

Granville State Forest

TRAIL MAP

Welcome to DCR's Granville State Forest

Enjoy a walk along the Hubbard River as it cascades through natural rock formations forming pools and waterfalls, dropping a rapid 450 feet in 2.5 miles. The forest offers over 2,300 acres of forest land and is a popular destination for camping and hiking.

Granville is part of the Massachusetts state park system and is managed by the Massachusetts Department of Conservation and Recreation (DCR), an agency of the Executive Office of Energy and Environmental Affairs.

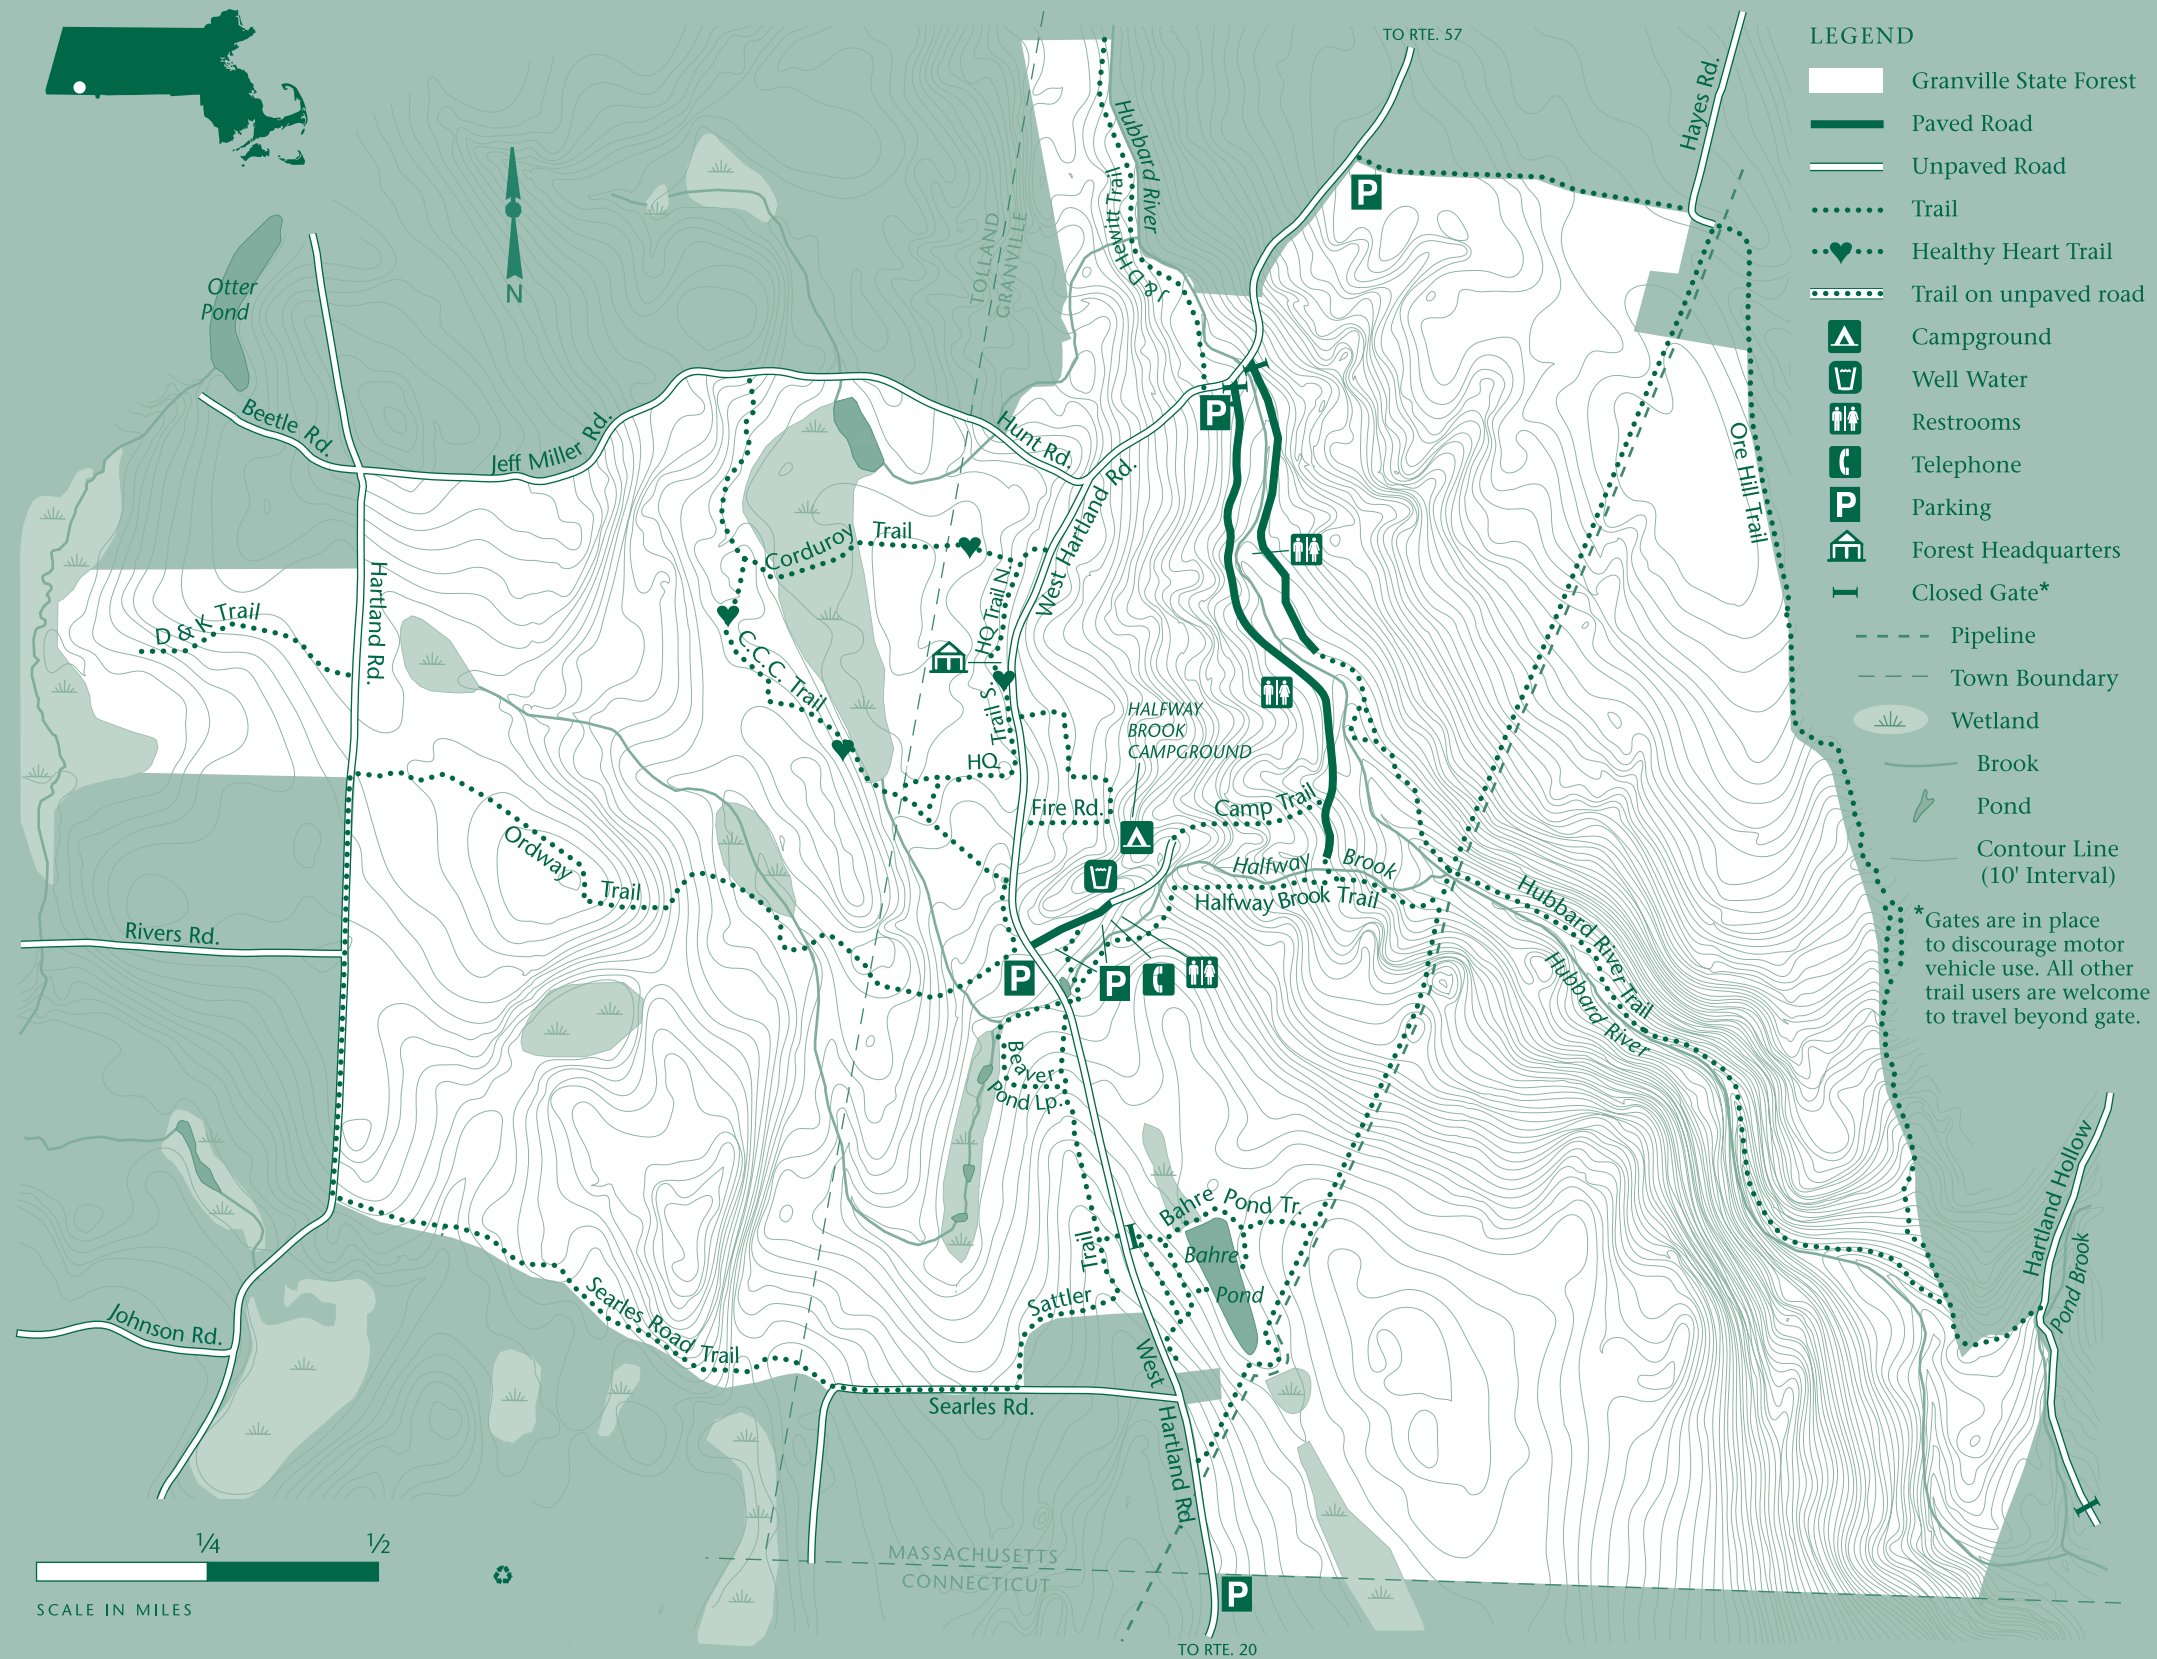

DCR oversees 450,000 acres of parks, forests, beaches, bike trails, watersheds, and dams. Its mission is to protect, promote, and enhance the state's natural, cultural, and recreational resources. To learn about DCR and to discover more parks and recreational opportunities within the Massachusetts state parks, visit www.mass.gov/dcr. For Pittsfield, visit www.mass.gov/dcr/parks/western/gran.htm

Designated by a heart symbol, Healthy Heart Trails are pathways or trails used for hiking or walking that are easy to moderate in activity level and intended for routine use to help build a healthy heart.

TRAIL USE GUIDELINES AT GRANVILLE

- Stay on designated trails and roads.
- Observe all posted rules and regulations.
- **Off-Road Vehicle (ORV) use prohibited.**
- Be respectful of other trail users:
 - Hikers:** Allow bicyclists and equestrians to pass.
 - Bicyclists:** Control your bike—do not skid. Avoid startling horses and hikers—announce yourself.
 - Equestrians:** Control your horse.
- Be aware of hunting seasons, and wear blaze orange when appropriate.
- **Dogs must be leashed at all times on trails.**
