

<b>Legal Terms</b>
The formal name for the “Independent Review Organization” is the “ <b>Independent Review Entity.</b> ” It is sometimes called the “IRE.”

### **Step 1: We will automatically forward your case to the Independent Review Organization.**

- We are required to send the information for your Level 2 Appeal to the Independent Review Organization within 24 hours of when we tell you that we are saying no to your first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. The complaint process is different from the appeal process. Section 10 of this chapter tells how to make a complaint.)

### **Step 2: The Independent Review Organization does a “fast review” of your appeal. The reviewers give you an answer within 72 hours.**

- **The Independent Review Organization is an independent organization that is hired by Medicare.** This organization is not connected with our plan and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the Independent Review Organization. Medicare oversees its work.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal.
- **If this organization says yes to your appeal,** then we must reimburse you (pay you back) for our share of the costs of care you have received since the date when we said your coverage would end. We must also continue to cover the care for as long as it is medically necessary. You must continue to pay your share of the costs. If there are coverage limitations, these could limit how much we would reimburse or how long we would continue to cover your services.
- **If this organization says no to your appeal,** it means they agree with the decision our plan made to your first appeal and will not change it.
  - The notice you get from the Independent Review Organization will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal.

**Step 3: If the Independent Review Organization turns down your appeal, you choose whether you want to take your appeal further.**

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If reviewers say no to your Level 2 Appeal, you can choose whether to accept that decision or whether to go on to Level 3 and make another appeal. At Level 3, your appeal is reviewed by a judge.
- Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

---

## **SECTION 9      Taking your appeal to Level 3 and beyond**

---

<b>Section 9.1      Levels of Appeal 3, 4, and 5 for Medical Service Appeals</b>
--

This section may be appropriate for you if you have made a Level 1 Appeal and a Level 2 Appeal, and both of your appeals have been turned down.

If the dollar value of the item or medical service you have appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you cannot appeal any further. If the dollar value is high enough, the written response you receive to your Level 2 Appeal will explain who to contact and what to do to ask for a Level 3 Appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

**Level 3 Appeal:** A judge who works for the Federal government will review your appeal and give you an answer. This judge is called an “Administrative Law Judge.”

- **If the Administrative Law Judge says yes to your appeal, the appeals process *may or may not be over*** - We will decide whether to appeal this decision to Level 4. Unlike a decision at Level 2 (Independent Review Organization), we have the right to appeal a Level 3 decision that is favorable to you.
  - If we decide *not* to appeal the decision, we must authorize or provide you with the service within 60 calendar days after receiving the judge’s decision.
  - If we decide to appeal the decision, we will send you a copy of the Level 4 Appeal request with any accompanying documents. We may wait for the Level 4 Appeal decision before authorizing or providing the service in dispute.
- **If the Administrative Law Judge says no to your appeal, the appeals process *may or may not be over*.**
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.

- If you do not want to accept the decision, you can continue to the next level of the review process. If the administrative law judge says no to your appeal, the notice you get will tell you what to do next if you choose to continue with your appeal.

**Level 4 Appeal:** The **Appeals Council** will review your appeal and give you an answer. The Appeals Council works for the Federal government.

- **If the answer is yes, or if the Appeals Council denies our request to review a favorable Level 3 Appeal decision, the appeals process *may* or *may not* be over** - We will decide whether to appeal this decision to Level 5. Unlike a decision at Level 2 (Independent Review Organization), we have the right to appeal a Level 4 decision that is favorable to you.
  - If we decide *not* to appeal the decision, we must authorize or provide you with the service within 60 calendar days after receiving the Appeals Council's decision.
  - If we decide to appeal the decision, we will let you know in writing.
- **If the answer is no or if the Appeals Council denies the review request, the appeals process *may* or *may not* be over.**
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.
  - If you do not want to accept the decision, you might be able to continue to the next level of the review process. If the Appeals Council says no to your appeal, the notice you get will tell you whether the rules allow you to go on to a Level 5 Appeal. If the rules allow you to go on, the written notice will also tell you who to contact and what to do next if you choose to continue with your appeal.

**Level 5 Appeal:** A judge at the **Federal District Court** will review your appeal.

- This is the last step of the administrative appeals process.

## **Section 9.2                      Levels of Appeal 3, 4, and 5 for Part D Drug Appeals**

This section may be appropriate for you if you have made a Level 1 Appeal and a Level 2 Appeal, and both of your appeals have been turned down.

If the value of the drug you have appealed meets a certain dollar amount, you may be able to go on to additional levels of appeal. If the dollar amount is less, you cannot appeal any further. The written response you receive to your Level 2 Appeal will explain who to contact and what to do to ask for a Level 3 Appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

**Level 3 Appeal:** A judge who works for the Federal government will review your appeal and give you an answer. This judge is called an “Administrative Law Judge.”

- **If the answer is yes, the appeals process is over.** What you asked for in the appeal has been approved. We must **authorize or provide the drug coverage** that was approved by the Administrative Law Judge **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we receive the decision.
- **If the answer is no, the appeals process *may or may not* be over.**
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.
  - If you do not want to accept the decision, you can continue to the next level of the review process. If the administrative law judge says no to your appeal, the notice you get will tell you what to do next if you choose to continue with your appeal.

