THIS CABLE TELEVISION RENEWAL LICENSE AGREEMENT (this “License” or “Agreement”) is entered into by and between the Select Board of the Town of Wayland, as Issuing Authority, for the grant of the cable television license pursuant to the Massachusetts Cable Law (M.G.L. c. 166A), and Verizon New England Inc., a corporation duly organized under the applicable laws of the State of New York (the “Licensee”).

WHEREAS, the Issuing Authority is a “franchising authority” in accordance with Title VI (as hereinafter defined) (see 47 U.S.C. § 522(10)) and is authorized to grant one or more nonexclusive cable licenses pursuant to the Massachusetts Cable Law;

WHEREAS, the Issuing Authority granted to Licensee effective as of January 22, 2008, a nonexclusive Final License to install, maintain, extend, and operate a Cable System in the Town for a term of fifteen (15) years (the “Final License”);

WHEREAS, the Licensee has operated a Cable System in accordance with the Final License as of the effective date on its existing Telecommunications Facilities consisting of a Fiber to the Premises Telecommunications Network (“FTTP Network”) in the Town which transmits Non-Cable Services pursuant to authority granted by M.G.L. c. 166 and Title II, which Non-Cable Services are not subject to the Massachusetts Cable Law or Title VI;

WHEREAS, the Issuing Authority has examined the past performance of Licensee and has determined that Licensee is and has been in material compliance with the Final License and applicable law;

WHEREAS, pursuant to and in accordance with applicable federal and State law, the Licensee submitted to the Issuing Authority a proposal to renew the Final License to operate a Cable System in the Town; and

WHEREAS, following good faith negotiations between the parties, the Issuing Authority and Licensee have agreed on the terms for a renewal License under which Licensee will continue to operate its Cable System in the Town.

NOW, THEREFORE, in consideration of the Issuing Authority’s grant of a renewal License to Licensee, Licensee’s promise to continue providing Cable Service to residents of the Town pursuant to the terms and conditions set forth herein, and for other good and valuable consideration, the receipt and the adequacy of which are hereby acknowledged,

THE SIGNATORIES DO HEREBY AGREE AS FOLLOWS:

2. GRANT OF AUTHORITY; LIMITS AND RESERVATIONS

2.1. *Grant of Authority*: Subject to the terms and conditions of this License and the Massachusetts Cable Law, the Issuing Authority hereby grants the Licensee the right to operate and maintain a Cable System within the Town, for the purpose of providing Cable Service. Reference herein to "Public Rights-of-Way" shall not be construed to be a representation or

guarantee by the Town that its property rights are sufficient to permit its use for any purpose, or that the Licensee shall gain or be permitted to exercise any rights to use property in the Town greater than those already possessed by the Town or which is inconsistent with the purposes for which it was taken, purchased and/or dedicated. This License grants no authority for the Licensee to use the Public Rights-of-Way within the Town for any other purpose unless otherwise provided herein. However, nothing in this License shall be construed to prohibit the Licensee from offering any service over the Cable System that is not prohibited by federal or State law provided that any requirements for Town authorization or permitting not inconsistent with federal and State law are satisfied. The Licensee's FTTP Network in the Public Rights-of-Way, which the Licensee has upgraded under its Title II authority, is subject to M.G.L. c. 166. The Licensee shall, subject to Section 2.2 below, adhere to all applicable Town bylaws and lawful regulations of the Town regarding rights-of-way and public works matters, including rights-of-way management requirements with regard to public safety and other legitimate municipal concerns. Nothing in this Section 2.1 shall be deemed to prohibit the right of the Licensee to challenge the legality of such a Town bylaw or regulation. No privilege or power of eminent domain is bestowed by this grant; nor is such a privilege or power bestowed by this License.

2.2. *Issuing Authority Does Not Regulate Telecommunications:* The parties recognize that the Licensee's FTTP Network is constructed, operated and maintained as an upgrade to and/or an extension of its existing Telecommunications Facilities under Title II and M.G.L. c. 166. The jurisdiction of the Town over such Telecommunications Facilities is restricted by federal and State law, and the Town does not and will not assert jurisdiction over the Licensee's FTTP Network in contravention of those limitations. Therefore, the Issuing Authority's regulatory authority under Title VI is not applicable to the construction, installation, maintenance or operation of the FTTP Network to the extent the FTTP Network is constructed, installed, maintained and operated for the purpose of upgrading and/or extending Verizon's existing Telecommunications Facilities for the provision of Non-Cable Services.

2.3. *Term:* The term of this License shall be for a period of five (5) years, commencing on March 20, 2023 (the "Effective Date"), and shall expire at midnight on March 19, 2028, unless the License is earlier terminated by Licensee pursuant to the terms of Sections 2.4 or 2.5 of this License or revoked by the Issuing Authority as provided herein.

2.4. *Termination:* Notwithstanding any provision herein to the contrary, Licensee may terminate this License upon one hundred and eighty (180) days' written notice to the Issuing Authority. Licensee shall not provide the notice of termination sooner than the beginning of the 31st month following the Effective Date.

2.5. *Modification/Termination Based on VSP Requirements:*

2.5.1. If the Issuing Authority enters into any franchise agreement, license, or grant of authorization to a VSP to provide Video Programming services to residential subscribers in the Town and provided that such terms or conditions can be reasonably demonstrated to materially and adversely affect Verizon's competitive position relative to any VSP that has entered an agreement, etc. that is deemed materially less burdensome, Licensee and the Issuing Authority shall, within sixty (60) days of the Issuing Authority's receipt of Licensee's written notice, commence negotiations to modify this License to create reasonable competitive

equity between Licensee and such other VSP. Any modification of the License pursuant to the terms of this Section shall not trigger the requirements of 207 CMR § 3.07.

