The Respondent admits to the findings of fact specified below and agrees that the Board may make the conclusions of law and impose the sanction set forth below in resolution of investigative Docket No. 11-064.

Findings of Fact

1. The Respondent was born on August 8, 1946. He graduated from New York University School of Medicine in 1970. He has been licensed to practice medicine in Massachusetts under certificate number 81429 since 1995. He has privileges at Arbour HRI Hospital in Brookline, MA (Arbour).

2. On December 23, 2010, the Respondent was entering patient orders on a computer in one of Arbour’s patient examination rooms.
3. The nursing supervisor informed the Respondent that the examination room was needed for the examination of a patient.

4. The Respondent told the nursing supervisor not to enter the examination room which he was using to enter patient orders.

5. The Respondent had an argument with the nursing supervisor regarding the room occupied by the Respondent.

6. The argument occurred in the presence of hospital staff and a patient.

7. The Respondent then placed his hand on the arm of the nursing supervisor and removed her from the examination room.

8. On December 23, 2010, the Respondent had a second argument with the same nursing supervisor in the administrative suite area of Arbour during which time he raised his voice at her.

9. As a result of a telephone call placed by the nursing supervisor, two hospital employees came to the nurse supervisor’s assistance.

10. Board Policy Number 01-01 on Disruptive Physician Behavior states "Behaviors such as foul language; rude, loud or offensive comments; and intimidation of staff, patients and family members are now recognized as detrimental to patient care."

11. Disruptive behavior by a physician has a deleterious effect on the health care system and increases the risk of patient harm.

12. By his actions, the Respondent violated the Board of Registration in Medicine’s Disruptive Physician Behavior Policy.
Conclusion of Law

A. The Respondent has violated 243 CMR 1.03(5)(a)18 by committing misconduct in the practice of medicine.

B. The Respondent lacks good moral character and has engaged in conduct that undermines the public confidence in the integrity of the medical profession. See Levy v. Board of Registration in Medicine, 378 Mass. 519 (1979); Raymond v. Board of Registration in Medicine, 387 Mass. 708 (1982).