**Level 4 Appeal** The **Appeals Council** will review your appeal and give you an answer. The Appeals Council works for the Federal government.

- **If the answer is yes, the appeals process is over.** What you asked for in the appeal has been approved. We must **authorize or provide the drug coverage** that was approved by the Appeals Council **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we receive the decision.
- **If the answer is no, the appeals process *may or may not* be over.**
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.
  - If you do not want to accept the decision, you might be able to continue to the next level of the review process. If the Appeals Council says no to your appeal or denies your request to review the appeal, the notice you get will tell you whether the rules allow you to go on to Level 5 Appeal. If the rules allow you to go on, the written notice will also tell you who to contact and what to do next if you choose to continue with your appeal.

**Level 5 Appeal** A judge at the **Federal District Court** will review your appeal.

- This is the last step of the appeals process.

## MAKING COMPLAINTS

---

### SECTION 10      **How to make a complaint about quality of care, waiting times, customer service, or other concerns**

---

— If your problem is about decisions related to benefits, coverage, or payment, then this section is *not for you*. Instead, you need to use the process for coverage decisions and appeals. Go to Section 4 of this chapter.

<b>Section 10.1</b>	<b>What kinds of problems are handled by the complaint process?</b>
---------------------	---

This section explains how to use the process for making complaints. The complaint process is used for certain types of problems *only*. This includes problems related to quality of care, waiting times, and the customer service you receive. Here are examples of the kinds of problems handled by the complaint process.

**If you have any of these kinds of problems, you can “make a complaint”**

<b>Complaint</b>	<b>Example</b>
<b>Quality of your medical care</b>	<ul style="list-style-type: none"><li>• Are you unhappy with the quality of the care you have received (including care in the hospital)?</li></ul>
<b>Respecting your privacy</b>	<ul style="list-style-type: none"><li>• Do you believe that someone did not respect your right to privacy or shared information about you that you feel should be confidential?</li></ul>
<b>Disrespect, poor customer service, or other negative behaviors</b>	<ul style="list-style-type: none"><li>• Has someone been rude or disrespectful to you?</li><li>• Are you unhappy with how our Customer Relations has treated you?</li><li>• Do you feel you are being encouraged to leave the plan?</li></ul>
<b>Waiting times</b>	<ul style="list-style-type: none"><li>• Are you having trouble getting an appointment, or waiting too long to get it?</li><li>• Have you been kept waiting too long by doctors, pharmacists, or other health professionals? Or by our Customer Relations or other staff at the plan?<ul style="list-style-type: none"><li>○ Examples include waiting too long on the phone, in the waiting room, when getting a prescription, or in the exam room.</li></ul></li></ul>
<b>Cleanliness</b>	<ul style="list-style-type: none"><li>• Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor’s office?</li></ul>
<b>Information you get from us</b>	<ul style="list-style-type: none"><li>• Do you believe we have not given you a notice that we are required to give?</li><li>• Do you think written information we have given you is hard to understand?</li></ul>

Complaint	Example
<p><b>Timeliness</b>            (These types of complaints are all related to the timeliness of our actions related to coverage decisions and appeals)</p>	<p>The process of asking for a coverage decision and making appeals is explained in sections 4-9 of this chapter. If you are asking for a decision or making an appeal, you use that process, not the complaint process. However, if you have already asked us for a coverage decision or made an appeal, and you think that we are not responding quickly enough, you can also make a complaint about our slowness. Here are examples:</p> <ul style="list-style-type: none"> <li>• If you have asked us to give you a “fast coverage decision” or a “fast appeal,” and we have said we will not, you can make a complaint.</li> <li>• If you believe we are not meeting the deadlines for giving you a coverage decision or an answer to an appeal you have made, you can make a complaint.</li> <li>• When a coverage decision we made is reviewed and we are told that we must cover or reimburse you for certain medical services or drugs, there are deadlines that apply. If you think we are not meeting these deadlines, you can make a complaint.</li> <li>• When we do not give you a decision on time, we are required to forward your case to the Independent Review Organization. If we do not do that within the required deadline, you can make a complaint.</li> </ul>

<b>Section 10.2</b>	<b>The formal name for “making a complaint” is “filing a grievance”</b>
---------------------	---

Legal Terms
<ul style="list-style-type: none"> <li>• What this section calls a “<b>complaint</b>” is also called a “<b>grievance.</b>”</li> <li>• Another term for “<b>making a complaint</b>” is “<b>filing a grievance.</b>”</li> <li>• Another way to say “<b>using the process for complaints</b>” is “<b>using the process for filing a grievance.</b>”</li> </ul>

<b>Section 10.3</b>	<b>Step-by-step: Making a complaint</b>
---------------------	---

