**DISCUSSION:** The Board discussed the above inquiry. B. Lifting on-line CEU Restriction

**DISCUSSION:** Ms. Saurman came before the Board to discuss the CEU requirements for traditional versus non-traditional CEUs. She compared Massachusetts requirements to other states and other professions whereas they do not have a limit on taking the non-traditional (online only) courses. Ms. Saurman is here before the Board to request an increase in the number of online v. traditional credits that a respiratory therapist is required to earn for each renewal cycle. Ms. Saurman explained that the change would keep up with the current trends and make it easier for RTs to obtain CEUs. Mr. Murphy explained the process of revising regulations. The Board decided to defer action, and Mr. Murphy will bring a draft regulation to the Board in January 2015. Mr. Murphy will draft a policy to go with the regulation.
