At 5:01 PM the Vice Chair Kube called the meeting to order, and the Acting Executive Director
noted the meeting was being recorded. Members, staff, and the public introduced themselves.

Read and Approve Minutes

The members discussed the draft Board meeting minutes for May and June. For the May minutes, Dr. Sloane inquired whether an abstention should be noted on a certain vote, and Board Counsel clarified that minutes reflect her arrival after the vote in question. For the June minutes, with respect to the third bullet under Items Not Reasonably Anticipated By The Chair, Dr. Sloane requested that the minutes be amended to note that she asked if we could hear the case, or if there was a way to let them know when it was going to be heard. Guidance was given to amend the minutes and adopt as amended. Dr. Diamond asked about two docket numbers listed in the May minutes and Board Counsel provided clarification thereon.

- Motion to approve the minutes from May and June with the noted amendment.