**Step 1: Contact us promptly – either by phone or in writing.**

- **Usually, calling Customer Relations is the first step.** If there is anything else you need to do, Customer Relations will let you know. Call Customer Relations at 1-800-701-9000 (TTY 1-800-208-9562). Representatives are available Monday – Friday, 8:00 a.m. – 8:00 p.m. (From October 1 – February 14, representatives are available 7 days a week, 8:00 a.m. – 8:00 p.m.) After hours and on holidays, please leave a message and a representative will return your call on the next business day.
- **If you do not wish to call (or you called and were not satisfied), you can put your complaint in writing and send it to us.** If you put your complaint in writing, we will respond to your complaint in writing.
- You need to file a grievance no later than 60 days after the event whether you file orally or in writing. You can do so by calling Customer Relations at 1-800-701-9000 (TTY 1-800-208-9562), Representatives are available Monday – Friday, 8:00 a.m. – 8:00 p.m. (From October 1 – February 14, representatives are available 7 days a week, 8:00 a.m. – 8:00 p.m.) After hours and on holidays, please leave a message and a representative will return your call on the next business day. You can also file a grievance in writing by sending it by mail to: Tufts Health Plan Medicare Preferred, Attn: Appeals & Grievances Department, 705 Mt. Auburn Street, Watertown, MA 02472. You can also send it in writing via fax at: 1-(617) 972-9516.

You also have the right to file an expedited Grievance which could include a complaint that Tufts Health Plan Medicare Preferred refused to expedite an organization determination or reconsideration, or invoked an extension to an organization determination or reconsideration time frame(s). The time frame for Tufts Health Plan Medicare Preferred to respond to an expedited grievance is within 24 hours of your complaint.

- **Whether you call or write, you should contact Customer Relations right away.** The complaint must be made within 60 calendar days after you had the problem you want to complain about.
- **If you are making a complaint because we denied your request for a “fast coverage decision” or a “fast appeal,” we will automatically give you a “fast complaint.”** If you have a “fast complaint,” it means we will give you **an answer within 24 hours.**

<b>Legal Terms</b>
--------------------

What this section calls a “ <b>fast complaint</b> ” is also called an “ <b>expedited grievance.</b> ”
---

**Step 2: We look into your complaint and give you our answer.**

- **If possible, we will answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call. If your health condition requires us to answer quickly, we will do that.
- **Most complaints are answered in 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint.
- **If we do not agree** with some or all of your complaint or don't take responsibility for the problem you are complaining about, we will let you know. Our response will include our reasons for this answer. We must respond whether we agree with the complaint or not.

<b>Section 10.4</b>	<b>You can also make complaints about quality of care to the Quality Improvement Organization</b>
---------------------	---

You can make your complaint about the quality of care you received to us by using the step-by-step process outlined above.

When your complaint is about *quality of care*, you also have two extra options:

- **You can make your complaint to the Quality Improvement Organization.** If you prefer, you can make your complaint about the quality of care you received directly to this organization (*without* making the complaint to us).
  - The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients.
  - To find the name, address, and phone number of the Quality Improvement Organization for your state, look in Chapter 2, Section 4, of this booklet. If you make a complaint to this organization, we will work with them to resolve your complaint.
- **Or you can make your complaint to both at the same time.** If you wish, you can make your complaint about quality of care to us and also to the Quality Improvement Organization.

<b>Section 10.5</b>	<b>You can also tell Medicare about your complaint</b>
---------------------	--

You can submit a complaint about *Tufts Medicare Preferred HMO GIC* directly to Medicare. To submit a complaint to Medicare, go to [www.medicare.gov/MedicareComplaintForm/home.aspx](http://www.medicare.gov/MedicareComplaintForm/home.aspx). Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.

**Chapter 9. What to do if you have a problem or complaint  
(coverage decisions, appeals, complaints)**

---

If you have any other feedback or concerns, or if you feel the plan is not addressing your issue, please call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users can call 1-877-486-2048.

# CHAPTER 10

*Ending your membership in the plan*

## **Chapter 10. Ending your membership in the plan**

<b>SECTION 1</b>	<b>Introduction .....</b>	<b>219</b>
Section 1.1	This chapter focuses on ending your membership in our plan.....	219
<b>SECTION 2</b>	<b>When can you end your membership in our plan? .....</b>	<b>219</b>
<b>SECTION 3</b>	<b>How do you end your membership in our plan? .....</b>	<b>220</b>
Section 3.1	Usually, you end your membership by enrolling in another plan .....	220
<b>SECTION 4</b>	<b>Until your membership ends, you must keep getting your medical services and drugs through our plan.....</b>	<b>221</b>
Section 4.1	Until your membership ends, you are still a member of our plan .....	221
<b>SECTION 5</b>	<b><i>Tufts Medicare Preferred HMO GIC</i> must end your membership in the plan in certain situations.....</b>	<b>222</b>
Section 5.1	When must we end your membership in the plan? .....	222
Section 5.2	We <u>cannot</u> ask you to leave our plan for any reason related to your health	223
Section 5.3	You have the right to make a complaint if we end your membership in our plan.....	223

---

## **SECTION 1      Introduction**

---

<b>Section 1.1      This chapter focuses on ending your membership in our plan</b>
--

Note: As a member of an employer group plan, you can only make plan changes (with limited exceptions) during your current or former employer's annual enrollment period. Before making any changes, be sure to contact the Group Insurance Commission.

If you choose to end your coverage through the Group Insurance Commission, please refer to the details below.