2.5.2. In the event the parties do not reach mutually acceptable agreement on a modification requested by Licensee, Licensee shall, at any time and in its sole discretion, have the option of exercising any of the following actions:

a. commencing license renewal proceedings in accordance with 47 U.S.C. §546 with the License term being accelerated, thus being deemed to expire thirty-six (36) months from the date of Licensee's written notice to seek relief hereunder;

b. terminating the License within three (3) years from written notice to the Issuing Authority;

c. if agreed by both parties, submitting the matter to commercial arbitration by a mutually-selected arbitrator in accordance with the rules of the American Arbitration Association;

d. submitting the matter to mediation by a mutually-acceptable mediator; or

e. submitting the matter to the Cable Division of the Massachusetts Department of Telecommunications and Cable.

2.5.3. The PEG Grant and PEG Access Support, as provided in Sections 5.3 and 5.4, will not be subject to modification under this Section 2.5. PEG Grant and PEG Access Support payments under this License shall be modified in accordance with the terms and conditions set forth in Sections 5.3 and 5.4 hereunder.

2.6. *Grant Not Exclusive:* This License and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the Issuing Authority reserves the right to grant other licenses for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use themselves, at any time during the term of this License. Any such rights shall not be in conflict with the authority as granted by this License. Disputes between the Licensee and other parties regarding use of Public Rights-of-Way shall be resolved in accordance with applicable law.

2.7. *License Subject to Federal and State Law/Preemption:* This License is subject to and shall be governed by all applicable provisions of federal and State law and regulations as they may be amended, including but not limited to the Communications Act and the Massachusetts Cable Law. In the event that federal or State law, rules, or regulations preempt a provision or limit the enforceability of a provision of this License, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the parties hereto.

2.8. *No Waiver:*

2.8.1 The failure of the Issuing Authority on one or more occasions to exercise a right or to require compliance or performance under this License, the Massachusetts Cable Law or any other applicable law, bylaw or lawful regulation shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance by the Issuing Authority, nor to excuse Licensee from complying or performing, unless such right or such compliance or performance has been specifically waived in writing by the Issuing Authority.

2.8.2 The failure of the Licensee on one or more occasions to exercise a right under this License or applicable law, or to require performance under this License, shall not be deemed to constitute a waiver of such right or of performance of this License, nor shall it excuse the Issuing Authority from performance, unless such right or performance has been specifically waived in writing by the Licensee.

2.9. *Construction of Agreement:*

2.9.1 The provisions of this License shall be liberally construed to effectuate their objectives.

2.9.2 Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545.

2.9.3 Should any change to local bylaws, rules or regulations cause the Licensee's provision of Cable Services in the Town to be commercially impracticable, then the parties shall modify this License to the mutual satisfaction of both parties to ameliorate such commercial impracticability. If the parties cannot reach agreement on the above-referenced modification to this License, then, at the Licensee's option the parties shall submit the matter to binding arbitration.

2.10. *Police Powers:* Nothing in this License shall be construed to prohibit the reasonable, necessary and lawful exercise of the Town's police powers. However, if the reasonable, necessary and lawful exercise of the Town's police powers causes the Licensee's provision of Cable Services in the Town to be commercially impracticable, then the parties shall modify this License to the mutual satisfaction of both parties to ameliorate such commercial impracticability. If the parties cannot reach agreement on the above-referenced modification to this License, then, at the Licensee's option, the parties shall submit the matter to binding arbitration.

2.11. *Compliance with Federal and State Privacy Laws:* Licensee shall comply with the privacy provisions of Section 631 of the Communications Act and all other applicable federal and State privacy laws and regulations. The parties agree that, during the term hereof, Licensee shall not be subject to any local laws or ordinances which conflict with such applicable federal and/or State privacy laws, or which would impose additional or distinct requirements upon Licensee with respect to Subscriber privacy other than those which are expressly set forth in applicable federal and/or State privacy laws.

3. PROVISION OF CABLE SERVICE

3.1. *Service Area:* Subject to the issuance of all necessary permits by the Town, Licensee shall continue to offer Cable Service to all residential households in the Service Area, except: (A) for periods of Force Majeure; (B) for periods of delay caused by the Town; (C) for periods of delay resulting from Licensee's inability to obtain authority to access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments, buildings, or other residential dwelling units that Licensee cannot access under reasonable terms and conditions after good faith negotiation, as determined by Licensee; (F) in areas, developments, buildings, or other residential dwelling units where Licensee is unable to provide Cable Service for technical reasons or which require non-standard facilities which are not available on a commercially reasonable basis, including, but not limited to, circumstances where Licensee cannot access the area, development, building, or other residential dwelling unit by using Licensee's existing network pathways and which would thus require the construction of new trunk, feeder, or distribution lines; (G) in areas, developments, buildings, or other residential dwelling units that are not habitable or have not been constructed as of the Effective Date; and (H) where Licensee is unable, after good faith efforts, to make Cable Service available on a commercially reasonable basis.

3.2. *Availability of Cable Service:* Licensee shall make Cable Service available to all residential dwelling units within the Town in conformance with Section 3.1 and Licensee shall not discriminate between or among any individuals in the availability of Cable Service. In the areas in which Licensee provides Cable Service, the Licensee shall be required to connect, at Licensee's expense, all residential dwelling units that are within one hundred fifty (150) feet of trunk or feeder lines not otherwise already served by Licensee's FTTP Network. Where a residential connection exceeds such lengths, the Licensee shall be allowed to recover from such Subscriber the actual cost of connection attributable to the distance in excess of the length above.

