780 CMR: STATE BUILDING CODE COMMISSION

SPECIAL ACKNOWLEDGMENTS

The following committees and organizations contributed toward the development of specific sections of the Massachusetts State Building Code.

- * The Advisory Committee on Historic Buildings for developing the Basic Code provisions for historic buildings, the first in the nation, and for the basic work they performed on the code provisions for existing buildings.
- * The Advisory Committee on Code Provisions for the Reuse of Existing Buildings (Appendix S) for committee members.
- * The National Bureau of Standards, Office of Building Standards and Code Services, U.S. Department of Commerce, Washington, D.C.
- * National Conference of States on Building Codes and Standards, 481 Carlisle Drive, Herndon, Virginia.
- * International Conference of Building Officials, 5360 South Workman Mill Road, Whittier, California.
- * Southern Building Code Congress, International, 900 Montclair Road, Birmingham, Alabama.
- * Association of Major Cities Building Officials, 1970 Chain Bridge Road, McLean, Virginia.
- * National Association of Housing & Redevelopment Officials, 2600 Virginia Ave., N.W., Washington, D.C.

A substantial portion of this code has been copied from the BOCA Basic Building Code/1978, Seventh Edition, Copyright 1978, Building Officials and Code Administrators International, Inc. Editor's Note:

The State Building Code Commission was abolished by Section 273 of Chapter 351 of the Acts of 1982. Executive Order 203 states:

"The Division of Inspectors within the Department of Public Safety shall have sole authority to administer the powers, duties and regulations of the abolished State Building Code Commission..."
