

Willard Brook State Forest

Welcome to DCR's Willard Brook State Forest

Both quiet wooded campgrounds, Willard Brook and Pearl Hill offer over 3,000 acres of park land primarily used for camping, fresh water swimming and hiking.

They are part of the Massachusetts state park system and are managed by the Massachusetts Department of Conservation and Recreation (DCR), an agency of the Executive Office of Energy and Environmental Affairs.

DCR oversees 450,000 acres of parks, forests, beaches, bike trails, watersheds, and dams. Its mission is to protect, promote, and enhance the state's natural, cultural, and recreational resources. To learn about DCR and to discover more parks and recreational opportunities within the Massachusetts state parks, visit www.mass.gov/dcr.
