Re: Regulations Update: 760 CMR 11 Modernization and Development of State-Aided Public Housing

In September of 2016, The Department of Housing and Community Development (DHCD) held public hearings to receive comments on the updated regulations; with many strong and valuable recommendations made at the hearing, DHCD revised the regulations and sent a new draft to The Executive Office of Administration and Finance (EOAF) for review and approval.

The final and approved regulation 760 CMR 11.00, regarding the Modernization and Development of State-Aided Public Housing, will be published on March 24, 2017. On and after that date, interested parties may find the full text of the updated and approved regulation on DHCD's website:

Please note that other regulations are still pending approval; DHCD will release additional public housing administration notices when the remaining regulations are approved.