Ending your membership in *Tufts Medicare Preferred HMO GIC* may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you have decided that you *want* to leave.
  - There are only certain times during the year, or certain situations, when you may voluntarily end your membership in the plan. Section 2 tells you *when* you can end your membership in the plan.
  - The process for voluntarily ending your membership varies depending on what type of new coverage you are choosing. Section 3 tells you *how* to end your membership in each situation.
- There are also limited situations where you do not choose to leave, but we are required to end your membership. Section 5 tells you about situations when we must end your membership.

If you are leaving our plan, you must continue to get your medical care through our plan until your membership ends.

---

## **SECTION 2      When can you end your membership in our plan?**

---

The Group Insurance Commission determines when you can disenroll from the plan. Please contact the Group Insurance Commission with questions regarding when and how you can end your membership.

## **SECTION 3      How do you end your membership in our plan?**

### **Section 3.1      Usually, you end your membership by enrolling in another plan**

As a member of an employer group plan, you can only make plan changes (with limited exceptions) during your current or former employer's annual enrollment period. Before making any changes, be sure to contact the Group Insurance Commission.

Usually, to end your membership in our plan, you simply enroll in another Medicare plan during an enrollment period. However, if you want to switch from our plan to Original Medicare *without* a Medicare prescription drug plan, you must ask to be disenrolled from our plan. There are two ways you can ask to be disenrolled:

- You can make a request in writing to us. Contact Customer Relations if you need more information on how to do this (phone numbers are printed on the back cover of this booklet).
- --or-- You can contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

**Note:** If you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage, you may need to pay a late enrollment penalty if you join a Medicare drug plan later. ("Creditable" coverage means the coverage is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage.) See Chapter 6, Section 9 for more information about the late enrollment penalty.

The table below explains how you may end your membership in our plan.

<b>If you would like to switch from our plan to:</b>	<b>This is what you should do:</b>
<ul style="list-style-type: none"><li>• Another Medicare health plan.</li></ul>	<ul style="list-style-type: none"><li>• Enroll in the new Medicare health plan. You will automatically be disenrolled from <i>Tufts Medicare Preferred HMO GIC</i> when your new plan's coverage begins.</li></ul>
<ul style="list-style-type: none"><li>• Original Medicare <i>with</i> a separate Medicare prescription drug plan.</li></ul>	<ul style="list-style-type: none"><li>• Enroll in the new Medicare prescription drug plan. You will automatically be disenrolled from <i>Tufts Medicare Preferred HMO GIC</i> when your new plan's coverage begins.</li></ul>

If you would like to switch from our plan to:	This is what you should do:
<ul style="list-style-type: none"><li>• Original Medicare <i>without</i> a separate Medicare prescription drug plan.<ul style="list-style-type: none"><li>○ <b>Note:</b> If you disenroll from a Medicare prescription drug plan and go without creditable prescription drug coverage, you may need to pay a late enrollment penalty if you join a Medicare drug plan later. See Chapter 6, Section 9 for more information about the late enrollment penalty.</li></ul></li></ul>	<ul style="list-style-type: none"><li>• <b>Send us a written request to disenroll.</b> Contact Customer Relations if you need more information on how to do this (phone numbers are printed on the back cover of this booklet).</li><li>• You can also contact <b>Medicare</b>, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.</li><li>• You will be disenrolled from <i>Tufts Medicare Preferred HMO GIC</i> when your coverage in Original Medicare begins.</li></ul>

---

## **SECTION 4      Until your membership ends, you must keep getting your medical services and drugs through our plan**

---

<b>Section 4.1</b>	<b>Until your membership ends, you are still a member of our plan</b>
--------------------	---

If you leave *Tufts Medicare Preferred HMO GIC*, it may take time before your membership ends and your new Medicare coverage goes into effect. (See Section 2 for information on when your new coverage begins.) During this time, you must continue to get your medical care and prescription drugs through our plan.

- **You should continue to use our network pharmacies to get your prescriptions filled until your membership in our plan ends.** Usually, your prescription drugs are only covered if they are filled at a network pharmacy including through our mail-order pharmacy services.
- **If you are hospitalized on the day that your membership ends, your hospital stay will usually be covered by our plan until you are discharged** (even if you are discharged after your new health coverage begins).

---

## **SECTION 5**      ***Tufts Medicare Preferred HMO GIC* must end your membership in the plan in certain situations**

---

<b>Section 5.1</b>	<b>When must we end your membership in the plan?</b>
--------------------	--

***Tufts Medicare Preferred HMO GIC* must end your membership in the plan if any of the following happen:**

- If you do not stay continuously enrolled in Medicare Part A and Part B.
- If you move out of our service area.
- If you are away from our service area for more than six months.
  - If you move or take a long trip, you need to call Customer Relations to find out if the place you are moving or traveling to is in our plan's area. (Phone numbers for Customer Relations are printed on the back cover of this booklet.)
- If you become incarcerated (go to prison).
- If you lie about or withhold information about other insurance you have that provides prescription drug coverage.
- If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
- If you let someone else use your membership card to get medical care. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
  - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.
- Your current or former employer no longer offers our plan to you. However, you would have the option to join one of our individual HMO plans.
- If you are required to pay the extra Part D amount because of your income and you do not pay it, Medicare will disenroll you from our plan and you will lose prescription drug coverage.

### **Where can you get more information?**

If you have questions or would like more information on when we can end your membership:

- You can call **Customer Relations** for more information (phone numbers are printed on the back cover of this booklet).

