USER GUIDE AND DIRECTIVES ON DATA COLLECTION AND REPORTING FOR EOHLC STATE RENTAL ASSISTANCE

I. Purpose

In response to Chapter 334 of the Acts of 2006 ('the Act"), the Executive Office of Housing and Livable Communities (EOHLC) has developed spreadsheets for local housing authorities and regional non-profits administering state rental assistance to report data required by the Act to EOHLC. The Act provides for the gathering, compiling, and reporting of data by EOHLC to provide current, accurate, and detailed information on the number, location, and residents of assisted housing units and recipients of state or federal assistance in the Commonwealth. Local housing authorities and regional non-profits administering state rental assistance must report data required by EOHLC pursuant to Chapter 334 of the Acts of 2006 (the "Act") and the regulations at 760 CMR 61.00.

EOHLC will annually report to the state legislature on its data collection efforts and results by December 31st, and may provide reports to other interested parties in a manner consistent with all applicable privacy laws. EOHLC also will evaluate the data as part of its efforts to affirmatively further fair housing. More specifically, EOHLC will analyze the data to ensure that housing choice, equitable housing opportunities, and inclusive patterns of housing are available across the Commonwealth.

To enable EOHLC to compile and analyze data more efficiently and effectively, LHAs must now report by uploading spreadsheets through the EOHLC-LHA Housing Applications portal at https://hedlhaportal.azurewebsites.net/Login.aspx as further described below.

Note: the portal has only been designed for submission by LHAs at this time and the regional non-profits will submit via email as instructed.

II. Applicability

The reporting requirement applies to all public housing authorities and regional non-profits administering state rental assistance (Massachusetts Rental Voucher Program (MRVP), the Alternative Housing Voucher Program (AHVP), and the DMH Rental Subsidy Program.

III. Confidentiality Requirements

In connection with data collection and reporting, all holders of information relating to a specific resident or unit shall treat such information as confidential in compliance with all applicable state and federal statutes and regulations, including M.G.L. c. 66A. All holders of said information shall implement adequate systems and procedures for maintaining confidentiality.

IV. When Data Shall be Collected

Data shall be collected during initial occupancy, turnover, and rent re-determination/re-certification.

<u>Please note</u>: housing authorities and regional non-profits administering state rental assistance not currently collecting all data points MUST incorporate them into initial occupancy and rent re-determination/re-certification documentation going forward and include notice to the household that the data will be provided to EOHLC.

V. When Data Shall be Reported

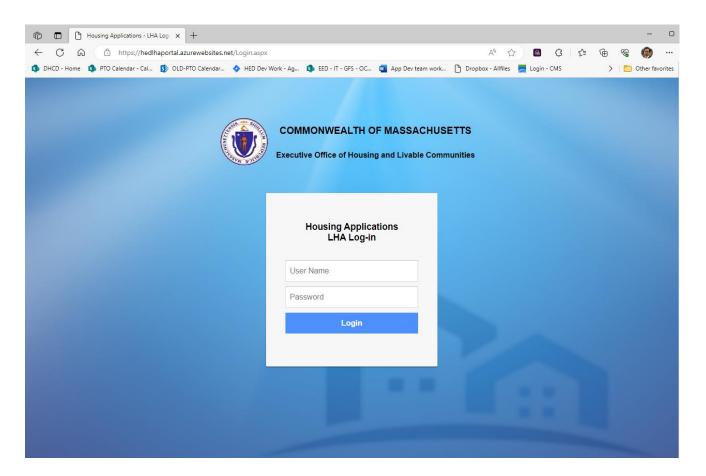

Data shall be submitted to EOHLC by September 30th of every year reflecting occupancy statistics that exist in your files as of July 31st of that year.

VI. Data Collection Restrictions

Any and all inquiries made on the basis of race, ethnicity, and age for the purposes contained herein must include notice that responses are *voluntary*.