3.3. *Availability of Cable Service to Businesses:* The Licensee may make Cable Service available to businesses. The Licensee may recover the actual cost incurred to connect any business to the Cable System for the provision of Cable Service.

3.4. *Cable Service to Public Buildings:* In accordance with applicable provisions of the FCC's 2019 Third Report and Order In the Matter of Implementation of Section 621 of the Cable Act (the "621 Order"), within a reasonable period of time following the Effective Date, the Licensee shall provide written notice to the Issuing Authority regarding the manner and process by which the Licensee shall implement the 621 Order's requirements regarding the provision of free or discounted Cable Service to public buildings under a cable license. If there is a final determination or ruling of any agency or court having jurisdiction, after exhaustion of all appeals related thereto, reversing the 621 Order such that the provision of free or discounted Cable Service to public buildings pursuant to a cable franchise should no longer be included in the calculation of franchise fees subject to the five percent (5%) statutory cap under the Communications Act, then, subject to Section 3.1, if requested in writing by the Issuing Authority within sixty (60) days following such ruling, the Licensee shall provide one Cable Service drop, outlet and monthly Basic Service along its activated Cable System route in the Town at no cost to public schools, police and fire stations, public libraries and other public buildings designated in writing by the Issuing Authority. All such written designations shall include the street address of

each building. The current designation of such buildings and their addresses is set forth in **Exhibit A**. The Licensee shall coordinate the location of each outlet with representatives for each of the buildings receiving service pursuant to this Section 3.4. Licensee shall be permitted to recover, from any school or other public building owner entitled to free service, the direct cost of installing, when requested to do so, more than one outlet, or concealed inside wiring; provided, however, that Licensee shall not charge for the provision of Basic Service to the additional service outlets once installed. The parties hereto agree that the exercise of any conditional obligations set forth in this Section 3.3 shall not constitute a modification or amendment of the License within the meaning of 207 CMR 3.07.

4. SYSTEM FACILITIES

4.1. *System Characteristics:* Licensee's Cable System shall meet or exceed the following requirements:

4.1.1. The System shall be operated with an initial digital passband of between 50 and 860 MHz.

4.1.2. The Cable System shall be operated to be an active two-way plant for subscriber interaction, if any, required for the selection or use of Cable Service.

4.2. *Interconnection With Other Cable Systems:*

4.1.3. The Licensee shall operate its Cable System so that it may be interconnected with other cable systems in the Town. Interconnection of systems may be made by direct cable connection, microwave link, satellite, or other appropriate methods.

4.3. *Emergency Alert System:* Licensee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and applicable State and local EAS plans in order that emergency messages may be distributed over the Cable System.

4.4. *Parental Control Capability:* The Licensee shall comply with all applicable requirements of federal law(s) governing Subscribers' capability to control the reception of any channels being received on their television sets.

5. PEG SERVICES AND SUPPORT

5.1. *PEG Access Channels:*

5.1.1. The Licensee shall continue to make available to the Issuing Authority and/or the PEG Access Designee, as designated in writing by the Issuing Authority, three (3) SD PEG Access Channels on its Basic Service Tier. In accordance with Section 5.1.2 below, the Issuing Authority may also request one (1) HD PEG Access Channel for a total of four (4) PEG Access Channels.

5.1.2. In addition to the three (3) SD PEG Access Channels referenced above, the Licensee shall make one (1) HD PEG Access Channel available to the Issuing Authority and/or the PEG Access Designee, as designed in writing by the Issuing Authority, as follows:

Starting on the Effective Date of this Renewal License, the Issuing Authority may make a written request for such an HD PEG Access Channel to the Licensee. Upon receipt of the Issuing Authority's written request, the Licensee shall make such an HD PEG Access Channel available to the Issuing Authority or the PEG Access Designee within two hundred and seventy (270) days of the Licensee's receipt of such written notice from the Issuing Authority. The Issuing Authority shall include in its written notice a statement of whether the programming on such HD PEG Access Channel shall either be a simulcast of existing SD PEG Access Channel programming or distinct programming. The Issuing Authority or the PEG Access Designee may subsequently change the programming on the HD PEG Access Channel from an SD PEG Access Channel simulcast in HD to distinct programming, or from distinct programming to an HD simulcast of an existing SD PEG Access Channel, upon one hundred (180) days prior written notice from the Issuing Authority to the Licensee which change shall not occur more than once during the License term. To the extent permitted by law, the Licensee shall be allowed to recover from Subscribers applicable costs incurred to transmit HD PEG Access Channel programming of any type.

5.1.3. All programming content for the HD PEG Access Channel shall be transmitted to Licensee in HD-SDI format with a resolution of 720p or 1080i. The Issuing Authority expressly acknowledges that, in order to view the HD PEG Access Channel, a Subscriber may be required to upgrade equipment at an additional charge.

5.1.4. The Licensee may carry PEG Access Channel Programming within the Town's jurisdictional boundaries and outside the Town's jurisdictional boundaries to other areas that are served out of the same central offices as those that serve the Town. The Licensee reserves the right to relocate the PEG Access Channels in its Channel lineup in its sole discretion. If a PEG Access Channel provided under this Article is not being utilized by the Town or the PEG Access Designee for a period of one hundred twenty (120) days, the Licensee may utilize such PEG Access Channel, in its sole discretion, until such time as the Town elects to utilize the PEG Access Channel for its intended purpose. In the event that the Town determines to use such PEG capacity, the Town shall provide Licensee with 120 days' prior written notice of such request.

