

Form M-941

Instructions for Tax Return of Income Taxes Withheld

Rev. 3/15

Massachusetts
Department of
Revenue

General Instructions

Who must file Form M-941?

Every employer who expects to withhold from \$1,201 and \$25,000 in income taxes per year must file Form M-941 on a monthly basis; from \$101 and \$1,200 in income taxes per year on a quarterly basis; or \$100 or less on an annual basis.

When should Form M-941 be filed?

Employers filing on a **monthly** basis, return and payment are due on or before the 15th day of the month following the monthly withholding period, except for March, June, September and December; then due the last day of the month following the withholding period.

Employers filing on a **quarterly** basis, return and payment are due on or before the last day of the month following the quarterly withholding period.

Employers filing on an **annual** basis, return and payment are due on or before the 31st day of January following the annual withholding period.

Where should Form M-941 be mailed?

Mail return and payment to: **Massachusetts Department of Revenue, PO Box 419255, Boston, MA 02241-9255.** Make check or money order payable to the Commonwealth of Massachusetts.

Payments and returns received after the due date will be considered timely if they were properly addressed, mailed first-class and show a U.S. Post Office postmark or private delivery service substantiating date mark dated at least two days before the due date. A return must be filed even if no tax is due. Any return indicating "0" tax due must be e-filed through DOR's MassTaxConnect application at mass.gov/masstaxconnect.

Amended Return

If you need to change a line item on your return, complete a new return with the corrected information and check the "Amended Return" box. Generally, an amended return must be filed within three years of the date that your original return was filed.

By checking the amended return box, you are giving your consent for the Commissioner of Revenue to act upon your amended return after six months from the date of filing. If you choose not to consent, you must do so in writing and attach it to this amended return. If you do not consent, any requested reduction in tax will be deemed denied at the expiration of six months from the date of filing.

If you are disputing an assessment resulting from an audit, or are requesting an abatement of penalties, do not file an amended return. Rather, you must file a Form ABT, Application for Abatement. Visit mass.gov/dor/amend for additional information about filing an amended return, or filing an application for abatement.

What if any information shown on the preprinted form is incorrect?

If any preprinted information on these forms is incorrect, or if you have changed your address, make all the necessary changes or corrections through MassTaxConnect at mass.gov/masstaxconnect, or on the enclosed Form AI-1, Change of Address/Information.

If the changes involve a change of ownership or organization, report this on Form AI-1. Do not use the existing package of tax returns. File an online application for registration by accessing MassTaxConnect at mass.gov/masstaxconnect. The online application will allow you to register as a new business and enable you to file and pay electronically.

What if I need additional information?

Additional information regarding withholding tax can be found in the Department's "Guide to Withholding of Taxes on Wages" which may be obtained by visiting DOR's website at mass.gov/dor or by calling the Contact Center Bureau at (617) 887-6367 or toll-free in Massachusetts at 1-800-392-6089.

Note: Employers must notify DOR within 14 days of the hiring of new employees or independent contractors, or the reinstatement of employees returning to work after 30 calendar days. DOR offers an online option for reporting new hires, independent contractors and reinstated employees at mass.gov/cse. Employers with 25 or more employees are required to report new and reinstated employee and independent contractor information electronically. However, DOR encourages all employers to report electronically. Employers with less than 25 employees can send their new hire information using the Form NHR, New Hire Reporting, to the Massachusetts Department of Revenue, PO Box 55141, Boston, MA 02205-5141 or via fax to 617-376-3262. Additional information on new hire reporting can be obtained by visiting our site at mass.gov/dor. Employers should note that submitting quarterly wage information does not satisfy the obligation to submit timely new hire reports. Companies doing business in two or more states and reporting new hire information electronically can designate one state for reporting all new hire and independent contractor information. To take advantage of this option, employers must register their chosen reporting state with the Federal Office of Child Support Enforcement by calling 202-401-9267 or by visiting mass.gov/cse.
