Meet at the Visitor Center. Appropriate for ages 8 & up.

AS OLD AS THE HILLS

Wachusett Mountain is home to the only old-growth forest east of the Berkshires. We will share the history of these rare trees and how they have survived during this 30min talk.

Meet at the Visitor Ceter. Appropriate for ages 13 & up.

FALL WILDFLOWER WALK 教

Did you know that there have been hundreds of wildflower species documented here? On this stroll we will look at the most common wildflowers here at Wachusett Mountain.

Meet at the Visitor Center. Appropriate for ages 10 & up. Approximately one mile over easy terrain.

HAWKS OVER THE MOUNTAIN THAT

Wachusett Mountain is one of the best places in the northeast to witness the fall migration of hawks. Learn the basics of hawk identification and (hopefully) admire the hawks as they go by.
