

## TWO WEEK LOOK-AHEAD

**September 10, 2017 – September 21, 2017**

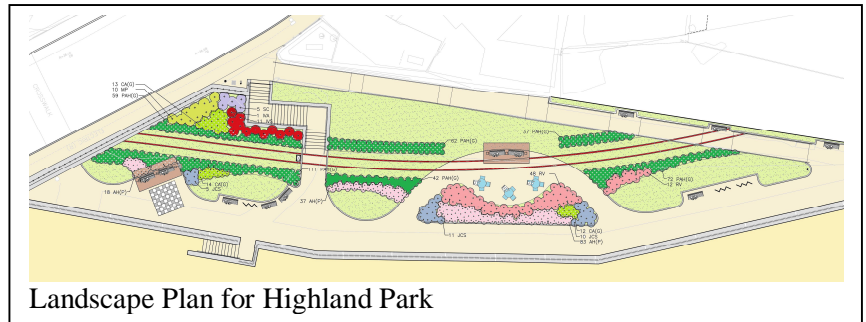

The following work items are ongoing along Winthrop Shore Drive. You can expect to see these activities continue over the next two weeks.

The work will continue to move north and includes:

- Removal of the ocean side sidewalk and curb
- Excavating to install the storm drainage.

You will see new work activities starting, including:

- Installation of foundations and conduit for new light poles on the oceans side of Winthrop Shore Drive
- Installation of new water pipes, replacing aged water pipes in Winthrop Shore Drive and improving reliability of the water system. This work is made possible through the cooperation of the Town of Winthrop and the DCR.
- Seawall repairs in the Highlands area between Locust Street and Grovers Avenue:
  - The granite block seawall work includes injection grouting to waterproof behind the wall and repointing of the joints between the blocks.
  - **This work is tidally dependent, so work hours will vary to coincide with favorable tidal conditions**
  - This important work on the seawalls will be followed by landscape improvements to the park.
  - The construction work areas will be closed off for the safety of the public.

### Traffic and Parking Impacts

- During the work day, traffic is detoured off Winthrop Shore Drive to Shirley Street. Detour signs are provided to direct traffic. State and Winthrop Police are provided to assist in the detouring of traffic.
- After the work day is completed, two-way traffic is restored on Winthrop Shore Drive.
- Please note that where construction is scheduled to occur, there will be signs prohibiting parking between 6 am and 4 pm. Please remove cars from Shore Drive by 6 am to ensure that construction can begin promptly at 7 am. Your cooperation is appreciated.

*Questions or concerns about the project should be directed to DCR Resident Engineer James Caputo, at the DCR trailer behind the DCR bathhouse on Winthrop Shore Drive, by visit or phone (617-846-1489) during regular business hours, Monday through Friday from 7 a.m. – 3:30 p.m. In case of an emergency, contact 911 or DCR's 24/7 emergency hotline at the Massachusetts Emergency Management Agency at 508-820-1428.*
