Form ST-BDR-Meals Instructions

General Information

Under Massachusetts General Laws, Chapter 64H, sec. 33, Massachusetts vendors who have remitted sales tax on meals (meals tax) to the Department of Revenue (DOR) on accounts which are later determined to be worthless may file a claim for reimbursement with DOR. This claim for reimbursement is effective for sales of meals determined to be worthless in the previous fiscal year, regardless of when the actual sale occurred. **Bad debt reimbursements are issued without interest. Reimbursements may not be claimed on any other DOR return.** To claim reimbursement for meals tax determined to be worthless in the previous fiscal year you must mail your Form ST-BDR-Meals on or before the due date (including any extensions) of your current years' federal income tax return. If you discover an error in your claim after filing, you may file an amended claim *on or before* the due date (including extensions) of your federal income tax return, by clearly writing "**amended**" at the top of the claim form.

Vendors must include in gross receipts for their meals tax returns all sales for the period in which the sales occur, regardless of whether payment has been received. Vendors are **not** allowed to subtract bad debts from gross receipts. Reimbursements for bad debts on meals can only be made on an annual basis with Form ST-BDR-Meals.

Any vendor who recovers, in whole or in part, a bad debt for which a reimbursement has been received must include the recovered amount in the gross receipts amount on the meals tax return covering the period in which the recovery occurs. For example, you are a meals tax filer who receives reimbursement for a 2007 bad debt of \$500. During October of 2009 you recover \$300 of the bad debt. You must include the \$300 recovery amount in your gross receipts on your October return.

Note: Recovery of amounts taxable at 5% being reported on returns filed after August 1, 2009 should be included on the meals tax return at 80% of the amount of the recovery.

Taxpayers who change their fiscal year for federal tax purposes in tax years after 1999 may include in their ST-BDR-Meals claim for the first fiscal year after the change any bad debts incurred after the last day of their prior fiscal year and before the first day of their new fiscal year, providing that these claims have not been included in any other ST-BDR-Meals. See Technical Information Release (TIR) 00-3, Claiming the Bad Debt Reimbursement.

To correct errors unrelated to bad debts do not file Form ST-BDR-Meals. You must file an online Application for Abatement, at www.mass.gov/dor. For further information regarding abatements or Form ST-BDR-Meals call the Customer Service Bureau at (617) 887-MDOR.