5.2. *PEG Connection and Interconnection and Cablecasting:*

5.2.1. The Licensee shall continue to connect to equipment owned by the Town and/or the PEG Access Designee at the WayCAM Studio, 268 Old Connecticut Path, Wayland, MA 01778 (the "PEG Access Interconnection Site") in order to cablecast the PEG Access Channels. The Issuing Authority or, if designated by the Issuing Authority in writing to Licensee, the PEG Access Designee, shall be required to pay Licensee for all costs associated with: (i) any equipment upgrade where the need for the upgrade is initiated by the Issuing Authority or PEG Access Designee; (ii) relocating any connection where the need for relocation is initiated by the Issuing Authority or its PEG Access Designee; (iii) re-installing and/or replacing any connection at an existing location where the need for such re-installation and/or replacement is initiated by the Issuing Authority or its PEG Access Designee; or (iv) installing any new connection if initiated by the Issuing Authority or its PEG Access Designee; provided, however, that Issuing Authority and/or PEG Access Designee responsibility for the foregoing costs is subject to the Issuing Authority's express written consent, and subject further to Licensee's prior

disclosure of such costs and prior consent to same by the Issuing Authority or its PEG Access Designee.

5.2.2. The demarcation point between the Licensee's signal processing equipment (which the Licensee shall own, install and maintain) and the Town's PEG equipment shall be at the output of the Town's signal processing equipment at the PEG Access Interconnection Site. The Town and/or the PEG Access Designee shall be solely responsible for operating its switching equipment and the picture and audio quality of all PEG access programming up to the demarcation point and for ensuring all PEG access programming is inserted on the appropriate upstream PEG Access Channel. All PEG access programming shall be transmitted to the Licensee in baseband, SD-SDI or HD-SDI format with either mono or stereo audio signals, and with signals received by Licensee in stereo cablecast by Licensee in stereo. Notwithstanding the foregoing, the Licensee shall not be obligated to provide the Town or PEG Access Designee with either cablecast equipment and facilities or the personnel responsible for maintaining and operating equipment and facilities on the Town's side of the demarcation point and used to generate or administer any PEG Access signals, except as necessary to implement the Licensee's responsibilities specified herein. The Issuing Authority and the Licensee shall work together in good faith to resolve any connection issues. If the Issuing Authority issues a license to, or renews a license with, a competing VSP, the competing VSP may not connect its system to Licensee's System for the purposes of obtaining PEG access programming from the PEG Access Channels transmitted on Licensee's System without Licensee's prior written consent.

5.2.3. The Licensee shall monitor the PEG Access Channels for technical quality and shall ensure that they are maintained at standards the same or better than those which apply to the Cable System's commercial channels of similar format and resolution, provided, however, that the Licensee is not responsible for the production quality of PEG Access programming productions. Additionally, if there is a deficiency(ies) in the signal quality received from any other third party, including any signal(s) the Licensee may receive from interconnecting with the incumbent cable licensee (or its successor) to receive a PEG Access Channel(s), the Licensee shall work with the other party in good faith to correct any such deficiency(ies).

5.3. *PEG Grant:*

5.3.1. Licensee shall pay to the Town or the PEG Access Designee a PEG capital grant to be used for PEG Access capital funding purposes in the total amount of One Hundred Twenty-Five Thousand Dollars (\$125,000.00) (the "PEG Grant"), as follows: Licensee shall pay to the Issuing Authority the sum of Forty-One Thousand Six Hundred Sixty-Six Dollars and Sixty-Six Cents (\$41,666.66) within forty- five (45) days of the Effective Date. Two (2) additional payments in the amount of Forty-One Thousand Six Hundred Sixty-Six Dollars and Sixty-Seven Cents (\$41,666.67) each shall be paid by the Licensee to the Issuing Authority on the first (1st) and third (3rd) anniversaries of the Effective Date, respectively. The PEG Grant shall not be counted against either the PEG Access support payment required by Section 5.4, or any Franchise Fee/License Fee required by Section 6.1. The PEG Grant payments made directly to the Issuing Authority shall be placed by the Issuing Authority in a restricted account for cable related purposes in the nature of a grant account and not into the general fund, which account will be under the control of the Issuing Authority. The Issuing Authority and/or its designee(s) shall

own all facilities and equipment purchased with the PEG Grant. The Licensee shall have no obligation to maintain, repair, replace or insure any equipment or facilities purchased with the PEG Grant.

5.3.2. If the Issuing Authority enters into any new or renewed cable license agreement with any other VSP which contains obligations associated with a PEG Grant or other comparable program that are lesser than the obligations set forth above, the Licensee's obligations under this Section shall be reduced, on an annual basis and upon the effective date of said agreement, to an amount equal to the lowest total payment required to be made by any VSP to the Town. The relief available in the event of the foregoing is equitable relief going forward, and the Licensee shall not recover amounts already paid to the Town. Notwithstanding the foregoing, if at any time during the term of this License, any other VSP ceases to provide cash grants to the Town in support of the production of local PEG programming in accordance with the terms of its respective license agreement, then Licensee's PEG Grant obligation shall also cease. The Issuing Authority shall provide notification to Licensee within thirty (30) days of such other VSP's failure to provide a cash grant in accordance with the schedule set forth in such VSP's license agreement with the Issuing Authority. Equipment, services and other in kind, non-monetary contributions to the Town by such VSP shall not count towards the cash grants referenced in this paragraph.

