MOTION TO WITHDRAW PETITION OF WESTFIELD ESS LLC

Westfield ESS LLC (“Company”) requests that the Energy Facilities Siting Board grant this motion to withdraw the Petition that the Company filed under G.L. c. 40A, s. 3 and G.L. c. 164, s. 72 and terminate this proceeding because the Company no longer intends to proceed with its development of the Project. The Company also states that the public comment hearing scheduled for April 29, 2025 should be cancelled because the issues related to that hearing are now moot.

The Company has been informed by the attorney for Westfield Residents Advocating for Themselves (“WRAFT”) that WRAFT assents to the relief requested in this motion. The Company reached out to counsel for Eversource Energy and the City of Westfield regarding this motion, but has not heard back from either party.

Respectfully submitted,

Westfield ESS LLC

By its attorney
