RATES AND CHARGES

2 Men and a Truck \$174 per hour
3 Men and a Truck \$234 per hour
4 Men and a Truck \$312 per hour

Time is computed from the time the vehicle and helpers report at the original point of loading until the completion of unloading the last load at the final destination, less the time spent for meals or vehicle breakdown. There will be a 2 hour labor minimum for all jobs and once this 2 hour minimum is satisfied, charges accrue pro-rated to the half hour. An additional charge shall be assessed for each vehicle, helper(s) or supervisor(s) to cover their travel time. Such charge shall not be assessed more than once during any one day to the same shipper for the same vehicle, helper(s) or supervisor(s). Travel time charges shall be calculated as follows:

Travel Time:

Standard travel time on all jobs is 1 (one) hour. Exceptions to standard travel see below:

- (A) Over 25 miles up to and including 50 miles.....Add 1/2 hour
- (B) Over 50 miles up to and including 75 miles.....Add 1 hour
- (C) Over 75 miles up to and including 100 miles.....Add 2 hours
- (D) Over 100 miles up to and including 150 miles.....Add 3 hours

Hoisting:

Prime Delivery will only hoist to/from 2nd (second) stories. Hoists to/from 3 (three) stories and above will need to be done by an outside contractor at the additional cost of the consumer.

Definition:

The term "Household goods, Furniture and Office Equipment" as used in this tariff means: The transportation of furniture and household goods in whole or in part incident to a move by a householder to or from a dwelling and a storage warehouse, from one dwelling to another, or within a location, and of office equipment or property of a commercial establishment incident to the removal of an establishment in whole or in part from one location to another, or within a location.

Estimate/Quotations:

Carrier cannot quote a firm price on a move from a residence or establishment to another if a public has to be used by a vehicle. He may give a written estimate, but in doing so, be qualified to estimate within twenty-five percent (25%) of the actual charges. The final charges to be assessed shall be in accordance with the actual tariff rates.