5.4. *PEG Access Support:*

5.4.1 The Licensee shall provide annual funding to the Issuing Authority or the PEG Access Designee for PEG Access Channel operating support or other PEG Access Channel costs and expenses ("PEG Access Support") in the amount of five percent (5.0%) of the Licensee's annual Gross Revenue, subject to the limitation in Section 6.2; however, if the Town issues or renews any cable license after the Effective Date that provides for a higher or lower percentage of PEG Access Support, then the percentage of the Licensee's PEG Access Support payments shall be increased or reduced to match such higher or lower percentage over that same time period. The Issuing Authority shall place Licensee's PEG Access Support payments in a restricted account for cable related purposes in the nature of a grant account and not into the general fund, which account will be under the Issuing Authority's control.

5.4.2 The PEG Access Support payments shall be made no later than forty-five (45) days following the end of each calendar quarter. The Licensee shall be allowed to provide an extra payment if needed to correct any payments that were incorrectly omitted, and shall have the right to offset against future payments any payments that were incorrectly submitted, in connection with the quarterly remittances within ninety (90) days following the close of the calendar year for which such payments were applicable. For purposes of the PEG Access Support payment, the period for determining Gross Revenues shall be the preceding calendar quarter. If Cable Services are provided to Subscribers in conjunction with Non-Cable Services, then the calculation of Gross Revenues shall be adjusted, if needed, to include only the value of the Cable Services billed to Subscribers, as reflected on the books and records of Licensee in accordance with FCC rules, regulations, standards or orders.

5.5. *PEG Operational Rules:* The Issuing Authority or its designee shall require all local producers and users of any of the PEG facilities or Channels to agree in writing to

authorize the Licensee to transmit programming consistent with this License. The Issuing Authority or its designee shall establish rules and regulations for use of PEG facilities consistent with, and as required by, Section 611 of the Communications Act (47 U.S.C. § 531).

5.6. *Recovery of Costs:* To the extent permitted by federal law, the Licensee shall be allowed to recover from Subscribers the costs of the PEG Grant, the PEG Access Support, PEG interconnection and cablecasting, and any other costs arising from the provision of PEG Access services and related payments, and to include such costs as separately billed line items on each Subscriber's bill.

5.7. *Late Payments:* In the event that the PEG Grant, the PEG Access Support fee or the License Fee is not paid within thirty (30) days after the due dates set forth in this License for such payments, then interest shall accrue from thirty (30) days after the due date until the date paid at a rate equal to the Prime Rate.

5.8. *Listing of PEG Access Channels On Licensee's Electronic Program Guide:* If the Licensee lists PEG Access Channel program content titles on its electronic program guide in any other municipality in the State (other than on a test or trial basis), then it shall, upon written request, discuss in good faith with the Issuing Authority the technical feasibility and commercial reasonability of listing the Town's PEG Access Channel program content titles on the Licensee's electronic program guide; however, the Licensee shall not be required to list the Town's PEG Access Channel program content titles on its electronic program guide.

5.9. *PEG Access Video-On-Demand:* If the Licensee provides any other municipality in the State with PEG Access Channel programming "video-on-demand" (VOD) (other than on a test or trial basis), then it shall, upon written request, discuss in good faith with the Issuing Authority the technical feasibility and commercial reasonability of providing PEG Access Channel programming VOD in the Town; however, the Licensee shall not be required to provide PEG Access Channel programming VOD in the Town.

5.10. *Censorship:* Subject to Section 611(e) of the Communications Act (47 U.S.C. §531(e)), the Licensee shall comply with applicable federal laws restricting censorship or control of the content of PEG Access programming over the Cable System.

5.11. *Non-Commercial Programming:* The Issuing Authority and its designee(s) shall not use the PEG Access channels to provide for-profit commercial programming. Nothing in this Section 5.11 shall prohibit the Issuing Authority or its designee(s) from having memberships, sponsorships, underwriting or acknowledgements (such as underwriting and acknowledgements accepted by PBS), to the extent not otherwise prohibited by applicable law and regulation.

5.12. *No PEG Access Designee Rights:* The Issuing Authority and the Licensee herein acknowledge and agree that any PEG Access Designee is not a party to this License and that any provisions herein that may affect a PEG Access Designee are not intended to create any rights on behalf of any PEG Access Designee.

6. FRANCHISE AND LICENSE FEES

6.1. *License Fee:* Pursuant to Massachusetts Cable Law, (M.G.L. c. 166A, Section 9), the Licensee shall pay to the Town, throughout the term of this License, a license fee equal to fifty cents (\$.50) per Subscriber per year (the “License Fee”), or such other amount as may in the future be designated by applicable State law.

6.2. *Maximum License/Franchise Fee Obligation:* Any fee, tax, assessment, grant, contribution of any type (including in-kind) or expenditure paid or incurred by the Licensee under this License and/or under applicable State law in connection with the provision by Licensee of Cable Service in the Service Area is subject to classification as a “franchise fee” and the five percent (5%) cap on such fees in accordance with Sections 622(b) and (g) of the Communications Act (47 U.S.C. § 542) and applicable federal rules and regulations.

6.3. *Payment Information:* In determining the License Fee, the number of Subscribers shall be measured as of December 31st of the preceding calendar year. The License Fee shall be paid no later than March 15th of each year during the term of this License.

6.4. *Limitation on Actions:* The parties agree that the period of limitation for recovery of any payment obligation under this License shall be three (3) years from the date on which payment by the Licensee is due.

