

Commonwealth of Massachusetts DEPARTMENT OF HOUSING & COMMUNITY DEVELOPMENT

Deval L. Patrick, Governor ♦ Aaron Gornstein, Undersecretary

Please Join the Department of Housing and Community Development for a Series of Public Outreach Meetings to Discuss Key Massachusetts Housing and Community Development Needs

Every five years, Massachusetts produces a Consolidated Plan for HUD that details the Commonwealth’s needs and priorities, as well as strategies to meet those needs and priorities. Before writing this plan, we want to hear from citizens of Massachusetts. We ask that you consider the following questions:

- What are the key priorities for housing and community development for the Commonwealth, the region, and your community?
- What opportunities exist for integration and coordination of state and/or local programs?
- How can DHCD help foster better coordination?
- What data or other information would help you in your housing and community development decision-making process?
