## “Sky Water: Reflections on Walden Pond”

At the Visitor Center: February-April, 2024, 10 am-3 pm

Thoreau called Walden Pond “Sky water...a mirror which no stone can crack, whose quicksilver will never wear off, whose gilding nature continually repairs.”

The abstract paintings, collages, and digital works of Arlington-based artist Patricia Crotty are inspired by the connection with nature that Walden

Pond provides visitors.

Her work springs from a desire to celebrate the beauty of nature in all of its forms and seasons, concerns about climate change, and hope for healing.

Co-sponsored by *Friends of Walden Pond*.

Exhibit is Free. Parking fees apply.

Information: 978-405-2082.