<b>Section 5.2</b>	<b>We <u>cannot</u> ask you to leave our plan for any reason related to your health</b>
--------------------	---

*Tufts Medicare Preferred HMO GIC* is not allowed to ask you to leave our plan for any reason related to your health.

**What should you do if this happens?**

If you feel that you are being asked to leave our plan because of a health-related reason, you should call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You may call 24 hours a day, 7 days a week.

<b>Section 5.3</b>	<b>You have the right to make a complaint if we end your membership in our plan</b>
--------------------	---

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can make a complaint about our decision to end your membership. You can look in Chapter 9, Section 10 for information about how to make a complaint.

# CHAPTER 11

*Legal notices*

## **Chapter 11. Legal notices**

<b>SECTION 1</b>	<b>Notice about governing law.....</b>	<b>226</b>
<b>SECTION 2</b>	<b>Notice about non-discrimination.....</b>	<b>226</b>
<b>SECTION 3</b>	<b>Notice about Medicare Secondary Payer subrogation rights.....</b>	<b>226</b>
<b>SECTION 4</b>	<b>Notice about the relationship between Tufts Health Plan Medicare Preferred and providers .....</b>	<b>226</b>

---

## **SECTION 1      Notice about governing law**

---

Many laws apply to this *Evidence of Coverage* and some additional provisions may apply because they are required by law. This may affect your rights and responsibilities even if the laws are not included or explained in this document. The principal law that applies to this document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services, or CMS. In addition, other Federal laws may apply and, under certain circumstances, the laws of the state you live in.

---

## **SECTION 2      Notice about non-discrimination**

---

We don't discriminate based on a person's race, disability, religion, sex, health, ethnicity, creed, age, or national origin. All organizations that provide Medicare Advantage Plans, like our plan, must obey Federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, all other laws that apply to organizations that get Federal funding, and any other laws and rules that apply for any other reason.

---

## **SECTION 3      Notice about Medicare Secondary Payer subrogation rights**

---

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, *Tufts Medicare Preferred HMO GIC*, as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any State laws.

---

## **SECTION 4      Notice about the relationship between Tufts Health Plan Medicare Preferred and providers**

---

Tufts Health Plan Medicare Preferred arranges health care services. Tufts Health Plan Medicare Preferred does not provide health care services. Tufts Health Plan Medicare Preferred has contractual agreements with providers practicing in their private offices throughout the service area. These providers are independent. They are not Tufts Health Plan Medicare Preferred employees, or representatives. Providers are not authorized to change this Evidence of Coverage or assume or create any obligation for Tufts Health Plan Medicare Preferred that is inconsistent with this Evidence of Coverage.

# CHAPTER 12

*Definitions of important words*

## **Chapter 12. Definitions of important words**

**Ambulatory Surgical Center** – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center does not exceed 24 hours.

**Annual Enrollment Period** – A set time each fall when members can change their health or drugs plans or switch to Original Medicare. The Annual Enrollment Period is from October 15 until December 7.

**Appeal** – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs you already received. You may also make an appeal if you disagree with our decision to stop services that you are receiving. For example, you may ask for an appeal if we don't pay for a drug, item, or service you think you should be able to receive. Chapter 9 explains appeals, including the process involved in making an appeal.

**Balance Billing** – When a provider (such as a doctor or hospital) bills a patient more than the plan's allowed cost-sharing amount. As a member of *Tufts Medicare Preferred HMO GIC*, you only have to pay our plan's cost-sharing amounts when you get services covered by our plan. We do not allow providers to "balance bill" or otherwise charge you more than the amount of cost-sharing your plan says you must pay.

**Benefit Period** – The way that both our plan and Original Medicare measures your use of hospital and skilled nursing facility (SNF) services. A benefit period begins the day you go into a hospital or skilled nursing facility. The benefit period ends when you haven't received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods.

**Brand Name Drug** – A prescription drug that is manufactured and sold by the pharmaceutical company that originally researched and developed the drug. Brand name drugs have the same active-ingredient formula as the generic version of the drug. However, generic drugs are manufactured and sold by other drug manufacturers and are generally not available until after the patent on the brand name drug has expired.

**Catastrophic Coverage Stage** – The stage in the Part D Drug Benefit where you pay a low copayment or coinsurance for your drugs after you or other qualified parties on your behalf have spent \$4,850 in covered drugs during the covered year.

**Centers for Medicare & Medicaid Services (CMS)** – The Federal agency that administers Medicare. Chapter 2 explains how to contact CMS.

**Coinsurance** – An amount you may be required to pay as your share of the cost for services or prescription drugs after you pay any deductibles. Coinsurance is usually a percentage (for example, 20%).

**Complaint** - The formal name for “making a complaint” is “filing a grievance.” The complaint process is used for certain types of problems *only*. This includes problems related to quality of care, waiting times, and the customer service you receive. See also “Grievance,” in this list of definitions.

**Comprehensive Outpatient Rehabilitation Facility (CORF)** – A facility that mainly provides rehabilitation services after an illness or injury, and provides a variety of services including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

**Copayment** – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor’s visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount, rather than a percentage. For example, you might pay \$10 or \$20 for a doctor’s visit or prescription drug.

