This sandy beach forms a crescent along Massachusetts Bay. Revere Beach has a colorful history. At one time the Boulevard boasted rides, dance halls, movie theaters, carousels, roller coasters, and all kinds of special attractions. Current amenities include a bandstand for summer concerts, a bathhouse, and many shaded shelters. Located five miles north of Boston, Revere Beach Reservation, which is currently run by the Massachusetts Department of

Conservation and Recreation, Division of Urban Parks and Recreation (formerly the Metropolitan District Commission), is easily reached by car and by public transportation. It is located across the street from both Revere Beach and Wonderland Stations at the end of the MBTA Blue Line. In addition, there is ample parking along the Revere Beach Boulevard.
