Subject: Local Annual Operating Plan Guidance Fiscal Year 2018

Purpose: To provide guidance to Chief Elected Officials, Local Workforce Development Boards and One-Stop Career Center Operators with regard to the development and submission of the WIOA Fiscal Year 2018 Local Annual Operating Plan documents.

This policy has been revised to change the submission date for FY2018 Local Annual Operating Plan documents from August 25, 2017 to **September 15, 2017**.

Background: The Massachusetts workforce development system supports and promotes the Commonwealth's workforce and economic development efforts through the delivery of quality employment, education, and training services that are responsive to the needs of job seekers and employers.

In past years, the Workforce Investment Act (WIA) required local area annual plans that described local workforce area activities and services in the local area, including budget, participant planning and other information integral to the operational aspects of the workforce development system.

The Workforce Investment and Opportunities Act (WIOA), at section 108 requires each local board to develop a comprehensive 4-year local plan in partnership with the chief elected official. The WIOA 4-Year Plan is addressed in a separate issuance.

The information requested within this policy strictly relates to the local operational information that is required on an annual basis by the Department of Career Services. Henceforth, this information will be referenced as the “Local Annual Operating Plan.”

Policy: The Local Board, with agreement and signature of the Chief Elected Official (CEO), is responsible for developing and submitting the Fiscal Year 2018 Local Annual Operating Plan.
