

# Apply for a Small Business Grant

## Kick-start Your Company's Transition to Going Green

### Apply Today for a TURI Small Business Grant

#### Project examples include:

- **Dry cleaners** - Replace perchloroethylene with professional wet cleaning.
- **Auto body shops** - Replace solvent-based paint gun washers with water-based alternatives.
- **Child care facilities** – Introduce safer cleaning and sanitizing products.
- **Gymnasiums** – Replace foam pit cubes that contain flame retardants with safer products.
- **Restaurants** - Replace traditional sanitizers with safer options.
- **Breweries** - Reduce caustic cleaners and acid rinses in clean-in-place processes.
- **Mortuaries** – Introduce options to formaldehyde.
- **Bathtub refinishers** – Replace methylene chloride with a mechanical stripping process.

*Program funding is limited and submitting an application is no guarantee that a grant will be awarded.*

Where are toxic chemicals used in your business?

Call us if you would like to discuss ideas about safer alternatives or processes.
