**PLEASE NOTE:** Despite extensive quality control efforts, individual ownership of all parcels has not been independently verified. CZM makes no representations or warranties with respect to the definitiveness of the private or public ownership data presented in the Coast Guide. All issues related to questions of ownership of coastal property should be investigated at the local Registry of Deeds. In addition, while information about parking and available facilities for each site was checked in 2000, changes may have

occurred since that time. Please look for parking signs and check with site owners for updated information as necessary.
