1.1.3 The list of ACNAs for McGraw eligible for the foregoing credits are as set forth in Exhibit A to this Amendment.

2. Miscellaneous Provisions.

2.1 Conflict Between this Amendment and the Agreement. This Amendment shall be deemed to revise the terms and conditions of the Agreement to the extent necessary to give effect to the terms and conditions of this Amendment. In the event of a conflict between the terms and conditions of this Amendment and the terms and conditions of the Agreement, this Amendment shall govern; provided, however, that the fact that a term or condition appears in this Amendment but not in the Agreement, or in the Agreement but not in this Amendment, shall not be interpreted as, or deemed grounds for finding, a conflict for purposes of this Section 2.

2.2 Capitalization. Capitalized terms used and not otherwise defined herein have the meanings set forth in the Amended Agreement.

2.3 Counterparts. This Amendment may be executed in one or more counterparts, each of which when so executed and delivered shall be an original and all of which together shall constitute one and the same instrument.

2.4 Captions. The Parties acknowledge that the captions in this Amendment have been inserted solely for convenience of reference and in no way define or limit the scope or substance of any term or condition of this Amendment.

- 2.5 Scope of Amendment. This Amendment shall amend, modify and revise the Agreement only to the extent set forth expressly in this Amendment and, except to the extent expressly set forth in this Amendment, the terms and conditions of the Agreement shall remain in full force and effect after the Amendment Effective Date. For the avoidance of any doubt, nothing in this Amendment shall be deemed to amend or extend the term of the Amended Agreement, or to affect the right of a Party to exercise any right of termination it may have under the Amended Agreement.
- 2.6 Joint Work Product. The Parties acknowledge that this Amendment is the joint work product of the Parties; that, for convenience, this Amendment has been drafted in final form by Verizon and that, accordingly, in the event of ambiguities in this Amendment, no inferences shall be drawn for or against either Party on the basis of authorship of this Amendment.
- 2.7 Amendments. No amendments or modifications shall be made to this Amendment unless in writing and signed by appropriate representatives of the Parties.
- 2.8 Waivers. A failure or delay of either Party to enforce any of the provisions of this Amendment, or any right or remedy available under this Amendment, or at law or in equity, or to require performance of any of the provisions of this Amendment, or to exercise any option that is provided under this Amendment, shall in no way be construed to be a waiver of such provisions, rights, remedies or options.
- 2.9 Definitions. Notwithstanding any other provision in the Agreement, this Amendment or any Verizon Tariff or SGAT, the following terms, as used in this Amendment, shall have the meanings set forth below:

2.9.1 Tariff.

- 2.9.1.1 Any applicable Federal or state tariff of a Party, as amended from time to time; or
- 2.9.1.2 Any standard agreement or other document, as amended from time to time, that sets forth the generally available terms, conditions and prices under which a Party offers a Service (and in the case of Interconnection Agreements in effect in the state of Delaware, including, without limitation, Verizon's Collocation Schedule as in effect from time to time).

The term "Tariff" does not include any Verizon Statement of Generally Available Terms (SGAT) which has been approved or is pending approval by a Commission (as defined in an Interconnection Agreement) pursuant to Section 252(f) of the Act.

2.9.2 Winover Line.

A line in the Eligible Territory for which McGraw submits an installation order via LSR, containing complete and accurate field identifiers (as determined by Verizon), clearly specifying that McGraw is porting a business end-user's existing working telephone number to a McGraw Eligible Resale Line from (x) a facilities-based provider other than Verizon and its Affiliates or (y) a Verizon-provided UNE-loop. For the avoidance of any doubt, a "Winover Line" does not include any migration from (i) retail Telecommunications Services provided by Verizon or its Affiliates (including, for the avoidance of any doubt, services provided by Verizon Wireless), (ii) resale lines provided by a competitive local exchange carrier other than McGraw nor (iii) resale lines provided by an

Affiliate of McGraw. For the avoidance of any doubt, a "Winover Line" does not include any line serving residential end users.

2.9.3 Eligible Resale Line.

DS0 resale lines that McGraw obtains from Verizon that serve business end users over which Business POTS, Centrex, analog PBX trunks, or non-Centrex Basic Rate ISDN services are being provided. Eligible Resale Lines shall not include any other resale lines and, for the avoidance of any doubt, shall not include ISDN Primary Rate Interface ("ISDN PRI") services, DID numbers, Private Line services, Fast Packet services, remote call forwarding lines, Off-Premises Extension ("OPX") services, Public Pay services or Foreign Exchange ("FX") services. For the further avoidance of any doubt, Eligible Resale Lines do not include any resale lines that (a) serve residential end users or (b) McGraw provides to a third party that does not use such line for its own consumption.

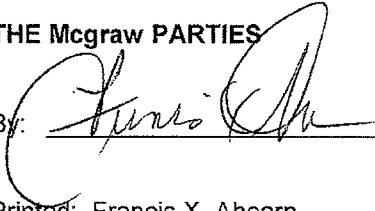

2.9.4 Eligible Territory.

The following: (a) the ILEC service territories of the following entities: Verizon Delaware Inc., Verizon Maryland Inc., Verizon New Jersey Inc., Verizon Pennsylvania Inc., Verizon Virginia Inc., Verizon Washington, DC Inc., Verizon West Virginia Inc., Verizon New England Inc., and Verizon New York Inc.; (b) the portion of the Verizon North Inc. ILEC service territories in the Commonwealth of Pennsylvania and (c) the portion of the Verizon South Inc. service territories in the Commonwealth of Virginia.
