Board Counsel

- Statement from Board Counsel regarding input on pending legislation: Board members may provide statements of their individual views, as licensees or members of the public, on pending legislation, provided that such statements (1) are made outside the context of veterinary board meetings and (2) do not mention the speaker's affiliation with the veterinary board.

Discussion: None

- Attestation Review – Table until August Board Meeting when quorum can be established.

Items Not Reasonably Anticipated by the Chair:

- Keith Malarick- Public comment/question regarding whether a specific case will be on the agenda for the meeting Thursday, June 12.
- Board Counsel advised the public regarding closed session discussions, and noted that the ability to hear certain cases is dependent on multiple factors; future minutes will reflect the Board decision on whether a case is referred to Prosecutions.
- Dr. Sloane asked if we could hear the case, or if there was a way to let them know when it was going to be heard. Board Counsel clarified that staff can make every effort to have the case heard but cannot guarantee it will be heard.

At 9:49am, the Board moved to exit the Public Session and entered Closed Session for the purpose of conducting settlement and investigatory conferences pursuant to G. L. C. 112, § 65C.
