   (b) No application shall be acted upon by the Board unless said application is made on forms which are furnished by the Board, and unless said application is completely and properly filled out in the manner prescribed by the Board, attested to under the pains and penalties of perjury, and accompanied by such other information that the Board may require.
   (c) Incomplete applications will be held open for 180 calendar days.

(2) Licensure. With the exception of those provisions in 269 CMR 3.01(3), in order to be licensed as a Massage Therapist, applicants must meet the requirements for licensure set by M.G.L. c. 112, §§ 227 through 225, to wit:

   (b) Be 18 years of age or older;
   (c) Provide the Board with two letters of professional reference, of which:
      1. One letter shall be from an employer in the massage therapy or medical field, massage therapy educator, Massage Therapist, or health care provider with whom the applicant has had a professional relationship who should address the applicant’s competency and integrity; and
      2. One letter shall be from any, unrelated individual who should attest to the applicant’s business or professional integrity;
   (d) Be of good moral character as set forth in 269 CMR 3.04;
   (e) Have successfully completed a Board-approved course of study, including a minimum of 650 classroom hours or an equivalent number of credit hours of supervised instruction at a Licensed Massage School, including 300 supervised classroom hours in Massage Therapy and Technique, 150 hours of which meet the definition of “massage” in M.G.L. c. 112, §§ 227 and 228(a), and including 100 hours of unpaid and supervised clinical or externship experience;
   (f) Have not been convicted, in any jurisdiction, of a sexually-related crime or a crime involving moral turpitude for a period of ten years immediately prior to the date of application;

   (h) Pay the non-refundable fee as established by the Secretary of Administration and Finance pursuant to M.G.L. c. 7, § 3B.

(3) Reciprocal Licensure. The Board, upon receipt of the required, non-refundable fee and a completed, Board-approved application, pursuant to M.G.L. c. 112, § 230, may issue a reciprocal license without examination to any person who holds a license, certification or registration as a Massage Therapist, or the equivalent thereof, as determined by the Board, issued by another state or jurisdiction, provided that:
   (a) The requirements and standards for that license, certificate or registration are reasonably equivalent to or exceed the standards of the Commonwealth, as determined by the Board; and
   (b) The applicant meets the requirements of 269 CMR 3.01(2)(a) through (h).
3.01: continued

(c) The Board shall not grant reciprocal licensure to any person whose license to practice massage therapy is revoked or suspended by any other jurisdiction.

3.02: Procedures for Renewal of a License and Renewal of a Lapsed/Expired License

(1) Requirements for Renewal of a License.
(a) Licensees must renew their licenses every year. Each license originally issued to a Licensee shall be valid for a minimum of 12 months and shall expire on the 28th day of the Licensee’s birth month. Each subsequent renewal shall be on the anniversary of that date.
(b) A Licensee must submit to the Board, or its agent, a completed written or electronic renewal application and the required fees prior to the expiration date of the license; and
(c) A Licensee must furnish the Board with satisfactory proof that he or she has not been convicted in any jurisdiction of a sexually-related crime or a crime of moral turpitude since the original application for licensure; and
(d) A Licensee must furnish the Board with satisfactory proof that he or she has adequate individual professional liability insurance consistent with 269 CMR 3.01(2)(g); and
(e) A Licensee must fulfill and document the satisfactory completion of continuing education requirements.

(2) Procedures for Renewal of a Lapsed/Expired License.
(a) If a Licensee fails to meet the requirements for license renewal as set forth in 269 CMR 3.02(1), the license of such person shall be considered expired and not in good standing. A Licensee with an expired license shall not be permitted to use the title “Massage Therapist” or “Massage Practitioner” or “LMT” or any other abbreviation that implies state licensure or practice Massage during the period in which the license is expired.
(b) If a former Licensee of this jurisdiction requests that an expired license be reinstated within five years from the date of expiration, that individual must pay one renewal fee, the fee for the current licensure period, and one late fee. In addition, the individual must meet all continuing education contact hours required by the Board since the license was last issued/renewed. The individual also may be subject to disciplinary action for unlicensed practice, if he/she practiced massage without a license.
(c) If an expired license is not renewed within five years of the date of expiration, the Licensee must apply for license re-issuance. The license will only be reissued if the applicant meets all of the Board’s statutory and regulatory licensure requirements in existence at the time of re-application, pays all application fees in accordance with the procedures identified in 269 CMR 3.01, and completes all continuing education requirements for all renewal periods between the date of license expiration and the date of reapplication.
(d) For an individual who is licensed and practicing Massage in another jurisdiction, but whose license has expired in the Commonwealth, the Board, or its agent, shall consider, on a case-by-case basis, whether the continuing education requirements of the other jurisdiction are reasonably equivalent to those in the Commonwealth and, therefore, can be used as a basis for reinstatement of the expired license.