6.5. *Method of Payment:* The PEG Grant, the PEG Access Support and the License Fee shall be made payable to the Town and provided to the Issuing Authority, unless the Licensee is otherwise notified in writing by the Issuing Authority.

6.6. *Other Payment Obligations and Exclusions:*

6.6.1. Unless otherwise required by applicable law, the License Fee payments shall be in addition to and shall not constitute an offset or credit against any and all taxes or other fees or charges of general applicability which Licensee or any Affiliate shall be required to pay to the Town, or to any State or federal agency or authority, as required herein or by law; the payment of said taxes, fees or charges shall not constitute a credit or offset against the License Fee payments all of which shall be separate and distinct obligations of the Licensee and each Affiliate.

6.6.2. In accordance with Section 622(h) of the Cable Act (47 U.S.C. §542(h), nothing in the Communications Act or this License shall be construed to limit any authority of the Issuing Authority to impose a tax, fee or other assessment of any kind on any Person (other than the Licensee) with respect to Cable Service or other communications service provided by such Person over the Cable System for which charges are assessed to Subscribers but not received by the Licensee. For any twelve (12) month period, the fees paid by any such Person with respect to any such Cable Service or other communications service shall not exceed five percent (5%) of such Person’s gross revenues derived in such period from the provision of such service over the Cable System.

6.7. *Affiliates Use of System:* Use of the Cable System and the provision of Cable Services within the Town by Affiliates shall be in compliance with applicable federal and State laws and regulations.

6.8. *Recomputation and Audit:*

6.8.1. Tender or acceptance of any payment made pursuant to Articles 5 or 6 shall not be construed as an accord that the amount paid is correct, nor shall such acceptance of payment be construed as a release of any claim that the Issuing Authority may have for additional sums.

6.8.2. If the Issuing Authority has reason to believe that any payments made pursuant to Articles 5 or 6 are incorrect, it may conduct an audit no more than once during any three (3) year period during the term of this License. The Issuing Authority shall not conduct a “success-based” audit. If, after such audit and recomputation, an additional fee is owed to the Town, such fee, including interest pursuant to Section 5.7, shall be paid within thirty (30) business days after such audit and recomputation; provided, however, the Licensee shall be provided a reasonable opportunity to review the results of any audit and to dispute any audit results which indicate an underpayment to the Town.

7. CUSTOMER SERVICE

7.1. *Standards:* The Licensee shall comply with the FCC’s cable television customer service and notice regulations codified at 47 C.F.R. § 76.309(c), 47 C.F.R. § 76.1602, and 47 C.F.R. § 76.1603, as amended, and the billing and termination of service provisions contained in 207 CMR § 10.00, as amended; provided, however, that Licensee may satisfy the requirements of through its website. 7.2. *Denial of Service:* Nothing in these standards shall limit the right of the Licensee to deny Cable Service for non-payment of previously provided Cable Services, refusal to pay any required deposit, theft of Cable Service, damage to the Licensee's equipment, abusive and/or threatening behavior toward the Licensee's employees or representatives, or refusal to provide credit history information or refusal to allow the Licensee to validate the identity, credit history and credit worthiness via an external credit agency, or failure to abide by Licensee’s terms and conditions of service.

7.3. *Outage Credits:* In the event that all Cable Service is interrupted for twenty-four (24) or more hours, Licensee will grant affected Subscribers a pro rata credit or rebate.

8.3. *Privacy:* The Licensee shall take all reasonable steps required to ensure that it is able to provide the Town with all information that must be provided or may be requested under this License or applicable law, including the issuance of appropriate Subscriber privacy notices. The Licensee shall be responsible for redacting any data that applicable law prevents it from providing to the Town. Nothing in this Article 8 shall be read to require a Licensee to violate federal or State law protecting Subscriber privacy.

8.4. *Copying of Books and Records:* The Town shall have the right to copy any such books and records, at the Town's expense, except to the extent that the Town's review as the Issuing Authority is prohibited pursuant to applicable law.

Said records shall include, but not be limited to the following:

9.2. *Indemnification:*

9.2.1. The Licensee shall, at its sole cost and expense, indemnify, hold harmless and defend the Town, its officials, officers, boards, committees, employees and agents, (hereinafter referred to as the "Town" for purposes of this Section 9.2) against any and all claims, suits, causes of action, proceedings, and judgments, whether for damages or otherwise arising out of or alleged to arise out of or from the installation, operation, or maintenance of the Cable System. Notwithstanding the foregoing, Licensee shall not indemnify the Town for any portion of damages, liability or claims resulting from the willful misconduct or negligence of the Town, its officers, agents, employees, or for any activity or function conducted by any Person other than Licensee, its officers, agents or employees, in connection with PEG Access or the Emergency Alert System.

9.2.2. The Town shall provide the Licensee with timely written notice of a claim or action for which it seeks indemnification under this Section 9.2; provided that in any event the Town shall provide the Licensee with such written notice within a period of time that allows the Licensee to take action to avoid entry of a default judgment and does not prejudice the Licensee's ability to defend the claim or action.

9.2.3. With respect to Licensee's indemnity obligations set forth in this Article 9, Licensee shall, at its own expense, provide the defense of any claims, suits, causes of action, or proceedings brought against the Town by selecting counsel of Licensee's choice to defend the claim, subject to applicable professional ethics laws and standards and the consent of

the Town, which shall not unreasonably be withheld, delayed or conditioned. The Licensee shall, subject to the consent of the Issuing Authority as described herein, have the right to defend, settle or compromise any claim or action arising hereunder, so long as the settlement includes a full release of the Town with respect to the claim giving rise to Licensee's indemnification obligation. In the event that the Town does not consent to the terms of any such settlement or compromise, the Licensee shall not settle the claim or action but its obligation to indemnify the Town shall in no event exceed the amount of the otherwise agreed upon settlement.

