MassHealth
Vision Care Bulletin 14
July 2007

TO: Vision Care Providers Participating in MassHealth

FROM: Tom Dehner, Medicaid Director 

RE: **Nursing Home/Home Visits for Vision Care Services and Pick-up and Delivery of Eyeglasses**

Background

Effective July 1, 2006, MassHealth limited the use of Service Code T2002 for the delivery and pick-up of eyeglasses to once per facility per date of service. Providers were not permitted to bill Service Code T2002 for each additional MassHealth member provided with pick-up or delivery service to the same facility on the same date.

**Revised Policy
(Service Code T2002)**

Effective **June 1, 2007**, MassHealth pays for Service Code T2002 **once per member per date of service** for each member for whom the provider delivered or picked up eyeglasses, or to whom eye exam services were provided, in a nursing-home or home setting.

This change will be reflected in revised regulations.
