

# Maria ana maambukizo ya Kifua Kikuu na anahisi vizuri.

Maria has TB infection and feels healthy.

Unaweza kuwa na aina  
ya Kifua Kikuu na bado  
ujihisi mwenye afya. Haya  
yanaitwa mambukizo ya  
Kifua Kikuu.

You can have a type of TB and still feel  
healthy. This is called TB infection.

Daktari wako anaweza kukupima mambukizo ya Kifua Kikuu. Iwapo una  
maambukizo ya Kifua Kikuu, daktari wako anaweza kukupa dawa.

Your doctor can test you for TB infection. If you have TB infection, your doctor  
can give you medicine.
