

## **Marco Volpe, PT, DPT, OCS - Physical Therapist Representative**

Marco Volpe has been in private practice for the past 24 years. Dr. Volpe is the Director of Downtown Physical Therapy & Rehab in Boston, specializing in neck and TMJ dysfunctions in an orthopedic based, outpatient practice. Dr. Volpe has served as Rehab Director for the North End Rehab and Nursing Center and as a home care therapist for the North End Community Health Center. He has also worked at Spaulding Rehab, Belmont VNA and at the GELB TMJ Clinic at Tufts Dental School.

Dr. Volpe received his Bachelor of Arts in General Sciences from Brandeis University in Waltham, Massachusetts. He then went on to get a Masters Degree in physical therapy from Boston University's Sergeant College of Allied Health Professionals and was awarded board certification in Orthopedics in 1995 from the APTA (American Physical Therapy Association). Dr. Volpe then received his Doctorate of Physical Therapy from Simmons College in Boston.

He has taught and lectured at various schools such as Tufts Dental School, Boston University and Simmons College and has given seminars on various topics. He is currently chair of the Finance Committee of the Mass. Chapter of the APTA and Vice President of the New England Physical Therapy Network. He has served as a delegate to the APTA House of Delegates for many years. Marco Volpe serves as the Health Care Services Board's physical therapy representative
