The CAB shall evaluate those persons adjudicated as sexually dangerous persons (SDP's) and committed to the Massachusetts Treatment Center for Sexually Dangerous Persons for appropriateness for participation in a community access program and establish conditions to ensure the safety of the general community. The CAB shall provide, to the Superintendent, as chief administrative officer of the Treatment Center, a written annual report of its findings, including dissenting views. Each annual report shall also include a statement regarding the CAB's opinion of the person's current sexual dangerousness and the base(s) of that opinion. The CAB shall update a person's annual report for the purpose of a hearing in the Massachusetts Superior Court under MGL c. 123A, section 9 (section 9 hearing), if the CAB's last annual report predates the scheduled date of the person's section 9 hearing by six months or longer.

459.04 BOARD MEETING, DELIBERATION AND VOTING

All five members of the CAB meeting shall be present in order for the CAB to review a resident's eligibility for participation in, or condition of, the CAP; conduct an annual review of his current sexual dangerousness; or conduct a section 9 update of his sexual dangerousness. If a member of the CAB anticipates a conflict of interest or other appropriate reason for being unable to render an objective opinion, the member shall notify the chairperson sufficiently in advance of the board meeting so that arrangements may be made for an alternate member to sit on the board.

The chairperson shall provide all board members with pertinent data regarding the resident prior to the date of a meeting. In all cases the board shall have access to all records of the resident being evaluated.

The chairperson or the Deputy Superintendent of Reentry shall issue a notice of the date and time of the board meeting to the resident being evaluated. This notice shall be issued at least 48 hours prior to the meeting and shall inform the resident that he may attend the meeting. This 48-hour notice may be waived in writing. The chairperson may, in his or her discretion and for good cause shown, reschedule the meeting one time at the request of the resident.

If the resident attends the meeting, a member of the board shall inform the resident of the lack of confidentiality of anything he tells the board, in a manner consistent with Commonwealth v. Lamb, 365 Mass. 265 (1974). If the resident decides to participate in the meeting, he may provide the board with any information the board deems relevant to its decision making function. All board members must agree that the resident

understands the Warning of the limits of confidentiality and that the process is voluntary prior to commencing the interview and that the process is voluntary. All CAB reports shall indicate that the resident understood the Warning of Confidentiality.

The board may also ask the resident questions. The resident may decline to answer any question and may terminate the interview with the board at any time.

The chairperson shall permit a resident to tape record his board meeting if the resident agrees to follow the procedures and conditions mandated by the Treatment Center's written Audio Taping Procedure approved by the Superintendent.

The chairperson presiding over the board meeting in his or her discretion may permit persons in addition to the members of the CAB and the resident to be present during the meeting of the CAB. Such persons may provide the board with any information relevant to the board's decision-making function. Only the CAB members shall be present during the deliberation and voting. All determinations shall be by simple majority vote.

Members of the CAB may not abstain from a vote. Once a vote is taken, board members may not, at any time or for any reason, change their votes. Prior to voting, at the request of a member, the chairperson in his or her discretion may recess the CAB meeting to provide the members additional time to consider their votes or to obtain additional information to assist the members in making their votes. Should information be received immediately following the CAB meeting that the Superintendent has determined is of a crucial nature, then the Superintendent shall instruct the CAB chairperson to reconvene the CAB in order to review the information. If necessary, another vote shall be taken.

Minority and majority reports shall be signed by their respective authors, and shall include reasons for disagreement with the opposing opinion.