1. The Board, or its agent, shall consider, on a case-by-case basis, the overall competence of the individual. The Board may require the applicant to appear before the Board, and/or take an examination, and/or document continued professional competence, and/or practice under supervision prior to, or as a term or condition of reinstatement of the expired license.
2. For purposes of 269 CMR 3.02(2)(d), the fee for re-instatement of such a license shall be the same as the reciprocal license fee established by the Secretary of Administration & Finance.
3.03: Procedures for Reinstatement of a License That Has Been Revoked, Suspended, Surrendered, or Placed on Probation

Reinstatement of a License/Removal of Probation. The procedures for reinstatement of a license after that license has been revoked, suspended, surrendered, or placed on probation shall be determined by the guidelines established by the Board or, in specific matters, by consent agreement, or by decision and order of the Board. In all cases, unless there is specific language to the contrary in the documentation of the action taken, the individual shall be required to petition the Board, in writing, for a change in license status. At the discretion of the Board, a personal appearance may be required. Said petitions and appearances will ordinarily be considered at a regularly scheduled Board meeting, at least 60 days prior to the appropriate anniversary of the disciplinary action.

3.04: Good Moral Character Requirement

(1) An application for licensure as a Massage Therapist or Massage Practitioner shall be accompanied by such written documentation as the Board may reasonably require in order to determine whether the applicant is of "good moral character".

(2) Conduct which reasonably raises a question about whether an applicant possesses the "good moral character" required for registration includes, but is not limited to, any of the following:
   (a) Conviction of any criminal offense, other than a routine traffic violation. The term "conviction" means any of the following:
      1. A final judgment entered after a jury verdict of guilty or a judicial finding of guilty; or
      2. A plea of guilty; or
      3. A plea of nolo contendere (no contest); or
      4. Any other plea or finding which is treated by the court as a plea or finding of guilty;
   (b) Conduct that violates any of the provisions in the Code of Professional Ethics contained in 269 CMR 5.01: Code of Professional Ethics; and
   (c) Disciplinary action taken against any professional license, registration or certification held by the applicant by the applicable governmental authority of any state, territory or political subdivision of the United States or any foreign jurisdiction.

(3) If the Board receives information about an applicant for licensure that reasonably raises a question about whether that applicant is of "good moral character", the Board shall conduct a further inquiry into the relevant facts and circumstances before making a final decision on the application.
   (a) Determinations about whether an applicant for registration possesses the "good moral character" required for licensure shall be made on an individualized, case-by-case basis.
   (b) If the Board determines, in its discretion, that such steps are reasonably necessary, the Board may require the applicant to appear personally before the Board, and/or furnish additional written information to the extent permitted by applicable state or federal law.
   (c) The burden of demonstrating that the applicant possesses the good moral character required for registration shall rest with the applicant.

3.05: Communication with the Board; Notification of Change of Name or Address

(1) Official Mailing Address. The mailing address supplied to the Board by the Licensee will suffice as the legal address for the receipt of official process or notification from the Board. Failure to supply the Board with an official address for the receipt of legal process or other Board notifications may result in a default judgment or independent disciplinary action taken as a result of this failure.

(2) Change of Name or Address. The Licensee shall notify the Board of any change in name or address. Such notification shall be in writing or electronically and shall be submitted within 30 calendar days of the change in name or address.
3.05: continued

The 30-calendar day period commences on the date the Board sends the communication by regular mail to the Licensee’s last known address.