**Cost-sharing** – Cost-sharing refers to amounts that a member has to pay when services or drugs are received. (This is in addition to the plan’s monthly premium.) Cost-sharing includes any combination of the following three types of payments: (1) any deductible amount a plan may impose before services or drugs are covered; (2) any fixed “copayment” amount that a plan requires when a specific service or drug is received; or (3) any “coinsurance” amount, a percentage of the total amount paid for a service or drug, that a plan requires when a specific service or drug is received. A “daily cost-sharing rate” may apply when your doctor prescribes less than a full month’s supply of certain drugs for you and you are required to pay a copayment.

**Cost-Sharing Tier** – Every drug on the list of covered drugs is in one of 5 cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

**Coverage Determination** – A decision about whether a drug prescribed for you is covered by the plan and the amount, if any, you are required to pay for the prescription. In general, if you bring your prescription to a pharmacy and the pharmacy tells you the prescription isn’t covered under your plan, that isn’t a coverage determination. You need to call or write to your plan to ask for a formal decision about the coverage. Coverage determinations are called “coverage decisions” in this booklet. Chapter 9 explains how to ask us for a coverage decision.

**Covered Drugs** – The term we use to mean all of the prescription drugs covered by our plan.

**Covered Services** – The general term we use to mean all of the health care services and supplies that are covered by our plan.

**Creditable Prescription Drug Coverage** – Prescription drug coverage (for example, from an employer or union) that is expected to pay, on average, at least as much as Medicare’s standard prescription drug coverage. People who have this kind of coverage when they become eligible

**Chapter 12. Definitions of important words**

---

for Medicare can generally keep that coverage without paying a penalty, if they decide to enroll in Medicare prescription drug coverage later.

**Custodial Care** – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you do not need skilled medical care or skilled nursing care. Custodial care is personal care that can be provided by people who don't have professional skills or training, such as help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn't pay for custodial care.

**Customer Relations** – A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals. See Chapter 2 for information about how to contact Customer Relations.

**Daily cost-sharing rate** – A “daily cost-sharing rate” may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you are required to pay a copayment. A daily cost-sharing rate is the copayment divided by the number of days in a month's supply. Here is an example: If your copayment for a one-month supply of a drug is \$30, and a one-month's supply in your plan is 30 days, then your “daily cost-sharing rate” is \$1 per day. This means you pay \$1 for each day's supply when you fill your prescription.

**Deductible** – The amount you must pay for health care or prescriptions before our plan begins to pay.

**Disenroll or Disenrollment** – The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

**Dispensing Fee** – A fee charged each time a covered drug is dispensed to pay for the cost of filling a prescription. The dispensing fee covers costs such as the pharmacist's time to prepare and package the prescription.

**Durable Medical Equipment** – Certain medical equipment that is ordered by your doctor for medical reasons. Examples are walkers, wheelchairs, or hospital beds.

**Emergency** – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

**Emergency Care** – Covered services that are: 1) rendered by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.

**Chapter 12. Definitions of important words**

---

**Evidence of Coverage (EOC) and Disclosure Information** – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

**Exception** – A type of coverage determination that, if approved, allows you to get a drug that is not on your plan sponsor's formulary (a formulary exception), or get a non-preferred drug at a lower cost-sharing level (a tiering exception). You may also request an exception if your plan sponsor requires you to try another drug before receiving the drug you are requesting, or the plan limits the quantity or dosage of the drug you are requesting (a formulary exception).

**Extra Help** – A Medicare program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

**Generic Drug** – A prescription drug that is approved by the Food and Drug Administration (FDA) as having the same active ingredient(s) as the brand name drug. Generally, a “generic” drug works the same as a brand name drug and usually costs less.

**Grievance** - A type of complaint you make about us or one of our network providers or pharmacies, including a complaint concerning the quality of your care. This type of complaint does not involve coverage or payment disputes.

**Home Health Aide** – A home health aide provides services that don't need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises). Home health aides do not have a nursing license or provide therapy.

**Hospice** - An enrollee who has 6 months or less to live has the right to elect hospice. We, your plan, must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums you are still a member of our plan. You can still obtain all medically necessary services as well as the supplemental benefits we offer. The hospice will provide special treatment for your state.

**Hospital Inpatient Stay** – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an “outpatient.”

**Income Related Monthly Adjustment Amount (IRMAA)** – If your income is above a certain limit, you will pay an income-related monthly adjustment amount in addition to your plan premium. For example, individuals with income greater than \$85,000 and married couples with income greater than \$170,000 must pay a higher Medicare Part B (medical insurance) and Medicare prescription drug coverage premium amount. This additional amount is called the income-related monthly adjustment amount. Less than 5 percent of people with Medicare are affected, so most people will not pay a higher premium.

**Initial Coverage Limit** – The maximum limit of coverage under the Initial Coverage Stage.

**Initial Coverage Stage** – This is the stage before your total drug costs including amounts you have paid and what your plan has paid on your behalf for the year have reached \$3,310.

**Initial Enrollment Period** – When you are first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. For example, if you're eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.