Data MUST be entered into the downloaded spreadsheets for state project-based rental assistance and spreadsheet for state mobile rental assistance (note that the project-based spreadsheet and mobile spreadsheet are *not* the same). As in prior years, data also MUST be entered in accordance with the Definitions and Codes.

If certain data entries from the spreadsheet used for the prior reporting year have not changed and you would like to copy said data into a downloaded spreadsheet, one way to do so is by clicking on/highlighting the data field(s) in the previous spreadsheet and selecting "Edit" and then "Copy," followed by clicking on/highlighting the current spreadsheet and selecting "Edit" then "Paste" in the relevant field(s).

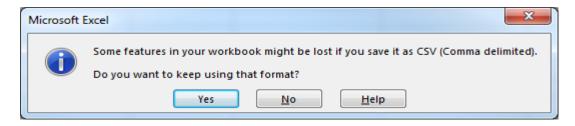

Once data has been entered or pasted into the spreadsheet and is ready for submission, double-check that the data corresponds to the appropriate columns (additionally, a view of submitted data will appear to help viewers check whether the data correctly lines up with the column headings).

IX. Uploading Spreadsheets and Entering and Submitting Data

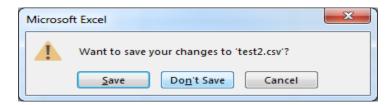

Upload the completed spreadsheet for submission by clicking on the "Upload" button under **Step 1**.

In order to upload properly, the spreadsheet must be saved as a CSV file. To save the spreadsheet as a CSV file, click on "File" and then in the "Save as type" drop-down list, select "CSV (Comma delimited)." Change the file name as needed, and then click "Save."

Upon the following message, click "Yes" to keep the CSV format and save it.

Exit the program, Click "Don't Save" (already saved).

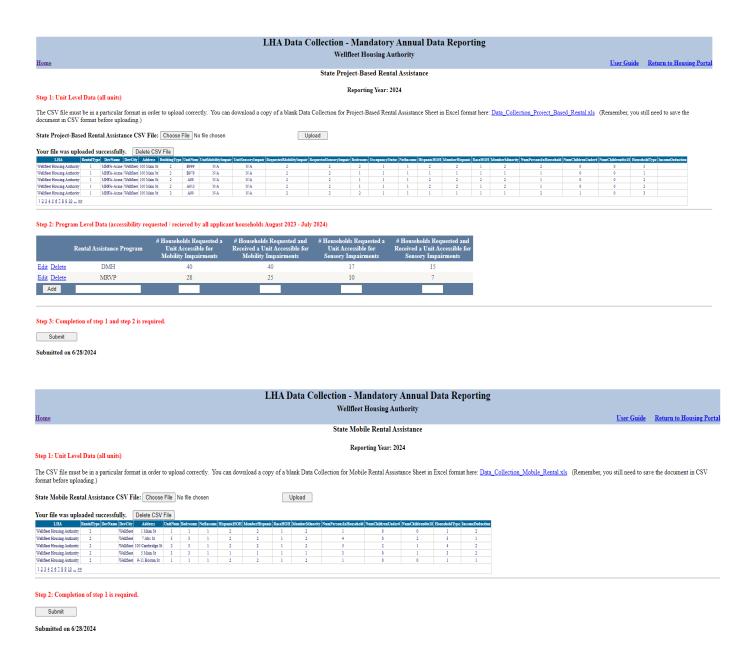

To correct/replace a submitted spreadsheet, click on the "Delete CSV/File" button under Step 1 to delete the previously submitted spreadsheet and then and upload a new CSV file spreadsheet.

X. Program-Level Information and Submission

For state project-based rental assistance: there is a "Step 2" under which certain program level accessibility-related information must be entered. The final step, "Step 3," is to click on the "Submit" button on the left-hand side of the page. Completion of Step 1 and Step 2 is required prior to Step 3.

For state mobile rental assistance: "Step 2," the final step, is to click on the "Submit" button on the left-hand side of the page.