9.2.4. In the event that Licensee fails, after notice pursuant to Section 9.2.3, to undertake the Town's defense of any claims encompassed within this Section 9.2, then the Town may provide a second written notice to the Licensee. In the event that the Licensee fails to undertake the Town's defense within a reasonable time after receipt of said second notice, then Licensee's indemnification obligation under this Section 9.2 shall include the Town's costs of defending such claim, suit, cause of action or proceeding, including, but not limited to, reasonable attorneys' fees.

9.2.5. Neither the provisions of this Section 9.2, nor any damages recovered by the Town shall be construed to limit the liability of the Licensee or its subcontractors for damages under this License or to excuse the faithful performance of obligations required by this License, except to the extent that any monetary damages suffered by the Town have been satisfied by a financial recovery under this section or other provisions of this License.

10. PERFORMANCE BOND

10.1. License shall provide to the Town, and shall maintain throughout the term of this License, a performance bond in the Town's favor in the amount of Twenty-Five Thousand Dollars (\$25,000) securing the performance of Licensee's obligations under this License. The Town may not attempt to collect under this bond unless thirty (30) days have passed since the Town provided the Licensee with written notice of its intent to collect under this bond. If within this thirty (30) day time frame, Licensee gives written notice it disputes entitlement to payments from Licensee for which it has refused to make payment, the parties shall promptly meet to attempt to resolve the dispute in good faith amongst themselves.

10.2. The performance bond shall be in the same form as attached hereto as **Exhibit B**; however, notwithstanding any provision in **Exhibit B**, nothing shall permit the amount of the bond or any replacement bond to be less than the minimum amount required by Section 10.1 above. The Licensee shall not permit the performance bond to expire or approach less than thirty (30) days prior to expiration without securing and delivering to the Town a substitute, renewal or replacement bond in conformance with applicable law. The Licensee shall not materially change the terms of said bond without the prior written consent of the Issuing Authority.

10.3. There shall be recoverable by the Town from the principal and surety, any and all amounts due to the Town and any and all damages, losses, costs, and expenses incurred by the Town resulting from the failure of the Licensee to comply with the material provisions of this License, to comply with all orders, permits and directives of any Town agency or body having jurisdiction over its acts or defaults, to pay fees or penalties due to the Town, or to pay any claims, taxes or liens due to the Town. Such losses, costs and expenses shall include but not be limited to

reasonable attorney's fees and other associated expenses, provided that the total of such losses, costs and expenses recovered from the bond shall not exceed the amount of such bond.

11. TRANSFER OF LICENSE

11.1. *Town Approval Required:* Subject to Section 617 of the Communications Act (47 U.S.C. §537) and Sections 11.2 and 11.3 below, Licensee shall not Transfer this License, voluntarily or involuntarily, directly or indirectly, to any other Person, without the prior written consent of the Issuing Authority, which consent shall not be arbitrarily or unreasonably withheld or delayed. Such consent shall be given only upon a written application therefore on forms prescribed by the Cable Division and/or the FCC.

11.2. *No Consent Required For Transfers Securing Indebtedness:* The Licensee shall not be required to file an application or obtain the consent or approval of the Town for a Transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Licensee in this License, the Licensee or Cable System in order to secure indebtedness. However, the Licensee shall notify the Town within thirty (30) business days if at any time there is a mortgage or security interest granted on substantially all of the assets of the Cable System. The submission of the Licensee's audited financial statements prepared for the Licensee's bondholders shall constitute such notice.

11.3. *No Consent Required For Any Affiliate Transfers:* Unless required by applicable federal or State law, the Licensee shall not be required to file an application or obtain the consent or approval of the Town for: any Transfer of an ownership or other interest in Licensee, the Cable System, or the Cable System assets to the parent of Licensee or to another Affiliate of Licensee; any Transfer of an interest in the License or the rights held by the Licensee under this License to the parent of Licensee or to another Affiliate of Licensee; any action which is the result of a merger of the parent of Licensee; or any action which is the result of a merger of another Affiliate of the Licensee. However, the Licensee shall notify the Town within thirty (30) business days if at any time a Transfer covered by this Section 11.3 occurs. The transferee of any Transfer covered by this Section 11.3 shall be legally qualified to hold, and shall be bound by the terms and conditions of, this License.

11.4. *Transfer Procedures:* Subject to applicable law, the Licensee shall submit to the Issuing Authority an original and a copy of the application and FCC Form 394 requesting any such Transfer consent. Pursuant to 207 CMR 4.03, the consent of the Issuing Authority shall be given only after a public hearing to consider the written application for Transfer. The Issuing Authority shall have 120 days from the filing of a completed FCC Form 394 (or a subsequent form) to take final action on it. After 120 days, the application shall be deemed approved, unless said 120 day period is extended pursuant to applicable law.

11.5. *Non-Waiver:* The consent or approval of the Issuing Authority to any Transfer shall not constitute a waiver or release of any rights of the Town under this License, whether arising before or after the date of said Transfer.

12. RENEWAL OF LICENSE

The Town and Licensee agree that any proceedings undertaken by the Town that relate to the renewal of this License shall be governed by and comply with the provisions of Section 626 of the Communications Act (47 U.S.C. § 546), and the applicable provision of the Massachusetts Cable Law.

