

Steven N. Graff, M.D.  
Orthopedic Group, Inc.  
588 Pawtucket Ave.  
Pawtucket, RI 02860  
401-722-2400

### Education

- 1993-1994 *The Indiana Hand Center, Fellowship in Hand and Microvascular Surgery. One year fellowship 7/93-7/94. Indianapolis, Indiana.*
- 1988-1992 *Harvard Combined Orthopedic Training Program. Chief Resident at Massachusetts General Hospital, 7/92-12/92. Boston, Massachusetts.*
- 1987-1988 *Brigham & Women's Hospital, General Surgical Internship, Boston, Massachusetts.*
- 1983-1987 *Columbia University College of Physicians & Surgeons, M.D. Awarded May 1987. Elected to Alpha Omega Alpha National Medical Honor Society, New York, New York.*
- 1979-1983 *Harvard University, A.B. in Biochemistry. Graduated magna cum laude, awarded John Harvard Scholarship "For Marked Excellence in College Studies" in 1979/80, 1981/82, and 1982/83, Cambridge, Massachusetts.*
- 1974-1979 *The Lawrenceville School, Valedictorian of the Graduating Class of 1979, National Merit Scholar, Lawrenceville, New Jersey.*

### Research Experience

- 1991-1992 *Evaluation of Shoulder Fusion Position with Moire Photography. Massachusetts General Hospital. Manuscript being prepared for submission. As part of the above study, I have developed an intraoperative tool to allow more accurate positioning of the glenohumeral joint during fusions. Boston, Massachusetts.*

Summer 1984 Biomechanics/Kinematic Studies of Hand Motion. Gait Laboratory, Boston Children's Hospital. Developed a computer-based system to aid in the kinematic analysis of standard operations and directed tasks of the human hand. Boston, Massachusetts.

#### **Presentations**

Functional analysis of hands with simulated single finger injuries resulting in limited PIP and DIP motion. 1996 Annual Meeting of the American Society for Surgery of the Hand, Nashville, TN.

#### **Publications**

Graff S., Jupiter J. Fractures of the distal radius: classification and indications for external fixation. Injury 1995. 25(4):14-23.

Graff S., Seiler J., Jupiter J. Acute gout following carpal tunnel release. J. Hand Surg. 1992. 17A:1031-1032.

#### **Certification/Memberships**

September 1998 Rhode Island Orthopedic Society

July 1998 American Society for Surgery of the Hand
