UPDATE: DCR Recreational Advisory: Breakheart Reservation in Saugus

WHAT: Beginning on Friday, September 2, 2022, the Department of Conservation and Recreation (DCR) will partially reopen Breakheart Reservation in the Town of Saugus. Out of an abundance of caution, areas of the reservation, including Ash Path and Ridge Trail, will remain closed to the public as the agency continues to conduct ongoing tree removal and cleanup efforts associated with recent wildland fire activity. DCR staff will be on site to direct visitors to the reopened areas of the reservation, and video message boards, cones, and signage will also clearly identify areas that are both open and remain closed to the public. DCR asks that all visitors to stay within open sections of the reservation.

WHERE: Breakheart Reservation
177 Forest Street
Saugus, MA 01906

WHEN: Friday, September 2, 2022
