Dear Applicant,

Thank you for choosing to become an educator in Massachusetts. Our students routinely lead the nation in national assessments of educational progress, in large measure due to the commitment, dedication and high quality of our educators.

Few professions offer the opportunities that educators have to make a difference in children’s lives every day, and no other profession has a greater impact on our state or our nation’s future. Whether you are applying for your first license, seeking to advance an existing license, or applying to add another license to your educational credentials, please be assured that your commitment to high-quality instruction and our Commonwealth’s students is both commendable and deeply appreciated.

This is an exciting time for education in the Commonwealth. With the impetus of the federal Race to the Top program, Massachusetts is placing unprecedented resources and focus on educational improvement and strengthening teaching, learning, and educator development. The Department of Elementary and Secondary Education is committed to supporting and assisting you as you begin your teaching journey, and throughout your career as an educator in Massachusetts.

Best wishes for success in all your efforts.

Sincerely,

Mitchell D. Chester, Ed.D
Commissioner of Elementary and Secondary Education
FEES

1. Q: What is the cost to apply for a license?  
   A: First time applicants must pay a $100 fee for the first license area/level applied for. Any additional license areas/levels will cost $25 each.
   Example 1: Applying for the first time license in Mathematics (8-12) and English (8-12) = $100.00 + $25.00 = $125.00.
   Example 2: Applying to add an additional license in History (5-8), General Science (5-8), and History (8-12) = $25.00 + $25.00 + $25.00 = $75.00.

2. Q: Will my fee be refunded if I do not yet qualify for the license?  
   A: No. The fee is non-refundable and non-transferable once the evaluation service has been provided. If you do not qualify, you will receive a detailed evaluation letter from the Department that outlines any remaining requirements and how they can be satisfied. Upon completion of these requirements, simply mail in the necessary documentation, labeled with your social security number or MEPID number, and the application will be re-evaluated. You will not need to pay another application fee to have an existing application re-evaluated. The application will remain on file until all requirements have been satisfied.

3. Q: May I pay the fee with cash or personal check?  
   A: No. Certified bank check, money order, or credit card payments are the options available. We accept MasterCard and Visa.

4. Q: How should I make out my certified bank check/money order?  
   A: You should make your certified bank check/money order payable to the Commonwealth of Massachusetts. Also, please write your social security number or MEPID number on the certified bank check or money order.

TESTS

5. Q: How can I get more information about the Massachusetts Tests for Educator Licensure (MTEL)?  
   A: You can find current information on test registration, objectives for each test, and test preparation, including examples of types of items to expect, as well as other test-related information at www.doe.mass.edu/mtel

GENERAL INFORMATION

6. Q: Can I apply for a license if I haven’t completed all of the requirements yet?  
   A: Yes. Candidates are encouraged to submit licensure applications as soon as they know that they would like to obtain a particular license. Since applications are reviewed in the order they are received, applying earlier means your application gets evaluated earlier. If you have not completely satisfied all requirements at the time of the evaluation, you will receive a detailed correspondence from the Department that outlines any remaining requirements, and how they can be satisfied.

7. Q: How long will it take for the Department to process my application?  
   A: It is not possible to say exactly how long it will take. The answer depends on several factors, such as the type of license, the volume of applications being processed at the time, and whether the application was filled out correctly and completely. Applicants can call the Licensure Call Center at 781-338-6600 to hear a general progress report of which applicants are currently being reviewed by the Department.

8. Q: How can I ensure my application will be processed as quickly as possible?  
   A: Visit http://www.mass.gov/ese/licensure and click on ELAR to apply online. Applying and paying online does expedite processing. Make sure you have uploaded or mailed all college transcripts and other required documentation to the Licensure Office to be added to your file, and be sure to write your social security number, MEPID number, or Massachusetts Educator License number on each document you submit. Based on the large volume of documents received by the Licensure Office daily, it is usually a good idea to submit all supporting documentation (official transcripts, letters, other licenses, etc.) all together in one packet, rather than separately.

