Handicapped Requirements Under 248 CMR as Presently Stated.

Paragraph #1
Fixtures shall be in conformance with 521 CMR 3.30, Public Toilets (for fixture dimension requirements only).

521 CMR deals with fixtures dimensions as well as other plumbing items as they deal with the proper installation of the fixtures.

Paragraph #2
When Public Rest Rooms are installed, handicapped fixtures shall be installed to comply with the requirements of 248 CMR 10.10(18)(m).

Other Plumbing Items
i.e.,
Handicap Lavatory Trap
Handicap Lavatory Faucet

Public, as defined in Webster's Dictionary
Open to all persons.

No Handicapped fixtures are required.

248 CMR Deals with plumbing only. Room dimensions are not regulated under the Plumbing Code.