**Institutional Special Needs Plan (SNP)** – A Special Needs Plan that enrolls eligible individuals who continuously reside or are expected to continuously reside for 90 days or longer in a long-term care (LTC) facility. These LTC facilities may include a skilled nursing facility (SNF); nursing facility (NF); (SNF/NF); an intermediate care facility for the mentally retarded (ICF/MR); and/or an inpatient psychiatric facility. An institutional Special Needs Plan to serve Medicare residents of LTC facilities must have a contractual arrangement with (or own and operate) the specific LTC facility(ies).

**Institutional Equivalent Special Needs Plan (SNP)** – An institutional Special Needs Plan that enrolls eligible individuals living in the community but requiring an institutional level of care based on the State assessment. The assessment must be performed using the same respective State level of care assessment tool and administered by an entity other than the organization offering the plan. This type of Special Needs Plan may restrict enrollment to individuals that reside in a contracted assisted living facility (ALF) if necessary to ensure uniform delivery of specialized care.

**Late Enrollment Penalty** – An amount added to your monthly premium for Medicare drug coverage if you go without creditable coverage (coverage that is expected to pay, on average, at least as much as standard Medicare prescription drug coverage) for a continuous period of 63 days or more. You pay this higher amount as long as you have a Medicare drug plan. There are some exceptions. For example, if you receive “Extra Help” from Medicare to pay your prescription drug plan costs, you will not pay a late enrollment penalty.

**List of Covered Drugs (Formulary or “Drug List”)** – A list of prescription drugs covered by the plan. The drugs on this list are selected by the plan with the help of doctors and pharmacists. The list includes both brand name and generic drugs.

**Low Income Subsidy (LIS)** – See “Extra Help.”

**Maximum Out-of-Pocket Amount** – The most that you pay out-of-pocket during the calendar year for in-network covered Part A and Part B services. Amounts you pay for your plan premiums, Medicare Part A and Part B premiums, and prescription drugs do not count toward the maximum out-of-pocket amount. See Chapter 4, Section 1.2 for information about your maximum out-of-pocket amount.

**Medicaid (or Medical Assistance)** – A joint Federal and state program that helps with medical costs for some people with low incomes and limited resources. Medicaid programs vary from

**Chapter 12. Definitions of important words**

---

state to state, but most health care costs are covered if you qualify for both Medicare and Medicaid. See Chapter 2, Section 6 for information about how to contact Medicaid in your state.

**Medically Accepted Indication** – A use of a drug that is either approved by the Food and Drug Administration or supported by certain reference books. See Chapter 5, Section 3 for more information about a medically accepted indication.

**Medically Necessary** – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

**Medicare** – The Federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). People with Medicare can get their Medicare health coverage through Original Medicare or a Medicare Advantage Plan.

**Medicare Advantage Disenrollment Period** – A set time each year when members in a Medicare Advantage plan can cancel their plan enrollment and switch to Original Medicare. The Medicare Advantage Disenrollment Period is from January 1 until February 14, 2016.

**Medicare Advantage (MA) Plan** – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be an HMO, PPO, a Private Fee-for-Service (PFFS) plan, or a Medicare Medical Savings Account (MSA) plan. When you are enrolled in a Medicare Advantage Plan, Medicare services are covered through the plan, and are not paid for under Original Medicare. In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug Coverage**. Everyone who has Medicare Part A and Part B is eligible to join any Medicare health plan that is offered in their area, except people with End-Stage Renal Disease (unless certain exceptions apply).

**Medicare Coverage Gap Discount Program** – A program that provides discounts on most covered Part D brand name drugs to Part D enrollees who have reached the Coverage Gap Stage and who are not already receiving “Extra Help.” Discounts are based on agreements between the Federal government and certain drug manufacturers. For this reason, most, but not all, brand name drugs are discounted.

**Medicare-Covered Services** – Services covered by Medicare Part A and Part B. All Medicare health plans, including our plan, must cover all of the services that are covered by Medicare Part A and B.

**Medicare Health Plan** – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in the plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

**Medicare Prescription Drug Coverage (Medicare Part D)** – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

**“Medigap” (Medicare Supplement Insurance) Policy** – Medicare supplement insurance sold by private insurance companies to fill “gaps” in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage Plan is not a Medigap policy.)

**Member (Member of our Plan, or “Plan Member”)** – A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

**Network Pharmacy** – A network pharmacy is a pharmacy where members of our plan can get their prescription drug benefits. We call them “network pharmacies” because they contract with our plan. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

**Network Provider** – “Provider” is the general term we use for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the State to provide health care services. We call them “**network providers**” when they have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Our plan pays network providers based on the agreements it has with the providers or if the providers agree to provide you with plan-covered services. Network providers may also be referred to as “plan providers.”

**Optional Supplemental Benefits** – Non-Medicare-covered benefits that can be purchased for an additional premium and are not included in your package of benefits. If you choose to have optional supplemental benefits, you may have to pay an additional premium. You must voluntarily elect Optional Supplemental Benefits in order to get them.

**Observation** - Observation services are hospital outpatient services given to help the doctor decide if the patient needs to be admitted as an inpatient or can be discharged. Observation services may be given in the Emergency Department(ED) or another area of the hospital.

