Exhibit B8
30. Provide a summary of the RMD's operating procedures for maintaining confidentiality of registered qualifying patients, personal caregivers, and dispensary agents, as required by law:

Federal law does not apply to medical marijuana dispensaries, but the state laws above are the mandatory regulations. Patient data will be entered into database only accessible by licensed dispensary agents. Network ports will be blocked for transmitting data except to the DPH. Paper records will be stored in locked file cabinets accessible only by designated employees. USB ports will be disabled to prevent copying files.

- Paper records will be shredded after use.
- No medical records will be left unattended.
- Employees will be trained and tested on patient confidentiality.
- Passwords will be changed every thirty days.
- No passwords may be written on any paper.
- Workstations/computers may only be positioned in secure areas.
- Software will provide a "digital trail."
- All disclosures require written authorization.
- Retention policies revised annually.

Life Essence Inc.'s agents and employees will comply with 105 CMR 123.200(D), in that information held in 1.36. Print or type the above registered qualifying patients, personal caregivers, and dispensary agents shall be held confidential and shall not be disclosed without the written consent of the individual to whom the information applies or as required under law or permitted in an order of a court of competent jurisdiction, provided, however, that DPH may access this information to carry out official duties.