13. ENFORCEMENT AND REVOCATION OF LICENSE

13.1. *Notice of Violation:* If at any time the Issuing Authority believes that Licensee has not complied with the terms of this License, the Issuing Authority shall informally discuss the matter with Licensee. If these discussions do not lead to resolution of the problem in a reasonable time, the Issuing Authority shall then notify Licensee in writing of the exact nature of the alleged noncompliance (for purposes of this Article, the “Noncompliance Notice”).

13.2. *Licensee’s Right to Cure or Respond:* The Licensee shall have thirty (30) days from receipt of the Noncompliance Notice to: (i) respond to the Issuing Authority, if Licensee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such thirty (30) day period, initiate reasonable steps to remedy such noncompliance as soon as reasonably possible and notify the Issuing Authority of the steps being taken and the date by which they are projected to be completed, all of which shall be to the reasonable satisfaction of the Issuing Authority. If the Licensee believes it has cured the subject non-compliance, it shall provide written notice of such to the Issuing Authority. The Town shall provide the Licensee with a written response as to whether such cure has been effected.

13.3. *Public Hearing:* In the event that the Licensee fails to respond to the Noncompliance Notice pursuant to the procedures required by this Article, or in the event that the alleged noncompliance is not remedied within thirty (30) days or the date projected pursuant to Section 13.2(iii) above, and if the Town seeks to continue its investigation into the alleged noncompliance, then the Issuing Authority shall schedule a public hearing. The Issuing Authority shall provide the Licensee with the following minimum written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Licensee the opportunity to be heard: (i) for a hearing for which the Issuing Authority states in the written notice that that revocation of the License shall not be a possible consequence – thirty (30) days written notice, and (ii) for a hearing for which the Issuing Authority does not state in the written notice that that revocation of the License shall not be a possible consequence – forty-five (45) days written notice.

13.4. *Enforcement:* Subject to applicable federal and State law, in the event the Issuing Authority, after the public hearing set forth in Section 13.3, determines that Licensee is in default of any provision of this License, the Issuing Authority may:

13.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages;

13.4.2. Commence an action at law for monetary damages or seek other equitable relief;

13.4.3. In the case of a substantial noncompliance of a material provision of this License, revoke this License in accordance with Section 13.5; and/or

13.4.4. Invoke any other lawful remedy available to the Town.

13.5. *Revocation Hearing:*

13.5.1. At the designated public hearing in which revocation is a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the Issuing Authority, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made by the Issuing Authority of such hearing with the cost shared by the parties.

13.5.2. Following the public hearing where revocation is a possible consequence, the Licensee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the Issuing Authority in writing and thereafter the Issuing Authority shall determine (i) whether an event of default has occurred under this License; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured by the Licensee. The Issuing Authority shall also determine whether it will revoke this License based on the information presented, or, in the reasonable discretion of the Issuing Authority, grant additional time to the Licensee to effect any cure. If the Issuing Authority determines that it will revoke this License, the Issuing Authority shall promptly provide Licensee with a written determination setting forth the Issuing Authority's reasoning for such revocation. In accordance with applicable law, Licensee may appeal such written determination of the Issuing Authority to the Cable Division or to an appropriate court, which shall have the power to review the decision of the Issuing Authority *de novo* if permitted by applicable law. Licensee shall be entitled to such relief as the Cable Division or court finds appropriate. Such appeal must be taken within sixty (60) days of Licensee's receipt of the written determination of the Issuing Authority.

13.5.3. The Issuing Authority may, at its sole discretion, take any lawful action that it deems appropriate to enforce the Issuing Authority's rights under this License in lieu of revocation of this License.

14.13. *Amendments:* Unless otherwise provided herein, amendments or modifications to this License shall be mutually agreed to in writing by the parties.

14.14. *Severability*: If any section, subsection, sentence, paragraph, term or provision hereof is determined to be illegal, invalid or unenforceable by any court of competent jurisdiction or by any State or federal regulatory authority having jurisdiction thereof, such determination shall have no effect on the validity of any other section, subsection, sentence, paragraph, term or provision hereof, all of which will remain in full force and effect for the term of this License.

14.15. *No Third Party Beneficiary*: Nothing in this License shall be construed to create or confer any rights or benefits to any third party.

14.16. *No Recourse Against Issuing Authority*: Pursuant to Section 635A(a) of the Communications Act (47 U.S.C. §555a(a)), the Licensee shall have no recourse against the Issuing Authority, the Town and/or its officials, members, employees or agents, other than injunctive relief or declaratory relief, arising from the regulation of cable service or from a decision of approval or disapproval with respect to a grant, renewal, transfer, or amendment of this License.

In the event that a dispute arises over the meaning or application of any term(s) of this License, such term(s) shall not be construed by the reference to any doctrine calling for ambiguities to be construed against the drafter of the License.

14.20. *Jurisdiction*: Except as otherwise set forth in this License, exclusive jurisdiction and venue over any dispute arising out of this License shall be in a court of appropriate venue and subject matter jurisdiction located in the Commonwealth of Massachusetts, and the parties hereby agree to be subject to the personal jurisdiction of said court for the resolution of any such dispute. This provision is not intended to limit the right of either party to remove a matter to Federal or State court in Massachusetts as permitted by law.

14.21. *Counterparts*: This License may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

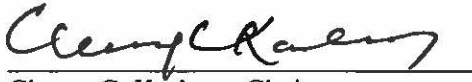

Further, this License may be executed by facsimile, email, electronic signature or other electronic means, and so executed shall have the full force and legal effect as an executed original of this License.
