

Properties with Multiple Federal Flood Insurance Claims

Stony Beach to Nantasket Beach

Red dots show the general distribution of properties with multiple flood insurance claims and do not reflect exact locations.

Dashed black lines show littoral cell boundaries.

This map is from the South Shore Coastal Hazards Characterization Atlas, published by the Massachusetts Office of Coastal Zone Management (CZM). CZM makes no representations or warranties with respect to the definitiveness of the data presented. Prepared by Applied Coastal Research and Engineering, Inc., December 2005.
