The Commonwealth of Massachusetts

ENERGY EFFICIENCY ADVISORY COUNCIL

NOTICE OF PUBLIC “Webinar” MEETING

The Energy Efficiency Advisory Council (“Council”) established pursuant to section 22 of Chapter 25 of the Massachusetts General Laws announces a “webinar” meeting to be held on-line via the internet. The Council’s “Webinar” meeting will be held on Thursday, April 3, 2014 at 3:00 pm until 4:00 pm. To join the on-line meeting, please enter the following web address: https://www.livemeeting.com/cc/ngt/join?id=8395K5&role=attend&pw=J%28%403%3B%29d. Or one may call in using the following conferencing information: Toll-free: +1 (866) 844-9417. Participant Code: 7819071570.

The purpose of this online meeting is to discuss in greater detail one subject matter subjected to an Evaluation, Measurement and Verification ("EM&V") Study addressing the results from a recently completed “Mid-Sized Customer Needs Assessment”. The Program Administrators’ ("PAs") Evaluation Management Committee (“EMC”) will host this webinar. The aforementioned topic will be presented by Det Norske Veritas Germanisher Lloyd a.k.a. DNV GL, the evaluator formerly known as KEMA with its U.S. headquarters in Burlington, Massachusetts. The objective is to illuminate, make more transparent, and engender greater confidence with regard to the data recorded and quantified by the PAs in their pursuit of “all available energy efficiency and demand reduction resources that are cost effective or less expensive than supply” pursuant to the mandate of M.G.L. c.25, § 21.

These matters all relate to the continuing review and evaluation of the Three-Year Energy Efficiency Investment Plans of electric distribution companies, natural gas distribution companies, and municipal aggregators. This notice is provided pursuant to Massachusetts General Laws Chapter 30A, Section 11A ½.
