About the Restaurant Meals Program

The Restaurant Meals Program (RMP) expands access to healthy prepared foods and enhances the quality of life of Massachusetts residents, while supporting local businesses. Supplemental Nutrition Assistance Program (SNAP) recipients are eligible if they are:

- An older adult (60+),
- A person with a disability, or
- An individual or family that is experiencing homelessness.

Eligible recipients of SNAP can now use their benefits to purchase healthy meals that fit their culture, diet, and lifestyle, in person or as takeout at participating restaurants and food trucks. As an RMP vendor, we are proud to expand access to fresh and healthy meals for our neighbors who may be unable to shop or cook for themselves.
