Treasury staff present for all or part of the meeting were: Jameel Moore, Procurement Counsel; Robin Healey, Treasury CIO; Dan Truong, Treasury Communications; Samantha Hammar, Treasury, IT; Lisa Angelo, Treasury, IT; Pratap Modapothala, MARIS Program Manager.

Other parties in attendance for all or part of the meeting were: John Kastrinos, Gartner; John Malone, Gartner; Trooper Derek Tronca, MSP.

There being a quorum present, Treasurer Goldberg called the meeting to order.

Treasurer Goldberg announced in accordance with the Commonwealth’s Open Meeting Law that any person may make a video or audio recording of an open session of a meeting of a public body, and she was obligated to inform attendees of any recording at the beginning of the meeting. She then asked that anyone present who is making any recording identify themselves as doing so. No person present indicated that he/she was making a recording.

MINUTES OF THE 1195th BOARD MEETING: On a motion by Ms. McGoldrick and seconded by Mr. Valeri the Board voted to approve the Regular and Executive Session Minutes of the 1194th Board Meeting, held on August 31, 2017.

(Mr. Condon arrives)
1. MARIS / Robert C. Minue Project Update - Monthly Project Status Report

Mr. Favorito introduced the Board’s new MARIS Program Manager Pratap Modapothala who had started just after Labor Day. Mr. Modapothala updated the Board on the progress of ongoing work. He indicated the Project Team, in collaboration with IV&V team, is in the process of creating a work plan that reflects forecasting of all the tasks and resource requirements from now until June 2018, including the tasks for Annual processes, MARIS application/data support and other pending activities. This plan is currently in review by the IV&V team and will be presented to MSRB. The IV&V team continues to review the project plan and provide comments and recommendations to the support team on a weekly basis. Mr. Modapothala added that he has been meeting individually with MSRB subject matter experts and unit managers to gauge their experience with MARIS.

John Malone from Gartner added that the project team was continuing its work in several areas including finalizing Form 1099-R processing for January, resolving all underlying data issues related to local retirement board COLA reimbursements, and preparing MSERS member data for PERAC’s actuarial valuation.

Mr. Favorito indicated that the September pension payroll and weekly disbursement payrolls since the last meeting had been successfully processed. The month’s transactions included more than 280 new retirement payees.

Mr. Favorito also brought to the Board’s attention that he, Mr. Modapothala and Gartner have had ongoing discussions with Sagitec regarding the monthly hours being submitted as part of their billing. Since July the hours had exceed the projected amounts included in the contract. Thus far the MSRB is only remitting payments for the projected number of hours included in the contract that had been executed. Sagitec has been asked to prepare a plan outlining how they intend to manage their hours.

The Board indicated it had no desire to pay any additional amounts beyond the contracted amount barring unforeseen circumstances and / or a subsequent agreement as such, as all parties were aware of the status of the project and the upcoming work when the contract was being negotiated. Mr. Favorito concluded he would update the Board on developments.

IV&V Services RFQ

The Board then reviewed the recommendation of the procurement team related to the RFQ that had been issued for the provision of IV&V services related to the project. The initial term would run through June 2018. The scoring of the procurement team was reviewed related to the three qualified bids submitted from FTG, Gartner and Verity. After evaluation and discussion, the Board directed the procurement team to move ahead with negotiations with Gartner who was the recommendation of the procurement team.
There was a motion to adopt the Vendor Recommendation subject to successful negotiation; Ms. McGoldrick made the motion, seconded by Mr. Condon.

2. **YTD Fiscal 2018 Operating & Capital Budgets**
   Mr. Favorito referred the Board to the YTD Fiscal 2018 Operating and Capital Budgets (through August 31, 2017) which had been handed out as part of the Agenda materials.

3. **Board Election**
   The Board reviewed the itemized estimated costs for the inclusion of telephone voting as they had requested at August’s meeting. After discussion, the Board directed staff to include the option for the upcoming election and track its usage so they might determine whether to use it in future elections.

4. **2017 MSERS Actuarial Valuation**
   Mr. Favorito reviewed the final published MSERS actuarial valuation which had been presented in draft form at last month’s meeting by the State Actuary and the Executive Director of PERAC.

5. **Web Site / Re-Design**
   Ms. Dadonna reviewed the upcoming changes to the mass.gov platform initiated by MassIT which is resulting in the re-design of all participating Commonwealth agencies’ web sites. She and her unit have been working along with Treasury IT staff for several months to convert the MSRB content. The new web site would be going live over the next week. She explained the software that had been in use will no longer be supported which has required MassIT to change platforms.

   Ms. Dadonna displayed the Treasury and MSRB web pages and how content would now be located. The Treasurer noted while a significant amount of work has been completed on behalf of the Treasury she has had concerns the identity of the Treasury and other state agencies was being subsumed and the re-design may make it more difficult for the public to immediately locate the agency and services they seek. Depending on how the new platform is utilized and the feedback, the Treasury would consider other hosting options.

   Robin Healey added that work thus far continues to be modified as needed and would continue to be so based on feedback from constituents and users.

   Ms. Daddona asked Board members to forward any feedback they received, as Board staff would be monitoring the situation.

6. **RFQ / Form-1099R**
   Mr. Favorito updated the Board that due to technical difficulties with COMMBUYS not all eligible vendors had received notice or were aware of the MSRB’s RFQ for printing of 1099’s in January. Additional information would be provided at the October meeting.

7. **MACRS Conference / Springfield**
   Mr. Favorito reviewed the agenda for the conference. On a motion made by Ms. Deal and seconded by Mr. Condon the Board voted to authorize attendance by Board members and staff.

September 2017
8. **PRIM Update**
Board members reviewed the most recent monthly investment performance information provided by PRIM.

9. **Legal Update**
Board members reviewed some of the most recent DALA/CRAB and court decisions involving the MSRB as summarized by the legal staff.

10. **Board / Staff Communications**
Mr. Favorito reviewed with the Board some of the more recent member and Board communications.

**THE BOARD GOES INTO EXECUTIVE SESSION.** At approximately 11:15 A.M. the Board entered into Executive Session to review applications for disability retirement, associated benefits, and to also consider the reputation, character, physical condition or mental health of individuals with business before the Board. The Board indicated that it would return to Open Session after the Executive Session.

Mr. Valeri made a motion to enter Executive Session. Mr. Condon seconded the motion.
