**Observations and Recommendations**

1. The inmate population was 266 at the time of inspection.
2. At the time of inspection several shower curtains were missing in each shower room throughout all the cell blocks. The Department also observed only one shower in each shower room being used with the purpose of only one inmate showering at a time. The Department requests a copy of your facilities policy addressing inmate showering.

This facility does not comply with the Department's Regulations cited above. In accordance with 105 CMR 451.404, please submit a plan of correction within 10 working days of receipt of this notice, indicating the specific corrective steps to be taken, a timetable for such steps, and the date by which correction will be achieved. The plan should be signed by the Superintendent or Administrator and submitted to my attention, at the address listed above.
