**Wompatuck State Park Circulation Master Plan
Public Listening Session**

Tuesday May 16th, 2023 @ 6pm – 7:30pm

Register: https://zoom.us/meeting/register/tJlpcOGorTMsG9zEI8by62R_LHHWYNOfghxd

At this public meeting DCR will introduce the Wompatuck State Park Circulation Master Plan and the planning process. The main goal of the public meeting is to solicit input from the community to inform the master planning process. The primary goal of the circulation master plan is to develop a comprehensive guide with the short- and long-term trail circulation recommendations that enhance connectivity to recreational opportunities while protecting environmentally and culturally sensitive areas.

The public will be invited to ask questions and provide feedback on the presentation by unmuting their microphones, or the chat functionality that will be available through the virtual participation platform. After the meeting, the presentation will be available for viewing at <https://www.mass.gov/dcr/past-public-meetings>. DCR encourages the public to share additional feedback, with a deadline for receipt of comments by DCR of May 30th, 2023. Comments may be submitted online at <http://www.mass.gov/dcr/public-comment>. Please note that the content of comments you submit to DCR, along with your name, town, and zip code, will be posted on DCR's website. Additional contact information required when commenting, notably email address, will only be used for outreach on future updates on the subject project or property.

If you have agency-related questions or concerns or would like to be added to an email list to receive DCR general or project-specific announcements, please email Mass.Parks@mass.gov or call 617-626-4973.
