Good morning. Below please find a comment on the ninth edition of the building code. It pertains to a portion of the ninth edition not concerning the energy provisions and therefore not under consideration at tomorrow's public hearing. Thank you.

Subject: 780 CMR 9th edition, comment

Hello,
I was expecting to see a reference to 521 CMR in Chapter 34, Section 410. (as is in the 8th edition, Ch.34, Section 310)
Thanks,
Wendy Brown, AIA
