Is there a tick on you?

Do a tick check!

Here's where to look:

- Inside and behind the ears
- Along your hairline
- Back of your neck
- Armpits
- Groin (where your legs join your body)
- Legs
- Behind the knees
- Between your toes

Ticks are tiny, so look for new “freckles.”

Actual sizes of nymph (left), adult female dog tick (center) and adult female deer tick (right)
