To: All Purchasers of Walker Beacon School Services

We appreciate your support of the Walker Beacon School by the placement of a student from your town in our program. As you are aware, our specialized school environment provides educational, therapeutic and health care services to youth with complex and significant disabilities. The complex needs of students continue to intensify each school year. Consequently, we need to change the configuration of our services to meet these needs. We are planning to use the MA Department of Elementary and Secondary Education's Mid-Cycle Review, scheduled for November 2023, to initiate the needed programmatic additions through the program reconstruction process.

We anticipate a new authorized tuition price of \$90,747.88. We are seeking the increase effective July 1, 2024. This increase will enhance our service delivery to better meet the needs of our students.

Thank you for your continued support and please contact me if you should have any questions.

Sincerely,