   Also please note: if this is your first time applying for an academic educator license in a particular category (teacher, specialist teacher, administrator, professional support personnel), you must pass the Communication and Literacy Skills MTEL test in order to be “Ready for Review.”

9. Q: Is there a number I can call if I have any questions about the application process?  
   A: Yes. You can call (781) 338-6600 to speak to a Licensure representative, Monday through Friday, 9 a.m.-12 p.m. and 2 p.m.-5 p.m.

10. Q: Can I use this application to renew my Professional level license?  
    A: No. The application used to renew a Professional level license is different from this application. To learn more about License Renewal, renewing online, or downloading a mail-in application form, please visit: www.mass.gov/ese/licensure/renew

11. Q: How can I check the status of my application once I have submitted it?  
    A: The most convenient way to check on your licensure status is online. Visit http://www.mass.gov/ese/licensure and click on the ELAR icon to log in to your account. This information is accessible 24 hours a day.

12. Q: Where can I find answers to other questions about the licensure process?  
    A: Please visit http://www.mass.gov/ese/licensure and click on the FAQ link for a comprehensive list of frequently asked questions and answers.

No person so required to report shall be liable in any civil or criminal action by reason of such report. No other person making such report shall be liable in any civil or criminal action by reason of such report if it was made in good faith; provided, however, that such person did not perpetrate or inflict said abuse or cause said neglect. No employer of those persons required to report pursuant to this section shall discharge, or in any manner discriminate or retaliate against, any person who in good faith makes such a report, testifies or is about to testify in any proceeding involving child abuse or neglect. Any such employer who discharges, discriminates or retaliates against such a person shall be liable to such person for treble damages, costs and attorney's fees.

Within sixty days of the receipt of a report by the department from any person required to report, the department shall notify such person, in writing, of its determination of the nature, extent and cause or causes of the injuries to the child, and the social services that the department intends to provide to the child or his family.

Any privilege established by sections one hundred and thirty-five A and one hundred and thirty-five B of chapter one hundred and twelve or by section twenty B of chapter two hundred and thirty-three, relating to confidential communications shall not prohibit the filing of a report pursuant to the provisions of this section or the provisions of section twenty-four.

INITIAL License:

The Initial license is valid for five years of employment and may be extended at the discretion of the Commissioner for an additional five years.

EXTENSION OF AN INITIAL License

b) In order to be eligible for such extension, upon application, a candidate must:
   1. The letter must be dated and include the length of your experience as well as the specific role in which you were employed. This letter must be on official school letterhead from the school where the employment was gained. Under your license is defined here as meaning employment in the role and at the grade of the Initial license from the date it was issued.
   2. Completion of an Educator Preparation Program can be accepted to satisfy educational requirements for an Initial license if it falls into one of the following categories:

◆ A program located in the state of Massachusetts and is approved as an Initial licensure program by the Massachusetts Department of Elementary and Secondary Education. A directory of these programs can be viewed on-line at http://www.doe.mass.edu/amazingeducators/. Click “Ed Prep Programs”.

◆ A traditional or alternative/non-traditional state-approved educator preparation program in a state with which Massachusetts has signed the NASDTEC Interstate Contract. A listing of participating states can be found at http://www.nasdtec.net/?page=Interstate.*

*This educational requirement may also be satisfied by applicants who hold the equivalent of at least an initial license issued by a state with which Massachusetts has signed the NASDTEC Interstate Contract and have worked under that valid license for three out of the last seven years.

◆ Completion of an educator preparation program sponsored by a college or university outside Massachusetts that has been accredited by an organization accepted by the Commissioner, such as the National Council for Accreditation of Teacher Education (NCATE), the Teacher Education Accreditation Council (TEAC), or the Council for the Accreditation of Educator Preparation (CAEP). An endorsement specifying the field and grade level(s) of your preparation may be included on an official transcript, in a letter written on official letterhead signed by the Registrar, Dean, or certification/licensure officer, or on the Out of State Approved Program Verification form found at www.mass.gov/ese/licensure/resources.

