4.02: Fees for Licenses, Permits, and Services to be Charged by State Agencies

603 Department of Elementary and Secondary Education

- | | | | |
|-----|--|---------|----------|
| (1) | Sales Representative - Application | \$1,000 | one-time |
| (2) | Sales Representative - Renewal | 1,000 | biennial |
| (3) | Private Trade and Business School - Application (for-profit) | \$2,500 | one-time |
| (4) | Private Trade and Business School - Application (non-profit) | 1,250 | one-time |

- (5) Private Trade and Business School - the Renewal fee is biennial and will be based on annual adjusted gross revenue (AAGR) as follows:

The renewal fee is based on a multiplier (to be adjusted biennially every even fiscal year) equal to the percentage of the total annual adjusted gross revenue for all licensed schools in the last two fully reported fiscal years needed to equal the cost of regulation (staff salaries, all operating costs including fringe and indirect costs) less average revenues received from all other fees the previous two fiscal years. The multiplier is applied to each school's adjusted gross annual revenue as reported in its renewal application to determine the school's renewal fee. There will be a minimum fee of \$250.

- (6) Renewal applications and fees are due 30 days prior to the expiration of the school's license pursuant to 603 CMR 3.16(2).

- (7) Late fee: \$200
