*How do you convince a  
gull to move?*

# You Go Gull !

## Thurs. November 16, 6:30-7:30 pm

Have you ever wondered why DCR is chasing waterfowl with boats on the reservoir? At this time of year, flocks of gulls can threaten clean drinking water. Hear about the DCR's Division of Water Supply Protection's solution to pollution as they match wits with these clever birds.

Meet at John Augustus Hall, DCR Division of Water Supply Protection Headquarters, 180 Beaman Street, West Boylston