Additional information regarding these accrediting organizations may be found by visiting their respective websites as follows: NCATE www.ncate.org/, TEAC www.teac.org/, and CAEP www.caepnet.org/.

All endorsements must indicate the subject area and grade level of the applicant’s preparation, and must specify which of the above three categories of approved program applies.

* Endorsements from colleges or universities can be printed on official transcripts or written in the form of a letter, on official letterhead, and signed by a Registrar or Dean.

* Approved programs in Massachusetts generally have the ability to submit an endorsement to ESE electronically, via the ELAR system.

* Out-of-state approved programs can endorse applicants by completing the Out-of-state Approved Program Verification form, which can be found at www.mass.gov/ese/licensure/resources.

* * *

Applicants who have not satisfied one of the above program options may want to consider applying for a Preliminary teacher license.

10. Affidavit/Applicant’s Signature
The Massachusetts Department of Elementary and Secondary Education has been certified by the Criminal History Systems Board for access to conviction and pending criminal case data for the purpose of screening prospective and current holders of educator licenses awarded by the Department of Elementary and Secondary Education, and for access to CORI conviction data in the context of proceedings relative to the decertification process. A criminal record check may be conducted for criminal and pending or criminal case information only, as authorized, and it will not necessarily disqualify me.

State law requires applicants for licensure to affirm certain information. Please check all of the statements below that apply. If you do not check each statement, please enclose a letter of explanation. We will then contact you and will determine your eligibility for licensure.

Please check all that apply.

Since completion of my last licensure or renewal application, I certify that:

☐ I have never appeared in any federal or state court in the Commonwealth of Massachusetts or any other commonwealth, state, district, territory or country as a defendant for any criminal offense. (You must leave this blank and provide an explanation regardless of the outcome of the case if you appeared as a defendant. Generally speaking, any process before a court where you are required to enter a plea or where you could be placed on probation prior to entering a plea is considered an appearance as a defendant. Failure to disclose criminal court appearances will be grounds for license denial or revocation.)

☐ I have not been identified by any child protection agency as a perpetrator of child abuse or neglect.

☐ I have not been dismissed for cause from any position I held.

☐ I have not been asked to resign from any position or resigned from any position while under investigation or as a result of discipline.

☐ I have not had a professional license or certificate denied, revoked, suspended, surrendered or annulled, and no action is pending to revoke or suspend any professional license or certificate I hold.

☐ In accordance with MA General Laws Chapter 62C, § 49A, I have filed all state tax returns and paid all Massachusetts taxes required by law, and I am in compliance with all Massachusetts laws relating to payment of child support. Note: If you have not resided or earned income in Massachusetts, in most cases, you do not owe any Massachusetts income tax and can answer the above question in the affirmative. If you are unsure about the correct answer, please consult a tax professional before you leave this question blank.

☐ I have read MA General Laws Chapter 119, § 51A (see page 5), which requires educators and others who are paid to care for or work with children to make a report immediately to the Department of Social Services or to the person in charge of the school or institution if there is reasonable cause to believe a child under 18 is suffering physical or emotional injury as a result of abuse, including sexual abuse, or neglect. I understand my obligations under § 51A and the penalties for failure to comply.

☐ I understand and acknowledge that as a condition of holding an educator license, a criminal background check may be conducted for criminal and pending case information as authorized by the Criminal History Systems Board and that a criminal record will not automatically disqualify me.

☐ This application contains no misrepresentations or falsehoods. I understand that misrepresentations or falsehoods may be cause for denial or revocation of my educator license.

☐ I understand that I must notify the Commissioner of the Massachusetts Department of Elementary and Secondary Education in writing within ten days if in the future the answers to any of these questions change.

Signed under the penalties of perjury:
