MassHealth
Transmittal Letter ALL-197
February 2013

TO: All Providers Participating in MassHealth
FROM: Julian J. Harris, M.D., Medicaid Director
RE: *All Provider Manuals (Revised Appendix C)*

For members who have other insurance, the MassHealth Eligibility Verification System (EVS) reports the coverage type, carrier code, and policy number of the insurance listed on file. Appendix C of all MassHealth provider manuals lists, in numeric order by carrier code, the name and address of the other insurance so that you can bill that insurance before billing MassHealth.

If you receive written evidence (for example, an explanation of benefits or a letter from an employer) that a member does not have the insurance identified on EVS, has different insurance than what is reported on EVS, or no longer has insurance coverage, please mail or fax the information to the following address. If a member has a new or different insurance not identified on EVS, please fill out a third-party-liability (TPL) indicator form send it to the address or fax number below. You can find the TPL Indicator Form in the online Provider Library at the link below.

This letter transmits an updated Appendix C for all provider manuals. The information is up to date as of November 1, 2012. You can also view, print, or download Appendix C from the MassHealth website at www.mass.gov/masshealthpubs. Click on Provider Library, then MassHealth Provider Manual Appendices. The downloadable version of Appendix C is searchable, a significant advantage over the printed version.

Important Notice About the Use of Carrier Codes

There are three sections to the carrier code file. The first section contains commercial carrier codes. This is the section that most providers will use. The second section contains Medicare Advantage carrier codes. These codes should be used only on claims for members who are on Medicare and have an additional Advantage plan. The third section contains Medicare Part D carrier codes. These codes are for **pharmacy** use only. Other providers should **never** use these codes on a claim.

Please Note: We will update Appendix C on our website as needed to keep it current. We do not send updates for Appendix C to providers unless requested.

To request a paper copy of Appendix C, call 1-800-841-2900, e-mail your request to providersupport@masshealth.net, or fax your request to 617-988-8973. You may also write to the following address. Please include your provider number, address, and telephone number with your request.

Third-Party-Liability Codes

A searchable version of this appendix is available on the MassHealth website at www.mass.gov/masshealth. MassHealth will update Appendix C as needed. Paper copies of this appendix can be requested by calling 1-800-841-2900, by e-mailing your request to publications@mahealth.net, or by faxing your request to 617-988-8973.

This appendix contains a list of third-party-liability (TPL) coverage-type codes and a numeric list of carrier codes, including carrier names and addresses. For members with a temporary MassHealth card, any applicable TPL coverage-type and carrier codes are printed on the card itself.

How Appendix C Is Organized

There are three sections to the carrier code file. The first section contains commercial carrier codes. This is the section that most providers will use. The second section contains Medicare Advantage carrier codes. These codes should be used only on claims for members on Medicare and have an additional Advantage plan. The third section contains Medicare D carrier codes. These codes are for pharmacy use only. Medical providers should never use these codes on a claim.

The Eligibility Verification System (EVS) in MMIS provides the insurance information for the member. Please check EVS before submitting your claim. Refer to the applicable billing guide or companion guide for instructions on using EVS. These guides are available on the web at www.mass.gov/masshealth.
