Underground Storage Tank (UST) Forms Guidance

UST System registration is most efficiently reported using the [UST Online Filing/Data Management System](#). Please use paper forms only if you have no computer access and mail completed forms to:

MassDEP UST Data Management Program
One Winter Street, 7th Floor
Boston, MA 02108

UST System registration has been designed so that once you have completed your facility registration using Forms UST1 through UST4, you need only report updates to remain in compliance. The Cover Sheet (Form UST1) needs to accompany ALL submittals.

UST1 - Cover Sheet & Certification (include with all submittals)

Legal Owner of USTs
Facility Name & Location
Owner Certification Statement

UST2 - Owner/Operator & Facility Registration

Owner/Operator Entity Information & Contacts
Facility Name & Location

UST3 - Financial Responsibility Registration

Financial Mechanism identification

UST4 - Tank, Piping & Components Registration

Tank Description (e.g. Installation Date, Size, Product, Use, etc.)
Tank & Piping Construction & Material
Tank & Piping Leak Detection in Use
Overfill/Spill Containment in Use
Corrosion Prevention in Use

UST5 - Change of Status/Product

Temporarily Out of Service (TOS) Notification
Returning to In-Use Notification
Change from Regulated to Non- Regulated Product

UST6 - System Removal/Closure in Place

Registered Tank Removal
Registered Tank Closure in Place
Unregistered Tank Removal
Unregistered Tank Closure in Place
Removal/Closure Assessment

This information is available in alternate format. Call Michelle Waters-Ekanem, Diversity Director, at 617-292-5751. TTY# MassRelay Service 1-800-439-2370
