**Re: D.T.C. 13-6 – Agreement of Verizon New England Inc.**

Dear Secretary Williams:

As an update to information provided to the Department in written testimony, data responses and at hearing in this proceeding, I write to advise the Department that Verizon and Sprint have entered into an agreement for the exchange of voice traffic between Sprint wireless customers and Verizon interconnected VoIP service customers (i.e. Verizon's FIOS Digital Voice customers) in IP format. This new agreement is in addition to the agreement that Sprint and Verizon Wireless entered into earlier this year that was discussed at the evidentiary hearing and in briefs.

Sincerely,

A handwritten signature in blue ink, appearing to read "Alex Moore".

Alexander W. Moore
