RE: Reporting Requirements

Background
This bulletin changes one of the reporting requirements for day habilitation providers.

Reporting Requirements
Day Habilitation Bulletin 5, published in July 2002, included a requirement that providers submit a Quarterly Day Habilitation Report to the MassHealth Office of Long Term Care. MassHealth has enhanced its technology systems to develop reporting capabilities that encompass the information provided through the Quarterly Reports. Therefore, effective immediately, day habilitation providers are no longer required to submit the Quarterly Day Habilitation Report. However, all other reporting requirements for day habilitation providers remain in place.