**Organization Determination** – The Medicare Advantage plan has made an organization determination when it makes a decision about whether items or services are covered or how much you have to pay for covered items or services. The Medicare Advantage plan’s network provider or facility has also made an organization determination when it provides you with an item or service, or refers you to an out-of-network provider for an item or service. Organization determinations are called “coverage decisions” in this booklet. Chapter 9 explains how to ask us for a coverage decision.

**Original Medicare (“Traditional Medicare” or “Fee-for-service” Medicare)** – Original Medicare is offered by the government, and not a private health plan like Medicare Advantage Plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by

**Chapter 12. Definitions of important words**

---

Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has two parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

**Out-of-Network Pharmacy** – A pharmacy that doesn’t have a contract with our plan to coordinate or provide covered drugs to members of our plan. As explained in this Evidence of Coverage, most drugs you get from out-of-network pharmacies are not covered by our plan unless certain conditions apply.

**Out-of-Network Provider or Out-of-Network Facility** – A provider or facility with which we have not arranged to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that are not employed, owned, or operated by our plan or are not under contract to deliver covered services to you. Using out-of-network providers or facilities is explained in this booklet in Chapter 3.

**Out-of-Pocket Costs** – See the definition for “cost-sharing” above. A member’s cost-sharing requirement to pay for a portion of services or drugs received is also referred to as the member’s “out-of-pocket” cost requirement.

**Paraprofessional** – As it pertains to the treatment of autism and autism spectrum disorders, a Paraprofessional is an individual who performs applied behavioral analysis (ABA) services under the supervision of a Board-Certified Behavior Analyst (BCBA).

**Part C** – see “**Medicare Advantage (MA) Plan.**”

**Part D** – The voluntary Medicare Prescription Drug Benefit Program. (For ease of reference, we will refer to the prescription drug benefit program as Part D.)

**Part D Drugs** – Drugs that can be covered under Part D. We may or may not offer all Part D drugs. (See your formulary for a specific list of covered drugs.) Certain categories of drugs were specifically excluded by Congress from being covered as Part D drugs.

**Preferred Provider Organization (PPO) Plan** – A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they are received from network or out-of-network providers. Member cost-sharing will generally be higher when plan benefits are received from out-of-network providers. PPO plans have an annual limit on your out-of-pocket costs for services received from network (preferred) providers and a higher limit on your total combined out-of-pocket costs for services from both network (preferred) and out-of-network (non-preferred) providers.

**Premium** – The periodic payment to Medicare, an insurance company, or a health care plan for health or prescription drug coverage.

**Primary Care Physician (PCP)** – Your Primary Care Physician is the doctor or other provider you see first for most health problems. He or she makes sure you get the care you need to keep you healthy. He or she also may talk with other doctors and health care providers about your care and refer you to them. In many Medicare health plans, you must see your Primary Care Physician before you see any other health care provider. See Chapter 3, Section 2.1 for information about Primary Care Physicians.

**Prior Authorization** – Approval in advance to get services or certain drugs that may or may not be on our formulary. Some in-network medical services are covered only if your doctor or other network provider gets “prior authorization” from our plan. Covered services that need prior authorization are marked in the Benefits Chart in Chapter 4. Some drugs are covered only if your doctor or other network provider gets “prior authorization” from us. Covered drugs that need prior authorization are marked in the formulary.

**Prosthetics and Orthotics** – These are medical devices ordered by your doctor or other health care provider. Covered items include, but are not limited to, arm, back and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

**Quality Improvement Organization (QIO)** – A group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients. See Chapter 2, Section 4 for information about how to contact the QIO for your state.

**Quantity Limits** – A management tool that is designed to limit the use of selected drugs for quality, safety, or utilization reasons. Limits may be on the amount of the drug that we cover per prescription or for a defined period of time.

**Referral** – An approval from a member’s PCP to seek care from another health care professional, usually a specialist, for treatment or consultation.

**Referral Circle** – Each plan PCP has certain plan specialists called a “referral circle” that she or he uses for providing medical care to you. This means that in most cases, you will not have access to the entire Tufts Health Plan Senior Care Options network, except in emergency or urgent care situations or for out-of-area renal dialysis or other services.

**Rehabilitation Services** – These services include physical therapy, speech and language therapy, and occupational therapy.

**Service Area** – A geographic area where a health plan accepts members if it limits membership based on where people live. For plans that limit which doctors and hospitals you may use, it’s also generally the area where you can get routine (non-emergency) services. The plan may disenroll you if you permanently move out of the plan’s service area.

**Skilled Nursing Facility (SNF) Care** – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of skilled nursing facility care

**Chapter 12. Definitions of important words**

---

include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

**Special Enrollment Period** – A set time when members can change their health or drugs plans or return to Original Medicare. Situations in which you may be eligible for a Special Enrollment Period include: if you move outside the service area, if you are getting “Extra Help” with your prescription drug costs, if you move into a nursing home, or if we violate our contract with you.

**Special Needs Plan** – A special type of Medicare Advantage Plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who reside in a nursing home, or who have certain chronic medical conditions.

**Step Therapy** – A utilization tool that requires you to first try another drug to treat your medical condition before we will cover the drug your physician may have initially prescribed.

**Supplemental Security Income (SSI)** – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

**Urgently Needed Services** – Urgently needed services are care provided to treat a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible.
