Information for Sex Offenders

SORR (Sex Offenders Registry Office) is a division of the Board of
Registries of Sex Offenders. The SORR is responsible for
maintaining a Sex Offender Registry Information System.

Sex Offenders who meet the criteria are listed on the
public file. The information is available to the public.

Classification Levels

• Provide basic information
• Provide current address information
• Provide registration information

How to Identify
Sex offenders may be prosecuted for violating the law.

Failure to Register

Sex offenders are required to register with the local police
department within 48 hours of their arrival in the
community in which they will reside. Sex offenders
must register at least once a year. A change in
residence requires an additional registration.

All sex offenders who report they have no residence or
are residing in a homeless shelter must register every 60
days.

Homeless Sex Offenders

If a sex offender is homeless, the local police
department must be notified.

The Sex Offender Registry Law

The Sex Offender Registry Law requires the identification and registration of individuals who have committed certain sexual offenses. The law applies to all offenders who have been convicted of a sex offense in Massachusetts, including those who have been convicted in other states.

Address Changes Within

If an offender changes their address, they must register within ten days of the change of address. This includes changes to their mailing address or their physical address. All offenders must register their new address within ten days of the change.

Duty to Register

An offender is required to register within ten days of the change of address. This includes changes to their mailing address or their physical address. All offenders must register their new address within ten days of the change.

Registration of Sex Offenders

Sex offenders must register at the police department of the city or town of residence. They must provide their full name, birth date, physical description, and address, among other details. All offenders must register at the police department of the city or town of residence, where they reside. Sex offenders must also register with the department of correction.

The Commonwealth of Massachusetts

Sex offenders who reside in the Commonwealth of Massachusetts must register with the police department of the city or town of residence. They must provide their full name, birth date, physical description, and address, among other details. All offenders must register at the police department of the city or town of residence.

How to Register

Sex offenders must register with the police department of the city or town of residence. They must provide their full name, birth date, physical description, and address, among other details. All offenders must register at the police department of the city or town of residence.
